

CLEANGO RECEIVES FOURTH CONSECUTIVE PURCHASE ORDER FROM LEADING INDUSTRIAL CHEMICAL SUPPLIER

Vancouver, B.C., February 15, 2024 - CleanGo Innovations Inc. (the “Company” or “CleanGo”) (CSE:CGII), (OTC:CLGO.F), (FRA:APO2), a pioneering force in the development of environmentally friendly industrial cleaning solutions, is pleased to announce the receipt of a fourth purchase order (the “PO”) from a leading Industrial Supply Company (the “**Industrial Client**”) serving the Oil and Gas sector in Calgary, Alberta, Canada.

This PO marks the fourth “reorder” from this Commercial client in Q1 2024 and demonstrates a strong commercial use case for CleanGo’s CG-100 product offering within the in Oil and Gas sector. The Company anticipates the total volume of orders to surpass the 500,000-liter mark in 2024, marking a significant milestone in its growth trajectory.

Since first initiating a white label partnership (the “**Partnership**”) in 2021 with the Industrial Client, the Company has experienced a steady increase in order volumes year over year. This trend again underscores the industry's growing confidence in CleanGo’s products and solutions.

This Partnership not only cements CleanGo Innovations' market position as a key player in the Oil and Gas industry but also enhances its ability to collect and leverage data from successful applications of its product suite. These insights are instrumental in refining the Company’s offerings and expanding CleanGo's footprint in the broader Industrial supply market.

Anthony Sarvucci, CEO of CleanGo stated, "Our sustained focus on nurturing customer relationships, coupled with the positive reception of our products, lays the foundation for our growth strategy. By consistently meeting the evolving needs of our clients and leveraging positive industry feedback, we aim to position our innovative solutions as indispensable resources across various industrial sectors. This approach not only exemplifies our commitment to diversity and expansion but also reinforces our dedication to environmental stewardship and excellence in customer service”.
