

## CLEANGO INNOVATIONS HAS OBTAINED DTC ELIGIBILITY FOR THEIR US ELECTRONIC CLEARING.

Vancouver, B.C. – March 26th, 2024, - CleanGo Innovations Inc. (CSE:CGII),(OTC:CLGO.F),(FRA:APO2) CleanGo Innovations Inc. (“CleanGo” or the “Company”) Is proud to announce that they have received DTC Approval from the Depository Trust Company allowing the electronic clearing of their US public securities..

CleanGo Innovations CSE (CGII) is pleased to announce that the Company’s common shares are now eligible for electronic clearing and settlement through the Depository Trust Company (“DTC”) in the United States. DTC is a subsidiary of the Depository Trust & Clearing Corp., which manages the electronic clearing and settlement of publicly traded companies in the U.S. DTC eligibility incorporates an electronic method of clearing securities that accelerates the receipt of stock and cash, reduces costs, and allows the stock to be traded over a much wider selection of brokerage firms by meeting their clearing and settlement requirements.

“We are pleased to receive DTC eligibility which will simplify the electronic settlement for U.S. based investors and enhance the ability of these investors to participate in our Company’s growth.”, said Anthony Sarvucci, CEO of CleanGo innovations. Mr. Sarvucci continued, “Today's announcement is an important milestone towards broadening our market presence across the U.S. in our ongoing efforts to introduce our Company to a broader audience of potential investors. DTC eligibility should also help increase the liquidity of our stock and expand our presence in the U.S. capital markets. Our common shares are now more accessible to retail and institutional investors in one of the largest capital markets in the world.”

### **About CleanGo Innovations**

CleanGo Innovations Inc. is an international, publicly traded company that specializes in the development of early-staged, green, non-toxic and sustainable products used in retail, commercial and industrial applications.

The company is proud of its suite of proprietary, Green Seal Certified non-toxic green products that are Health Canada approved to claim 99.9% disinfecting of viruses and bacteria on a hard surface. CleanGo's portfolio is proud to be a part of Cruelty Free / Leaping Bunny as a certified product while being both family and pet safe. It is CleanGo's mission to create the world's leading non-toxic, green solutions for the world's cleaning problems.

CleanGo Innovation's experienced team brings new ideas and innovation based on science to find solutions to the problems of the current world we live in. Customers rely on quality, nontoxic products to keep their homes clean and their loved ones safe.

**Forward-looking Information**

This news release may contain forward-looking statements and forward-looking information (collectively, "forward-looking statements") within the meaning of applicable Canadian and U.S. securities legislation. Forward-looking statements can often be identified by words such as "will", "plans", "expects", "may", "intends", "anticipates", "believes", "proposes" or variations of such words including negative variations thereof and phrases that refer to certain actions, events or results that may, could, would, might or will occur or be taken or achieved. Actual results could differ from those projected in any forward-looking statements due to numerous factors, including risks and uncertainties relating to general economic, market or business conditions or changes in laws, regulations and policies affecting the Company's operations. Investors are cautioned that forward-looking statements are not guarantees of future performance or events and, accordingly are cautioned not to put undue reliance on forward-looking statements due to the inherent uncertainty of such statements. Any forward-looking statements included in this news release are made as of the date hereof and the Company does not intend to update or revise any forward-looking statements, except as expressly required by law.
