MANAGEMENT INFORMATION CIRCULAR

The information contained in this Management Information Circular, unless otherwise indicated, is as of July 2, 2024.

This Management Information Circular is being mailed by the management of CLEANGO INNOVATIONS INC. (the “Company” or “CGII”) to shareholders of record at the close of business on July 2, 2024, which is the date that has been fixed by the directors of the Company as the record date (the “Record Date”) to determine the shareholders who are entitled to receive notice of the Meeting. The Company is mailing this Information Circular in connection with the solicitation of proxies by and on behalf of the Company for use at its annual general and special meeting (the “Meeting”) of the shareholders that is to be held on **Friday, August 16, 2024, at 10:00 AM (PST)** at Suite 1100 – 1111 Melville Street, Vancouver, British Columbia, V6E 3V6. The solicitation of proxies will be primarily by mail. Certain employees or directors of the Company may also solicit proxies by telephone or in person. The cost of solicitation will be borne by the Company.

The Company is not relying on the “Notice and Access” delivery procedures outlined in National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* to distribute copies of proxy-related materials in connection with the Meeting by posting them on a website.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

Other than as set forth in this Information Circular, no person who has been a director or executive officer of the Company at any time since the beginning of the last financial year, ended December 31, 2023, nor any proposed nominee for election as a director of the Company, nor any associate or affiliate of any of the foregoing, has any material interest, directly or indirectly, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon other than the election of directors or the appointment of auditors.

SECTION 1 - VOTING

WHO CAN VOTE?

If you are a registered shareholder of the Company as at **July 2, 2024**, you are entitled to notice of and to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf, but documentation indicating such officer’s authority should be presented at the Meeting. If you are a registered shareholder but do not wish to, or cannot, attend the Meeting in person you can appoint someone who will attend the Meeting and act as your proxyholder to vote in accordance with your instructions (see “**Voting By Proxy**” below). If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer, financial institution or other intermediary) you should refer to the section entitled “**Non-Registered Shareholders**” set out below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting in person, we invite you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented.

VOTING BY PROXY

If you do not come to the Meeting, you can still make your votes count by appointing someone who will be there to act as your proxyholder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

In order to be valid, you must return the completed form of proxy to the Company's transfer agent, TSX Trust Company ("**TMX Equity**"), Proxy Department, 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, excluding Saturdays, Sundays and holidays, prior to the time fixed for the Meeting or any adjournments thereof.

What Is A Proxy?

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. We have enclosed a form of proxy with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy.

Appointing A Proxyholder

You can choose any individual to be your proxyholder. It is not necessary for the person whom you choose to be a shareholder. To make such an appointment, simply fill in the person's name in the blank space provided in the enclosed form of proxy. To vote your shares, your proxyholder must attend the Meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy are appointed to act as your proxyholder (the "**Management Proxyholders**"). Those persons are directors, officers or other authorized representatives of the Company.

Instructing Your Proxy

You may indicate on your form of proxy how you wish your proxyholder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxyholder must vote your shares in accordance with the instructions you have given.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxyholder can vote your shares as he or she thinks fit. If you have appointed the persons designated in the form of proxy as your proxyholder they will, unless you give contrary instructions, vote your shares IN FAVOUR of each of the items of business being considered at the Meeting. For more information about these matters, see "*Section 3 - The Business of the Meeting*".

The enclosed form of proxy gives the persons named on it the authority to use their discretion in voting on amendments or variations to matters identified in the Notice of Meeting. At the time of printing this Information Circular, the management of the Company is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

Changing Your Mind

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by (a) attending the Meeting and voting in person; (b) signing a proxy bearing a later date; (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to the Company at 234 – 5149 Country Hills Blvd NW, Suite 422, Calgary, AB T3A 5K8 OR 1100 – 1111 Melville Street, Vancouver, British Columbia, Canada V6E 3V6 or (d) in any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 10:00AM (PST) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting in person. **Only registered shareholders may revoke a proxy. If your shares are not registered in your own name and you wish to change your vote, you must arrange for your nominee to revoke your proxy on your behalf (see below under "Non-Registered Shareholders").**

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by one of the following options:

- (a) complete, date and sign the enclosed form of Proxy and returning it to the Company's transfer agent, TSX Trust Company ("**TMX Equity**"), Proxy Department, 301 – 100 Adelaide Street West, Toronto, Ontario M5H 4H1, or by fax at 1-416-361-0930, or by mail to the 100 Adelaide St W #301, Toronto, ON M5H 4H1; or
- (b) use the internet through the website of the Company's transfer agent at www.voteproxyonline.com. Registered Shareholders must follow the instructions that appear on the screen and refer to the enclosed proxy form for the holder's account number and the control number.

In all cases, the Proxy must be received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

NON-REGISTERED SHAREHOLDERS

Only registered holders of common shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, common shares beneficially owned by a holder (a "**Non-Registered Holder**") are registered either:

- (a) in the name of an Intermediary (an "**Intermediary**") that the Non-Registered Holder deals with in respect of the shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; OR
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as "**NOBOs**". Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as "**OBOs**".

Pursuant to NI 54-101 of the Canadian Securities Administrators, the Company has distributed copies of proxy-related materials in connection with this Meeting (including this Information Circular) indirectly or directly to the NOBOs and to the Intermediaries for onward distribution to Non-Registered Holders. Intermediaries that receive the proxy-related materials are required to forward the proxy-related materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries often use service companies to forward the proxy-related materials to Non-Registered Holders.

The Company will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the proxy-related materials and related documents. Accordingly, an OBO will not receive copies of the proxy-related materials and related documents unless the OBO's Intermediary assumes the costs of delivery.

Generally, Non-Registered Holders who have not waived the right to receive proxy-related materials (including OBOs who have made the necessary arrangements with their Intermediary for the payment of delivery and receipt of such proxy-related materials) will be sent a voting instruction form which must be completed, signed and returned by the Non-Registered Holder in accordance with the Intermediary's directions on the voting instruction form. In some cases, such Non-Registered Holders will instead be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not

completed. This form of proxy does not need to be signed by the Non-Registered Holder, but, to be used at the Meeting, needs to be properly completed and deposited with TMX Equity as described under “**Voting By Proxy**” above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares that they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should insert the Non-Registered Holder’s (or such other person’s) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form.

Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies, including instructions regarding when and where the voting instruction form or Proxy form is to be delivered.

NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act* of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws. The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), as amended (the “**Act**”), certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

SECTION 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Company is authorized to issue an unlimited number of common shares without par value. As at the close of business on the Record Date being **July 2, 2024**, there were a total of **4,694,427** common shares were issued and outstanding. Each shareholder entitled to receive notice of and to vote at the Meeting is entitled to one vote for each common share registered in his or her name at the close of business on **July 2, 2024**. The Company completed a 5 old for 1 new [5:1] share consolidation effective January 13, 2023.

Under the Company’s Articles, the quorum for the transaction of business at a Meeting of shareholders is at least two persons who are, or who represent by proxy, shareholders who, in the aggregate, hold at least 5% of the issued shares entitled to be voted at the Meeting.

Every individual who is present and is entitled to vote as a shareholder or as a representative of one or more corporate shareholders will have one vote, and on a poll every shareholder present in person or represented by a Proxy and every person who is a representative of one or more corporate shareholders, will have one vote for each Common Share registered in that shareholder’s name on the list of shareholders as at the Record Date, which is available for inspection during normal business hours at the Company’s transfer agent and will be available at the Meeting.

To the knowledge of the Company's directors and executive officers, there are no persons who, beneficially own, or control or direct, directly or indirectly, shares carrying 10% or more of the voting rights attached to all the outstanding shares except for the person(s) noted below:

Shareholder Name	Number of Common Shares Held	Percentage of Issued Common Shares
Anthony Sarvucci	1,560,186	33.23%

- (1) The above information was supplied to the Company by the shareholder directly and from insider reports available at www.sedi.ca.
(2) The number above reflects the 5:1 share consolidation completed January 13, 2023.

SECTION 3 - THE BUSINESS OF THE MEETING

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

1. FINANCIAL STATEMENTS

The audited financial statements of the Company for the financial years ended December 31, 2023 and December 31, 2022, will be placed before you at the Meeting. They have been mailed to the shareholders who have requested they receive a copy of same together with the Notice of Meeting and this Information Circular. These audited financial statements are available at www.sedarplus.ca.

No approval or other action needs to be taken at the Meeting in respect of these documents.

Pursuant to National Instrument 51-102 *Continuous Disclosure Obligations* and National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, both of the Canadian Securities Administrators, a person or corporation who in the future wishes to receive annual and interim financial statements from the Company must deliver a written request for such material to the Company. Shareholders who wish to receive annual and interim financial statements are encouraged to complete the appropriate section on the Financial Statement Request Form attached to this Information Circular and send it to the Company.

2. ELECTION OF DIRECTORS

Under the Company's Articles and pursuant to the *Business Corporations Act* (British Columbia), the number of directors may be set by ordinary resolution but shall not be fewer than three. The Company currently has **four (4)** directors. All four (4) directors are being put forward by management of the Company for election at the Meeting.

The Company's management recommends that the shareholders vote in favour of the resolution setting the number of directors at four (4). Unless you give other instructions, the Management Proxyholders intend to vote FOR the resolution setting the number of directors at four (4).

Nominees for Election

Directors of the Company are elected for a term of one year. Each of the nominees has agreed to stand for election and management of the Company is not aware of any intention of any of them not to do so. Management does not contemplate that any of the nominees will be unable to serve as a director but, if that should occur for any reason prior to the Meeting, the persons designated in the enclosed form of proxy reserve the right to vote for other nominees in their discretion.

Cease Trade Orders, Bankruptcies, Penalties Or Sanctions

As at the date of this Information Circular, other than as disclosed herein, to the knowledge of the Company, no proposed nominee for election as a director of the Company (nor any of his / her personal holding companies) has been subject to:

- (a) any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority or has entered into a settlement agreement with a securities regulatory authority; or
- (b) any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable shareholder in deciding whether to vote for a proposed director.

No proposed nominee for election as a director of the Company is, or has been, within 10 years before the date of this Information Circular:

1. a director, chief executive officer or chief financial officer of any company (including the Company and any personal holding company of the proposed director) that, while that person was acting in that capacity:
 - (a) was subject to a cease trade order (including any management cease trade order which applied to directors or executive officers of a company, whether or not the person is named in the order) or an order similar to a cease trade order or an order that denied the relevant company access to any exemption under securities legislation, that was in effect for a period of more than 30 consecutive days (an “**Order**”); or

Eugene Chen was a director of Blacksteel Energy Inc. when the ASC, British Columbia Securities Commission (“**BCSC**”) and the Ontario Securities Commission (“**OSC**”) issued cease trade orders on October 20, 2020, for failure to file its financial statements for the year ended April 30, 2020 within the time frame designated under applicable securities legislation. On December 17, 2020, the ASC and the OSC revoked their cease trade orders and on December 21, 2020, the BCSC revoked its cease trade order.

Eugene Chen was a director of CapGain Properties Inc. when the ASC issued a cease trade order on May 5, 2015, for failure to file its financial statements for the year ended December 31, 2014 within the time frame designated under applicable securities legislation. A similar order had been issued by the BCSC on February 3, 2015. Mr. Chen resigned as a director of CapGain on December 31, 2017. Both of the cease trade orders were revoked on October 9, 2019.

The Company’s management recommends that the shareholders vote in favour of the election of the proposed nominees as directors of the Company for the ensuing year. Unless you give instructions otherwise, the Management Proxyholders intend to vote FOR the nominees named in this Information Circular.

3. RATIFICATION OF APPOINTMENT OF AUDITOR

At the Meeting, shareholders will be asked to ratify and confirm the appointment of MNP LLP (“**MNP**”) as auditor of the Company for the fiscal year ended December 31, 2022, and for the remuneration to be fixed by the directors. See *Section 5 – Audit Committee – External Service Fees*. MNP resigned as the Company’s auditor effective March 24, 2023.

The Company’s management recommends that the shareholders vote in favour for the ratification, confirmation and approval of the appointment of MNP LLP as the Company’s auditor for the fiscal year ended December 31, 2022, and grant the Board of Directors the authority to determine the remuneration to be paid to the auditor. Unless you give instructions otherwise, the Management Proxyholders intend to vote FOR the ratification of the appointment of MNP, to act as the Company’s auditor until the close of its fiscal year ended December 31, 2022 and also intend to vote FOR the proposed resolution to authorize the Board of Directors to fix the remuneration to be paid to the auditor.

4. APPOINTMENT AND REMUNERATION OF AUDITOR

At the Meeting, Davidson & Company LLP (“**Davidson**”) will be recommended by management and the Board of Directors for re-appointment as auditor of the Company for the ensuing year at a remuneration to be fixed by the directors. See *Section 5 – Audit Committee – External Service Fees*. Davidson has been the Company’s auditor since March 24, 2023.

The Company’s management recommends that the shareholders vote in favour of the re-appointment of Davidson & Company LLP as the Company’s auditor for the ensuing year and grant the Board of Directors the authority to determine the remuneration to be paid to the auditor. 5. APPROVE STOCK OPTION PLAN

On September 24, 2020, the Company adopted a 10% rolling stock option plan to issue stock options exercisable into Common Shares (the “**Options**”) (the “**Stock Option Plan**”). The Stock Option Plan permits the grant of Options in accordance with its terms. A summary of the Stock Option Plan including a description of the Options is set out below under “*Executive Compensation – Stock Option Plan*” and a copy of the Stock Option Plan is attached hereto as Schedule “**C**”.

The Canadian Securities Exchange (the “**CSE**”) requires that every three years after the institution by an issuer of a security-based compensation arrangement that does not have a fixed maximum number of securities issuable, such as the Stock Option Plan, all unallocated rights, options or other entitlements under such arrangement must be approved by a majority of the issuer’s directors and by the issuer’s shareholders. Accordingly, in accordance with the requirements of the CSE, shareholders will be asked at the Meeting to consider and, if thought appropriate, to pass an ordinary resolution to approve the Stock Option Plan and the unallocated Options under the Stock Option Plan.

If the resolution to approve the unallocated Options is not passed, no further Options will be granted (including new Options to be granted after already outstanding Options are cancelled, terminated or exercised) until shareholder approval is obtained. Outstanding Options will not be affected.

As of the date hereof, 329,552 Options were outstanding under the Stock Option Plan, representing approximately 0.07% of the then outstanding share number. The Options and Awards are collectively referred to as “**Security Based Compensation Awards**”.

Stock Option Plan Resolution

At the Meeting, shareholders will be asked to approve an ordinary resolution approving the Stock Option Plan (the “**Stock Option Plan Resolution**”), the full text of which is as follows:

BE IT RESOLVED AS AN ORDINARY RESOLUTION THAT:

1. The stock option plan (the “**Stock Option Plan**”) of the Company in substantially the form described in and appended to the management information circular of the Company dated July 4, 2024, be and the same is hereby ratified, confirmed and approved and shall thereafter continue and remain in effect until further ratification is required pursuant to the rules of the Canadian Securities Exchange (the “**CSE**”) or other applicable regulatory requirements.

3. The Company shall have the ability to continue granting options under the Stock Option Plan until such date that is three years from the date on which shareholder approval of unallocated options under the Stock Option Plan is obtained.
4. The board of directors of the Company is authorized and directed to make any changes to the Stock Option Plan as may be required by the CSE or other regulatory authorities, without further approval by the shareholders of the Company.
5. Any one director or officer of the Company be and is hereby authorized, for and on behalf of the Company, to execute and deliver all such documents and instruments and to do all other things as in the opinion of such director or officer may be necessary or desirable to implement this resolution and the matters authorized hereby, such determination to be conclusively evidenced by the execution and delivery of any such document or instrument, and the taking of any such action.

A majority of the votes cast by shareholders at the Meeting is required to approve the Stock Option Plan Resolution.

Unless otherwise directed, the persons named in the enclosed form of proxy intend to vote FOR the approval of the Stock Option Plan Resolution.

6. OTHER BUSINESS

The Company will consider and transact such other business as may properly come before the Meeting or any adjournment or adjournments thereof. Management of the Company knows of no other matters to come before the Meeting other than those referred to in the Notice of Meeting. OPTION PLANS

The Company's board of directors approved the adoption of the Company's Stock Option Plan and received Shareholder approval for the plan on September 24, 2020 (the "Option Plan"). The purpose of the Option Plan is to advance the interests of the Company and its shareholders by attracting, retaining and motivating the performance of selected directors, officers, employees or consultants of the Company of high caliber and

potential and to encourage and enable such persons to acquire and retain a proprietary interest in the Company by ownership of its stock. The Option Plan provides that, subject to the requirements of the Exchange, the aggregate number of securities reserved for issuance, set aside and made available for issuance under the Option Plan may not exceed 10% of the issued and outstanding shares of the Company at the time of granting of options (including all options granted by the Company to date). The number of Common Shares which may be reserved in any 12-month period for issuance to any one individual upon exercise of all stock options held by that individual may not exceed 5% of the issued and outstanding Common Shares of the Company at the time of the grant. The number of Common Shares which may be reserved in any 12-month period for issuance to any one consultant may not exceed 2% of the issued and outstanding Common Shares and the maximum number of Common Shares which may be reserved in any 12-month period for issuance to all persons engaged in investor relations activities may not exceed 2% of the issued and outstanding Common Shares of the Company. The Option Plan provides that options granted to any person engaged in investor relations activities will vest in stages over 12 months with no more than $\frac{1}{4}$ of the stock options vesting in any three-month period.

The Option Plan is administered by the Board or a special committee of directors, either of which will have full and final authority with respect to the granting of all stock options thereunder. Stock options may be granted under the Option Plan to such directors, officers, employees or consultants of the Company, as the board of directors may from time to time designate.

The exercise price of any stock options granted under the Option Plan shall be determined by the Board but may not be less than the market price of the Common Shares on the Exchange on the date of the grant (less any discount permissible under Exchange rules). The term of any stock options granted under the Option Plan shall be determined by the Board at the time of grant but, subject to earlier termination in the event of termination or in the event of death, the term of any stock options granted under the Option Plan may not exceed ten years. Options granted under the Option Plan are not to be transferable or assignable other than by will or other testamentary instrument or pursuant to the laws of succession. Subject to certain exceptions, in the event that a director or officer ceases to hold office, options granted to such director or officer under the Option Plan will expire 90 days after such director or officer ceases to hold office.

Subject to certain exceptions, in the event that an employee, or consultant ceases to act in that capacity in relation to the Company, stock options granted to such employee, consultant or management company employee under the Option Plan will expire 30 days after such individual or entity ceases to act in that capacity in relation to the Company.

Stock options granted to optionees engaged in investor relations activities on behalf of the Company expire 30 days after such optionees cease to perform such investor relations activities for the Company. In the event of death of an option holder, options granted under the Option Plan expire the earlier of one year from the date of the death of the option holder and the expiry of the term of the option.

The following information is intended to be a brief description of the Option Plan and is qualified in its entirety by the full text of the Option Plan which is available under the Company's SEDAR+ profile at www.sedarplus.ca:

1. Options may be granted to directors, officers, employees and consultants of the Company or any subsidiary of the Company.
2. The aggregate number of Options granted to any option holder in a twelve month period must not exceed 5% of the issued and outstanding common shares of the Company, and the maximum number of Options which may be granted to insiders within any twelve month period must not exceed 10% of the issued and outstanding common shares of the Company (unless the Company has obtained disinterested shareholder approval of such grants).

3. The aggregate number of Options granted to any one consultant of the Company within any 12 month period must not exceed 2% of the issued and outstanding common shares of the Company.
4. Options granted to all persons retained to provide investor relations activities must not exceed 2% of the issued and outstanding common shares of the Company in any 12 month period, calculated at the date an Option is granted to any such person, and such options are subject to vesting provisions.
5. The exercise price of the Options to be granted under the Option Plan will be determined by the Board and will not be less than the market value of the common shares as of the date of grant, as permitted by the Exchange.
6. The term of the Options will not exceed 10 years, subject to earlier termination after certain events such as the Option holder's ceasing to be an option holder, disability or death.
7. The Option Plan does not provide for mandatory vesting provisions of the options. Options granted under the Option Plan may contain vesting provisions at the discretion of the Board (or a committee thereof).

FIXED RESTRICTED SHARE UNIT PLAN/RSU AWARDS

On June 1, 2020 the Board approved the form of restricted stock unit plan (the "**RSU Plan**") for adoption by the Company which was approved by the shareholder on September 24, 2020. The RSU Plan is designed to provide certain directors, officers, employees and consultants and other key employees (an "**Eligible Person**") of the Company and its related entities with the opportunity to acquire restricted share units ("**RSUs**") of the Company, thereby allowing an Eligible Person to participate in the long-term success of the Company thus promoting the alignment of an Eligible Person's interests with the Shareholders.

The RSU Plan allows the Company to grant RSUs, under and subject to the terms and conditions of the RSU Plan, which may be exercised to purchase up to a fixed number maximum of 1,000,000 Shares. A copy of the RSU Plan is attached to the August 3, 2020, Circular as Schedule "B".

The following is a summary of the RSU Plan and capitalized terms used but not defined in this section of the Circular shall have the meanings ascribed thereto in the RSU Plan.

Benefits of the RSU Plan

The RSU Plan is designed to be a long-term incentive for the directors, officers, consultants and other key employees of the Company. RSUs provide the Company with an additional compensation tool to help retain and attract highly qualified directors, officers, consultants and employees.

Nature and Administration of the RSU Plan

As defined in the RSU Plan, Eligible Persons are eligible to participate in the RSU Plan (as "**Recipients**"), and the Company reserves the right to restrict eligibility or otherwise limit the number of persons eligible for participation as Recipients in the RSU Plan. Eligibility to participate as a Recipient in the RSU Plan does not confer upon any person a right to receive an award of RSUs.

Subject to certain restrictions, the Board or its appointed committee, can, from time to time, award RSUs to Eligible Persons. RSUs will be credited to an account maintained for each Recipient on the books of the Company

as of the award date. The number of RSUs to be credited to each Recipient's account shall be determined at the discretion of the Board and pursuant to the terms of the RSU Plan.

Each award of RSUs vests on the date(s) (each a "**Vesting Date**") that is the later of the Trigger Date (as defined in the RSU Plan) and the date upon which the relevant performance condition or other vesting condition set out in the award has been satisfied, subject to the requirements of the RSU Plan.

RSUs and all other rights, benefits or interests in this Plan are non-transferable and may not be pledged or assigned or encumbered in any way and are not subject to attachment or garnishment, except that if a Recipient dies the legal representatives of the Recipient will be entitled to receive the amount of any payment otherwise payable to the Recipient hereunder in accordance with the provisions hereof.

As at July 2, 2024, there were no RSUs granted and outstanding under the RSU Plan.

Credit for Dividends

A Recipient's account will be credited with additional RSUs as of each dividend payment date in respect of which cash dividends are paid on Shares. The number of additional RSUs to be credited to a Recipient's account is computed by multiplying the amount of the dividend per Share by the aggregate number of RSUs that were credited to the Recipient's account as of the record date for payment of the dividend, and dividing that number by the Fair Market Value (as defined in the RSU Plan). Note that the Company is not obligated to pay dividends on Shares.

Resignation, Termination, Leave of Absence or Death

Generally, if a Recipient's employment or service is terminated for cause, if Recipient enters Retirement (as defined in the RSU Plan), or if the Recipient voluntarily resigns from employment with the Company, then any RSUs credited to him or her under the RSU Plan which have not vested on or before the separation date for the Recipient are forfeited, cancelled and terminated without payment.

In the event a Recipient is terminated without cause, dies, or suffers Total Disability (as defined in the RSU Plan), unvested RSUs will immediately vest on the date of termination.

Control of Change

In the event of a Change of Control (as defined in the RSU Plan), all RSUs credited to a Recipient vest on the date on which the Change of Control occurs. Within thirty (30) days after the date on which the Change of Control Occurs, but in no event later than the Expiry Date, the Recipient must receive a payment equal to the number of RSUs that vested on the date of the Change of Control, multiplied by the Fair Market Value on that date.

Adjustments

In the event of any dividend paid in shares, share subdivision, combination or exchange of shares, merger, consolidation, spin-off or other distribution of Company assets to shareholders, or any other change in the capital of the Company affecting Shares, the Board will make adjustments with respect to the number of RSUs outstanding and any proportional adjustments as it, in its discretion, considers appropriate to reflect the change.

Vesting

The Board has discretion to grant RSUs to Eligible Persons as it determines is appropriate, and can impose conditions on vesting as it sees fit in addition to the Performance Conditions (as defined in the RSU Plan) if any. Vesting occurs on the date set by the Board at the time of the grant or if no date is set then December 1 of the third calendar year following the date of the grant (the “**Trigger Date**”), and the date upon which the relevant Performance Condition or other vesting condition has been satisfied, subject to the limitations of the RSU Plan.

The Board may accelerate the Trigger Date of any RSU at its election.

Limitations under the RSU Plan

Unless disinterested Shareholder Approval is obtained (or unless permitted otherwise by the rules of the Stock Exchange):

- (a) the maximum number of Shares that may be issued to an Eligible Person pursuant to Restricted Stock Units under the Plan may not exceed 1% of the issued Shares calculated on the Grant Date (on a non-diluted basis) and in aggregate, within a 12-month period, may not exceed 2% of the issued Shares calculated on the Grant Date (on a non-diluted basis);
- (b) the maximum number of Shares which may be reserved for issuance to Insiders (as a group) under the Plan and under other Share Compensation Arrangement may not exceed 10% of the issued Shares calculated on the Grant Date (on a non-diluted basis);
- (c) the maximum number of Shares that may be issued to Insiders (as a group) pursuant to Restricted Stock Units under the Plan and under any other Share Compensation Arrangement, within a 12-month period, may not exceed 10% of the issued Shares calculated on the Grant Date (on a non-diluted basis);
- (d) subject to clause (e) below, the maximum number of Shares that may be issued to any one Eligible Person pursuant to Restricted Stock Units under the Plan and under any other Share Compensation Arrangement, within a 12-month period, may not exceed 5% of the issued Shares calculated on the Grant Date (on a non-diluted basis); and
- (e) the maximum number of Shares that may be issued to an Eligible Person who is a Consultant or a Person retained to provide Investor Relations Activities pursuant to Restricted Stock Units under the Plan and under any other Share Compensation Arrangement, within a 12-month period, may not exceed 2% of the issued Shares calculated on the Grant Date (on a non-diluted basis), without the prior consent of the Stock Exchange.

Amendment or Termination of RSU Plan

Subject to all necessary approvals of the Stock Exchange, the Board may amend or terminate the RSU Plan at any time, but the consent of the Recipient is required for any such amendment that adversely affects the rights of the Recipient, unless the amendment or termination is required by law. A termination of the RSU Plan will not accelerate the vesting of RSUs or the time which a Recipient would otherwise be entitled to receive payment in respect of the RSUs.

Oversight and description of director and named executive officer compensation

Compensation of Directors

All tasks related to developing and monitoring the Company's approach to the compensation of NEOs and directors are performed by the members of the Board. The compensation of NEOs, directors and the Company's employees or consultants, if any, is reviewed, recommended and approved by the Board without reference to any specific formula or criteria. NEOs that are also directors of the Issuer are involved in discussions relating to compensation, but disclose their interest in, and abstain from voting on, decisions relating to their respective compensation.

The overall objective of the Company's compensation strategy is to offer short, medium and long-term compensation components to ensure that the Company has in place programs to attract, retain and develop management of the highest calibre, and has in place a process to provide for the orderly succession of management, including receipt on an annual basis of any recommendations of the CEO, if any, in this regard. The Company currently has a short-term compensation component in place, which includes the accrual and/or

payment of salaries and management fees to certain NEOs, and a long-term compensation component in place, which may include the grant of Options under the Stock Option Plan. The Company intends to further develop these compensation components. The Board may in the future consider, on an annual basis, an award of bonuses to key executives and senior management. The amount and award of such bonuses is expected to be discretionary, depending on, among other factors, the financial performance of the Issuer and the position of the executive. The Board considers that the payment of such discretionary annual cash bonuses may satisfy the medium-term compensation component.

The objectives of the Company's compensation policies and procedures are to align the interests of the Issuer's employees with the interests of the stockholders. Therefore, a significant portion of total compensation granted by the Issuer, being the grant of Options and RSUs, is based upon overall corporate performance. The Company relies on Board discussion without formal objectives, criteria and analysis, when determining executive compensation. There are currently no formal performance goals or similar conditions that must be satisfied in connection with the payment of executive compensation.

Pension disclosure

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans currently in place or proposed at this time.

SECTION 6 - CORPORATE GOVERNANCE

GENERAL

National Instrument 58-101 - *Disclosure of Corporate Governance Practices ("NI 58-101")* provides guidelines on corporate governance disclosure for venture issuers as set out in Form 58-101F2 and requires full and complete annual disclosure of a listed company's systems of corporate governance with reference to National Policy 58-201 - *Corporate Governance Guidelines* (the "**Guidelines**"). Where a company's corporate governance system differs from the Guidelines, each difference and the reason for the difference is required to be disclosed. The Company's approach to corporate governance is provided below.

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The

Board is committed to sound corporate governance practices that are both in the interest of its Shareholders and contribute to effective and efficient decision making. National Policy 58-201 - *Corporate Governance Guidelines* establishes corporate governance guidelines that apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. NI 58-101 mandates disclosure of corporate governance practices for Venture Issuers in Form 58-101F2, which disclosure is set out below.

COMPOSITION OF THE BOARD OF DIRECTORS

All of the proposed nominees for election as a director at the 2024 Annual General and Special Meeting are current directors of the Company. Form 58-101F1 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as "independent" directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect "material relationship" with the Company. "Material relationship" is defined as a relationship that could, in the view of the company's board of directors, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board regularly reviews executive compensation and the grant of stock options.

To facilitate the directors of the Company functioning independent of management, where appropriate, during regularly scheduled meetings, non-independent directors and members of management are excluded from certain discussions.

MANDATE OF THE BOARD

The Board is elected by and accountable to the shareholders of the Company. The mandate of the Board is to continually govern the Company and to protect and enhance the assets of the Company in the long-term best interests of the Shareholders. The Board will annually assess and approve a strategic plan which takes into account, among other things, the opportunities and the identification of the principal risks of the issuer's business, and ensuring the implementation of appropriate systems to manage these risks.

DIRECTORSHIPS IN OTHER PUBLIC COMPANIES

The following directors of the Company are also directors of other reporting issuers (or the equivalent) as set forth below:

DIRECTOR NAME	REPORTING ISSUER
Eugene Chen	Blacksteel Energy Inc. Discover Wellness Solutions Inc. [CSE] Fathom Nickel Inc. [CSE]

ORIENTATION AND CONTINUING EDUCATION

The Board has not adopted a formal policy on the orientation and continuing education of new and current directors. When a new director is appointed, the Board delegates individual directors the responsibility for providing an orientation and education program for any new director. This may be delivered through informal meetings between the new directors and the Board and senior management, complemented by presentations on the main areas of the Company's business. When required the Board may arrange for topical seminars to be provided to members of the Board or committees of the Board. Such seminars may be provided by one or more members of the Board and management or by external professionals.

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company's size and current level of operations. However, if the growth of the Company's operations warrants it, it is likely that a formal orientation process will be implemented.

The skills and knowledge of the Board of Directors as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing public companies. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records. Reference is made to the table under the heading "Election of Directors" for a description of the current principal occupations of the members of the Company's Board.

ETHICAL BUSINESS CONDUCT

The Board has determined that the fiduciary duties placed on individual directors by the Company's governing corporate legislation, common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Furthermore, the Board promotes fair dealing with all its stakeholders and requires compliance with the laws of each jurisdiction in which the Company operates.

The directors and officers of the Company may, from time to time, be involved with the business and operations of other issuers, in which case a conflict of interest may arise between their duties as an officer and director of the Company and as officer and director of such other corporations. Such conflicts must be disclosed in accordance with, and are subject to such procedures and remedies, as applicable to comply with the conflicts of interest provisions of the *Business Corporations Act* (British Columbia) and relevant securities regulation in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director is required to declare the nature and extent of his interest and is not entitled to vote on any matter that is the subject of the conflict of interest.

NOMINATION OF DIRECTORS

The Board as a whole determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the individual Board members, including both formal and informal discussions among Board members and the CEO. The current size of the Board is such that the entire Board takes responsibility for selecting new directors and assessing current directors. Proposed directors' credentials are reviewed and discussed amongst the members of the Board prior to the proposed director's nomination.

The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions. The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time.

COMPENSATION

The Company has not established a formal compensation committee. The Board of Directors reviews, as needed, compensation to directors and to officers with respect to industry comparables and with regards to the particular circumstances of the Company.

COMMITTEES OF THE BOARD OF DIRECTORS

Committees of the Board are an integral part of the Company's governance structure. At the present time, the only standing committees are the Audit Committee and Compensation & Corporate Governance Committees. Please see the table under the heading "Election of Directors" in this Circular for disclosure of the membership of the committees.

The Committees of the Board of Directors are responsible for: (i) developing and recommending to the Board a set of corporate governance principles applicable to the Company to ensure that the Company's corporate governance system is effective in discharge of its obligations to the Company's stakeholders; (ii) identifying individuals qualified to become new Board members and to recommend to the Board new director nominees from time to time; (iii) establishing and administering a process (including a review by the full Board and discussion with management) for assessing the effectiveness of the Board as a whole and the committees of the Board; (iv) assisting the Board in overseeing the process of evaluation of the Board, its committees and individual directors; (v) establishing, administering and evaluating the compensation philosophy, policies and plans for non-employee directors and executive officers; and (vi) ensuring that the Company has in place programs to attract and develop management of the highest caliber and a process to provide for the orderly succession of management.

ASSESSMENTS

The board has not, as yet, established procedures to formally review the contributions of individual directors. At this point, the directors believe that the board's current size facilitates informal discussion and evaluation of members' contributions within that framework.

AUDIT COMMITTEE CHARTER

The following Audit Committee Charter was adopted by the Audit Committee of the Board of Directors and the Board of Directors of CleanGo Innovations Inc. (the "**Company**")

Mandate

The primary function of the audit committee (the "**Committee**") is to assist the Company's Board of Directors in fulfilling its financial oversight responsibilities by reviewing the financial reports and other financial information provided by the Company to regulatory authorities and shareholders, the Company's systems of internal controls regarding finance and accounting and the Company's auditing, accounting and financial reporting processes. Consistent with this function, the Committee will encourage continuous improvement of, and should foster adherence to, the Company's policies, procedures and practices at all levels. The Committee's primary duties and responsibilities are to:

- serve as an independent and objective party to monitor the Company's financial reporting and internal control system and review the Company's financial statements;
- review and appraise the performance of the Company's external auditors; and
- provide an open avenue of communication among the Company's auditors, financial and senior management and the Board of Directors.

Composition

The Committee shall be comprised of a minimum three directors as determined by the Board of Directors. If the Company ceases to be a "venture issuer" (as that term is defined in National Instrument 51-102), then all of the members of the Committee shall be free from any relationship that, in the opinion of the Board of Directors, would interfere with the exercise of his or her independent judgment as a member of the Committee.

If the Company ceases to be a "venture issuer" (as that term is defined in National Instrument 51-102), then all members of the Committee shall have accounting or related financial management expertise. All members of the Committee that are not financially literate will work towards becoming financially literate to obtain a working familiarity with basic finance and accounting practices. For the purposes of the Company's Audit Committee Charter, the definition of "financially literate" is the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can presumably be expected to be raised by the Company's financial statements.

The members of the Committee shall be elected by the Board of Directors at its first meeting following the annual shareholders' meeting. Unless a Chair is elected by the full Board of Directors, the members of the Committee may designate a Chair by a majority vote of the full Committee membership.

Meetings

The Committee shall meet a least twice annually, or more frequently as circumstances dictate. As part of its job to foster open communication, the Committee will meet at least annually with the Chief Financial Officer and the external auditors in separate sessions.

Responsibilities and Duties

To fulfill its responsibilities and duties, the Committee shall:

Documents/Reports Review

- review and update this Audit Committee Charter annually; and
- review the Company's financial statements, MD&A and any annual and interim earnings press releases before the Company publicly discloses this information and any reports or other financial information (including quarterly financial statements), which are submitted to any governmental body, or to the public, including any certification, report, opinion, or review rendered by the external auditors

External Auditors

- review annually, the performance of the external auditors who shall be ultimately accountable to the Company's Board of Directors and the Committee as representatives of the shareholders of the Company;
- obtain annually, a formal written statement of external auditors setting forth all relationships between the external auditors and the Company, consistent with Independence Standards Board Standard 1;
- review and discuss with the external auditors any disclosed relationships or services that may impact the objectivity and independence of the external auditors;
- take, or recommend that the Company's full Board of Directors take appropriate action to oversee the independence of the external auditors, including the resolution of disagreements between management and the external auditor regarding financial reporting;
- recommend to the Company's Board of Directors the selection and, where applicable, the replacement of the external auditors nominated annually for shareholder approval;
- recommend to the Company's Board of Directors the compensation to be paid to the external auditors;
- at each meeting, consult with the external auditors, without the presence of management, about the quality of the Company's accounting principles, internal controls and the completeness and accuracy of the Company's financial statements;
- review and approve the Company's hiring policies regarding partners, employees and former partners and employees of the present and former external auditors of the Company;
- review with management and the external auditors the audit plan for the year-end financial statements and intended template for such statements;
- review and pre-approve all audit and audit-related services and the fees and other compensation related thereto, and any non-audit services, provided by the Company's external auditors. The pre-approval requirement is waived with respect to the provision of non-audit services if:
 - the aggregate amount of all such non-audit services provided to the Company constitutes not more than five percent of the total amount of revenues paid by the Company to its external auditors during the fiscal year in which the non-audit services are provided,
 - such services were not recognized by the Company at the time of the engagement to be non-audit services, and
 - such services are promptly brought to the attention of the Committee by the Company and approved prior to the completion of the audit by the Committee or by one or more members of the Committee who are members of the Board of Directors to whom authority to grant such approvals has been delegated by the Committee. Provided the pre-approval of the non-audit services is presented to the Committee's first scheduled meeting following such approval such authority may be delegated by the Committee to one or more independent members of the Committee.

Financial Reporting Processes

- in consultation with the external auditors, review with management the integrity of the Company's financial reporting process, both internal and external;
- consider the external auditors' judgments about the quality and appropriateness of the Company's accounting principles as applied in its financial reporting;
- consider and approve, if appropriate, changes to the Company's auditing and accounting principles and practices as suggested by the external auditors and management;
- review significant judgments made by management in the preparation of the financial statements and the view of the external auditors as to appropriateness of such judgments;
- following completion of the annual audit, review separately with management and the external auditors any significant difficulties encountered during the course of the audit, including any restrictions on the scope of work or access to required information;
- review any significant disagreement among management and the external auditors in connection with the preparation of the financial statements;
- review with the external auditors and management the extent to which changes and improvements in financial or accounting practices have been implemented;

- review certification process;
- establish a procedure for the receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters; and establish a procedure for the confidential, anonymous submission by employees of the Company of concerns regarding questionable accounting or auditing matters.

Other

- review any related-party transactions;
- engage independent counsel and other advisors as it determines necessary to carry out its duties; and
- to set and pay compensation for any independent counsel and other advisors employed by the Committee.

The Market Value of the Shares for a particular Grant Date shall be determined as follows:

- (a) if the Company's Shares are listed on the CSE, and the Committee determines the CSE to be the Company's primary Exchange, Market Value will be the greater of the closing trading price of the Shares on (i) the trading day prior to the Grant Date and (ii) the Grant Date;
- (b) subject to subparagraph (a) above, for each organized trading facility on which the Shares are listed, Market Value will be the closing trading price of the Shares on the day immediately preceding the Grant Date, and may be less than this price if it is within the discounts permitted by the applicable Regulatory Authorities;
- (c) if the Company's Shares are listed on more than one organized trading facility, the Market Value shall be the Market Value as determined in accordance with subparagraphs (a) or (b) above for the primary organized trading facility on which the Shares are listed, as determined by the Committee, subject to any adjustments as may be required to secure all necessary Regulatory Approvals;

- (e) if the Company's Shares are not listed on any organized trading facility, then the Market Value will be, subject to any adjustments as may be required to secure all necessary Regulatory Approvals, such value as is determined by the Committee to be the fair value of the Shares, taking into consideration all factors that the Committee deems appropriate, including, without limitation, recent sale and offer prices of the Shares in private transactions negotiated at arms' length. Notwithstanding anything else contained herein, in no case will the Market Value be less than the minimum prescribed by each of the organized trading facilities that would apply to the Company on the Grant Date in question.

5.4 **Termination of Option**

Subject to such other terms or conditions that may be attached to Options granted hereunder, an Option Holder may exercise an Option in whole or in part at any time and from time to time during the Exercise Period. Any Option or part thereof not exercised within the Exercise Period shall terminate and become null, void and of no effect as of the Expiry Time on the Expiry Date. The Expiry Date of an Option shall be the earlier of the date so fixed by the Committee at the time the Option is granted as set out in the Option Certificate and the date established, if applicable, in paragraphs (a) or (b) below or sections 6.2, 6.3, 6.4, or 11.4 of this Plan:

- (a) *Ceasing to Hold Office* - In the event that the Option Holder holds his or her Option as an Executive and such Option Holder ceases to hold such position other than by reason of death or Disability, the Expiry Date of the Option shall be, unless otherwise determined by the Committee, the 30th day following the date the Option Holder ceases to hold such position unless the Option Holder ceases to hold such position as a result of:
 - (i) ceasing to meet the qualifications set forth in the corporate legislation applicable to the Company;
 - (ii) a special resolution having been passed by the shareholders of the Company removing the Option Holder as a director of the Company or any Subsidiary; or
 - (iii) an order made by any Regulatory Authority having jurisdiction to so order,

in which case the Expiry Date shall be the date the Option Holder ceases to hold such position; OR

- (b) *Ceasing to be Employed or Engaged* - In the event that the Option Holder holds his or her Option as an Employee or Consultant and such Option Holder ceases to hold such position other than by reason of death or Disability, the Expiry Date of the Option shall be, unless otherwise determined by the Committee, the 30th day

following the date the Option Holder ceases to hold such position, unless the Option Holder ceases to hold such position as a result of:

- (i) termination for cause;
- (ii) resigning his or her position; or
- (iii) an order made by any Regulatory Authority having jurisdiction to so order,

in which case the Expiry Date shall be the date the Option Holder ceases to hold such position.

In the event that the Option Holder ceases to hold the position of Executive, Employee or Consultant for which the Option was originally granted, but comes to hold a different position as an Executive, Employee or Consultant prior to the expiry of the Option, the Committee may, in its sole discretion, choose to permit the Option to stay in place for that Option Holder with such Option then to be treated as being held by that Option Holder in his or her new position and such will not be considered to be an amendment to the Option in question requiring the consent of the Option Holder under section 9.2 of this Plan. Notwithstanding anything else contained herein, in no case will an Option be exercisable later than the Expiry Date of the Option.

5.5 **Vesting of Option and Acceleration**

The vesting schedule for an Option, if any, shall be determined by the Committee and shall be set out in the Option Certificate issued in respect of the Option. The Committee may elect, at any time, to accelerate the vesting schedule of one or more Options including, without limitation, on a Triggering Event, and such acceleration will not be considered an amendment to the Option in question requiring the consent of the Option Holder under section 9.2 of this Plan.

5.6 **Additional Terms**

Subject to all applicable Regulatory Rules and all necessary Regulatory Approvals, the Committee may attach additional terms and conditions to the grant of a particular Option, such terms and conditions to be set out in a schedule attached to the Option Certificate. The Option Certificates will be issued for convenience only, and in the case of a dispute with regard to any matter in respect thereof, the provisions of this Plan and the records of the Company shall prevail over the terms and conditions in the Option Certificate, save and except as noted below. Each Option will also be subject to, in addition to the provisions of the Plan, the terms and conditions contained in the schedules, if any, attached to the Option Certificate for such Option. Should the terms and conditions contained in such schedules be inconsistent with the provisions of the Plan, such terms and conditions will supersede the provisions of the Plan.

SECTION 6 TRANSFERABILITY OF OPTIONS

6.1 **Non-transferable**

Except as provided otherwise in this section 6, Options are non-assignable and non-transferable.

6.2 **Death of Option Holder**

In the event of the Option Holder's death, any Options held by such Option Holder shall pass to the Personal Representative of the Option Holder and shall be exercisable by the Personal Representative on or before the date which is the earlier of one year following the date of death and the applicable Expiry Date.

6.3 **Disability of Option Holder**

If the employment or engagement of an Option Holder as an Employee or Consultant or the position of an Option Holder as a director or officer of the Company or a Subsidiary is terminated by the Company by reason of such Option Holder's Disability, any Options held by such Option Holder shall be exercisable by such Option Holder or by the Personal Representative on or before the date which is the earlier of one year following the termination of employment, engagement or appointment as a director or officer and the applicable Expiry Date.

6.4 **Disability and Death of Option Holder**

If an Option Holder has ceased to be employed, engaged or appointed as a director or officer of the Company or a Subsidiary by reason of such Option Holder's Disability and such Option Holder dies within one year after the termination of such engagement, any Options held by such Option Holder that could have been exercised immediately prior to his or her death shall pass to the Personal Representative of such Option Holder and shall be exercisable by the Personal Representative on or before the date which is the earlier of one year following the death of such Option Holder and the applicable Expiry Date.

6.5 **Vesting**

Unless the Committee determines otherwise, Options held by or exercisable by a Personal Representative shall, during the period prior to their termination, continue to vest in accordance with any vesting schedule to which such Options are subject.

6.6 **Deemed Non-Interruption of Engagement**

Employment or engagement by the Company shall be deemed to continue intact during any military or sick leave or other *bona fide* leave of absence if the period of such leave does not exceed 90 days or, if longer, for so long as the Option Holder's right to re-employment or re-engagement by the Company is guaranteed either by statute or by contract. If the period of such leave exceeds 90 days and the Option Holder's re-employment or re-engagement is not so guaranteed, then his or her employment or engagement shall be deemed to have terminated on the ninety-first day of such leave.

SECTION 7 EXERCISE OF OPTION

7.1 **Exercise of Option**

An Option may be exercised only by the Option Holder or the Personal Representative of any Option Holder. An Option Holder or the Personal Representative of any Option Holder may exercise an Option in whole or in part at any time and from time to time during the Exercise Period up to the Expiry Time on the Expiry Date by delivering to the Administrator the required Exercise Notice, or by written notice in the case of uncertificated Shares, the applicable Option Certificate and a certified cheque or bank draft or wire transfer payable to the Company or its legal counsel in an amount equal to the aggregate Exercise Price of the Shares then being purchased pursuant to the exercise of the Option. Notwithstanding anything else contained herein, Options may not be exercised during a Black-Out unless the Committee determines otherwise.

7.2 **Black Out Period**

If an Option expires, terminates or is cancelled (other than an expiry, termination or cancellation pursuant to section 5.4(a)(i), (ii) or (iii) or section 5.4(b)(i), (ii) or (iii) above) within or immediately after a Black-Out, the Option Holder may elect for the term of such Option to be extended to the date which is ten (10) business days after the last day of the Black-Out; provided, that, the expiration date as extended by this section 7.2 will not in any event be beyond the later of: (i) December 31 of the calendar year in which the Option was otherwise due to expire; and (ii) the 15th day of the third month following the month in which the Option was otherwise due to expire.

7.3 **Issue of Share Certificates**

As soon as reasonably practicable following the receipt of the notice of exercise as described in section 7.1 and payment in full for the Shares being acquired, the Administrator will direct its transfer agent to issue to the Option Holder the appropriate number of Shares in either certificate form or at the election of the Option Holder, on an uncertificated basis pursuant to the instructions given by the Option Holder to the Administrator. If the number of Shares so purchased is less than the number of Shares subject to the Option Certificate surrendered, the Administrator shall also provide a new Option Certificate for the balance of Shares available under the Option to the Option Holder concurrent with delivery of the Shares.

7.4 **No Rights as Shareholder**

Until the date of the issuance of the certificate for the Shares purchased pursuant to the exercise of an Option, no right to vote or receive dividends or any other rights as a shareholder shall exist with respect to such Shares, notwithstanding the exercise of the Option, unless the Committee determines otherwise. In the event of any dispute over the date of the issuance of the Shares, the decision of the Committee shall be final, conclusive and binding.

7.5 **Tax Withholding and Procedures**

Notwithstanding anything else contained in this Plan, the Company may, from time to time, implement such procedures and conditions as it determines appropriate with respect to the withholding and remittance of taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law. Without limiting the generality of the foregoing, an Option Holder who wishes to exercise an Option must, in addition to following the procedures set out in section 7.1 and elsewhere in this Plan, and as a condition of exercise:

- (a) deliver a certified cheque, wire transfer or bank draft payable to the Company for the amount determined by the Company to be the appropriate amount on account of such taxes or related amounts; or
- (b) otherwise ensure, in a manner acceptable to the Company (if at all) in its sole and unfettered discretion, that the amount will be securely funded;
- (c) and must in all other respects follow any related procedures and conditions imposed by the Company.

SECTION 8 ADMINISTRATION

8.1 **Board or Committee**

The Plan shall be administered by the Administrator with oversight by the Committee.

8.2 **Powers of Committee**

The Committee shall have the authority to do the following:

- (e) prescribe, amend, and rescind rules and regulations relating to the administration of the Plan;
- (f) determine the duration and purposes of leaves of absence from employment or engagement by the Company which may be granted to Option Holders without constituting a termination of employment or engagement for purposes of the Plan;

- (g) do the following with respect to the granting of Options:
 - (i) determine the Executives, Employees or Consultants to whom Options shall be granted, based on the eligibility criteria set out in this Plan;
 - (ii) determine the terms of the Option to be granted to an Option Holder including, without limitation, the Grant Date, Expiry Date, Exercise Price and vesting schedule (which need not be identical with the terms of any other Option);
 - (iii) subject to any necessary Regulatory Approvals and section 9.2, amend the terms of any Options;
 - (iv) determine when Options shall be granted; and
 - (v) determine the number of Shares subject to each Option;

All determinations made by the Committee in good faith shall be final, conclusive and binding upon all persons. The Committee shall have all powers necessary or appropriate to accomplish its duties under this Plan.

8.4 **Interpretation**

The interpretation by the Committee of any of the provisions of the Plan and any determination by it pursuant thereto shall be final, conclusive and binding and shall not be subject to dispute by any Option Holder. No member of the Committee or any person acting pursuant to authority delegated by it hereunder shall be personally liable for any action or determination in connection with the Plan made or taken in good faith and each member of the Committee and each such person shall be entitled to indemnification with respect to any such action or determination in the manner provided for by the Company.

SECTION 9 APPROVALS AND AMENDMENT

9.1 **Shareholder Approval of Plan**

If required by a Regulatory Authority or by the Committee, this Plan may be made subject to the approval of the shareholders of the Company as prescribed by the Regulatory Authority. If shareholder approval is required, any Options granted under this Plan prior to such time will not be exercisable or binding on the Company unless and until such shareholder approval is obtained.

9.2 **Amendment of Option or Plan**

Subject to any required Regulatory Approvals, the Committee may from time to time amend any existing Option or the Plan or the terms and conditions of any Option thereafter to be granted provided that where such amendment relates to an existing Option and it would:

- (a) materially decrease the rights or benefits accruing to an Option Holder; or
- (b) materially increase the obligations of an Option Holder; then, unless otherwise excepted out by a provision of this Plan, the Committee must also obtain the written consent of the Option Holder in question to such amendment. If at the time the Exercise Price of an Option is reduced the Option Holder is an Insider of the Company, the Insider must not exercise the option at the reduced Exercise Price until the reduction in Exercise Price has been approved by the disinterested shareholders of the Company, if required by the Exchange.

SECTION 10 CONDITIONS PRECEDENT TO ISSUANCE OF OPTIONS AND SHARES

10.1 **Compliance with Laws**

An Option shall not be granted or exercised, and Shares shall not be issued pursuant to the exercise of any Option, unless the grant and exercise of such Option and the issuance and delivery of such Shares comply with all applicable Regulatory Rules, and such Options and Shares will be subject to all applicable trading restrictions in effect pursuant to such Regulatory Rules and the Company shall be entitled to legend the Option Certificates and the certificates for the Shares or the written notice in the case of uncertificated Shares representing such Shares accordingly.

10.2 **Regulatory Approvals**

In administering this Plan, the Committee will seek any Regulatory Approvals which may be required. The Committee will not permit any Options to be granted without first obtaining the necessary Regulatory Approvals unless such Options are granted conditional upon such Regulatory Approvals being obtained. The Committee will make all filings required with the Regulatory Authorities in respect of the Plan and each grant of Options hereunder. No Option granted will be exercisable or binding on the Company unless and until all necessary Regulatory Approvals have been obtained. The Committee shall be entitled to amend this Plan and the Options granted hereunder in order to secure any necessary Regulatory Approvals and such amendments will not require the consent of the Option Holders under section 9.2 of this Plan.

10.3 **Inability to Obtain Regulatory Approvals**

The Company's inability to obtain Regulatory Approval from any applicable Regulatory Authority, which Regulatory Approval is deemed by the Committee to be necessary to complete the grant of Options hereunder, the exercise of those Options or the lawful issuance and sale of any Shares pursuant to such Options, shall relieve the Company of any liability with respect to the failure to complete such transaction.

SECTION 11
ADJUSTMENTS AND TERMINATION

11.1 Termination of Plan

Subject to any necessary Regulatory Approvals, the Committee may terminate or suspend the Plan. Unless earlier terminated as provided in this section 11, the Plan shall terminate on, and no more Options shall be granted under the Plan after, the tenth anniversary of the date of the Exchange's acceptance of the Plan.

11.2 No Grant During Suspension of Plan

No Option may be granted during any suspension, or after termination, of the Plan. Suspension or termination of the Plan shall not, without the consent of the Option Holder, alter or impair any rights or obligations under any Option previously granted.

11.3 Alteration in Capital Structure

If there is a material alteration in the capital structure of the Company and the Shares are consolidated, subdivided, converted, exchanged, reclassified or in any way substituted for, the Committee shall make such adjustments to this Plan and to the Options then outstanding under this Plan as the Committee determines to be appropriate and equitable under the circumstances, so that the proportionate interest of each Option Holder shall, to the extent practicable, be maintained as before the occurrence of such event. Such adjustments may include, without limitation:

- (a) a change in the number or kind of shares of the Company covered by such Options; and
- (b) a change in the Exercise Price payable per Share provided, however, that the aggregate Exercise Price applicable to the unexercised portion of existing Options shall not be altered, it being intended that any adjustments made with respect to such Options shall apply only to the Exercise Price per Share and the number of Shares subject thereto.

For purposes of this section 11.3, and without limitation, neither:

- (c) the issuance of additional securities of the Company in exchange for adequate consideration (including services); nor
- (d) the conversion of outstanding securities of the Company into Shares shall be deemed to be material alterations of the capital structure of the Company. Any adjustment made to any Options pursuant to this section 11.3 shall not be considered an amendment requiring the Option Holder's consent for the purposes of section 9.2 of this Plan.

11.4 **Triggering Events**

Subject to the Company complying with section 11.5 and any necessary Regulatory Approvals and notwithstanding any other provisions of this Plan or any Option Certificate, the Committee may, without the consent of the Option Holder or Holders in question:

- (a) cause all or a portion of any of the Options granted under the Plan to terminate upon the occurrence of a Triggering Event; or
- (b) cause all or a portion of any of the Options granted under the Plan to be exchanged for incentive stock options of another corporation upon the occurrence of a Triggering Event in such ratio and at such exercise price as the Committee deems appropriate, acting reasonably.

Such termination or exchange shall not be considered an amendment requiring the Option Holder's consent for the purpose of section 9.2 of the Plan.

11.5 **Notice of Termination by Triggering Event**

In the event that the Committee wishes to cause all or a portion of any of the Options granted under this Plan to terminate on the occurrence of a Triggering Event, it must give written notice to the Option Holders in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Option Holder the opportunity to exercise the vested portion of the Options prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Options or portions thereof granted under the Plan which the Company proposes to terminate shall become immediately exercisable notwithstanding any contingent vesting provision to which such Options may have otherwise been subject. Furthermore, if any of the Options granted under this Plan are cancelled prior to their Expiry Date, the Company shall not grant new Options to the same Persons or Entities until thirty (30) days have lapsed from the date of cancellation.

11.6 **Determinations to be Made By Committee**

Adjustments and determinations under this section 11 shall be made by the Committee, whose decisions as to what adjustments or determination shall be made, and the extent thereof, shall be final, binding, and conclusive.
