

CleanGo Innovations Launches Private-Label Partnership, Driving Industrial Market Growth and Sustainability with Texas Based Valkyrie Specialty Corp Alongside a Non Brokered Private Placement.

Vancouver, BC – November 21, 2024 - CleanGo Innovations Inc. (CSE:CGII) (OTC:CLGOF) (FRA:APO2) (“CleanGo”) or (the “Company”) a leader in green certified eco-friendly industrial, commercial and household cleaning solutions, has announced a strategic partnership with Valkyrie Specialty Corp., a Texas-based specialty distributor, under a five-year private-label manufacturing and supply agreement. This collaboration is projected to generate a material increase in revenue over in the first year, with Valkyrie committing to an average monthly minimum purchase of 10,000 liters of CleanGo’s innovative green industrial products.

The partnership marks an exciting chapter for both companies as they work together to deliver effective, eco-friendly solutions to the industrial, and commercial, markets across the United States.

The agreement is a key component to the company’s growth plans for 2025. The partnership is already off to a successful start, with Valkyrie Specialty Corp. completing and paying for its first two orders. This milestone sets the stage for sustained revenue growth as CleanGo’s innovative products are integrated into Valkyrie’s portfolio of high-quality offerings, further solidifying both company’s positions in the market.

Anthony Sarvucci, President of CleanGo Innovations, commented: “This partnership with Valkyrie Specialty Corp. represents a significant step forward in our mission to deliver sustainable, non-toxic solutions to diverse markets. The successful completion of the first two orders is a testament to the strong collaboration between our teams. As we look toward 2025, we are excited about the opportunities this partnership will unlock for CleanGo.”

Heidi Flaig, Senior Operations Manager at Valkyrie Specialty Corp., added: “At Valkyrie, we pride ourselves on delivering innovative, high-quality solutions to our customers. Partnering with CleanGo Innovations allows us to expand our offerings with environmentally responsible products that align with our values and market demands. The success of our initial orders demonstrates the potential for significant growth, and we are eager to see what the future holds as we work together to make a positive impact.”

About the Agreement

The agreement, Signed September 13, 2024, includes a commitment by Valkyrie Specialty Corp. to purchase a minimum average of 10,000 liters of CleanGo's products monthly at a preferred price. With CleanGo's proprietary formulations, Valkyrie will distribute these products under its own branding, ensuring flexibility and market adaptability.
