## MANAGEMENT INFORMATION CIRCULAR

The information contained in this Management Information Circular, unless otherwise indicated, is as of **April 3, 2019**.

**This Management Information Circular is being mailed by the management of GREEN 2 BLUE ENERGY CORP. (the “Company” or “Green 2 Blue” or “GTBE”) to shareholders of record at the close of business on April 3, 2019, which is the date that has been fixed by the directors of the Company as the record date (the “Record Date”) to determine the shareholders who are entitled to receive notice of the meeting.** The Company is mailing this Information Circular in connection with the solicitation of proxies by and on behalf of the Company for use at its annual general and special meeting (the “Meeting”) of the shareholders that is to be held on **Friday, May 10, 2019** at 10:00 a.m. (PST) at Suite 1518, 800 West Pender Street, Vancouver, British Columbia, V6C 2V6. The solicitation of proxies will be primarily by mail. Certain employees or directors of the Company may also solicit proxies by telephone or in person. The cost of solicitation will be borne by the Company.

The Company is not relying on the “Notice and Access” delivery procedures outlined in National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* to distribute copies of proxy-related materials in connection with the Meeting by posting them on a website.

### QUORUM

Under Green 2 Blue’s Articles, the quorum for the transaction of business at a Meeting of shareholder is two persons who are, or who represent by proxy, shareholders who, in aggregate, hold at least 5% of the issued shares entitled to be voted at the Meeting.

## SECTION 1 - VOTING

---

### WHO CAN VOTE?

If you are a registered shareholder of the Company as at **April 3, 2019**, you are entitled to notice of and to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf, but documentation indicating such officer’s authority should be presented at the Meeting. If you are a registered shareholder but do not wish to, or cannot, attend the Meeting in person you can appoint someone who will attend the Meeting and act as your proxyholder to vote in accordance with your instructions (see “**Voting By Proxy**” below). If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer, financial institution or other intermediary) you should refer to the section entitled “**Non-Registered Shareholders**” set out below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting in person, we invite you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented.

## VOTING BY PROXY

**If you do not come to the Meeting, you can still make your votes count by appointing someone who will be there to act as your proxyholder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.**

**In order to be valid, you must return the completed form of proxy to the Company's transfer agent, Computershare Investor Services Inc., 100 University Avenue, 8<sup>th</sup> Floor, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, or by fax within North America at 1-866-249-7775 or outside North American at 1-416-263-9524 not later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time fixed for the Meeting or any adjournments thereof.**

### *What Is A Proxy?*

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. We have enclosed a form of proxy with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy.

### *Appointing A Proxyholder*

**You can choose any individual to be your proxyholder.** It is not necessary for the person whom you choose to be a shareholder. To make such an appointment, simply fill in the person's name in the blank space provided in the enclosed form of proxy. To vote your shares, your proxyholder must attend the Meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy are appointed to act as your proxyholder (the "**Management Proxyholders**"). Those persons are directors, officers or other authorized representatives of the Company.

### *Instructing Your Proxy*

You may indicate on your form of proxy how you wish your proxyholder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxyholder must vote your shares in accordance with the instructions you have given.

**If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxyholder can vote your shares as he or she thinks fit. If you have appointed the persons designated in the form of proxy as your proxyholder they will, unless you give contrary instructions, vote your shares IN FAVOUR of each of the items of business being considered at the Meeting.**

For more information about these matters, see Section 3 - The Business of the Meeting. **The enclosed form of proxy gives the persons named on it the authority to use their discretion in voting on amendments or variations to matters identified in the Notice of Meeting.** At the time of printing this Information Circular, the management of the Company is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

### *Changing Your Mind*

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by (a) attending the Meeting and voting in person; (b) signing a proxy

bearing a later date; (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to the Company at Suite 1518, 800 West Pender Street, Vancouver, British Columbia, V6C 2V6 or (d) in any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 4:00 p.m. in the afternoon (PST) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting in person. **Only registered shareholders may revoke a proxy. If your shares are not registered in your own name and you wish to change your vote, you must arrange for your nominee to revoke your proxy on your behalf (see below under “Non-Registered Shareholders”).**

#### **REGISTERED SHAREHOLDERS**

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to the Company’s transfer agent, Computershare Investor Services Inc., 100 University Avenue, 8<sup>th</sup> Floor, Toronto, Ontario, M5J 2Y1, Attention: Proxy Department, or by fax within North America at 1-866-249-7775 or outside North America at 1-416-263-9524.

In all cases, the Proxy must be received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

#### **NON-REGISTERED SHAREHOLDERS**

Only registered holders of common shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, common shares beneficially owned by a holder (a “**Non-Registered Holder**”) are registered either:

- (a) in the name of an Intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the shares. Intermediaries include banks, trust companies, securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; OR
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (CDS)) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as “**NOBOs**”. Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as “**OBOs**”.

Pursuant to NI 54-101 of the Canadian Securities Administrators, the Company has distributed copies of proxy-related materials in connection with this Meeting (including this Information Circular) indirectly or directly to the NOBOs and to the Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries that receive the proxy-related materials are required to forward the proxy-related materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries often use service companies to forward the proxy-related materials to Non-Registered Holders.

The Company will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the proxy-related materials and related documents. Accordingly, an OBO will not receive copies of the proxy-related materials and related documents unless the OBO's Intermediary assumes the costs of delivery.

Generally, Non-Registered Holders who have not waived the right to receive proxy-related materials (including OBOs who have made the necessary arrangements with their Intermediary for the payment of delivery and receipt of such proxy-related materials) will be sent a voting instruction form which must be completed, signed and returned by the Non-Registered Holder in accordance with the Intermediary's directions on the voting instruction form. In some cases, such Non-Registered Holders will instead be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. This form of proxy does not need to be signed by the Non-Registered Holder, but, to be used at the Meeting, needs to be properly completed and deposited with Computershare as described under "**Voting By Proxy**" above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares that they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should insert the Non-Registered Holder's (or such other person's) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form.

**Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies, including instructions regarding when and where the voting instruction form or Proxy form is to be delivered.**

#### **NOTICE TO SHAREHOLDERS IN THE UNITED STATES**

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States Securities Exchange Act of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws. The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia), as amended (the "**Act**"), certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

  - (vi) any other information relating to the person that would be required to be disclosed in a dissident’s proxy circular in connection with solicitations of proxies for election of directors pursuant to the *Business Corporations Act* (British Columbia) and Applicable Securities Laws (as defined below); and
- (b) as to the Nominating Shareholder giving the notice:
- (i) any information relating to such Nominating Shareholder that would be required to be made in a dissident’s proxy circular in connection with solicitations of proxies for election of directors pursuant to the *Business Corporations Act* (British Columbia) and Applicable Securities Laws (as defined below); and
  - (ii) the class or series and number of Shares in the capital of the Company which are controlled or which are owned beneficially or of record by the Nominating Shareholder as of the record date for the meeting of shareholders (if such date shall then have been made publicly available and shall have occurred) and as of the date of such notice.

The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as a director of the Company or that could be material to a reasonable shareholder’s understanding of the independence, or lack thereof, or such proposed nominee.

To be eligible to be a candidate for election as a director of the Company and to be duly nominated, a candidate must be nominated in the manner prescribed in the Advance Notice Provisions and the candidate for nomination, whether nominated by the board or otherwise, must have previously delivered to the Corporate Secretary of the Company at the principal executive offices of the Company, not less than 5 days prior to the date of the meeting of shareholders, a written representation and agreement (in form provided by the Company) that such candidate for nomination, if elected as a director of the Company, will comply with all applicable corporate governance, conflict of interest, confidentiality, share ownership, majority voting and insider trading policies and other policies and guidelines of the Company applicable to directors and in effect during such person’s term in office as a director (and, if requested by any candidate for nomination, the Corporate Secretary of the Company shall provide to such candidate for nomination all such policies and guidelines then in effect).

No person shall be eligible for election as a director of the Company unless nominated in accordance with the provisions of the Advance Notice Provisions; provided, however, that nothing in the Advance Notice Provisions shall be deemed to preclude discussion by a shareholder (as distinct from nominating directors) at a meeting of shareholders of any matter that is properly brought before such meeting pursuant to the *Business Corporations Act* (British Columbia) or at the discretion of the chair of the meeting. The chair of the meeting shall have the power and duty to determine whether a nomination

was made in accordance with the procedures set forth in the foregoing provisions and, if any proposed nomination is not in compliance with such foregoing provisions, to declare that such defective nomination shall be disregarded.

Notwithstanding any other provision of the Advance Notice Provisions, notice or any delivery given to the Corporate Secretary of the Company pursuant to the Advance Notice Provisions may only be given by personal delivery, facsimile transmission or by email (provided that the Corporate Secretary of the Company has stipulated an email address for purposes of this notice, at such email address as stipulated from time to time), and shall be deemed to have been given and made only at the time it is served by personal delivery, email (at the address as aforesaid) or sent by facsimile transmission (provided that receipt of confirmation of such transmission has been received) to the Corporate Secretary at the address of the principal executive offices of the Company; provided that if such delivery or electronic communication is made on a day which is a not a business day or later than 5:00 p.m. (Vancouver time) on a day which is a business day, then such delivery or electronic communication shall be deemed to have been made on the subsequent day that is a business day.

In no event shall any adjournment or postponement of a meeting of shareholders or the announcement thereof commence a new time period for the giving of a Nominating Shareholder's notice as described in this Advance Notice Provisions or the delivery of a representation and agreement as described in this Advance Notice Provisions.

#### *Shareholder Confirmation*

In order to implement the Advance Notice Provisions, the shareholders of the Company will be asked to consider and, if thought fit, pass a special resolution, requiring a minimum majority of two thirds of the votes cast in person or represented by proxy at the Meeting by the shareholders of the Company, to amend the Company's Articles. Holders of Common Shares and Restricted Voting Shares will each be entitled to vote on the special resolution. The full text of the proposed alteration to the Company's Articles to include the Advance Notice Provisions is attached to this Circular as Schedule "C".

If the Advance Notice Provisions Resolution is passed, the amendment to the Articles will become effective on the date and time that the special resolution is received for deposit at the Company's records office, which the Company anticipates will be immediately after the Meeting.

Shareholders will be asked at the Meeting to vote on the following special resolution:

#### **"BE IT RESOLVED AS A SPECIAL RESOLUTION THAT:**

1. The Articles of the Company be and are hereby amended by adding the text substantially in the form attached as Schedule "C" to the Information Circular prepared for the annual general and special meeting of the Company held on May 10, 2019, as and at Article 14.12, the Advance Notice Provisions of the Articles;
2. The Board of Directors of the Company be and are hereby authorized to revoke this special resolution and abandon or terminate the alteration of the Articles if the Board deems it appropriate and in the best interests of the Company to do so, without further confirmation, ratification or approval of the shareholders; and
3. Any one director or officer of the Company be and is hereby authorized and directed to do all such acts things and to execute and deliver, under the corporate seal of the Company or otherwise, all such deeds, documents, instruments and assurances as in his or her opinion may be necessary or desirable to give effect to the foregoing resolution."

### **Recommendation**

**A majority vote of a minimum of two-thirds of the votes cast on the resolution must be received in order to pass the above special resolution. Management and the Board of Directors of the Company believe the Advance Notice Provisions will provide a clear framework for nominating directors. The Company's management recommends that the shareholders vote in favour of the Advance Notice Provisions. Unless you give instructions otherwise, the Management Proxyholders intend to vote FOR the Advance Notice Resolution.**

### **OTHER BUSINESS**

The Company will consider and transact such other business as may properly come before the Meeting or any adjournment or adjournments thereof. Management of the Company knows of no other matters to come before the Meeting other than those referred to in the Notice of Meeting. ### ***Oversight and description of director and named executive officer compensation***

#### ***Compensation of Directors***

The compensation of directors and the CEO is determined by the Board as a whole. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

The Company had no arrangements, standard or otherwise, pursuant to which directors were compensated by the Company for their services in their capacity as directors, or for committee participation, involvement in special assignments or for services as a consultant or expert during the financial year ended **June 30, 2018**, or subsequently, up to and including the date of this Information Circular with the exception of stock-based compensation as detailed in this Information Circular. The quantity and quality of Board compensation is reviewed on an annual basis. At present, the Board is satisfied that the current compensation arrangements adequately reflect the responsibilities and risks involved in being an effective director of the Company. The number of options to be granted to any director or officer is determined by the Board as a whole, thereby providing the independent director(s) with significant input into compensation decisions. Given the current size and limited scope of operations of the Company, the Board does not believe that a formal compensation committee is required. At such time and in the opinion of the Board, should the size and activities of the Company and the number of management employees warrant the formation of a formal compensation committee, one shall be appointed at such time.

#### ***Compensation of NEOs***

Compensation of NEOs is reviewed annually and determined by the Board as a whole. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources. In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for NEOs.

#### ***Elements of NEO Compensation***

As discussed above, the Company provides a Stock Option Plan to motivate NEOs by providing them with the opportunity, through stock options, to acquire an interest in the Company and benefit from the Company's growth. The Board does not employ a prescribed methodology when determining the grant or allocation of stock options to NEOs. Other than the Stock Option Plan, the Company does not offer any long-term incentive plans, share compensation plans, retirement plans, pension plans, or any other such benefit programs for NEOs.

### ***Pension disclosure***

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans currently in place or proposed at this time.

## SECTION 6 - CORPORATE GOVERNANCE

---

### GENERAL

National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("NI 58-101") provides guidelines on corporate governance disclosure for venture issuers as set out in Form 58-101F2 and requires full and complete annual disclosure of a listed company's systems of corporate governance with reference to National Policy 58-201 – *Corporate Governance Guidelines* (the "Guidelines"). Where a company's corporate governance system differs from the Guidelines, each difference and the reason for the difference is required to be disclosed. The Company's approach to corporate governance is provided below.

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the Shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices that are both in the interest of its Shareholders and contribute to effective and efficient decision making. The Guidelines establishes corporate governance guidelines that apply to all public companies. The Company has reviewed its own corporate governance practices in light of these Guidelines. In certain cases, the Company's practices comply with the Guidelines; however, the Board considers that some of the

Guidelines are not suitable for the Company at its current stage of development and therefore these Guidelines have not been adopted. NI 58-101 mandates disclosure of corporate governance practices for Venture Issuers in Form 58-101F2, which disclosure is set out below.

#### **COMPOSITION OF THE BOARD OF DIRECTORS**

All of the proposed nominees for election as a director at the 2019 Annual General Meeting are current directors of the Company. Form 58-101F1 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. “Material relationship” is defined as a relationship that could, in the view of the company’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

Of the proposed nominees, Slawomir Smulewicz, who also serves the Company as President, and CEO, is an “inside” or management director and, as such, is considered not to be “independent”. Michael Kott, who also serves the Company as Vice President of Corporate Development is an “inside” or management director and, as such is considered not to be “independent”. Andrew Lee is considered by the Board to be “independent”, within the meaning of NI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the circumstances of each director have been examined in relation to a number of factors. It is the objective of the Company to continue to have a majority of independent Board members and enhance the quality of the Company’s corporate governance.

The Company does not currently have a Chair of the Board and, given the current size of the Board, does not consider that a Chair is necessary. The independent directors exercise their responsibilities for independent oversight of management, and are provided with leadership through their positions on the Board. The Board will give consideration to appointing an “independent” member as Chair at such time as it believes that such a position is required.

Management was delegated the responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board facilitates its independent supervision over management through frequent meetings of the Board and by reviewing and approving long-term strategic, business and capital plans, material contracts and business transactions, and all debt and equity financing transactions. Through its audit committee, the Board examines the effectiveness of the Company's internal control processes and management information systems. The Board as a whole reviews executive compensation and recommends stock option grants accordingly.

#### **MANDATE OF THE BOARD**

The Board is elected by and accountable to the shareholders of the Company. The mandate of the Board is to continually govern the Company and to protect and enhance the assets of the Company in the long-term best interests of the Shareholders. The Board will annually assess and approve a strategic plan which takes into account, among other things, the opportunities and the identification of the principal risks of the issuer’s business, and ensuring the implementation of appropriate systems to manage these risks.

#### **DIRECTORSHIPS IN OTHER PUBLIC COMPANIES**

Certain of the board nominees are also directors of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows:

Name of Director	Other reporting issuer (or equivalent in a foreign jurisdiction) <sup>(1)</sup>
Slawomir Smulewicz	Not Applicable
Andrew Lee	Phoenix Gold Resources Corp.
Michael Kott	Not Applicable

**NOTES:**

<sup>(1)</sup> Information not being within our knowledge has been furnished by the respective person or has been obtained from insider reports filed by respective person and available through the Internet at the Canadian System for Electronic Disclosure by Insiders ([www.sedi.ca](http://www.sedi.ca)).

**ORIENTATION AND CONTINUING EDUCATION**

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be appropriate, given the Company’s size and current level of operations. However, if the growth of the Company’s operations warrants it, it is likely that a formal orientation process will be implemented.

The skills and knowledge of the Board of Directors as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing public companies. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management’s assistance. Board members have full access to the Company’s records. Reference is made to the table under the heading “Election of Directors” for a description of the current principal occupations of the members of the Company’s Board.

**ETHICAL BUSINESS CONDUCT**

The Board has determined that the fiduciary duties placed on individual directors by the Company's governing corporate legislation, common law and the restrictions placed by applicable corporate legislation on an individual director’s participation in decisions of the Board in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Furthermore, the Board promotes fair dealing with all its stakeholders and requires compliance with the laws of each jurisdiction in which the Company operates.

The Board of Directors is also required to comply with the conflict of interest provisions of the *Business Corporations Act* (British Columbia) and relevant securities regulation in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director is required to declare the nature and extent of his interest and is not entitled to vote on any matter that is the subject of the conflict of interest.

**NOMINATION OF DIRECTORS**

The Board as a whole determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the individual Board members, including both formal and informal discussions among Board members and the President and CEO. The current size of the Board is such that the entire Board takes responsibility for selecting new directors and assessing current directors. Proposed directors’ credentials are reviewed and discussed amongst the members of the Board prior to the proposed director’s nomination.

The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions. The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness on an *ad hoc* basis.

#### **COMPENSATION OF DIRECTORS AND CHIEF EXECUTIVE OFFICER**

The Company does not currently pay its directors any remuneration for acting as directors and the only compensation for acting as directors received by non-management directors is through the grant of incentive stock options. The quantity and quality of the Board compensation is reviewed on an annual basis. At present, the Board is satisfied that the current Board compensation arrangements adequately reflect the responsibilities and risks involved in being an effective director of the Company. The number of options to be granted to any director or officer is determined by the Board as a whole, thereby providing the independent directors with significant input into compensation decisions. Stock options to be granted to "management" directors are required, as a matter of board practice, to be reviewed and approved by the "non-management" directors. Given the current size and limited scope of operations of the Company, the Board does not believe that a formal compensation committee is required. At such time as, in the opinion of the Board, the size and activities of the Company and the number of management employees warrants it, the Board will consider it necessary to appoint a formal compensation committee. See Section 4 – Statement of Executive Compensation – Director and NEO Compensation.

#### **COMMITTEES OF THE BOARD OF DIRECTORS**

The Company has no other committees other than the Audit Committee.

#### **ASSESSMENTS**

The board has not, as yet, established procedures to formally review the contributions of individual directors. At this point, the directors believe that the board's current size facilitates informal discussion and evaluation of members' contributions within that framework.

### **5.4 SIGNING OF INSTRUMENT OF TRANSFER**

If a shareholder, or his or her duly authorized attorney, signs an instrument of transfer in respect of shares registered in the name of the shareholder, the signed instrument of transfer constitutes a complete and sufficient authority to the Company and its directors, officers and agents to register the number of shares specified in the instrument of transfer or specified in any other manner, or, if no number is specified, all the shares represented by the share certificates or set out in the written acknowledgments deposited with the instrument of transfer:

### **11.14 DECLARATION OF RESULT**

The chair of a meeting of shareholders must declare to the meeting the decision on every question in accordance with the result of the show of hands or the poll, as the case may be, and that decision must be entered in the minutes of the meeting. A declaration of the chair that a resolution is carried by the necessary majority or is defeated is, unless a poll is directed by the chair or demanded under Article 11.13, conclusive evidence without proof of the number or proportion of the votes recorded in favour of or against the resolution.

### **11.15 MOTION NEED NOT BE SECONDED**

No motion proposed at a meeting of shareholders need be seconded unless the chair of the meeting rules otherwise, and the chair of any meeting of shareholders is entitled to propose or second a motion.

### **11.22 DEMAND FOR POLL NOT TO PREVENT CONTINUANCE OF MEETING**

### **11.23 RETENTION OF BALLOTS AND PROXIES**

The Company must, for at least three months after a meeting of shareholders, keep each ballot cast on a poll and each proxy voted at the meeting, and, during that period, make them available for inspection during normal business hours by any shareholder or proxyholder entitled to vote at the meeting. ### **12.3 VOTES BY JOINT HOLDERS**

If there are joint shareholders registered in respect of any share:

- (1) any one of the joint shareholders may vote at any meeting, either personally or by proxy, in respect of the share as if that joint shareholder were solely entitled to it; or

  - (b) the representative, if present at the meeting, is to be counted for the purpose of forming a quorum and is deemed to be a shareholder present in person at the meeting.

Evidence of the appointment of any such representative may be sent to the Company by written instrument, fax or any other method of transmitting legibly recorded messages.

#### **12.6 PROXY PROVISIONS DO NOT APPLY TO ALL COMPANIES**

A proxy may be sent to the Company by written instrument, fax or any other method of transmitting legibly recorded messages.

**12.11 VALIDITY OF PROXY VOTE**

A vote given in accordance with the terms of a proxy is valid notwithstanding the death or incapacity of the shareholder giving the proxy and despite the revocation of the proxy or the revocation of the authority under which the proxy is given, unless notice in writing of that death, incapacity or revocation is received:

- (1) at the registered office of the Company, at any time up to and including the last business day before the day set for the holding of the meeting at which the proxy is to be used; or
- (2) by the chair of the meeting, before the vote is taken.

## **13. DIRECTORS**

### **13.1 FIRST DIRECTORS; NUMBER OF DIRECTORS**

The first directors are the persons designated as directors of the Company in the Notice of Articles that applies to the Company when it is recognized under the *Business Corporations Act*. The number of directors, excluding additional directors appointed under Article 14.8, is set at:

- (1) Subject to paragraphs (2) and (3), the number of directors that is equal to the number of the Company's first directors.

- (2) if the shareholders do not elect or appoint the directors needed to fill any vacancies in the board of directors up to that number contemporaneously with the setting of that number, then the directors may appoint, or the shareholders may elect or appoint, directors to fill those vacancies.

### **13.3 DIRECTORS' ACTS VALID DESPITE VACANCY**

An act or proceeding of the directors is not invalid merely because fewer than the number of directors set or otherwise required under these Articles is in office.

### **13.4 QUALIFICATIONS OF DIRECTORS**

A director is not required to hold a share in the capital of the Company as qualification for his or her office but must be qualified as required by the *Business Corporations Act* to become, act or continue to act as a director.

### **13.5 REMUNERATION OF DIRECTORS**

The directors are entitled to the remuneration for acting as directors, if any, as the directors may from time to time determine. If the directors so decide, the remuneration of the directors, if any, will be determined by the shareholders. That remuneration may be in addition to any salary or other remuneration paid to any officer or employee of the Company as such, who is also a director.

### **13.6 REIMBURSEMENT OF EXPENSES OF DIRECTORS**

The Company must reimburse each director for the reasonable expenses that he or she may incur in and about the business of the Company.

### **13.7 SPECIAL REMUNERATION FOR DIRECTORS**

If any director performs any professional or other services for the Company that in the opinion of the directors are outside the ordinary duties of a director, or if any director is otherwise specially occupied in or about the Company's business, he or she may be paid remuneration fixed by the directors, or, at the option of that director, fixed by ordinary resolution, and such remuneration may be either in addition to, or in substitution for, any other remuneration that he or she may be entitled to receive.

### **13.8 GRATUITY, PENSION OR ALLOWANCE ON RETIREMENT OF DIRECTOR**

Unless otherwise determined by ordinary resolution, the directors on behalf of the Company may pay a gratuity or pension or allowance on retirement to any director who has held any salaried office or place of profit with the Company or to his or her spouse or dependants and may make contributions to any fund and pay premiums for the purchase or provision of any such gratuity, pension or allowance.

## **14. ELECTION AND REMOVAL OF DIRECTORS**

### **14.1 ELECTION AT ANNUAL GENERAL MEETING**

At every annual general meeting and in every unanimous resolution contemplated by Article 10.2:

- (1) the shareholders entitled to vote at the annual general meeting for the election of directors must elect, or in the unanimous resolution appoint, a board of directors consisting of the number of directors for the time being set under these Articles; and
- (2) all the directors cease to hold office immediately before the election or appointment of directors under paragraph (1), but are eligible for re-election or re-appointment.

### **14.2 CONSENT TO BE A DIRECTOR**

No election, appointment or designation of an individual as a director is valid unless:

- (1) that individual consents to be a director in the manner provided for in the Business Corporations Act;
- (2) that individual is elected or appointed at a meeting at which the individual is present and the individual does not refuse, at the meeting, to be a director;
- (3) with respect to first directors, the designation is otherwise valid under the Business Corporations Act.

### **14.3 FAILURE TO ELECT OR APPOINT DIRECTORS**

If:

- (1) the Company fails to hold an annual general meeting, and all the shareholders who are entitled to vote at an annual general meeting fail to pass the unanimous resolution contemplated by Article 10.2, on or before the date by which the annual general meeting is required to be held under the *Business Corporations Act*; or
- (2) the shareholders fail, at the annual general meeting or in the unanimous resolution contemplated by Article 10.2, to elect or appoint any directors;

then each director then in office continues to hold office until the earlier of:

- (3) the date on which his or her successor is elected or appointed; and
- (4) the date on which he or she otherwise ceases to hold office under the *Business Corporations Act* or these Articles.

### **14.4 PLACES OF RETIRING DIRECTORS NOT FILLED**

If, at any meeting of shareholders at which there should be an election of directors, the places of any of the retiring directors are not filled by that election, those retiring directors who are not re-elected and who are asked by the newly elected directors to continue in office will, if willing to do so, continue in office to complete the number of directors for the time being set pursuant to these Articles until further new directors are elected at a meeting of shareholders convened for that purpose. If any such election or continuance of directors does not result in the election or continuance of the number of directors for the time being set pursuant to these Articles,

the number of directors of the Company is deemed to be set at the number of directors actually elected or continued in office.

#### **14.5 DIRECTORS MAY FILL CASUAL VACANCIES**

Any casual vacancy occurring in the board of directors may be filled by the directors.

#### **14.6 REMAINING DIRECTORS POWER TO ACT**

The directors may act notwithstanding any vacancy in the board of directors, but if the Company has fewer directors in office than the number set pursuant to these Articles as the quorum of directors, the directors may only act for the purpose of appointing directors up to that number or of summoning a meeting of shareholders for the purpose of filling any vacancies on the board of directors or, subject to the *Business Corporations Act*, for any other purpose.

#### **14.7 SHAREHOLDERS MAY FILL VACANCIES**

If the Company has no directors or fewer directors in office than the number set pursuant to these Articles as the quorum of directors, the shareholders may elect or appoint directors to fill any vacancies on the board of directors.

#### **14.8 ADDITIONAL DIRECTORS**

Notwithstanding Articles 13.1 and 13.2, between annual general meetings or unanimous resolutions contemplated by Article 10.2, the directors may appoint one or more additional directors, but the number of additional directors appointed under this Article 14.8 must not at any time exceed one-third of the number of the current directors who were elected or appointed as directors other than under this Article 14.8.

Any director so appointed ceases to hold office immediately before the next election or appointment of directors under Article 14.1(1), but is eligible for re-election or re-appointment.

#### **14.9 CEASING TO BE A DIRECTOR**

A director ceases to be a director when:

- (1) the term of office of the director expires;
- (2) the director dies;
- (3) the director resigns as a director by notice in writing provided to the Company or a lawyer for the Company; or
- (4) the director is removed from office pursuant to Articles 14.10 or 14.11.

#### **14.10 REMOVAL OF DIRECTOR BY SHAREHOLDERS**

The Company may remove any director before the expiration of his or her term of office by special resolution. In that event, the shareholders may elect, or appoint by ordinary resolution, a director to fill the resulting vacancy. If the shareholders do not elect or appoint a director to fill the resulting vacancy contemporaneously with the removal, then the directors may appoint or the shareholders may elect, or appoint by ordinary resolution, a director to fill that vacancy.

#### 14.11 REMOVAL OF DIRECTOR BY DIRECTORS

The directors may remove any director before the expiration of his or her term of office if the director is convicted of an indictable offence, or if the director ceases to be qualified to act as a director of a company and does not promptly resign, and the directors may appoint a director to fill the resulting vacancy.

#### 14.12 ADVANCE NOTICE OF NOMINATIONS OF DIRECTORS

- (1) Subject only to the *Business Corporations Act* and these Articles, only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Company. Nominations of persons for election to the board of directors may be made at any annual meeting of shareholders, or at any special meeting of shareholders if one of the purposes for which the special meeting was called was the election of directors:
  - (a) by or at the direction of the board of directors, including pursuant to a notice of meeting;
  - (b) by or at the direction or request of one or more shareholders pursuant to a “proposal” made in accordance with Division 7 of Part 5 of the *Business Corporations Act*, or a requisition of the shareholders made in accordance with section 167 of the *Business Corporations Act*; or
  - (c) by any shareholder of the Company (a “**Nominating Shareholder**”): (A) who, at the close of business on the date of the giving by the Nominating Shareholder of the notice provided for below in this Article 14.2 and at the close of business on the record date for notice of such meeting, is entered in the securities register of the Company as a holder of one or more shares carrying the right to vote at such meeting or who beneficially owns shares that are entitled to be voted at such meeting; and (B) who complies with the notice procedures set forth below in this Article 14.12.
- (2) In addition to any other requirements under applicable laws, for a nomination to be made by a Nominating Shareholder, the Nominating Shareholder must have given notice thereof that is both timely (in accordance with paragraph 3 below) and in proper written form (in accordance with paragraph 4 below) to the Corporate Secretary of the Company at the head office of the Company.
- (3) To be timely, a Nominating Shareholder’s notice must be received by the Corporate Secretary of the Company:
  - (a) in the case of an annual meeting of shareholders, not less than 30 nor more than 65 days prior to the date of the annual meeting of shareholders; provided, however, that in the event that the annual meeting of shareholders is to be held on a date that is less than 50 days after the date (the “**Notice Date**”) on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder may be received not later than the close of business on the 10th day following the Notice Date; and
  - (b) in the case of a special meeting (which is not also an annual meeting) of shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the 15th day following the day on which the first public announcement of the date of the special meeting of shareholders was made.

The time periods for the giving of a Nominating Shareholder’s notice set forth above shall in all cases be determined based on the original date of the applicable annual meeting or special meeting of shareholders, and in no event shall any adjournment or postponement of a meeting of shareholders or the announcement thereof commence a new time period for the giving of such notice.

- (4) To be in proper written form, a Nominating Shareholder's notice to the Corporate Secretary of the Company must set forth:
- (a) as to each person whom the Nominating Shareholder proposes to nominate for election as a director: (A) the name, age, business address and residential address of the person; (B) the present principal occupation, business or employment of the person within the preceding five years, as well as the name and principal business of any company in which such employment is carried on; (C) the citizenship of such person; (D) the class or series and number of shares in the capital of the Company which are controlled or which are owned beneficially or of record by the person as of the record date for the meeting of shareholders (if such date shall then have been made publicly available and shall have occurred) and as of the date of such notice; (E) confirmation that the person meets the qualifications of directors set out in the *Business Corporations Act*; and (F) any other information relating to the person that would be required to be disclosed in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the *Business Corporations Act* and Applicable Securities Laws (as defined below); and
  - (b) as to the Nominating Shareholder giving the notice, full particulars regarding any proxy, contract, agreement, arrangement or understanding pursuant to which such Nominating Shareholder has a right to vote or direct the voting of any shares of the Company and any other information relating to such Nominating Shareholder that would be required to be made in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the *Business Corporations Act* and Applicable Securities Laws (as defined below).

The Nominating Shareholder's notice must be accompanied by a written consent of each proposed nominee to being named as a nominee and to serve as a director if elected. The Company may require any proposed nominee to furnish such other information as may reasonably be required by the Company to determine the eligibility of such proposed nominee to serve as an independent director of the Company or that could be material to a reasonable shareholder's understanding of the independence, or lack thereof, of such proposed nominee.

- (5) No person shall be eligible for election as a director of the Company unless nominated in accordance with the provisions of this Article 14.2; provided, however, that nothing in this Article 14.2 shall be deemed to preclude discussion by a shareholder (as distinct from the nomination of directors) at a meeting of shareholders of any matter that is properly before such meeting pursuant to the provisions of the Act or the discretion of the Chairman. The Chairman of the meeting shall have the power and duty to determine whether a nomination was made in accordance with the procedures set forth in the foregoing provisions and, if any proposed nomination is not in compliance with such foregoing provisions, to declare that such defective nomination shall be disregarded.
- (6) For purposes of this Policy:
- (a) "**Applicable Securities Laws**" means the applicable securities legislation of each province and territory of Canada in which the Company is a reporting issuer, as amended from time to time, the rules, regulations and forms made or promulgated under any such statute and the published national instruments, multilateral instruments, policies, bulletins and notices of the securities commission and similar regulatory authority of each province and territory of Canada; and
  - (b) "**public announcement**" shall mean disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Company under its profile on the System of Electronic Document Analysis and Retrieval at [www.sedar.com](http://www.sedar.com).

- (7) Notwithstanding any other provision of this Article 14.2, notice given to the Corporate Secretary of the Company pursuant to this Article 14.2 may only be given by personal delivery, facsimile transmission or by email (at such email address as may be stipulated from time to time by the Corporate Secretary of the Company for purposes of this notice), and shall be deemed to have been given and made only at the time it is served by personal delivery to the Corporate Secretary at the address of the head office of the Company, email (at the address as aforesaid) or sent by facsimile transmission (provided that receipt of confirmation of such transmission has been received); provided that if such delivery or electronic communication is made on a day which is not a business day or later than 5:00 p.m. (Vancouver time) on a day which is a business day, then such delivery or electronic communication shall be deemed to have been made on the next following day that is a business day.
- (8) Notwithstanding the foregoing, the board may, in its sole discretion, waive any requirement in this Article 14.2.
