

Green 2 Blue Subsidiary Appoints Izy Capital Partners to Advise on Medical Technology Venture

July 15, 2020 (Vancouver, BC): Green 2 Blue Energy Corp. (CSE:GTBE, OTCQB:GTGEF, FWB:1NZ.F) (the “Company” or “Green 2 Blue”) announces today that its wholly owned subsidiary, Arsenal Health Sciences Corporation (“Arsenal”), has appointed Izy Capital Partners (“Izy Capital”) as Lead Advisor in its ongoing exploration of commercial opportunities in the medical technology sector. Arsenal will rely on Izy Capital’s breadth of expertise as it continues to develop a strategy to distribute testing products and collect and commercialize anonymized diagnostic data on a large scale.

Joanne Hackett, PhD, serves as General Partner at Izy Capital and leads the firm’s Healthcare Practice. Dr. Hackett will lead Izy Capital’s advisory relationship with Arsenal. Dr. Hackett is an accomplished entrepreneur, scientist, and strategist with experience in the execution and management of complex business transactions. She has extensive management experience in the health and pharma industry and possesses multidisciplinary knowledge and is skilled in team management, setting external investment strategies, and the identification and evaluation of targets. Dr. Hackett served as Chief Commercial Officer at Genomics England from 2017 to 2020 and she has been publicly recognized for her pursuits in healthcare, having received numerous awards and accolades in recognition of her contributions to her field.

Izy Capital is a global early stage venture capital and growth stage advisory practice, with a principal focus on innovation and disruption within healthcare technology. With presence in the United Kingdom, North America, and the United Arab Emirates, the Izy Capital team has advised on over USD \$50 billion of transactions in the public and private markets over the past 25 years. Izy Capital has expertise on all aspects of the process and options relating to growth capital, refinancing, mergers and acquisitions, and a wide variety of related topics.

“We are thrilled by today’s announcement of a formalized relationship between Izy Capital and Arsenal,” commented Arsenal CEO John Costigan. “We believe Dr. Hackett and the team at Izy Capital will add significant value to our growth strategy. Joanne brings extraordinary domain knowledge in the medical data space to the table. This, together with Izy Capital’s high level of financial sophistication and extensive partner network, will be of tremendous benefit to Arsenal as we build our data platform,” continued Costigan.

“We are pleased to be collaborating with John and the Arsenal team to help them develop their strategy, roadmap, and commercialization strategies,” commented Izy Capital General Partner, Joanne Hackett. “We look forward to providing key assistance to Arsenal in the development of their vision for a robust testing and data-lead consumer health platform,” concluded Hackett.
