

G2 TECHNOLOGIES CORP. NEW WEBSITE G2.ENERGY IS LIVE

June 24, 2021 (Vancouver, BC) G2 Technologies Corp. (CSE:GTOO, OTCQB:GTGEF, FWB:1NZ.F) (the "**Company**" or "**G2**") is delighted to officially announce the launch of the G2 Technologies Corp. website. After time of hard work and dedication, G2 s newly designed website is now live.

We encourage you to visit us at WWW.G2.ENERGY

Our goal with this new website is to provide our stakeholders with the most accurate up-to-date information on the Company and its activities. We also wanted to make the new website faster, easier to navigate, and more responsive to our shareholders and investors alike.

Our current and prospective investors will find useful information about our renewed focus on the home page of our website. In addition, we hope the new website will foster increased communication between the Company and the investing public. We will be constantly updating our content with helpful information, cutting edge thought leadership, Company announcements and relevant market information as we move forward. You can sign up to receive the Company updates and our news as it happens.

G2's Chief Executive Officer, Slawek Smulewicz stated, "We would like to thank the Cognitive Corporate Services team whose time and energy were necessary to make this site what it is. They have proven to be an important partner for us in our transition to a more digital marketing platform in order to better serve our investors and stakeholders."

For any questions, suggestions, feedback or comments, please email us Info@g2.energy.

On Behalf of the Board,

"Slawek Smulewicz"

Forward-Looking Statements Caution. This news release includes forward-looking statements that are subject to risks and uncertainties. All statements within, other than statements of historical fact, are to be considered forward-looking. The Company provides forward-looking statements for the purpose of conveying information about current expectations and plans relating to the future and readers are cautioned that such statements may not be appropriate for other purposes. By its nature, this information is subject to inherent risks and uncertainties that may be general or specific and which give rise to the possibility that expectations, forecasts, predictions, projections or conclusions may not prove to be accurate, that assumptions may not be correct, and that objectives, strategic goals and priorities may not be achieved. These risks and uncertainties include but are not limited those identified and reported in the Company's public filings under the Company's SEDAR profile at www.sedar.com. Although the Company has attempted to identify important

factors that could cause actual actions, events or results to differ materially from those described in forward-looking information, there may be other factors that cause actions, events or results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate as actual results and future events could differ materially from those anticipated in such statements. The Company disclaims any intention or obligation to update or revise any forward-looking information, whether as a result of new information, future events or otherwise unless required by law.
