Notes to the Condensed Interim Financial Statements
For the Six Months Ended September 30, 2015
(Unaudited - Expressed in Canadian Dollars)

1. NATURE AND CONTINUANCE OF OPERATIONS

SYD Financial Inc. (the "Company") was incorporated under the *Business Corporations Act* (British Columbia) on February 18, 2015. The principal business of the Company is to identify, evaluate and then acquire an interest in a business or assets. On July 16, 2015, the Company entered into a Plan of Arrangement with Alchemist Mining Inc. ("Alchemist"), Chichi Financial Inc. ("Chichi") and Alexis Financial Inc. ("Alexis"), and became a reporting issuer in the provinces of British Columbia, Alberta and Ontario. The address of its head office is located at 1288 Steeple Drive, Coquitlam, British Columbia, Canada V3E 1K2.

These financial statements have been prepared on a going concern basis in accordance with International Financial Reporting Standards ("IFRS") with the assumption that the Company will be able to realize its assets and discharge its liabilities in the normal course of business.

The Company's continuing operations, as intended, are dependent upon its ability to identify, evaluate and negotiate an acquisition of or participation in an interest in properties, assets or businesses.

These conditions represent a material uncertainty that may cast significant doubt upon the Company's ability to continue as a going concern.

These financial statements do not include any adjustments to the recoverability and classification of recorded asset amounts and classification of liabilities that might be necessary should the Company be unable to continue as a going concern.

2. BASIS OF PRESENTATION

(a) Statement of compliance

The condensed interim financial statements ("financial statements") of the Company have been prepared in accordance with IAS 34 Interim Financial Reporting.

The condensed interim financial statements of the Company should be read in conjunction with the Company's March 31, 2015 financial statements which have been prepared in accordance with International Financial Reporting Standards ("IFRS") as issued by the International Accounting Standards Board ("IASB").

(b) Approval of the financial statements

The financial statements of the Company for the six months ended September 30, 2015, were reviewed by the Audit Committee and approved and authorized for issue on November 30, 2015 by the Board of Directors of the Company.

(c) Basis of presentation

The financial statements are presented in Canadian dollars, which is also the Company's functional currency. The financial statements of the Company have been prepared on an accrual basis except for cash flow information, and are based on historical costs, except for certain financial instruments, which are stated at their fair values.

3. SIGNIFICANT ACCOUNTING POLICIES

The condensed interim financial statements have been prepared, for all periods presented, following the same accounting policies and methods of computation as described in Note 3 to the audited financial statements for the period ended March 31, 2015.

4. RISK MANAGEMENT AND FINANCIAL INSTRUMENTS

The Company classifies its financial instruments as follows:

- Cash is classified as a financial asset at FVTPL;
- Promissory note is classified as loans and receivables; and
- Accounts payable and accrued liabilities is classified as other financial liabilities.

The carrying values of these financial assets approximate their fair values.

The Company's risk exposure and the impact on the Company's financial instruments is summarized below:

(a) Credit risk

Credit risk is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. The Company manages credit risk, in respect of cash, by placing at major Canadian financial institutions. The Company has minimal credit risk.

(b) Liquidity risk

Liquidity risk is the risk that the Company will encounter difficulty in satisfying financial obligations as they become due. The Company manages its liquidity risk by forecasting cash flows from operations and anticipated investing and financing activities. The Company's objective in managing liquidity risk is to maintain sufficient readily available reserves in order to meet its liquidity requirements. At September 30, 2015, the Company has cash, in trust of \$398 available to apply against short-term business requirements and current liabilities of \$2,936. All of the liabilities are due within 90 days.

5. CAPITAL STOCK

(a) Authorized

Unlimited number of common shares and preferred shares without par value

5. SHARE CAPITAL (Continued)

(b) Issued and outstanding

Six Month Period Ended September 30, 2015

On July 16, 2015, as part of the Plan of Arrangement with Alchemist, Chichi and Alexis, the Company issued 2,200,000 common shares of the Company to holders of Class 3 reorganization shares of Alchemist on a pro rata basis. Alchemist then redeemed all Class 3 reorganization shares held by the Company in consideration of \$15,000 in cash and a promissory note in the principal amount of \$29,000 to the Company.

42-Day Period Ended March 31, 2015

On February 18, 2015, the date of incorporation, the Company issued one common share at a price of \$0.01.

6. CAPITAL MANAGEMENT

The Company is actively looking to acquire an interest in a business or assets and this involves a high degree of risk. The Company has not determined whether it will be successful in its endeavours and does not generate cash flows from operations. The Company's primary source of funds comes from the issuance of share capital. The Company does not use other sources of financing that require fixed payments of interest and principal due to lack of cash flow from current operations, and is not subject to any externally imposed capital requirements.

The Company's objective when managing capital is to safeguard the Company's ability to continue as a going concern.

The Company defines its capital as equity. Capital requirements are driven by the Company's general operations. To effectively manage the Company's capital requirements, the Company monitors expenses and overhead to ensure costs and commitments are being paid.
