Dear Sirs/Mesdames:

Re: Syd Financial Inc. (the "Issuer") – Amended Technical Report

In connection with the filing of the Issuer's non-offering Prospectus which was received on June 15, 2018, the British Columbia Securities Commission required the Issuer's geologist to complete a site visit to the Issuer's Pluto Property. The geologist has completed the site visit and the Issuer is filing an Amended Technical Report on the Pluto Property, Dolomieu and Daubrée Townships, Quebec, Canada dated July 3, 2018 as a result of the site visit.

Yours very truly,

SYD FINANCIAL INC.
