**Winston Gold Appoints Mr. Joseph Carrabba as Strategic Advisor**

**WINNIPEG, MANITOBA – November 21, 2017 – Winston Gold Corp. (“Winston Gold” or the “Corporation”)** (CSE: WGC) (OTCQB: WGMCF) is pleased to announce the appointment of Mr. Joseph A. Carrabba as a Strategic Advisor to the Company.

Mr. Carrabba has over 42 years of management and operational experience in the resource industry. He was formerly the Chairman, President and CEO of Cliffs Natural Resources Inc and has also served as President and CEO of Diavik Diamond Mines.

Mr. Carrabba spent much of his career working for multinational mining operations in North America, Australia, Latin America and Asia. His wide range of experience also includes working on Health and Safety and Environmental and Social Responsibility committees. He is currently the Chair of Newmont’s Safety and Sustainability Committee and a member of the Compensation Committees of Aecon and Timken Steel.

“I am very pleased to accept an advisory role with Winston Gold Corp. I believe the high-grade Winston gold project near Helena, Montana has exciting potential and I look forward to contributing to help advance this historic project,” commented Mr. Carrabba.

Mr. Murray Nye, CEO and Director of Winston Gold states: “We are very pleased to welcome Mr. Carrabba to our team. His extensive operational experience and industry affiliations will undoubtedly be valuable assets as we look towards the next stage of underground exploration at the Winston Gold Project.”

For his advisory services Mr. Carrabba has been granted 750,000 options priced at \$0.05 and expiring after 5 years.

**About Winston Gold**

Winston Gold is a junior mining company focused on advancing high-grade, low cost mining opportunities into production. Towards that end, the Corporation has acquired two under-explored and under-exploited gold/silver mining opportunities, being the Winston Gold project near Helena, Montana, and the Gold Ridge project, near Willcox, Arizona.

### **Forward-Looking Information**

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that Winston Gold Mining Corp. (the "Company") expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include regulatory actions, market prices, exploitation and exploration successes, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
