

Monterey Minerals Announces Non-Brokered Private Placement of up to \$800,000

Not For Dissemination in the United States Of America

TORONTO, Jan. 29, 2020 -- **Monterey Minerals Inc.** (the “**Company**” or “**Monterey**”) (CSE: MREY, FSE: 2DK) announces a non-brokered private placement of up to 10,000,000 units (“**Units**”) at a price of \$0.08 per Unit for a gross proceeds of up to \$800,000 (the “**Financing**”).

Each Unit will consist of one (1) common share and one half (1/2) of a non-transferrable common share purchase warrant (each whole common share purchase warrant, a “**Warrant**”). Each Warrant will entitle the holder to purchase one additional common share at a price of \$0.15 for a period of eighteen (18) months from date of the issue.

All securities to be issued pursuant to the Financing are subject to a four-month hold period under applicable Canadian securities laws. The Company may pay finders’ fees consisting of 7% cash and 7% non-transferable warrants in connection with the financing, subject to compliance with the policies of the Canadian Securities Exchange (the “**CSE**”). Completion of the private placement and payment of any finders’ fees remain subject to the receipt of all necessary regulatory approvals, including the approval of the CSE.

The net proceeds of the financing will be used for funding exploration programs on the Company’s Pilbara Gold Properties in Western Australia and its Cobalt Mountain Property in British Columbia as well as for general working capital purposes.

About Monterey Minerals Inc.

The Company owns 100% of the Cobalt Mountain Property (the “**Property**”) in the Omineca Mining Division of British Columbia near the town of Smithers. The Company’s NI 43-101 technical report, available on SEDAR, notes historic sampling on the Property that returned mineralized showings of gold, silver, copper, zinc and cobalt. The Company also has 877 sq. km. of prospective Pilbara Basin tenements on the eastern flank of the Pilbara Basin in Western Australia, including a property that abuts Pacton Gold’s tenement where gold-bearing conglomerates were identified.
