MANAGEMENT INFORMATION CIRCULAR FOR ANNUAL GENERAL MEETING OF SHAREHOLDERS

(containing information as at May 01, 2023 unless otherwise stated)

SOLICITATION OF PROXIES

This management information circular (the “Circular”) is furnished in connection with the solicitation of Proxies by the management of Puranium Energy Ltd. (formerly Monterey Minerals Inc., the “Corporation”), for use at the annual general meeting (the “Meeting”), of the holders (“Shareholders”) of common shares without par value in the capital of the Corporation (the “Common Shares”), to be held on Thursday, the 15th day of June, 2023, at the time and place and for the purposes set forth in the accompanying Notice of Meeting and at any adjournment thereof. It is expected that the solicitation of Proxies on behalf of management will be primarily by mail; however, Proxies may be solicited personally or by telephone by the regular officers, employees or agents of the Corporation. The cost of soliciting Proxies on behalf of management will be borne by the Corporation. The Corporation may also reimburse brokers and other persons holding Common Shares in their names or in the name of nominees, for their costs incurred in sending Proxy materials to beneficial owners and obtaining their Proxies or voting instructions.

APPOINTMENT OF PROXIES

The persons named in the accompanying form of proxy (the “Proxy”) are representatives of management of the Corporation and are directors and/or officers of the Corporation. A SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON (WHO NEED NOT BE A SHAREHOLDER) TO ATTEND AND ACT FOR HIM/HER ON HIS/HER BEHALF AT THE MEETING OTHER THAN THE PERSONS NAMED IN THE ENCLOSED PROXY. TO EXERCISE THIS RIGHT, A SHAREHOLDER MAY STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE PROXY AND INSERT THE NAME AND VALID EMAIL ADDRESS OF HIS/HER NOMINEE IN THE BLANK SPACE PROVIDED, OR COMPLETE ANOTHER PROXY. A PROXY WILL NOT BE VALID UNLESS IT IS RETURNED TO AGM CONNECT IN ACCORDANCE WITH THE INSTRUCTIONS SET OUT IN THE FORM OF PROXY ACCOMPANYING THE MANAGEMENT INFORMATION CIRCULAR, NOT LESS THAN 48 HOURS (EXCLUDING SATURDAYS, SUNDAYS AND HOLIDAYS) BEFORE THE TIME OF THE MEETING OR ANY ADJOURNMENT THEREOF.

The Proxy must be signed by the Shareholder or by his/her attorney in writing, or, if the Shareholder is a Corporation, it must either be under its common seal or signed by a duly authorized officer.

A form of proxy will not be valid for the Meeting or any adjournment thereof unless it is completed and deposited with AGM Connect, 401 Bay Street, Suite 2704, P.O. Box 4, Toronto, Ontario, M5H 4Y4, on or before June 15, 2023 or not less than 48 hours (excluding Saturdays, Sundays and holidays) before the time set for the holding of the Meeting or any adjournment thereof.

NON-REGISTERED HOLDERS

Only those Shareholders whose names appear on the central security register of the Corporation (“**Registered Shareholders**”), or the persons they appoint as their Proxies, are permitted to attend and vote at the Meeting. However, in many cases, Common Shares beneficially owned by a holder (a “**Non-Registered Holder**”) are registered either:

- (a) in the name of an intermediary (an “**Intermediary**”) that the Non-Registered Holder deals with in respect of the Common Shares, such as, among others, banks, trust Companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; or
- (b) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant.

In accordance with the requirements of National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”), the Corporation has distributed copies of the Meeting materials to the clearing agencies and Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries are required to forward Meeting materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries will often use service Companies to forward the Meeting materials to Non-Registered Holders. Generally, Non-Registered Holders who have not waived the right to receive Meeting materials will either:

- A. be given a voting instruction form which must be completed and signed by the Non-Registered Holder in accordance with the directions on the voting instruction form (which may in some cases permit the completion of the voting instruction form by telephone); or
- B. be given a Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder, but which is otherwise uncompleted. This Proxy need not be signed by the Non-Registered Holder. In this case, the Non-Registered Holder who wishes to submit a Proxy should otherwise properly complete the form of Proxy and deposit it with AGM Connect, as described above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Holder who receives either a Proxy or a voting instruction form wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should strike out the names of the persons named in the Proxy and insert the Non-Registered Holder’s (or such other person’s) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form. *In either case, Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service Companies.*

REVOCATION

A Registered Shareholder who has given a Proxy may revoke the Proxy by:

- (a) completing and signing a Proxy bearing a later date and depositing it with AGM Connect as described above;
- (b) depositing an instrument in writing executed by the Shareholder or by the Shareholder’s attorney authorized in writing: (i) to AGM Connect at 401 Bay Street, Suite 2704, Toronto ON, M5H 2Y4 at any time up to and including the last business day preceding the day of the Meeting, or any adjournment of the Meeting, at which the Proxy is to be used, or (ii) with the

chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment of the Meeting; or

(c) in any other manner permitted by law.

A Non-Registered Holder may revoke a voting instruction form or a waiver of the right to receive Meeting materials and to vote given to an Intermediary at any time by written notice to the Intermediary, except that an Intermediary may not be required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting materials and to vote that is not received by the Intermediary at least seven days prior to the Meeting.

VOTING OF PROXIES

The management representatives designated in the enclosed Proxy will vote or withhold from voting the Common Shares in respect of which they are appointed by Proxy on any ballot that may be called for in accordance with the instructions of the Shareholder as indicated on the Proxy and, if the Shareholder specifies a choice with respect to any matter to be acted upon, the Common Shares will be voted accordingly. Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of Proxy will vote the shares represented by such form of Proxy, properly executed FOR the matters identified in the notice of Meeting and any other matters which may properly come before the Meeting.

The enclosed Proxy confers discretionary authority upon the management representatives designated in the Proxy with respect to amendments to or variations of matters identified in the notice of Meeting and with respect to other matters which may properly come before the Meeting. At the date of this Circular, management of the Corporation know of no such amendments, variations or other matters.

The Corporation is sending proxy-related materials to registered holders or beneficial owners using notice and access. The Corporation is sending proxy-related materials directly to non-objecting beneficial owners under National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”). Management of the Corporation does not intend to pay for intermediaries to forward to objecting beneficial owners under NI 54-101 the proxy-related materials and Form 54-101F7 – Request for Voting Instructions Made by Intermediary, and in the case of an objecting beneficial owner, the objecting beneficial owner will not receive the materials unless the objecting beneficial owner’s intermediary assumes the cost of delivery.

Except as specified below, as at the date of this Circular, and within the last 10 years before the date of the Circular, neither the CEO or CFO, nor any director (or any of their personal holding Companies) of the Corporation was a director, CEO or CFO of any Company (including the Corporation) that:

- (a) was subject to a cease trade or similar order or an order denying the relevant Company access to any exemptions under securities legislation, for more than 30 consecutive days while that person was acting in the capacity as director, CEO or CFO;
- (b) was the subject of a cease trade or similar order or an order that denied the issuer access to any exemption under securities legislation in each case for a period of 30 consecutive days, that was issued after the person ceased to be a director, CEO or CFO in the Company and which resulted from an event that occurred while that person was acting in the capacity as director, CEO or CFO;

(c) is as at the date of this Circular or has been within 10 years before the date of this Circular, a Director or Executive Officer of any Company, including the Corporation, that, while that person was acting in that capacity, or within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets; or

The Special Committee of the Board of Directors of ANR determined that it was in ANR’s best interests to facilitate a “going private” transaction whereby its majority shareholder and secured debtholder, China Gold Pte. Ltd. (“China Gold”), would purchase the shares of ANR it did not already own. In July 2015, a sufficient number of ANR’s minority shareholders voted against this proposal such that the transaction was not approved, and ultimately resulted in a default on ANR’s secured debt with China Gold. Mr. DiGirolamo and Mr. Macintosh both resigned from their roles at ANR. Subsequently, a receiver was appointed in August 2015 with a view to liquidating ANR’s remaining assets. This process has been completed through the courts in Ontario.

Incentive Plan Awards

On January 11, 2022, the Corporation granted 750,000 stock options to NEO's and directors, all with an exercise price of \$0.70 and an expiry of January 11, 2027. The Corporation does not grant any share-based awards. There were no values vested as that would be the difference between the exercise price on the vesting date and the market price on the date of grant. There was no value of unexercised in the money options as the market price at year-end was below the exercise prices of all existing options granted during the past three fiscal years. No options were exercised during the year ended December 31, 2022.

Stock Option Plans and Other Incentive Plans

The Company created a stock option plan that was approved by the Board on August 5, 2018 (the "**Stock Option Plan**"). The purpose of the Stock Option Plan is to assist the Company in attracting, retaining and motivating directors, officers, employees and consultants (together, "**service providers**") of the Company and of its affiliates and to closely align the personal interests of such service providers with the interests of the Company and its Shareholders.

The Stock Option Plan provides that, subject to the requirements of the CSE, the aggregate number of Common Shares reserved for issuance pursuant to options granted under the Stock Option Plan will not exceed 10% of the number of Common Shares of the Company issued and outstanding from time to time. The Stock Option Plan is administered by the Board, which has full and final authority with respect to the granting of all options thereunder subject to the express provisions of the Stock Option Plan. Options may be granted under the Stock Option Plan to such directors, employees, consultants or management Company employees of the Company and its subsidiaries, if any, as the Board may from time to time designate. The exercise prices are determined by the Board, but may not, in any event, be less than the closing market price of the Common Shares on the CSE on the trading day prior to the earlier of dissemination of a news release disclosing the issuance of the option grant, or the posting of notice of the proposed option grant with the CSE. The Stock Option Plan complies with section 2.25 of National Instrument 45-106 *Prospectus Exemptions* and provides that the number of Common Shares which may be reserved for issuance on a yearly basis to any one related person upon exercise of all stock options held by such individual may not exceed 5% of the issued Common Shares calculated at the time of grant. Moreover, the Company cannot issue grants to related persons if in the aggregate their grants would, on a fully diluted basis, exceed 10% of the issued and outstanding Common Shares of the Company.

The Stock Option Plan is the Corporation's only equity compensation plan. As of the date of this Circular, the Corporation has 1,118,435 options outstanding to purchase Common Shares. The following table is a summary setting out the options outstanding that have been granted to directors, officers, employees, consultants or others as at the date of this Circular:

CORPORATE GOVERNANCE STATEMENT OF CORPORATE GOVERNANCE PRACTICES

General

Corporate governance refers to the policies and structure of the Board of a Company whose members are elected by and are accountable to the Shareholders of the Company. Corporate governance encourages establishing a reasonable degree of independence of the Board from executive management and the adoption of policies to ensure the Board recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of Shareholders and help to contribute to effective and efficient decision-making.

Effective June 30, 2005, National Instrument 58-101 *Disclosure of Corporate Governance Practices* (“NI 58-101”) and National Policy 58-201 *Corporate Governance Guidelines* (“NP 58-201”) were adopted in each of the provinces and territories of Canada. NI 58-101 requires issuers to disclose the corporate governance practices that they have adopted. NP 58-201 provides guidance on corporate governance practices. This section sets out the Company’s approach to corporate governance and describes the measures taken by the Company to comply with NI 58-101.

Board of Directors

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A “material relationship” is a relationship which could, in the view of the Company’s Board, be reasonably expected to interfere with the exercise of a director’s independent judgment.

The Company’s Board facilitates its exercise of independent judgement in carrying out its responsibilities by carefully examining issues and consulting with outside counsel and other advisors in appropriate circumstances. The Company’s Board requires management to provide complete and accurate information with respect to the Company’s activities and to provide relevant information concerning the industry in which the Company operates in order to identify and manage risks. The Company’s Board is responsible for monitoring the Company’s officers, who in turn are responsible for the maintenance of internal controls and management information systems.

The following members of the Board are non-independent: Jason Bagg and Julio DiGirolamo.

The following members of the Board are independent: Guy T. Le Page and David Lees.

Directorships

The following directors of the Company are currently directors of other reporting issuers:

Director	Reporting Issuer:	Exchange Listed On & Symbol:
Julio DiGirolamo	Graycliff Exploration Limited	CSE – GRAY
David Lees	Sultan Resources Ltd.	ASX – SLZ
	Graycliff Exploration Limited	CSE – GRAY
Guy T. Le Page	Tasman Resources Ltd.	ASX - TAS
	Mt. Ridley Mines Ltd	ASX - MRD
	Conico Ltd.	ASX - CNJ

Orientation and Continuing Education

When new directors are appointed, they receive an orientation, commensurate with their previous experience, on the Company's properties, business, technology and industry and on the responsibilities of directors.

Board Meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Further, the Company's Auditor has full and unrestricted access to the Audit Committee at all times to discuss the audit of the Company's financial statements and any related findings as to the integrity of the financial reporting process.

Nomination of Directors

The Company's management is continually in contact with individuals involved in the mineral exploration industry and public-sector resource issuers. From these sources, the Company has made numerous contacts and continues to consider nominees for future Board positions. The Company conducts diligence and reference checks on any suitable candidate. New nominees must have a track record in general business management, special expertise in the area of strategic interest to the Company, the ability to devote the time required and willingness to serve. The Board does not currently have a nominating Committee.

Compensation

The Board as a whole determines the salary and benefits of the executive officers and directors of the Company, as well as the Company's general compensation structure, policies and programs.

Other Board Committees

The Board currently has no other Committees other than the Audit Committee.

Assessments

The Board works closely with management, and, accordingly, the Board is in a position to assess the performance of individual directors on an ongoing basis.
