

NETCENTS ADOPTS INCENTIVE STOCK OPTION PLAN

VANCOUVER, B.C., April 8, 2016 – NetCents Technology Inc. (“NetCents” or the “Company”) is pleased to announce the adoption of an incentive stock option plan (the “Option Plan”) and the grant of incentive stock options (the “Options”) under the Option Plan.

On April 7, 2016, the board of directors of the Company (the “Board”) adopted an incentive stock option plan (the “Option Plan”). The Option Plan is a “rolling” stock option plan, pursuant to which the Board may from time to time, in its discretion, and in accordance with Canadian Securities Exchange and regulatory requirements, grant to directors, officers, employees and consultants, options to purchase common shares (the “Shares”) of the Company, provided that the number of Shares reserved for issuance will not exceed 15% of the then issued and outstanding Shares of the Company.

The Company, on April 7, 2016, issued an aggregate 2,080,000 Options in accordance with the Option Plan to certain directors, officers and consultants of the Company. Each Option entitles the respective optionee to purchase one Share at an exercise price of \$0.25 per Share until April 7, 2026.

NetCents also announces a correction to its news release issued on March 17, 2016 entitled “NetCents Announces Master Purchase Agreement with DigitalX Limited for Strategic Partnership and Fulfillment Services for Digital Currencies”. The news release contained disclosure that 2,120,000 Options were granted, however the Option Plan had not yet been approved by the Board and no Options had been granted until April 7, 2016.

About NetCents

NetCents is an online payments platform, offering consumers and merchants online services for managing electronic payments. NetCents works with its financial partners, mobile operators, exchanges, etc., to streamline the user experience of transacting online. The NetCents technology is integrated into the Automated Clearing House (“ACH”) and accepts consumer deposits from 24 countries.

Forward-Looking Information

This release includes certain statements that may be deemed “forward-looking statements”. All statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words “expects”, “plans”, “anticipates”, “believes”, “intends”, “estimates”, “projects”, “potential” and similar expressions, or that events or conditions “will”, “would”, “may”, “could” or “should” occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include regulatory actions, market prices, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company’s management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management’s beliefs, estimates or opinions, or other factors, should change.
