

NetCents Launches eCommerce Plugin For Platform That Powers Over 25 Million eCommerce Sites

VANCOUVER, May 23, 2017 /CNW/ - **NetCents Technology Inc.** ("**NetCents**" or the "**Company**") (**CSE: NC**) is pleased to announce that it has released an eCommerce plugin for WooCommerce. Netcents' revolutionary plugin allows eCommerce sites built with the WordPress platform to accept fiat currencies, credit cards, and cryptocurrencies such as Bitcoin and Ethereum.

WooCommerce is the most popular eCommerce platform on the web with over 25 million downloads and powers over 28% of all eCommerce sites (source: WooCommerce, <https://woocommerce.com>).

"We just made the world's most popular, customizable and free eCommerce platform even better! The NetCents solution adds flexibility for any Merchant with a WordPress and WooCommerce online store. With the NetCents plugin, merchants will be able to accept all fiat currencies, credit cards and cryptocurrency, such as Bitcoin or Ethereum," commented Clayton Moore, NetCents' Founder and CEO.

The NetCents plugin and the NetCents Payment Gateway enable merchants to easily accept digital currencies such as Bitcoin, Ethereum in addition to Credit Cards. NetCents provides a simplified, trusted bridge to emerging payment technologies.

If your company or organization wishes to integrate the NetCents platform into your website, visit <http://www.netcents.biz> and click on our "Payment Gateway" tab to complete the online form to get the digital integration process started. A NetCents payment icon will be placed on your website at no cost.

About NetCents

NetCents is a next generation online payments processing platform, offering consumers and merchants online services for managing electronic payments. The Company is focused on capturing the migration from cash to digital currency by utilizing innovative Blockchain Technology to provide payment solutions that are simple to use, secure and worry free. NetCents works with its financial partners, mobile operators, exchanges, etc., to streamline the user experience of transacting online. NetCents Technology is integrated into the Automated Clearing House ("ACH") and is registered as a Money Services Business (MSB) with FINTRAC, which ensures our consumer's security and privacy. NetCents is available for deposits from 194 Countries around the World, providing you with the freedom to choose to Pay. Your Way.™

Cautionary Note Regarding Forward Looking Information

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments

that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include regulatory actions, market prices, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
