

NetCents Corporate Update

VANCOUVER, June 5, 2017 /CNW/ - NetCents Technology Inc. ("NetCents" or the "Company") (CSE: NC) is pleased to provide the following corporate updates.

NetCents is proud to announce the addition of Lucas Birdsall as Business Development, for NetCents Technology Inc.

He is a graduate of the Beedie School of Business at Simon Fraser University where his concentrations were in Finance and Operations Management. He brings a comprehensive risk management, analysis and research skill sets developed as an Underwriting Trainee with Northbridge Financial Corporation and a Research Analyst with Global Securities Corporation. His most previous experience was as an Account Executive for a leading IT Consulting Firm. Lucas' focus will be to drive merchant sign ups and usage rates.

Clayton Moore CEO & Founder, NetCents Technology Inc. stated, "I have had the opportunity to observe Lucas over the last 18 months. And what impressed me the most was his professionalism and his never take no for an answer attitude. His drive, determination and advanced communication and sales skills will allow us to expand our services and client base."

NetCents is also pleased to announce that it has moved to new office space. The new purpose built office in the heart of Vancouver is larger and will allow the company to continue its rapid growth and to easily add additional staff as required.

About NetCents

NetCents is a next generation online payments processing platform, offering consumers and merchants online services for managing electronic payments. The Company is focused on capturing the migration from cash to digital currency by utilizing innovative Blockchain Technology to provide payment solutions that are simple to use, secure and worry free. NetCents works with its financial partners, mobile operators, exchanges, etc., to streamline the user experience of transacting online. NetCents Technology is integrated into the Automated Clearing House ("ACH") and is registered as a Money Services Business (MSB) with FINTRAC, which ensures our consumer's security and privacy. NetCents is available for deposits from 194 Countries around the World, providing you with the freedom to choose to Pay. Your Way.™

Cautionary Note Regarding Forward Looking Information

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include regulatory actions, market prices, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
