

## **NetCents Launches eCommerce Plugin for Prestashop**

VANCOUVER, July 26, 2017 /CNW/ - **NetCents Technology Inc.** ("**NetCents**" or the "**Company**") (**CSE: NC**) is pleased to announce that it has released its plugin for Prestashop, one of the world's most popular eCommerce platforms.

"NetCents continues to make advancements in the eCommerce space. This is our third plugin that our development team has launched recently including WooCommerce and Magento, giving us significant reach to online merchants," commented Clayton Moore, NetCents' Founder and CEO. "After receiving a number of requests for our platform to offer a Prestashop plugin, our development team quickly jumped in to action and built the extension allowing us the opportunity to immediately add more merchants."

If your company or organization wishes to integrate the NetCents platform into your website, visit <http://www.netcents.biz> and click on our "Payment Gateway" tab to complete the online form to get the digital integration process started. A NetCents payment icon will be placed on your website at no cost.

### **About NetCents**

NetCents is a next generation online payments processing platform, offering consumers and merchants online services for managing electronic payments. The Company is focused on capturing the migration from cash to digital currency by utilizing innovative Blockchain Technology to provide payment solutions that are simple to use, secure and worry free. NetCents works with its financial partners, mobile operators, exchanges, etc., to streamline the user experience of transacting online. NetCents Technology is integrated into the Automated Clearing House ("ACH") and is registered as a Money Services Business (MSB) with FINTRAC, which ensures our consumer's security and privacy. NetCents is available for deposits from 194 Countries around the World, providing you with the freedom to choose to Pay. Your Way.™

### **Cautionary Note Regarding Forward Looking Information**

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results

may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include regulatory actions, market prices, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
