

NetCents Continues to Increase Processing Volumes

VANCOUVER, Sept. 8, 2017 /CNW/ - **NetCents Technology Inc.** ("**NetCents**" or the "**Company**") (CSE: NC) is pleased to announce that it is exhibiting consistent growth metrics pertaining to both processing volumes and active users with new merchant additions.

The company continues to maintain a substantial pipeline of merchants preparing for integration onto the NetCents Platform. NetCents looks to provide updates on these new potential merchant partners after adequate due diligence and official onboarding protocols are completed.

NetCents is pleased to report that the company's recently added new merchant portfolio continues to increase processing volumes conservatively forecasted to achieve over \$4,250,000 in annual processing.

"We continue to see promising growth with our transaction volumes and onboarding of new merchants and users. The current processing volumes put us in line with our projections however we look to exceed our forecasted volumes and revenues with the addition of the new merchants we have in our pipeline. We have a proven platform and our team is diligently working to add new clients, find ways to reduce costs, increase our margin, and add additional procedures and protocols to continue to provide payment solutions that are simple to use, secure and worry free," commented Clayton Moore, NetCents' founder and Chief Executive Officer. "We anticipate announcements in regard to some of these new opportunities and initiatives in the coming weeks as well."

If your company or organization wishes to integrate the NetCents platform into your website, visit <https://net-cents.com/sign-up/> and click on our "Sign Up for Business Account" tab to complete the online form to get the digital integration and application processes started. A NetCents payment icon will be placed on your website at no cost.

About NetCents

NetCents is a next generation online payment processing platform, offering consumers and merchants online services for managing electronic payments. The Company is focused on capturing the migration from cash to digital currency by utilizing innovative Blockchain Technology to provide payment solutions that are simple to use, secure and worry free. NetCents works with its financial partners, mobile operators, exchanges, etc., to streamline the user experience of transacting online. NetCents Technology is integrated into the Automated Clearing House ("ACH") and is registered as a Money Services Business (MSB) with FINTRAC, which ensures our consumer's security and privacy. NetCents is available for deposits from 194 Countries around the World, providing you with the freedom to choose to Pay. Your Way.™

Cautionary Note Regarding Forward Looking Information

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include regulatory actions, market prices, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
