

NetCents Confirms Resignation of Director

VANCOUVER, Oct. 31, 2017 /CNW/ - NetCents Technology Inc. ("NetCents" or the "Company") (CSE: NC) advises that the Company has accepted the resignation of Mr. Robert Meister from the Board of Directors and his position with Capital Markets.

The company would like to thank Mr. Meister for all of his contributions and wish him success in his future endeavours.

In order to maintain its continued growth, the company has engaged an Investor Relations and Marketing Firm that can assist the company with its global rollout. The company is in the process of filling any Board of Director vacancies with qualified individuals through the strategic appointments of person(s) who can provide specific industry experience and knowledge.

About NetCents

NetCents is a next generation online payment processing platform, offering consumers and merchants, online services for managing electronic payments. The Company is focused on capturing the migration from cash to digital currency by utilizing innovative Blockchain Technology to provide payment solutions that are simple to use, secure and worry free. NetCents works with its financial partners, mobile operators, exchanges, etc., to streamline the user experience of transacting online. NetCents Technology is integrated into the Automated Clearing House ("ACH") and is registered as a Money Services Business (MSB) with FINTRAC, which ensures our consumer's security and privacy. NetCents is available for deposits from 194 Countries around the World, providing you with the freedom to choose to Pay. Your Way.™

On Behalf of the Board of Directors

Cautionary Note Regarding Forward Looking Information

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include regulatory actions, market prices, and continued availability of capital and financing, and general economic, market or business

conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
