

NetCents Technology Launches Native Apple and Android User Applications

VANCOUVER, Aug. 9, 2018 /CNW/ - NetCents Technology Inc. ("NetCents" or the "Company") (CSE: NC / Frankfurt: 26N). The company is pleased to announce that the new native Apple and Android apps are live and available for download in the Apple iTunes and Google Play stores.

Now, NetCents users are able to transact with Bitcoin, Litecoin, and Ether at any merchant, worldwide, that accepts these cryptocurrencies as payment. Users simply use the NetCents app to scan the QR code to spend their cryptocurrency, both online and off.

Through the native apps, NetCents users are able to:

- Transact using Bitcoin, Litecoin, Ether, and NCCO within the application
- Buy, sell, transfer, and withdraw Bitcoin, Litecoin, Ether, and NCCO
- Withdraw fiat to your bank account
- Update user profile, banking information, and account security settings
- View your balance, account transactions and activity, and exchange order books

The Company will provide further updates when NCCO is available for purchasing through the app after its final review.

If your company or organization wishes to integrate the NetCents platform into your website, visit <https://net-cents.com/business/register> and sign up for a business account to complete the online form to get the digital integration and application processes started.

About NetCents

NetCents is a next-generation online payment processing platform, offering consumers and merchants online services for managing electronic payments. The Company is focused on capturing the migration from cash to digital currency by utilizing innovative Blockchain Technology to provide payment solutions that are simple to use, secure and worry-free. NetCents works with its financial partners, mobile operators, exchanges, etc., to streamline the user experience of transacting online.

NetCents Technology is integrated into the Automated Clearing House ("ACH") and is registered as a Money Services Business (MSB) with FINTRAC, which ensures our consumer's security and privacy. NetCents is available for deposits from 194 Countries around the World, providing you with the freedom to choose to Pay. Your Way. [™]

Cautionary Note Regarding Forward-Looking Information

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance, and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include regulatory actions, market prices, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates, and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
