

NetCents Technology Launches Four Partner Programs

VANCOUVER, Aug. 21, 2018 /CNW/ - **NetCents Technology Inc.** ("**NetCents**" or the "**Company**") (CSE: NC) (Frankfurt: 26N) is pleased to announce that it has launched four partner programs. The four partner programs are:

- Enterprise White-Label Program
- ISO/Reseller Program
- Affiliate Partner Program
- Developer Partner Program

The partner programs were developed after consultation with key leaders in the payments space. The partner programs allow companies to incorporate cryptocurrency into their current business model, while minimizing the time to market and development costs, maximizing the ROI for the Company's partners. Through the NetCents platform, partners will be able to incorporate and/or sell cryptocurrency payment processing to their merchants and clients without taking on any of the risk or volatility of the crypto market.

"We're excited to officially roll out our new partner programs," stated Clayton Moore, CEO of NetCents Technology. "After meeting and speaking with key potential partners, we have formalized our programs based on the feedback we have received. We look forward to continuing our discussions and finalizing these partnerships in the future."

About NetCents

NetCents is a next-generation online payment processing platform, offering consumers and merchants online services for managing electronic payments. The Company is focused on capturing the migration from cash to digital currency by utilizing innovative Blockchain Technology to provide payment solutions that are simple to use, secure and worry-free. NetCents works with its financial partners, mobile operators, exchanges, etc., to streamline the user experience of transacting online.

NetCents Technology is integrated into the Automated Clearing House ("ACH") and is registered as a Money Services Business (MSB) with FINTRAC, which ensures our consumer's security and privacy. NetCents is available for deposits from 194 Countries around the World, providing you with the freedom to choose to Pay. Your Way. [™]

Cautionary Note Regarding Forward-Looking Information

This release includes certain statements that may be deemed "forward-looking statements". All

statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance, and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include regulatory actions, market prices, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates, and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
