

# NetCents Technology Signs Enterprise White Label Agreement with High Risk Commerce LLC

VANCOUVER, Oct. 30, 2018 /CNW/ - **NetCents Technology Inc.** ("**NetCents**" or the "**Company**") (CSE: NC / Frankfurt: 26N) is pleased to announce that it has entered into a five-year enterprise white label licensing agreement with High Risk Commerce LLC (HRC).

Though this white-label agreement, HRC will be making the NetCents merchant gateway available to its hundreds of Independent Sales Organizations (ISO's) and partners that represent tens of thousands of online merchants processing billions of dollars in revenue.

"Developing and supporting partnerships like High Risk Commerce is fundamental to NetCents and we couldn't be happier to align with High Risk Commerce to expand NetCents global footprint," stated Clayton Moore, CEO of NetCents Technology. "This partnership further validates the market and will continue strengthening as we automate the on-boarding processes of merchants, partnerships and future developments, driving revenue and value within the payment industry supply chain."

## **About NetCents**

NetCents is a next-generation online payment processing platform, offering consumers and merchants online services for managing electronic payments. The Company is focused on capturing the migration from cash to digital currency by utilizing innovative Blockchain Technology to provide payment solutions that are simple to use, secure and worry-free. NetCents works with its financial partners, mobile operators, exchanges, etc., to streamline the user experience of transacting online.

NetCents Technology is integrated into the Automated Clearing House ("ACH") and is registered as a Money Services Business (MSB) with FINTRAC, which ensures our consumer's security and privacy. NetCents is available for deposits from 194 Countries around the World, providing you with the freedom to choose to Pay. Your Way. <sup>™</sup>

Cautionary Note Regarding Forward-Looking Information

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects",

"potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance, and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include regulatory actions, market prices, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates, and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
