

NetCents Technology Enters into ISO Reseller Agreement with SecureGlobalPay

VANCOUVER, Nov. 27, 2018 /CNW/ - **NetCents Technology Inc.** ("**NetCents**" or the "**Company**") (CSE: NC / Frankfurt: 26N) is pleased to announce that it has entered into a five-year ISO Reseller Agreement with SecureGlobalPay ("SGP").

Through this agreement, SGP will promote and sell the NetCents Cryptocurrency Merchant Gateway to their merchant network with a focus on B2B, retail, food and beverage, mobile service professionals, utilities and communications, automotive, healthcare industries, as well as hard to place merchants with higher risk business types. SGP has begun their merchant promotion and education program, resulting in multiple merchants already onboarded or in the onboarding process.

"We are always looking for ways to ensure that we are providing our merchants with the most innovative and cost-effective payment solutions for merchants. Adding cryptocurrency was a natural progression for us," stated the VP of Business Development for SecureGlobalPay. "Our expert team is on hand to help hard to approve businesses get merchant accounts with easy approvals, fast boarding, and competitive rates. We believe in maintaining strong working relationships with all of our merchants and continue to bring them the best and innovative payment solutions in the market."

SGP is a full-service merchant service provider specializing in custom payment gateway solutions, providing merchants, both offshore and nationwide credit and debit card processing, clearing and settlement, gift/loyalty/stored value card programs, terminal management solutions, electronic cheque processing, and now, cryptocurrency payments.
