

# NetCents Technology Adds Ripple (XRP) to Merchant Gateway

Vancouver, British Columbia--(Newsfile Corp. - November 7, 2019) - **NetCents Technology Inc.** (CSE: NC) (FSE: 26N) (OTCQB: NTTCF) ("**NetCents**" or the "**Company**"). NetCents is pleased to announce the addition of Ripple (XRP) to the NetCents merchant gateway and Instant Settlement program to allow for purchases at all of our participating merchants. The integration development has begun and will move into integration testing this Friday, with plans going live thereafter.

XRP will only be added to the NetCents merchant platform, not to the NC Exchange at this time.

Ripple is a real-time gross settlement system, currency exchange and remittance network that has a USD 13.4 billion market cap and nearly USD 2 billion a day in volume.

"With Ripple being a top cryptocurrency, with high daily volume and an increasing demand from merchants, Ripple is aligned with our requirements for our Instant Settlement program," stated Mehdi Mehrdash, CTO of NetCents Technology. "We look forward to adding this digital currency to our platform and offering it to our merchants."

## **About NetCents**

NetCents is a next-generation online payment processing platform, offering consumers and merchants online services for managing electronic payments. The Company is focused on capturing the migration from cash to digital currency by utilizing innovative Blockchain Technology to provide payment solutions that are simple to use, secure and worry-free. NetCents works with its financial partners, mobile operators, exchanges, etc., to streamline the user experience of transacting online.

NetCents Technology is integrated into the Automated Clearing House ("ACH") and is registered as a Money Services Business (MSB) with FINTRAC, which ensures our consumer's security and privacy. NetCents is available for deposits from 194 Countries around the World, providing you with the freedom to choose to Pay. Your Way.™

## Cautionary Note Regarding Forward-Looking Information

This release includes certain statements that may be deemed "forward-looking statements". All statements in this release, other than statements of historical facts, that address events or developments that the Company expects to occur, are forward-looking statements. Forward-looking statements are statements that are not historical facts and are generally, but not always, identified by the words "expects", "plans", "anticipates", "believes", "intends", "estimates", "projects", "potential" and similar expressions, or that events or conditions "will", "would", "may", "could" or "should" occur. Although the Company believes the expectations expressed in such forward-looking statements are based on reasonable assumptions, such statements are not guarantees of future performance, and actual results may differ materially from those in the forward-looking statements. Factors that could cause the actual results to differ materially from those in forward-looking statements include regulatory actions, market prices, and continued availability of capital and financing, and general economic, market or business conditions. Investors are cautioned that any such statements are not guarantees of future performance and actual results or developments may differ materially from those projected in the forward-looking statements. Forward-looking statements are based on the beliefs, estimates, and opinions of the Company's management on the date the statements are made. Except as required by applicable securities laws, the Company undertakes no obligation to update these forward-looking statements in the event that management's beliefs, estimates or opinions, or other factors, should change.
