This Information Circular is furnished in connection with the solicitation of proxies by the management of Netcents Technology Inc. (the “**Company**”) for use at the 2019 Annual General Meeting (the “**2019 Meeting**”) and the 2020 Annual General Meeting (the “**2020 Meeting**”, and together with the 2019 Meeting, the “**Meeting**”) of the Company’s shareholders to be held on December 22, 2020 at the time and place and for the purposes set forth in the accompanying notices of the Meeting.

Accordingly, participants are encouraged to vote on the matters before the Meeting by proxy and to join the Meeting, on a non-voting capacity, by teleconference. To access the Meeting by teleconference, dial toll free at 1-866-201-0079, Access Code: 515818#.**

**DISCLAIMER**

**ANY PERSON WHO ATTENDS THE MEETING IN PERSON DOES SO AT HIS OR HER OWN RISK AND BY ATTENDING THE MEETING IN PERSON, SUCH PERSON ACKNOWLEDGES AND AGREES THAT THE COMPANY AND THE DIRECTORS, OFFICERS AND AGENTS THEREOF ARE NOT LIABLE TO THE PERSON FOR ANY ILLNESSES OR OTHER ADVERSE REACTIONS THAT MAY RESULT FROM SUCH PERSON’S ATTENDANCE AT THE MEETING. ANY PERSON WHO ATTEMPTS TO ENTER THE MEETING BUT IS DENIED ENTRY ACKNOWLEDGES AND AGREES THAT HE, SHE OR IT SHALL HAVE NO CLAIM AGAINST THE COMPANY OR ITS, DIRECTORS OFFICERS OR AGENTS FOR SUCH DENIAL OF ENTRY INTO THE MEETING.**

In this Information Circular, references to the “Company”, “we” and “our” refer to Netcents Technology Inc. “**Common Shares**” means common shares without par value in the capital of the Company. “Beneficial Shareholders” means shareholders who do not hold Common Shares in their own name and “intermediaries” refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

**GENERAL PROXY INFORMATION**

**Solicitation of Proxies**

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company. The Company will bear all costs of this solicitation at nominal cost. The Company has arranged for intermediaries to forward the meeting materials to beneficial owners of Common Shares held as of record by those intermediaries and may reimburse the intermediaries for their reasonable fees and disbursements in that regard.

## **Appointment of Proxyholders**

The individuals named in the accompanying form of proxy (the “**Proxy**”) are directors and/or officers of the Company. **If you are a shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a shareholder, to attend and act for you and on your behalf at the Meeting. You may do so either by striking out the names of management’s nominees named in the accompanying form of Proxy and inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

## **Voting by Proxyholder**

The persons named in the Proxy will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on **any** ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your Common Shares will be voted accordingly. The Proxy confers discretionary authority on persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors;
- (b) any amendment to or variation of any matter identified therein; and
- (c) any other matter that properly comes before the Meeting.

**In respect of a matter for which a choice is not specified in the Proxy, the persons named in the Proxy will vote the Common Shares represented by the Proxy for the approval of such matter.**

## **Registered Shareholders**

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person. Registered Shareholders who choose to submit a proxy may do so by one of the following methods:

- (a) complete, date and sign the enclosed form of Proxy and return it to the Company’s transfer agent, TSX Trust Company, by fax 1 416-595-9593, or by mail, to 301 – 100 Adelaide Street West, Toronto, Ontario, M5H 4H1; or
- (b) log on to TSX Trust’s website at <http://www.voteproxyonline.com>. Registered shareholders must follow the instructions provided on the website and refer to the enclosed proxy form for the holder’s account number and the proxy access number.

Registered Shareholders must ensure the Proxy is received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or any adjournment thereof.

## **Beneficial Shareholders**

The following information is of significant importance to shareholders who do not hold Common Shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares) or as set out in the following disclosure.

If Common Shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those Common Shares will not be registered in the shareholder’s name on the records of the Company.

Such Common Shares will more likely be registered under the names of the shareholder's broker or an agent of that broker (the "**intermediary**"). In the United States the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from Beneficial Shareholders in advance of meetings of shareholders. Every intermediary has its own mailing procedures and provides its own return instructions to clients.

There are two kinds of Beneficial Shareholders - those who object to their name being made known to the issuers of securities which they own (called "**OBOs**", for Objecting Beneficial Owners) and those who do not object to the issuers of the securities they own knowing who they are (called "**NOBOs**", for Non-Objecting Beneficial Owners).

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name, address and information about your holdings of securities were obtained in accordance with applicable securities regulatory requirements from the intermediary holding securities on your behalf.

Beneficial Shareholders who are OBOs should follow the instructions of their intermediary carefully to ensure that their Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the Proxy provided to registered shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote your Common Shares on your behalf. Most brokers delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a voting instruction form (a "**VIF**") in lieu of a proxy provided by the Company. The VIF will name the same persons as the Company's Proxy to represent your Common Shares at the Meeting. You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than any of the persons designated in the VIF, to represent your Common Shares at the Meeting and that person may be you. To exercise this right, insert the name of the desired representative (which may be yourself) in the blank space provided in the VIF. The completed VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting and the appointment of any shareholder's representative. If you receive a VIF from Broadridge the VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have your Common Shares voted or to have an alternate representative duly appointed to attend the Meeting and vote your Common Shares at the Meeting.

The Company does not intend to pay for intermediaries to deliver the proxy-related materials and Form 54-101F7 to OBOs, as defined under NI 54-101. As a result, OBOs will not receive the Meeting materials unless the OBOs intermediary assumes the costs of delivery.

The Company is not sending its proxy-related materials to the registered shareholders or Beneficial Shareholders using "notice and access", as defined in National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer*.

## Notice to Shareholders in the United States

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of the Province of British Columbia, Canada and securities laws of the provinces of Canada. The proxy solicitation rules under the United States *Securities Exchange Act* of 1934, as amended, are not applicable to the Company or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the provinces of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the provinces of Canada differ from the disclosure requirements under United States securities laws.

The enforcement by Shareholders of civil liabilities under United States federal securities laws may be affected adversely by the fact that the Company is incorporated under the *Business Corporations Act* (British Columbia) (the “**BCA**”), as amended, certain of its directors and its executive officers are residents of Canada and a substantial portion of its assets and the assets of such persons are located outside the United States. Shareholders may not be able to sue a foreign company or its officers or directors in a foreign court for violations of United States federal securities laws. It may be difficult to compel a foreign company and its officers and directors to subject themselves to a judgment by a United States court.

## Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered Shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or, if the Registered Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to TSX Trust Company or at the address of the registered office of the Company at 1000 - 1021 West Hastings Street, Vancouver, BC V6E 0C3, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or
- (b) personally attending the Meeting and voting the Registered Shareholder's Common Shares. A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

## INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, nor any person who has held such a position since the beginning of the last completed financial year of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors and the appointment of auditors, as described herein.

## VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the “**Board**”) of the Company has fixed November 10, 2020 as the record date (the “**Record Date**”) for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of proxy in the manner and subject to the provisions described above will be entitled to vote or to have their Common Shares voted at the Meeting.

The Company is authorized to issue an unlimited number of Common Shares. As of the Record Date and the date hereof, there were 82,660,496 Common Shares issued and outstanding, each carrying the right to one vote. The Company is also authorized to issue an unlimited number of Preferred Shares, without par value, with special rights and restrictions attached. As of the Record Date and the date hereof, there are no Preferred Shares of the Company issued and outstanding.

On a show of hands, every person who is a shareholder or proxy holder and entitled to vote on the matter has one vote. On a poll, every shareholder entitled to vote on the matter will have one vote for each Common Share entitled to be voted on the matter and registered in that shareholder's name on the list of shareholders as at the Record Date, and may exercise that vote either in person or by proxy. The list of shareholders is available for inspection during normal business hours at TSX Trust Company and will be available at the Meeting.

To the knowledge of the directors and executive officers of the Company, the only person or corporation that beneficially owned, directly or indirectly, or exercised control or direction over, Common Shares carrying 10% or more of the voting rights attached to all outstanding Common of the Company as at November 10, 2020 is:

## VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

## ELECTION OF DIRECTORS

Pursuant to the Company's Articles (the "**Articles**"), the Board has determined that three (3) directors are to be elected to the Board at the Meeting. Therefore, at the Meeting, Shareholders will be asked to approve an ordinary resolution to set the number of directors to be elected to the Board at three (3).

The term of office of each of the present directors expires at the Meeting. Management of the Company proposes to nominate the persons named in the following table for election to the Board. Management does not contemplate that any of these nominees will be unable to serve as a director. Each director elected will hold office until the next annual general meeting of the Company or until his or her successor is elected or appointed, unless his or her office is earlier vacated in accordance with the Articles of the Company or the provisions of the *Business Corporations Act* (British Columbia). In the event that prior to the Meeting any vacancies occur in the slate of nominees herein listed, it is intended that discretionary authority shall be exercised by the person named in the Proxy as nominee to vote the shares represented by Proxy for the election of any other person or persons as directors.

The Articles include an advance notice provision (the "**Advance Notice Provision**") which provides for the requirement of advance notice to the Company in circumstances where nominations of persons for election to the Board are made by shareholders of the Company other than pursuant to (i) a requisition of a meeting made pursuant to the provisions of the BCA or (ii) a shareholder proposal made pursuant to the provisions of the BCA.

Among other things, the Advance Notice Provision fixes a deadline by which holders of Common Shares must submit director nominations to the Company prior to any annual general or special meeting of shareholders and sets forth the minimum information that a shareholder must include in the notice to the Company for the notice to be in proper written form. The foregoing is merely a summary of the Advance Notice Provision, is not comprehensive and is qualified by the full text of such provision in the Articles, a copy of which is available under the Company's SEDAR profile at [www.sedar.com](http://www.sedar.com).

If, as of the date of the Meeting, the Company has not received notice of a nomination in compliance with the Advance Notice Provision, any nominations for director other than nominations by or at the direction of the Board or an authorized officer of the Company will be disregarded at the Meeting.

The following table and notes thereto sets forth the names of each person proposed to be nominated by management for election as a director (a "**proposed director**"), the municipality in which he is ordinarily resident, all offices of the Company now held by him, his principal occupation or employment during the past five years if such nominee is not presently an elected director, the period of time for which he has been a director of the Company, and the number of Common Shares beneficially owned by him, directly or indirectly, or over which he exercises control or direction, as at the date hereof.

## **CORPORATE GOVERNANCE**

### **General**

Corporate governance refers to the policies and structure of the board of directors of a company, whose members are elected by and accountable to shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the board of directors from executive management and the adoption of policies to ensure the board of directors recognizes the principles of good management. The Board is committed to sound corporate governance practices as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making. This section sets out the Company's approach to corporate governance and addresses the Company's compliance with National Instrument 58-101 – *Disclosure of Corporate Governance Practices*.

### **Board of Directors**

In order to identify and manage risks, the Board requires management to provide complete and accurate information with respect to the Company's activities and to provide relevant information concerning the industry in which the Company operates. The Board is responsible for monitoring the Company's officers, who in turn are responsible for the maintenance of internal controls and management information systems.

Directors are considered to be independent if they have no direct or indirect material relationship with the Company. A "material relationship" is a relationship which could, in view of the Company's Board of Directors, be reasonably expected to interfere with the exercise of a director's independent judgment.

The Board is currently composed of three (3) directors. It is proposed at the Meeting to fix the number of directors at three (3) and to elect three (3) directors. All of the proposed nominees for election as director at the Meeting are current directors of the Company.

Jennifer Lowther is the independent member of the Board. Clayton Moore is considered non-independent by virtue of his role as Chief Executive Officer of the Company. Christopher Cherry is considered non-independent by virtue of his role as Chief Financial Officer.

The operations of the Company do not support a large board of directors and the Board has determined that the current constitution of the Board is appropriate for the Company's current stage of development. Similarly, given the size of the Company, all the Company's operations are conducted by a small management team which is also represented on the Board. Individual directors are encouraged to engage an outside advisor at the expense of the Company in appropriate circumstances, and the independent directors have retained independent advice on occasion.

The directors do not hold meetings at which non-independent directors and members of management are not in attendance. However, the Board considers that management is effectively supervised by the independent directors on an informal basis as the independent directors are actively and regularly involved in reviewing and supervising the operations of the Company and are able to meet at any time without the non-independent director being present. At the present time, the Board facilitates the exercise of independent judgment in carrying out its responsibilities by carefully examining all material issues and relying heavily on the advice of outside counsel and other advisors in all appropriate circumstances.

### Orientation and Continuing Education

When new directors are appointed, they receive orientation, commensurate with their previous experience, on the Company's properties, business, technology and industry and on the responsibilities of directors. Directors are also encouraged to take part in training courses or information sessions provided by regulatory bodies to keep abreast of current developments in corporate governance requirements.

Board meetings are always commenced with an update and/or presentation by the Company's management team to give the directors additional insight into the Company's business and progress.

### **Ethical Business Conduct**

Each member of the Board has been made aware of the fiduciary duties placed on individual directors by the governing corporate legislation and the common law applicable to the Company and the restrictions on an individual director's participation in decisions of the Board in which the director has an interest. The Board finds that the knowledge of its members of these legal restrictions is sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Where a Board member has an interest in a transaction involving the Company, that director must declare his interest in advance of its consideration by the Board and must refrain from voting on any resolution approving the transaction. Further, the Company's auditors have full and unrestricted access to the audit committee at all times to discuss their audit and their related findings as to the integrity of the financial reporting process. To date, the Board has not adopted a formal written Code of Business Conduct and Ethics. As the Company grows in size and scope, the Board anticipates that it will formulate and implement a formal Code of Business Conduct and Ethics.

### **Nomination of Directors**

The Board considers its size each year when it considers the number of directors to nominate for election at the annual general meeting of shareholders, taking into account the size of the Company, its asset base and the number of members required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

### **Compensation**

The directors receive no cash compensation for acting in their capacity as directors of the Company. The compensation for senior management of the Company is determined by and at the discretion of the Board. The Board determines compensation for the directors, the Chief Executive Officer, the Chief Financial Officer and the Chief Operating Officer. See "*Statement of Executive Compensation*" below.

### **Other Board Committees**

The Board has no committees other than the audit committee.

### **Assessments**

The Board has not developed written descriptions or objectives for its executives and looks to generally accepted industry standards as adequately delineating the roles and responsibilities of such persons. There is no formal process for regular assessment of the Board, its committees and individual directors. Rather the Board informally assesses performance through ongoing dialogue amongst Board members.

## **SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS**

The only equity compensation plan which the Company has in place is a Share Option Plan (the "**Plan**"). If an option is cancelled prior to its expiry date, the company must post notice of the cancellation and shall not grant new options to the same person until 30 days have elapsed from cancellation of the previous options.

The following is a summary of the material terms of the Plan.

### *Eligible Optionees*

To be eligible to receive a grant of options under the Plan an Optionee must be an executive, or an employee, or a consultant of the Company providing services to the Company or a subsidiary at the time the option is granted.

### *Restrictions*

*Administration and Terms of the Plan:*

- (a) The Plan is administered by the Board or its appointed committee.
- (b) The expiry date of an Option shall be no later than the tenth anniversary of the date of grant of the Option.

- (d) The Company may implement such procedures and conditions as the Board or its committee deems appropriate with respect to withholding and remitting taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law.
- (e) an Option granted to any Optionee will expire 90 days after the date the Optionee ceases to be employed by or provide services to the Company, and only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Company;
- (f) an Option granted to any Optionee engaged in providing Investor Relations Activities to the Company will expire 30 days after the date the Optionee ceases to be employed in providing such Investor Relations Activities, and only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Company;
- (g) if an Optionee dies, any vested option held by him at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such Option;

Mr. Moore's services are provided pursuant to an employment agreement with the Company dated effective August 13, 2020 (the "**Moore Employment Agreement**"). Pursuant to the Moore Employment Agreement, Mr. Moore provides his services as Chief Executive Officer of the Company and the Company pays Mr. Moore a base salary of \$25,000 per month (the "**Base Salary**") and a quarterly bonus equal to 250,000 Common Shares with the value of such shares being determined by the stock price of the Company on the last day of the fiscal quarter less any allowable deduction to current market rates (collectively the "**Base Remuneration**"). Pursuant to the Moore Employment Agreement, Mr. Moore is also entitled to be paid an annual bonus (the "**Annual Bonus**"), if any, to be determined by the Company's board of directors. The Annual Bonus shall be based upon the Company and Mr. Moore meeting key criteria each year, as mutually agreed between Mr. Moore and the Company, and the Annual Bonus in each year shall be equal to 100% of the Base Salary and if the Company is profitable, a bonus equal to 3% of the Company's net profits. The Annual Bonus is payable in cash, Common Shares or combination thereof. Under the Moore Employment Agreement, Mr. Moore is also entitled to be paid a bonus (the "**Capital Raising Bonus**") if Mr. Moore is responsible for and successful in raising capital for the Company equal to 3% of the number of shares issued as a result of such efforts payable on a monthly basis. The Company also reimburses Mr. Moore for any reasonable travelling, and other direct expenses, office and cell phone expenses incurred by Mr. Moore in connection with his services, including a maximum of \$1,000 per month for health care costs, and a monthly vehicle allowance not to exceed \$1,500 per month, or as applicable, to the cost of leasing a vehicle, or as a \$18,000 annual allowance indexed to increase 10% annually over the term of the agreement, as well as 45 business days of vacation. Moore was also to be issued 10,000,000 shares within 60 days of the executives of the Moore Employment Agreement.

Under the Moore Employment Agreement, if Mr. Moore makes any loans to the Company to cover corporate expenditures, such loans will be subject to an annual interest rate of 15%, which the Company agrees to repay at the time of the loan repayment and Mr. Moore is eligible to receive a loan bonus paid in warrants (the "**Warrant Bonus**"). The Warrant Bonus will be calculated as the total dollar amount of the loan (excluding interest) divided by the current market price of the Company stock at the time of the loan and the exercise price of the warrants in the Warrant Bonus will be at the current market price of the Company stock at the time of the loan. Any warrants issued on loans made to the Company will have a term of five years and are non-transferable. In the event that Mr. Moore's employment is terminated for any reason, any loans made by Mr. Moore to Company, along with interest on such loans, shall be immediately repayable as of the termination date.

The Moore Employment Agreement has an indefinite term unless terminated earlier in accordance with the terms of the agreement.

Pursuant to the Moore Employment Agreement, Mr. Moore, at any time, may terminate the employment agreement by giving 90 days' written notice to the Company, and all the stock options held by Mr. Moore will vest immediately exercisable within 12 months.

Pursuant to the Moore Employment Agreement, the Company may terminate the agreement, with cause and without notice, and all the stock options held by Mr. Moore will vest immediately exercisable within 12 months (with the Company being required to provide a non-interest bearing loan to purchase such options if Moore elects to do so). Further the Moore Employment Agreement may terminate upon death or disability, in which case all the stock options held by Mr. Moore will vest immediately exercisable within 48 months by Moore or his estate.

Pursuant to the Moore Employment Agreement, the Company may terminate the agreement without cause, by paying Mr. Moore the Base Salary at the rate being paid at the time of termination over twenty-four (24) months from the termination date (the "**Severance Period**"), the Annual Bonus over the Severance Period, payable in shares in two annual installments, and the Capital Raising Bonus over the Severance Period, payable in shares, with the amount of shares to be issued as determined by the current market value at the termination date - the amount of the Capital Raising Bonus over the Severance Period shall be the amount of the Capital Raising Bonus paid over the two years immediately preceding the termination date or, if two years from the effective date have not elapsed at the termination date, the average monthly Capital Raising Bonus multiplied by 24 (the "**Severance**"). Mr. Moore shall also maintain eligible benefits until the earlier of Mr. Moore finding alternative employment and the end of the Severance Period. All the stock options held by Mr. Moore will vest immediately exercisable within 24 months.

Pursuant to the Moore Employment Agreement, where termination notice is delivered by either Mr. Moore or the Company, following a change of control, or there has been a change in nature of business, the Company will pay Mr. Moore the Severance plus a lump sum amount equal to 200% (or 150% in the case of a change in nature of the business occurs) of the Base Salary at the rate being paid at the time of termination and the average of the Annual Bonuses paid to Mr. Moore for the two (2) fiscal years immediately preceding the fiscal year in which the change of control or change in the nature of the business occurs and all the stock options held by Mr. Moore will vest immediately exercisable within three years (or 24 months in the case of a change in the nature of the business). If no Annual Bonuses have been received, the Company will pay to Mr. Moore a lump sum payment in an amount equal to 250% (or 200% in the case of a change in nature of the business occurs) of Mr. Moore's Base Salary in effect for the fiscal year immediately prior to the fiscal year in which the change of control occurs. In addition, if there is a change of control, either during Moore's employment or within 12 months of the Termination Date (except if terminated for cause), a bonus shall be payable to Moore for up to 5% of the gross sale proceeds of the Company, divided by the number of senior executives. Moore is also permitted to take interest free loans to purchase options which have vested.

Pursuant to the Moore Employment Agreement, a change of control shall be deemed to occur if (i) approval by the shareholders of the Company and consummation of a reorganization, merger, consolidation, or sale or other disposition of all or substantially all of the assets of the Company, in each case, with or to a corporation or other person or entity of which persons who were the shareholders of the Company immediately prior to such transaction do not, immediately thereafter, own more than 51% percent of the combined voting power of the outstanding voting securities entitled to vote generally in the election of directors of the reorganized, merged, consolidated or purchasing corporation (or in the case of a non-corporate person or entity, functionally equivalent voting power), or (ii) the Company is deemed or declared to be bankrupt or insolvent by any court, board or tribunal having the power to so do. Pursuant to the Moore Employment Agreement, a change in nature of the business shall be deemed to have occurred on the fifth anniversary of the effective date of the Moore Employment Agreement if Mr. Moore considers that the corporate culture of the Company does not continue to match his and that Mr. Moore has indicated in writing to the Company at least 180 days prior to the fifth anniversary of the effective date of the Moore Employment Agreement that he considers that a change in the nature of the business has occurred.

If a severance payment triggering event had occurred on October 31, 2020, the severance payments that would be payable to Mr. Moore would have been approximately as follows:

Name	Severance Period (# of months)	Base Salary	Bonus Target Value <sup>(1)</sup>	Termination by the Company without cause (estimated) (\$)	Termination by the Company without cause after a "Change of Control" of the Company (estimated) (\$)	Termination by the Company without cause after a "Change in nature of business" of the Company (estimated) (\$)
Clayton Moore	24	\$300,000	Nil <sup>(2)</sup>	\$1,200,000 plus benefits and Annual Bonus over 24 months (note that the cash portion of the bonus is included in \$ estimate, although this is payable in shares, but we are unable to assess the portion of the bonus related to 3% of the net profits).	\$2,550,000 plus the Annual Bonus over 24 months (note that the cash portion of the bonus is included in \$ estimate, although this is payable in shares, but we are unable to assess the portion of the bonus related to 3% of the net profits).	\$2,250,000 plus the Annual Bonus over 24 months (note that the cash portion of the bonus is included in \$ estimate, although this is payable in shares, but we are unable to assess the portion of the bonus related to 3% of the net profits).

Notes:

- (1) This represents the additional entitlement the executive would have received following the occurrence of the Annual Bonus and Capital Bonus, (see description of employment contract above for further details regarding the Annual Bonus and Capital Bonus). This excludes the additional entitlement the executive would have received following the occurrence of the Warrant Bonus (see description of employment contract above for further details regarding the Warrant Bonus).
- (2) No Capital Bonus or Annual Bonus has been determined for, approve or paid to Mr. Moore as of the date hereof.

The Moore Employment Agreement also contains a one year non-competition provision in the Province of BC and a two year non-solicitation provision for customers and employees.

## Oversight and Description of Director and NEO Compensation

### *Elements of the Compensation Program*

The responsibilities relating to executive and director compensation, including reviewing and recommending compensation of the Company's officers and employees and overseeing the Company's base compensation structure and equity-based compensation program is performed by the Board as a whole. The Board also assumes responsibility for reviewing and monitoring the long-range compensation strategy for the Company's senior management. The Board generally reviews the compensation of senior management on an annual basis taking into account compensation paid by other issuers of similar size and activity and the performance of officers generally and in light of the Company's goals and objectives.

The Company is a small junior fin-tech company with limited resources. The compensation for senior management of the Company is designed to ensure that the level and form of compensation achieves certain objectives, including: (a) attracting and retaining talented, qualified and effective executives; (b) motivating the short and long-term performance of executives; and (c) better aligning the interests of executive officers with those of the Company's shareholders. In the Board's view, paying salaries which are competitive in the markets in which the Company operates is a first step to attracting and retaining talented, qualified and effective executives. Competitive salary information on comparable companies is compiled from a variety of sources, including national and international publications.

The Board determines the compensation for the CEO. The compensation of the Company's executives is determined by the Board after the recommendation of the CEO. In each case, the Board takes into consideration the prior experience of the executive, industry standards, competitive salary information on comparable companies of similar size and stage of development, the degree of responsibility and participation of the executive in the day-to-day affairs of the Company, and the Company's available cash resources.

In the Board's view, to attract and retain qualified and effective executives, the Company must pay base salaries which are reasonable in relation to the level of service expected while remaining competitive in the markets in which the Company operates.

The Board has assessed the Company's compensation plans and programs for its executive officers to ensure alignment with the Company's business plan and to evaluate the potential risks associated with those plans and programs. The Board has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Company. The Board considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

The Company has not adopted a policy restricting its executive officers or directors from purchasing financial instruments that are designated to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by its executive officers or directors. To the knowledge of the Company, none of the executive officers or directors has purchased such financial instruments.

### **Executive Compensation**

Except for the grant of Options under the Plan to the NEOs and any compensation payable pursuant to an executive compensation agreement, there are no arrangements under which NEOs were compensated by the Company during the two most recently completed financial years for their services in their capacity as NEOs, directors or consultants.

### **Director Compensation**

The directors receive no cash compensation for acting in their capacity as directors of the Company.

Except for the grant to directors' of share options and compensation payable pursuant to the executive compensation agreements, there are no arrangements under which directors were compensated by the Company during the two most recently completed financial years for their services in their capacity as directors.

### **Option-Based Awards**

The Company has a share option plan in place, which was established to provide incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. Management proposes share option grants to the Board based on such criteria as performance,

previous grants, and hiring incentives. The Board administers the Company's share option plan and all option grants require Board approval. The Option Plan allows options to be issued to directors, officers, employees or consultants of the Company.

In compensating its senior management, the Company employs a combination of salary and equity participation. The Board is of the view that encouraging its executives and employees to hold shares of the Company is the best way to align their interests with those of the Company's shareholders. Equity participation is accomplished through the Company's share option plan. See "*Securities Authorized for Issuance under Equity Compensation Plans*" above for particulars of the Company's stock option plan.

Share options are granted to executives and employees taking into account a number of factors, including the amount and term of options previously granted, base salary and competitive factors. The amounts and terms of options granted are determined by the Board based on recommendations put forward by the CEO. Due to the Company's limited financial resources, option grants are an important part of executive compensation to assist in maintaining executive motivation.

Given the evolving nature of the Company's business, the Board continues to review and redesign the overall compensation plan for senior management so as to continue to address the objectives identified above.

### **Pension Plan**

The Company does not have a pension plan for any of its Directors or NEOs.
