VANCOUVER, British Columbia, September 29, 2020 (GLOBE NEWSWIRE) -- Victory Square Health Inc. ("VS Health" or the "Company") – a portfolio company of Victory Square Technologies Inc. ("Victory Square") (CSE:VST) (OTC:VSQTF) (FWB:6F6) -- is pleased to announce that it has entered into a partnership agreement to provide Safetest Covid-19 Testing Kits to the Canadian Police Association representing 60,000 active police members who serve from coast to coast in Canada. This is subject to Health Canada approval.

The Canadian Police Association (CPA) is the national voice for 60,000 police personnel across Canada. Membership includes police personnel serving in 160 police services from Canada's smallest towns and villages as well as those working in Canada's largest municipal and provincial police services, and railway police. The Association also has an affiliation with court personnel, jail guards and First Nations' police and service personnel across the country. Through the Canadian Police Association; the offer for Victory Square testing kits & services will be made to the RCMP (Royal Canadian Mounted Police) and its additional more than 20,000 law enforcement members across Canada.

This distribution agreement will enable Victory Square Health to support the Canadian Police Association as they continue to keep all Canadian's safe during these unprecedented times. The Canadian Police Association's 60,000 members who serve on the front lines will be equipped to receive Covid-19 test results in a much quicker fashion with the Safetest suite of products. Victory Square Health will also offer software and end-to-end encryption protocols to the Association as well as on-site testing professionals and diagnostics as requested following Health Canada approvals.

"We are very pleased to work with Victory Square," said Canadian Police Association President Tom Stamatakis. "We believe that the Victory Square Covid-19 Safetest products and on-site testing services will be a critical piece to ensuring the safety of our officers who wear the badge and serve and protect us across Canada," said Stamatakis. "The Safetest Covid-19 products and testing will be made available for wide distribution as well as one-stop testing and on-site analysis by Victory Square to our members following Health Canada approvals."

"We are very delighted to enter into a distribution and testing agreement with The Canadian Police Association and its more than 60,000 heroes who wear the badge to keep our cities and communities safe, along with its members in the justice, and jail system

across the country,” said Victory Square CEO Shafin Diamond Tejani. “We are pleased to offer the first responders, and organizations with our exclusive Safetest products and services in their plight to ensure that their front-line personnel are kept safe and informed during this pandemic.”

Victory Square Health is also proud to step up and assist our Heroes who wear the badge by providing complimentary Safetest Covid-19 testing to all family members of police officers who test positive for the virus.

VS Health was founded in 2016 to accelerate the development of personalized medicine and technology solutions including diagnostic tests to support patient’s care and improve health outcomes. Its first product, the Leishmaniasis Rapid Test, was developed in partnership with the UFMG, Federal University of Minas Gerais. Safetest took advantage of its expertise in the subject to develop other antibody-based tests and a robust R&D pipelines of diagnostic kits for Hansen’s Disease, Brucellosis, HTLV and Blood samples screening tests.
