INFORMATION CIRCULAR

The information contained in this Information Circular, unless otherwise indicated, is as of **May 12, 2017**.

This Information Circular is being mailed by the management of 1040426 BC Ltd. (the “Company” or “1040426”) to shareholders of record at the close of business on May 12, 2017, which is the date that has been fixed by the directors of the Company as the record date to determine the shareholders who are entitled to receive notice of the meeting. The Company is mailing this Information Circular in connection with the solicitation of proxies by and on behalf of the Company for use at its annual general meeting (the “**Meeting**”) of the shareholders that is to be held on **Friday, June 16 2017** at 9:00 a.m. (Vancouver time) at Suite 1128 - 789 West Pender Street, Vancouver, British Columbia, V6C 1H2. The solicitation of proxies will be primarily by mail. Certain employees or directors of the Company may also solicit proxies by telephone or in person. The cost of solicitation will be borne by the Company.

The Company is not relying on the “Notice and Access” delivery procedures outlined in NI 54-101 to distribute copies of proxy-related materials in connection with the Meeting by posting them on a website.

Under 1040426’s Articles, one shareholder present in person or represented by proxy is entitled to attend and vote at the Meeting. If such a quorum is not present in person or by proxy, the Meeting will be rescheduled.

PART 1 - VOTING

WHO CAN VOTE?

If you are a registered shareholder of the Company as at **May 12, 2017**, you are entitled to notice of and to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf, but documentation indicating such officer’s authority should be presented at the Meeting. If you are a registered shareholder but do not wish to, or cannot, attend the Meeting in person you can appoint someone who will attend the Meeting and act as your proxyholder to vote in accordance with your instructions (see “**Voting By Proxy**” below). If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer, financial institution or other intermediary) you should refer to the section entitled “**Non-registered Shareholders**” set out below.

It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the Meeting in person, we invite you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented.

VOTING BY PROXY

If you do not come to the Meeting, you can still make your votes count by appointing someone who will be there to act as your proxyholder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

In order to be valid, you must return the completed form of proxy to the Company’s transfer agent, National Issuer Services Ltd., Suite 760 – 777 Hornby Street, Vancouver, B.C., V6Z 1S4, (Fax: (604) 559-8908, email: info@transferagent.ca) not later than 48 hours, excluding

Saturdays, Sundays and holidays, prior to the time fixed for the Meeting or any adjournments thereof.

What Is A Proxy?

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for you. We have enclosed a form of proxy with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy.

Appointing A Proxyholder

You can choose any individual to be your proxyholder. It is not necessary for the person whom you choose to be a shareholder. To make such an appointment, simply fill in the person's name in the blank space provided in the enclosed form of proxy. To vote your shares, your proxyholder must attend the Meeting. If you do not fill a name in the blank space in the enclosed form of proxy, the persons named in the form of proxy are appointed to act as your proxyholder (the "**Management Proxyholders**"). Those persons are directors, officers or other authorized representatives of the Company.

Instructing Your Proxy

You may indicate on your form of proxy how you wish your proxyholder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxyholder must vote your shares in accordance with the instructions you have given.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxyholder can vote your shares as he or she thinks fit. If you have appointed the persons designated in the form of proxy as your proxyholder they will, unless you give contrary instructions, vote your shares IN FAVOUR of each of the items of business being considered at the Meeting.

For more information about these matters, see Part 3 - The Business of the Meeting. **The enclosed form of proxy gives the persons named on it the authority to use their discretion in voting on amendments or variations to matters identified in the Notice of Meeting.** At the time of printing this Information Circular, the management of the Company is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

Changing Your Mind

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by (a) attending the Meeting and voting in person; (b) signing a proxy bearing a later date; (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to the Company at Suite 1128, 789 West Pender Street, Vancouver, BC, V6C 1H2; or (d) in any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 4:00 p.m. in the afternoon (Vancouver time) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting in person. **Only registered shareholders may revoke a proxy. If your shares are not registered in your own name and you wish to change your vote, you must arrange for your nominee to revoke your proxy on your behalf (see below under "Non-Registered Shareholders").**

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, National Issuer Services Ltd. ("**National Issuer Services**"), by:

- (a) mail or by hand to Suite 760 - 777 Hornby Street, Vancouver, British Columbia, V6Z 1S4;
- (b) facsimile to 604-559-8908; or
- (c) email to info@transferagent.ca

In all cases, the Proxy must be received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

NON-REGISTERED SHAREHOLDERS

Only registered holders of common shares or the persons they appoint as their proxyholders are permitted to vote at the Meeting. In many cases, however, common shares beneficially owned by a holder (a "**Non-Registered Holder**") are registered either:

- (a) in the name of an Intermediary (an "**Intermediary**") that the Non-Registered Holder deals with in respect of the shares. Intermediaries include banks, trust companies securities dealers or brokers, and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans; OR
- (b) in the name of a clearing agency (such as The Canadian Depository for Securities Limited (CDS)) of which the Intermediary is a participant.

Non-Registered Holders who have not objected to their Intermediary disclosing certain ownership information about themselves to the Company are referred to as "**NOBOs**". Those Non-Registered Holders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as "**OBOs**".

Pursuant to National Instrument 54-101 ("**NI 54-101**") of the Canadian Securities Administrators, the Company has distributed copies of proxy-related materials in connection with this Meeting (including this Information Circular) indirectly or directly to the NOBOs and to the Intermediaries for onward distribution to Non-Registered Holders.

Intermediaries that receive the proxy-related materials are required to forward the proxy-related materials to Non-Registered Holders unless a Non-Registered Holder has waived the right to receive them. Intermediaries often use service companies to forward the proxy-related materials to Non-Registered Holders.

The Company will not be paying for Intermediaries to deliver to OBOs (who have not otherwise waived their right to receive proxy-related materials) copies of the proxy-related materials and related documents. Accordingly, an OBO will not receive copies of the proxy-related materials and related documents unless the OBO's Intermediary assumes the costs of delivery.

Generally, Non-Registered Holders who have not waived the right to receive proxy-related materials (including OBOs who have made the necessary arrangements with their Intermediary for the payment of delivery and receipt of such proxy-related materials) will be sent a voting instruction form which must be completed, signed and returned by the Non-Registered Holder in accordance with the Intermediary's directions on the voting instruction form. In some cases, such Non-Registered Holders will instead be given a proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature) which is restricted as to the number of Common Shares beneficially owned by the Non-Registered Holder but which is otherwise not completed. This form of proxy does not need to be signed by the Non-Registered Holder, but, to be used at the Meeting,

needs to be properly completed and deposited with Computershare as described under “**Voting By Proxy**” above.

The purpose of these procedures is to permit Non-Registered Holders to direct the voting of the Common Shares that they beneficially own. Should a Non-Registered Holder wish to attend and vote at the Meeting in person (or have another person attend and vote on behalf of the Non-Registered Holder), the Non-Registered Holder should insert the Non-Registered Holder’s (or such other person’s) name in the blank space provided or, in the case of a voting instruction form, follow the corresponding instructions on the form.

Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies, including instructions regarding when and where the voting instruction form or Proxy form is to be delivered.

PART 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The authorized capital of the Company consists of an unlimited number of common shares without par value. At the close of business on **May 12, 2017, 396,601** common shares were issued and outstanding. Each shareholder is entitled to one vote for each common share registered in his or her name at the close of business on **May 12, 2017**, the date fixed by the Company’s directors as the record date for determining who is entitled to receive notice of and to vote at the Meeting.

On a show of hands, every individual who is present and is entitled to vote as a shareholder or as a representative of one or more corporate shareholders will have one vote, and on a poll every shareholder present in person or represented by a Proxy and every person who is a representative of one or more corporate shareholders, will have one vote for each Common Share registered in that shareholder’s name on the list of shareholders as at the Record Date, which is available for inspection during normal business hours at National Issuer Services and will be available at the Meeting.

To the best knowledge of the Company’s directors or executive officers, only the following persons or companies beneficially own, directly or indirectly, or exercise control or direction over, common shares carrying more than 10% of the voting rights attached to all outstanding common shares of the Company:

Name of Shareholder	Number of Shares beneficially owned, or controlled or directed, directly or indirectly	Percentage of Issued and Outstanding Shares⁽¹⁾
Elaine Foo	270,000	68.08%

NOTES:

⁽¹⁾ Based on 396,601 common shares issued and outstanding as at Record Date.

PART 3 - THE BUSINESS OF THE MEETING

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company’s auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

FINANCIAL STATEMENTS

The audited financial statements of the Company for the financial year ended July 31, 2016 will be placed before you at the Meeting. They have been mailed to the shareholders who have requested they receive a copy of same together with the Notice of Meeting and this Information Circular.

These audited financial statements are available at www.sedar.com.

Pursuant to National Instrument 51-102 *Continuous Disclosure Obligations* and National Instrument 54-101 *Communication with Beneficial Owners of Securities of a Reporting Issuer*, both of the Canadian Securities Administrators, a person or corporation who in the future wishes to receive annual and interim financial statements from Gorilla Minerals must deliver a written request for such material to Gorilla Minerals. Shareholders who wish to receive annual and interim financial statements are encouraged to complete the appropriate section on the Request form attached to this Information Circular and send it to the Transfer Agent.

ELECTION OF DIRECTORS

Number of Directors

Directors of the Company are elected for a term of one year. The term of office of each of the nominees proposed for election as a director will expire at the Meeting, and each of them, if elected, will serve until the close of the next annual general meeting, unless he resigns or otherwise vacates office before that time. Under the Company's Articles and pursuant to the *British Columbia Business Corporations Act*, the number of directors may be set by ordinary resolution but shall not be fewer than three. The Company currently has **two (2)** directors. The **two (2)** current directors and **two (2)** proposed directors are being put forward by management of the Company for election at the Meeting.

The Company's management recommends that the shareholders vote in favour of the resolution setting the number of directors at four (4). Unless you give other instructions, the Management Proxyholders intend to vote FOR the resolution setting the number of directors at four (4).

Nominees for Election

The following are the nominees proposed for election as directors of the Company together with the number of common shares, stock options and common share purchase warrants that are beneficially owned, directly or indirectly, or over which control or direction is exercised, by each nominee. Each of the nominees has agreed to stand for election and management of the Company is not aware of any intention of any of them not to do so. If, however, one or more of them should become unable to stand for election, it is likely that one or more other persons would be nominated at the Meeting for election and, in that event, the persons designated in the form of proxy will vote in their discretion for a substitute nominee.

The Company's articles include an advance notice requirement for nominations by shareholders in certain circumstances. The advance notice requirement fixes a deadline by which holders of record of common shares must submit director nominations to the Secretary of the Company prior to any annual meeting of shareholders (or any special meeting of shareholders if one of the purposes for which the special meeting is called is the election of one or more directors) and sets forth the specific information that a nominating shareholder must include in the written notice to the Secretary of the Company for a nomination to be valid. The deadline to submit nominations is May 16th, 2017. Management's nominees for election as directors are set forth below. A copy of the Company's articles which includes the advance notice policy, may be obtained under the Company's profile on SEDAR at www.sedar.com.

APPOINTMENT OF THE AUDITOR

At the Meeting, Charlton & Company, Chartered Accountant, located at Suite 1735 – 555 Burrard Street, Vancouver, B.C., V7X 1M9, will be recommended by management and the Board of Directors for re-appointment as auditor of the Company at a remuneration to be fixed by the directors. See Part 5 – Audit Committee – External Auditor Service Fees.

The Company's management recommends that the shareholders vote in favour of the appointment of Charlton & Company, Chartered Accountant, as the Company's auditor for the ensuing year and grant the Board of Directors the authority to determine the remuneration to be paid to the auditor. **Unless you give instructions otherwise, the Management Proxyholders intend to vote FOR the appointment of Charlton & Company, Chartered Accountant, to act as the Company's**

auditor until the close of its next annual general meeting and also intend to vote FOR the proposed resolution to authorize the Board of Directors to fix the remuneration to be paid to the auditor.

APPROVAL OF STOCK OPTION INCENTIVE PLAN

On **May 11, 2017**, the Board approved the adoption of a stock option plan (the “**Plan**”). The Plan is a 10% maximum rolling plan. Options granted under the Plan are not exercisable for a period longer than 10 years and the exercise price must be paid in full upon exercise of the option.

The continuation of the Plan requires annual shareholder approval at each annual meeting of the Company by ordinary resolution. The Board is of the view that the Plan provides the Company with the flexibility to attract and maintain the services of executives, employees and other service providers in compensation with other companies in the industry.

The Plan was established to provide incentive to directors, officers and employees and consultants. As a 10% rolling plan, the aggregate number of common shares issuable as options under the Plan may be up to 10% of the Company’s issued and outstanding common shares on the date on which an option is granted, less common shares reserved for issuance on exercise of options then outstanding under the Plan. The purpose of the Plan is to advance the interests of the Company by encouraging equity participation in the Company through the acquisition of common shares of the Company. The Plan is administered by the Board and options are granted at the discretion of the Board to eligible optionees (an “**Optionee**”).

Eligible Optionees

To be eligible to receive a grant of options under the Plan, regulatory authorities require an Optionee to be either a director, officer, employee, consultant or an employee of a company providing management or other services to the Company or a subsidiary at the time the option is granted.

Options may be granted only to an individual eligible, or to a non-individual that is wholly-owned by individuals eligible, for an option grant. If the option is granted to a non-individual, it will not permit any transfer of its securities, nor issue further securities, to any individual or other entity as long as the option remains in effect.

Restrictions

The Plan is subject to the following restrictions:

- (a) The Company must not grant an option to a director, employee, consultant, or consultant company (the “**Service Provider**”) in any 12-month period that exceeds 5% of the outstanding common shares of the Company, unless the Company has obtained approval by a majority of the Disinterested Shareholders (defined below) of the Company;
- (b) The aggregate number of options granted to a Service Provider conducting investor relations activities in any 12 month period must not exceed 1% of the outstanding shares calculated at the date of the grant, without prior regulatory approval;
- (c) The Company must not grant an option to a Consultant in any 12 month period that exceeds 1% of the outstanding shares calculated at the date of the grant of the option;
- (d) The aggregate number of common shares reserved for issuance under options granted to Insiders (defined below) must not exceed 10% of the outstanding shares (in the event that the Plan is amended to reserve for issuance more than 10% of the outstanding shares) unless the Company has obtained Disinterested Shareholder Approval to do so;
- (e) The number of optioned shares issued to Insiders in any 12 month period must not

exceed 10% of the outstanding shares (in the event that the Plan is amended to reserve for issuance more than 10% of the outstanding shares) unless the Company has obtained Disinterested Shareholder Approval to do so;

- (f) The issuance to any one Optionee within a 12 month period of a number of common shares must not exceed 5% of outstanding shares unless the Company has obtained Disinterested Shareholder Approval to do so;
- (g) The exercise price of an option previously granted to an Insider must not be reduced, unless the Company has obtained Disinterested Shareholder Approval to do so; and
- (h) The Company may implement such procedures and conditions as the Board deems appropriate with respect to withholding and remitting taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law.

Definitions

“Disinterested Shareholder Approval” means the approval by a majority of the votes cast by all shareholders of the Company at the Meeting excluding votes attached to listed common shares beneficially owned by Insiders (defined below) of the Company and Associates (as defined in the British Columbia *Securities Act*) of Insiders.

An **“Insider”** is a director, or senior officer of the Company, a director or senior officer of a company that is an Insider or subsidiary of the Company, or a person that beneficially owns or controls, directly or indirectly, voting common shares carrying more than 10% of the voting rights attached to all outstanding voting common shares of the Company.

Material Terms of the Plan

The following is a summary of the material terms of the Plan:

- (a) persons who are Service Providers to the Company or its affiliates, or who are providing services to the Company or its affiliates, are eligible to receive grants of options under the Plan;
- (b) all options granted under the Plan expire on a date not later than 10 years after the issuance of such options. However, should the expiry date for an option fall within a trading Blackout Period (as defined in the Plan, generally meaning circumstances where sensitive negotiations or other like information is not yet public), within 9 business days following the expiration of a Blackout Period;
- (c) for options granted to Service Providers, the Company must ensure that the proposed Optionee is a bona fide Service Provider of the Company or its affiliates;
- (d) an Option granted to any Service Provider will expire within 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option), after the date the Optionee ceases to be employed by or provide services to the Company, but only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Company;
- (e) if an Optionee dies, any vested option held by him or her at the date of death will become exercisable by the Optionee’s lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such option;
- (f) in the case of an Optionee being dismissed from employment or service for cause, such Optionee’s options, whether or not vested at the date of dismissal, will immediately terminate without right to exercise same;

- (g) the exercise price of each option will be set by the Board on the effective date of the option and will not be less than the Discounted Market Price (as defined in the Plan);
- (h) vesting of options shall be at the discretion of the Board, and will generally be subject to: (i) the Service Provider remaining employed by or continuing to provide services to the Company or its affiliates, as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or its affiliates during the vesting period; or (ii) the Service Provider remaining as a Director of the Company or its affiliates during the vesting period;
- (i) in the event of a take over bid being made to the shareholders generally, immediately upon receipt of the notice of the take over bid, the Company shall notify each Optionee currently holding any Options, of the full particulars of the take over bid, and all outstanding options may, notwithstanding the vesting terms contained in the Plan or any vesting requirements subject to regulatory approval; and
- (j) the Board reserves the right in its absolute discretion to amend, suspend, terminate or discontinue the Plan with respect to all Plan shares in respect of options which have not yet been granted under the Plan.

The Board has determined that, in order to reasonably protect the rights of participants, as a matter of administration, it is necessary to clarify when amendments to the Plan may be made by the Board without further shareholder approval. Accordingly, the Board proposes that the Plan also provide the following:

The Board may, without shareholder approval:

- (i) amend the Plan to correct typographical, grammatical or clerical errors;
- (ii) change the vesting provisions of an option granted under the Plan, if applicable;
- (iii) change the termination provision of an option granted under the Plan if it does not entail an extension beyond the original expiry date of such option;
- (iv) make such amendments to the Plan as are necessary or desirable to reflect changes to securities laws applicable to the Company;
- (v) make such amendments as may otherwise be permitted by regulatory authorities;
- (vi) if the Company becomes listed or quoted on a stock exchange or stock market senior to the Canadian Securities Exchange, make such amendments as may be required by the policies of such senior stock exchange or stock market; and
- (vii) amend the Plan to reduce the benefits that may be granted to Service Providers.

Shareholder Approval

At the Meeting, Shareholders will be asked to consider and vote on the ordinary resolution to approve the Plan, with or without variation, as follows:

“BE IT RESOLVED AS AN ORDINARY RESOLUTION THAT the Company’s Stock Option Plan dated **May 11, 2017**, be ratified, confirmed and approved until the next annual meeting of the Company, as the directors of the Company may deem necessary or advisable.”

An ordinary resolution is a resolution passed by the shareholders of the Company at a general meeting by a simple majority of the votes cast in person or by proxy.

A copy of the Plan will be available for inspection at the Meeting.

Recommendation

Management and the Board of Directors of the Company believe the Company's Stock Option Plan will enable the Company to better align the interests of its directors, management, employees and consultants with those of its shareholders and reduce the cash compensation the Company would otherwise have to pay. The Company's management and the Board of Directors recommend that shareholders vote FOR the resolution approving implementation of the Stock Option Plan. Unless you give instructions otherwise, the Management Proxyholders intend to vote FOR the resolution to increase the number of shares reserved for issuance under the Company's Stock Option Plan.

PART 6 - CORPORATE GOVERNANCE

GENERAL

Corporate governance refers to the policies and structure of the Board of a company whose members are elected by and are accountable to the shareholders of the company. Corporate governance encourages establishing a reasonable degree of independence of the Board from executive management and the adoption of policies to ensure the Board recognizes the principles of good management. The Board is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

National Policy 58-201 - *Corporate Governance Guidelines* provides non-prescriptive guidelines on corporate governance practices for reporting companies such as the Company. In addition, National Instrument 58-101 - *Disclosure of Corporate Governance Practices* (“NI 58-101”) prescribes certain disclosure by the Company of its corporate governance practices. This disclosure is presented below.

COMPOSITION OF THE BOARD OF DIRECTORS

The Company’s board of directors facilitates its exercise of independent supervision over management by ensuring that the board is composed of at least one director that is independent of management. The board, at present, is composed of two (2) directors, one (1) of whom is not an executive officer of the Company and is considered to be “independent”, as that term is defined in applicable securities legislation. Mr. Dzisiak is considered to be independent. Mr. Cherry is not considered independent by reason of his office as President, Chief Executive Officer and Chief Financial Officer of the Company. In determining whether a director is independent, the board chiefly considers whether the director has a relationship which could, or could be perceived to interfere with the director’s ability to objectively assess the performance of management.

The board is responsible for approving long-term strategic plans and annual operating plans and budgets recommended by management. Board consideration and approval is also required for material contracts and business transactions, and all debt and equity financing transactions.

The board delegates to management responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company’s business in the ordinary course, managing the Company’s cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The board also looks to

management to furnish recommendations respecting corporate objectives, long-term strategic plans and annual operating plans.

DIRECTORSHIPS IN OTHER PUBLIC COMPANIES

Certain of the board nominees are also directors of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows:

Name of Director	Other reporting issuer (or equivalent in a foreign jurisdiction)

ORIENTATION AND CONTINUING EDUCATION

The Company has not yet developed an official orientation or training program for new directors. As required, new directors will have the opportunity to become familiar with the Company and its business by meeting with the other directors and with officers and employees. Orientation activities will be tailored to the particular needs and experience of each director and the overall needs of the board.

ETHICAL BUSINESS CONDUCT

The board monitors the ethical conduct of the Company and ensures that it complies with applicable legal and regulatory requirements, such as those of relevant securities commissions and stock exchanges. The board has found that the fiduciary duties placed on individual directors by our

governing corporate legislation and the common law, as well as the restrictions placed by applicable corporate legislation on the individual director's participation in decisions of the board in which the director has an interest, have been sufficient to ensure that the board operates independently of management and in the best interests of the Company.

NOMINATION OF DIRECTORS

The Company has not yet implemented a nominating committee. Accordingly, the board of directors, as a whole, is responsible for considering the board's size and the number of directors to recommend to the Company's shareholders for election at annual meetings of shareholders, taking into account the number of directors required to carry out the board's duties effectively, and to maintain a majority of independent directors and a diversity of view and experience.

COMPENSATION OF DIRECTORS AND CHIEF EXECUTIVE OFFICER

The Board of Directors conducts reviews with regard to the compensation of the directors and CEO once a year. To make its recommendations on such compensation, the Board of Directors informally takes into account the types of compensation and the amounts paid to directors and officers of comparable publicly traded Canadian companies.

At present, no compensation is paid to the directors of the Corporation in their capacity as directors. The Board does not currently have a compensation committee.

COMMITTEES OF THE BOARD OF DIRECTORS

The Company has no other committees other than the Audit Committee.

ASSESSMENTS

The board has not, as yet, established procedures to formally review the contributions of individual directors. At this point, the directors believe that the board's current size facilitates informal discussion and evaluation of members' contributions within that framework.
