**Item 5 Full Description of Material Change**

**5.1 Full Description of Material Change**

The Issuer announced the Name Change. As of today, the Issuer’s new stock ticker symbol "LABZ" is also active on the Cboe Canada. This milestone marks a significant step in the Issuer’s evolution and its renewed commitment towards developing Web3 applications with a positive impact on our planet.

The transition to Metasphere reflects the Issuer’s broader vision and dedication to leveraging the latest in blockchain technology to foster sustainable and impactful solutions across various sectors. With this new identity, the Issuer aims to be at the forefront of innovation, addressing pressing global challenges through Web3 applications.

Shareholders and investors are reminded that no action is required on their part in relation to the name change. Existing share certificates bearing the old name continue to be valid and will not need to be exchanged. The Issuer’s ISIN and CUSIP numbers have been updated to CA59140M1086 and 59140M108, respectively, in alignment with the rebranding.
