MANAGEMENT INFORMATION CIRCULAR

(Containing information as at March 6, 2017 unless indicated otherwise)

This Management Information Circular (the "Circular") furnished in connection with the solicitation of proxies by the management of 1040433 BC Ltd. (the "Company") for use at the annual general meeting (the "Meeting") of its shareholders to be held on Friday, April 10, 2017 at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Circular, references to "the Company", "we" and "our" refer to 1040433 BC Ltd. "common shares" means common shares without par value in the capital of the Company. "Beneficial Shareholders" means shareholders who do not hold common shares in their own name and "intermediaries" refers to brokers, investment firms, clearing houses and similar entities that own securities on behalf of Beneficial Shareholders.

GENERAL PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Company at nominal cost. The Company will bear all costs of this solicitation.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the "Proxy") are officers and/or directors of the Company. IF YOU ARE A SHAREHOLDER ENTITLED TO VOTE AT THE MEETING, YOU HAVE THE RIGHT TO APPOINT A PERSON OR COMPANY OTHER THAN EITHER OF THE PERSONS DESIGNATED IN THE PROXY, WHO NEED NOT BE A SHAREHOLDER, TO ATTEND AND ACT FOR YOU AND ON YOUR BEHALF AT THE MEETING. YOU MAY DO SO EITHER BY INSERTING THE NAME OF THAT OTHER PERSON IN THE BLANK SPACE PROVIDED IN THE PROXY OR BY COMPLETING AND DELIVERING ANOTHER SUITABLE FORM OF PROXY. If your common shares are held in physical form (ie. paper form) and are registered in your name, then you are a registered shareholder ("Registered Shareholder"). However, if, like most shareholders, you keep your common shares in a brokerage account, then you are a Beneficial Shareholder. The manner for voting is different for Registered Shareholders and Beneficial Shareholders. The instructions below should be read carefully by all shareholders.

Voting by Proxyholder

The persons named in the Proxy will vote or withhold from voting the common shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to any matter to be acted upon, your common shares will be voted accordingly. The Proxy confers discretionary authority on the persons named therein with respect to:

- (a) each matter or group of matters identified therein for which a choice is not specified, other than the appointment of an auditor and the election of directors,
- (b) any amendment to or variation of any matter identified therein, and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified, the persons named in the Proxy will vote the common shares represented by the Proxy for the approval of such matter.

Registered Shareholders

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders electing to submit a Proxy may do so by completing, dating and signing the enclosed form of Proxy and returning it to the Company's transfer agent, National Issuer Services Ltd. ("National Issuer Services"), by:

- (a) mail or by hand to Suite 760, 777 Hornby Street, Vancouver, British Columbia, V6Z 1S4;
- (b) facsimile to 604.559.8908; or
- (c) email to <u>info@transferagent.ca</u>

In all cases, the Proxy must be received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the Proxy is to be used.

Beneficial Shareholders

The following information is of significant importance to shareholders who do not hold common shares in their own name. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by Registered Shareholders (those whose names appear on the records of the Company as the registered holders of common shares).

These securityholder materials are being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities, have been obtained in accordance with applicable securities regulatory requirements from the intermediary holding on your behalf. By choosing to send these materials to you directly, the Company (and not the intermediary holding on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

If common shares are listed in an account statement provided to a shareholder by a broker, then in almost all cases those common shares will not be registered in the shareholder's name on the records of the Company. Such common shares will more likely be registered under the names of the shareholder's broker or an agent of that broker. In the United States, the vast majority of such common shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depositary for many U.S. brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

There are two kinds of beneficial owners - those who object to their name being made known to the issuers of securities which they own (called "OBOs" for "Objecting Beneficial Owners") and those who do not object to the issuers of the securities they own knowing who they are (called "NOBOs" for "Non-Objecting Beneficial Owners").

Management of the Company does not intend to pay for intermediaries to forward to OBOs under National Instrument 54-101 the proxy-related materials and Form 54-101F7 – Request for Voting Instructions Made by Intermediary (a "VIF"), and, in the case of an OBO, the OBO will not receive the materials unless the OBO's intermediary assumes the cost of delivery.

Every intermediary that mails proxy-related materials to Beneficial Shareholders has its own mailing procedures and provides its own return instructions to clients. Beneficial Shareholders should follow the instructions of their intermediary carefully to ensure that their common shares are voted at the Meeting.

Most brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**") in the United States and in Canada. Broadridge mails a VIF which will be similar to the Proxy provided to Registered Shareholders by the Company. However, its purpose is limited to instructing the intermediary on how to vote on your behalf. The VIF will appoint the same persons as the Company's Proxy to represent you at the Meeting. You have the right to appoint a person (who need not be a shareholder of the Company), other than the persons designated in the VIF, to represent you at the Meeting. To exercise this right, you should insert the name of the desired

representative in the blank space provided in the-VIF. The completed-VIF must then be returned to Broadridge by mail or facsimile or given to Broadridge by phone or over the internet, in accordance with Broadridge's instructions. Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. If you receive a VIF, you cannot use it to vote Common Shares directly at the Meeting – the-VIF must be completed and returned to Broadridge, in accordance with its instructions, well in advance of the Meeting in order to have the Common Shares voted.

Although as a Beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting common shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxyholder for your broker and vote your common shares in that capacity. If you wish to attend at the Meeting and indirectly vote your common shares as proxyholder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker, well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal Proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your common shares.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a Proxy may revoke it by executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or, if the shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date to National Issuer Services at Suite 760, 777 Hornby Street, Vancouver, British Columbia, V6Z 1S4, or to the address of the registered and records office of the Company at Suite 804, 750 West Pender Street, Vancouver, British Columbia V6C 2T7, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof.

A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Company, or any person who has held such a position since the beginning of the last completed financial year end of the Company, nor any nominee for election as a director of the Company, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting other than the election of directors, the appointment of the auditor and as may be set out herein.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

The board of directors (the "**Board**") of the Company has fixed March 6, 2017 as the record date (the "**Record Date**") for determination of persons entitled to receive notice of the Meeting. Only shareholders of record at the close of business on the Record Date who either attend the Meeting personally or complete, sign and deliver a form of Proxy in the manner and subject to the provisions described above will be entitled to vote or to have their common shares voted at the Meeting.

As at the Record Date, there were 396,600 common shares issued and outstanding, each carrying the right to one vote.

On a show of hands, every individual who is present and is entitled to vote as a shareholder or as a representative of one or more corporate shareholders will have one vote, and on a poll every shareholder present in person or represented by a Proxy and every person who is a representative of one or more corporate shareholders, will have one vote for each Common Share registered in that shareholder's name on the list of shareholders as at the Record Date, which is available for inspection during normal business hours at National Issuer Services and will be available at the Meeting.

To the best knowledge of the Company's directors or executive officers, only the following persons or companies beneficially own, directly or indirectly, or exercise control or direction over, common shares carrying more than 10% of the voting rights attached to all outstanding common shares of the Company:

Name of Shareholder	Number of Shares beneficially owned, or controlled or directed, directly or indirectly	Percentage of Issued and Outstanding Shares ⁽¹⁾

(1) Based on 396,600 common shares issued and outstanding as at the Record Date.

VOTES NECESSARY TO PASS RESOLUTIONS

A simple majority of affirmative votes cast at the Meeting is required to pass the resolutions described herein. If there are more nominees for election as directors or appointment of the Company's auditor than there are vacancies to fill, those nominees receiving the greatest number of votes will be elected or appointed, as the case may be, until all such vacancies have been filled. If the number of nominees for election or appointment is equal to the number of vacancies to be filled, all such nominees will be declared elected or appointed by acclamation.

SETTING NUMBER OF DIRECTORS

The persons named in the enclosed Proxy intend to vote in favour of fixing the number of directors at two (2). The Board proposes that the number of directors be fixed at two (2). Shareholders will therefore be asked to approve an ordinary resolution that the number of directors elected be fixed at two (2).

ELECTION OF DIRECTORS

The term of office of each of the current directors expires at the conclusion of the Meeting. Unless the director's office is earlier vacated in accordance with the provisions of the *Business Corporations Act* (British Columbia) (the "BCBCA"), each director elected will hold office until the conclusion of the next annual general meeting of the Company, or if no director is then elected, until a successor is elected.

This exemption exempts a "venture issuer" from the requirements of Part 3 (Composition of the Audit Committee) and Part 5 (Reporting Obligations) of that instrument, as would otherwise be required by NI 52-110.

CORPORATE GOVERNANCE

General

Corporate governance refers to the policies and structure of the Board of a company whose members are elected by and are accountable to the shareholders of the company. The Board is committed to sound corporate governance practices, as such practices are both in the interests of shareholders and help to contribute to effective and efficient decision-making.

Effective June 30, 2005, National Instrument 58-101 *Disclosure of Corporate Governance Practices* ("NI 58-101") and National Policy 58-201 *Corporate Governance Guidelines* ("NP 58-201") were adopted in each of the provinces and territories of Canada. NI 58-101 requires issuers to disclose the corporate governance practices that they have adopted. NP 58-201 provides guidance on corporate governance practices. This section sets out the Company's approach to corporate governance and addresses the Company's compliance with NI 58-101.

Board meetings may also include presentations by the Company's management and employees to give the directors additional insight into the Company's business.

Ethical Business Conduct

The Board has found that the fiduciary duties placed on individual directors by the Company's governing corporate legislation and the common law and the restrictions placed by applicable corporate legislation on an individual directors' participation in decisions of the Board in which the director has an interest have been sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Further, the Company's auditor has full and unrestricted access to the Audit Committee at all times to discuss the audit of the Company's financial statements and any related findings as to the integrity of the financial reporting process.

Nomination of Directors

The Board considers its size each year when it considers the number of directors to recommend to the shareholders for election at the annual meeting of shareholders, taking into account the number required to carry out the Board's duties effectively and to maintain a diversity of views and experience.

The Board does not have a nominating committee, and these functions are currently performed by the Board as a whole. However, if there is a change in the number of directors required by the Company, this policy will be reviewed.

STATEMENT OF EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

Compensation, Philosophy and Objectives

The Company does not have a formal compensation program. The Board meets to discuss and determine management compensation, without reference to formal objectives, criteria or analysis. The general objectives of the Company's compensation strategy are to (a) compensate management in a manner that encourages and rewards a high level of performance and outstanding results with a view to increasing long-term shareholder value; (b) align management's interests with the long-term interests of shareholders; (c) provide a compensation package that is commensurate with other junior mineral exploration companies to enable the Company to attract and retain talent; and (d) ensure that the total compensation package is designed in a manner that takes into account the constraints that the Company is under by virtue of the fact that it is a junior mineral exploration company without a history of earnings.

The Board, as a whole, ensures that total compensation paid to all Named Executive Officers ("**NEOs**"), as hereinafter defined, is fair and reasonable. The Board relies on the experience of its members as officers and directors with other junior mining companies in assessing compensation levels.

Analysis of Elements

Base salary is used to provide the NEOs a set amount of money during the year with the expectation that each NEO will perform his responsibilities to the best of his ability and in the best interests of the Company.

The Company considers the granting of incentive stock options to be a significant component of executive compensation as it allows the Company to reward each NEO's efforts to increase value for shareholders without requiring the Company to use cash from its treasury. Stock options are generally awarded to executive officers at the commencement of employment and periodically thereafter. The terms and conditions of the Company's stock option grants, including vesting provisions and exercise prices, are governed by the terms of the Company's stock option plan (the "**Plan**").

Long Term Compensation and Option-Based Awards

The Company has no long-term incentive plans other than its Plan. The Company's directors and officers and certain consultants are entitled to participate in the Plan. The Plan is designed to encourage share ownership and entrepreneurship on the part of the senior management and other employees. The Board believes that the Plan aligns the interests of the NEO and the Board with shareholders by linking a component of executive compensation to the longer term performance of the Company's common shares.

Options are granted by the Board. In monitoring or adjusting the option allotments, the Board takes into account its own observations on individual performance (where possible) and its assessment of individual contribution to shareholder value, previous option grants and the objectives set for the NEOs and the Board. The scale of options is generally commensurate to the appropriate level of base compensation for each level of responsibility.

In addition to determining the number of options to be granted pursuant to the methodology outlined above, the Board also makes the following determinations:

- parties who are entitled to participate in the Plan;
- the exercise price for each stock option granted, subject to the provision that the exercise price cannot be lower than the prescribed discount permitted by the Canadian Securities Exchange from the market price on the date of grant;
- the date on which each option is granted;
- the vesting period, if any, for each stock option;
- the other material terms and conditions of each stock option grant; and
- any re-pricing or amendment to a stock option grant.

The Board makes these determinations subject to and in accordance with the provisions of the Plan. The Board reviews and approves grants of options on an annual basis and periodically during a financial year.

The Plan is administered by the Board. The Plan provides that options will be issued to directors, officers, employees or consultants of the Company or a subsidiary of the Company. The Plan provides that the number of common shares issuable under the Plan, together with all of the Company's other previously established or

PARTICULARS OF MATTERS TO BE ACTED UPON

Approval of Stock Option Plan

On February 20, 2017, the Board approved the adoption of the Plan. The Plan is a 10% maximum rolling plan. Options granted under the Plan are not exercisable for a period longer than 10 years and the exercise price must be paid in full upon exercise of the option.

The continuation of the Plan requires annual shareholder approval at each annual meeting of the Company by ordinary resolution. The Board is of the view that the Plan provides the Company with the flexibility to attract and maintain the services of executives, employees and other service providers in compensation with other companies in the industry.

The Plan was established to provide incentive to directors, officers and employees and consultants. As a 10% rolling plan the aggregate number of common shares issuable as options under the Plan may be up to 10% of the Company's issued and outstanding common shares on the date on which an option is granted, less common shares reserved for issuance on exercise of options then outstanding under the Plan. The purpose of the Plan is to advance the interests of the Company by encouraging equity participation in the Company through the acquisition of common shares of the Company. The Plan is administered by the Board and options are granted at the discretion of the Board to eligible optionees (an "Optionee").

Eligible Optionees

To be eligible to receive a grant of options under the Plan, regulatory authorities require an Optionee to be either a director, officer, employee, consultant or an employee of a company providing management or other services to the Company or a subsidiary at the time the option is granted.

Options may be granted only to an individual eligible, or to a non-individual that is wholly-owned by individuals eligible, for an option grant. If the option is granted to a non-individual, it will not permit any transfer of its securities, nor issue further securities, to any individual or other entity as long as the option remains in effect.

Restrictions

The Plan is subject to the following restrictions:

- (a) The Company must not grant an option to a director, employee, consultant, or consultant company (the "Service Provider") in any 12-month period that exceeds 5% of the outstanding common shares of the Company, unless the Company has obtained approval by a majority of the Disinterested Shareholders (defined below) of the Company;
- (b) The aggregate number of options granted to a Service Provider conducting investor relations activities in any 12 month period must not exceed 1% of the outstanding shares calculated at the date of the grant, without prior regulatory approval;
- (c) The Company must not grant an option to a Consultant in any 12 month period that exceeds 1% of the outstanding shares calculated at the date of the grant of the option;
- (d) The aggregate number of common shares reserved for issuance under options granted to Insiders (defined below) must not exceed 10% of the outstanding shares (in the event that the Plan is amended to reserve for issuance more than 10% of the outstanding shares) unless the Company has obtained Disinterested Shareholder Approval to do so;
- (e) The number of optioned shares issued to Insiders in any 12 month period must not exceed 10% of the outstanding shares (in the event that the Plan is amended to reserve for issuance more than 10% of the outstanding shares) unless the Company has obtained Disinterested Shareholder Approval to do so;
- (f) The issuance to any one Optionee within a 12 month period of a number of common shares must not exceed 5% of outstanding shares unless the Company has obtained Disinterested Shareholder Approval to do so;
- (g) The exercise price of an option previously granted to an Insider must not be reduced, unless the Company has obtained Disinterested Shareholder Approval to do so; and
- (h) The Company may implement such procedures and conditions as the Board deems appropriate with respect to withholding and remitting taxes imposed under applicable law, or the funding of related amounts for which liability may arise under such applicable law.

Definitions

"Disinterested Shareholder Approval" means the approval by a majority of the votes cast by all shareholders of the Company at the Meeting excluding votes attached to listed common shares beneficially owned by Insiders (defined below) of the Company and Associates (as defined in the British Columbia Securities Act) of Insiders.

An "**Insider**" is a director, or senior officer of the Company, a director or senior officer of a company that is an Insider or subsidiary of the Company, or a person that beneficially owns or controls, directly or indirectly, voting common shares carrying more than 10% of the voting rights attached to all outstanding voting common shares of the Company.

Material Terms of the Plan

The following is a summary of the material terms of the Plan:

- (a) persons who are Service Providers to the Company or its affiliates, or who are providing services to the Company or its affiliates, are eligible to receive grants of options under the Plan;
- (b) all options granted under the Plan expire on a date not later than 10 years after the issuance of such options. However, should the expiry date for an option fall within a trading Blackout Period (as defined in the Plan, generally meaning circumstances where sensitive negotiations or other like information is not yet public), within 9 business days following the expiration of a Blackout Period;

- (c) for options granted to Service Providers, the Company must ensure that the proposed Optionee is a bona fide Service Provider of the Company or its affiliates;
- (d) an Option granted to any Service Provider will expire within 90 days (or such other time, not to exceed one year, as shall be determined by the Board as at the date of grant or agreed to by the Board and the Optionee at any time prior to expiry of the Option), after the date the Optionee ceases to be employed by or provide services to the Company, but only to the extent that such Option was vested at the date the Optionee ceased to be so employed by or to provide services to the Company;
- (e) if an Optionee dies, any vested option held by him or her at the date of death will become exercisable by the Optionee's lawful personal representatives, heirs or executors until the earlier of one year after the date of death of such Optionee and the date of expiration of the term otherwise applicable to such option;
- (f) in the case of an Optionee being dismissed from employment or service for cause, such Optionee's options, whether or not vested at the date of dismissal, will immediately terminate without right to exercise same;
- (g) the exercise price of each option will be set by the Board on the effective date of the option and will not be less than the Discounted Market Price (as defined in the Plan);
- (h) vesting of options shall be at the discretion of the Board, and will generally be subject to: (i) the Service Provider remaining employed by or continuing to provide services to the Company or its affiliates, as well as, at the discretion of the Board, achieving certain milestones which may be defined by the Board from time to time or receiving a satisfactory performance review by the Company or its affiliates during the vesting period; or (ii) the Service Provider remaining as a Director of the Company or its affiliates during the vesting period;
- (i) in the event of a take over bid being made to the shareholders generally, immediately upon receipt of the notice of the take over bid, the Company shall notify each Optionee currently holding any Options, of the full particulars of the take over bid, and all outstanding options may, notwithstanding the vesting terms contained in the Plan or any vesting requirements subject to regulatory approval; and
- (j) the Board reserves the right in its absolute discretion to amend, suspend, terminate or discontinue the Plan with respect to all Plan shares in respect of options which have not yet been granted under the Plan.

The Board has determined that, in order to reasonably protect the rights of participants, as a matter of administration, it is necessary to clarify when amendments to the Plan may be made by the Board without further shareholder approval. Accordingly, the Board proposes that the Plan also provide the following:

The Board may, without shareholder approval:

- (i) amend the Plan to correct typographical, grammatical or clerical errors;
- (ii) change the vesting provisions of an option granted under the Plan, if applicable;
- (iii) change the termination provision of an option granted under the Plan if it does not entail an extension beyond the original expiry date of such option;
- (iv) make such amendments to the Plan as are necessary or desirable to reflect changes to securities laws applicable to the Company;
- (v) make such amendments as may otherwise be permitted by regulatory authorities;
- (vi) if the Company becomes listed or quoted on a stock exchange or stock market senior to the Canadian Securities Exchange, make such amendments as may be required by the policies of such senior stock exchange or stock market; and
- (vii) amend the Plan to reduce the benefits that may be granted to Service Providers.

Shareholder Approval

At the Meeting, Shareholders will be asked to consider and vote on the ordinary resolution to approve the Plan, with or without variation, as follows:

"BE IT RESOLVED AS AN ORDINARY RESOLUTION THAT the Company's Stock Option Plan dated February 20, 2017, be ratified, confirmed and approved until the next annual meeting of the Company, as the directors of the Company may deem necessary or advisable."

The Board recommends that shareholders vote in favour of the Plan. Unless such authority is withheld, the persons named in the enclosed Proxy intend to vote FOR the approval of the foregoing ordinary resolution.

An ordinary resolution is a resolution passed by the shareholders of the Company at a general meeting by a simple majority of the votes cast in person or by proxy.

A copy of the Plan will be available for inspection at the Meeting.
