4.4 **Gold Canyon Non-Solicitation.**

- (a) Subject to Section 4.5, from the date of this Agreement until the earlier of the Effective Time or the time at which this Agreement is terminated in accordance with its terms, Gold Canyon shall not, and shall cause its Representatives to not, directly or indirectly:
- (i) make, initiate, solicit, encourage or otherwise facilitate (including by way of furnishing information or according access to information or any site visit) any inquiries or proposals or offers that constitute an Acquisition Proposal or that could reasonably be expected to lead to an Acquisition Proposal;
 - (ii) participate in any discussions or negotiations with, furnish information to, or otherwise cooperate in any way with, any Person (other than First Mining and its affiliates) regarding an Acquisition Proposal or that could reasonably be expected to lead to an Acquisition Proposal;
 - (iii) effect any Change of Recommendation; or
 - (iv) accept, enter into, or propose publicly to accept or enter into, any letter of intent, memorandum of understanding, term sheet, agreement in principle, agreement, arrangement or understanding related to any Acquisition Proposal (except as permitted by Section 4.5).

Notwithstanding anything to the contrary contained in this Section 4.4, in the event that Gold Canyon receives a *bona fide* written Acquisition Proposal from any Person after the date hereof and prior to the Gold Canyon Meeting that was not solicited by Gold Canyon and that did not otherwise result from a breach of this Section 4.4, and subject to Gold Canyon's compliance with Section 4.4(d), Gold Canyon and its Representatives may (i) contact such Person solely to clarify the terms and conditions of such Acquisition Proposal, (ii) furnish information with respect to it to such Person pursuant to an Acceptable Confidentiality Agreement, provided that (A) Gold Canyon provides a copy of such Acceptable Confidentiality Agreement to First Mining promptly upon its execution and (B) Gold Canyon contemporaneously provides to First Mining a list of all non-public information concerning Gold Canyon that is provided to such Person and provides to First Mining copies of any such non-public information which was not previously provided to First Mining or its Representatives, and (iii) participate in any discussions or negotiations regarding such Acquisition Proposal; provided, however, that, prior to taking any action described in clauses (ii) or (iii) above, the Gold Canyon Board determines in good faith, after consultation with its financial advisors and outside legal counsel, that such Acquisition Proposal would be reasonably likely, if consummated in accordance with its terms, to be a Superior Proposal and failure to take such action would be inconsistent with its fiduciary duties under applicable Law. After the date of the Gold Canyon Meeting, Gold Canyon shall not consider, negotiate, accept or recommend an Acquisition Proposal or furnish any information with respect to it to any Person who has made an Acquisition Proposal.

- (b) Gold Canyon shall, and shall cause its Representatives to, immediately cease and cause to be terminated any solicitation, encouragement, discussion or negotiation with any Person (other than First Mining and its Representatives) conducted heretofore by Gold Canyon or any of its Representatives with respect to, or which may reasonably be expected to lead to, an Acquisition Proposal. To the extent it has not already done so, Gold Canyon shall discontinue or deny access to all parties other than First Mining and its Representatives to any and all data rooms which may have been opened. Gold Canyon shall immediately request the return of all confidential non-public information provided to any third parties (other than First Mining and its Representatives) who have entered into a confidentiality agreement with Gold Canyon relating to a potential Acquisition Proposal, shall use all reasonable efforts to ensure that such requests are honoured and shall immediately advise First Mining orally and in writing of any responses or action (actual or threatened) by any recipient of such request which could hinder, prevent, delay or otherwise adversely affect the completion of the Arrangement.
- (c) Gold Canyon shall:
 - (i) not release any Persons from, or terminate, amend, modify, waive or fail to enforce on a timely basis any obligation of any other Person under any confidentiality or standstill agreement or amend any such agreement or other conditions included in any agreement between Gold Canyon and a third party entered into prior to the date hereof;
 - (ii) promptly and diligently enforce all standstill, non-disclosure, non-disturbance, non-solicitation and similar covenants of any other Person in any letter of intent, memorandum of understanding, term sheet, agreement in principle, agreement, arrangement or understanding that it has entered into prior to the date hereof or enters into after the date hereof;
 - (iii) not accept or enter into any letter of intent, memorandum of understanding, term sheet, agreement in principle, agreement, arrangement or understanding requiring Gold Canyon to abandon, terminate or fail to consummate the Arrangement or providing for the payment of any break, termination or other fees or expenses to any Person proposing an Acquisition Proposal in the event that Gold Canyon completes the transactions contemplated hereby or any other transaction with First Mining or any of its affiliates; and
 - (iv) except with the prior written consent of First Mining, not take any action to terminate, amend, extend the "Separation Time" under or waive the Gold Canyon Rights Plan, or the application of the Gold Canyon Rights Plan to, any Acquisition Proposal, or any Person making an Acquisition Proposal, not subject to the Gold Canyon Rights Plan (including redemption of any rights created under the Gold Canyon Rights Plan). In the event that any Person requests any Governmental Entity to invalidate or cease trade the Gold Canyon Rights Plan, Gold Canyon shall oppose

any such application unless the Gold Canyon Board determines, after consultation with outside legal counsel, that to do so is not consistent with its fiduciary duties.

- (d) Gold Canyon shall promptly (and, in any event, within 24 hours of receipt) notify First Mining, at first orally and then in writing, of any Acquisition Proposal (whether or not in writing) and any enquiry that may reasonably be expected to lead to an Acquisition Proposal, or any amendments to the foregoing, or any request for non-public information relating to Gold Canyon in connection with an Acquisition Proposal or for access to the properties, books or records of Gold Canyon by any Person that informs Gold Canyon that it is considering making, or has made, a proposal that constitutes, or may reasonably be expected to lead to an Acquisition Proposal. Such notice shall include a description of the material terms and conditions of any proposal and the identity of the Person making such proposal, enquiry or contact, and a copy of any written form of Acquisition Proposal and any other documents representing such Acquisition Proposal. Gold Canyon shall:
 - (i) keep First Mining fully informed of the status including any change to the material terms of any such Acquisition Proposal or enquiry;
 - (ii) provide to First Mining as soon as practicable after receipt or delivery thereof with copies of all correspondence and other written material sent or provided to Gold Canyon from any Person in connection with any Acquisition Proposal or sent or provided by Gold Canyon to any Person in connection with any Acquisition Proposal; and
 - (iii) provide to First Mining as soon as practicable such other information concerning the Acquisition Proposal as First Mining may reasonably request.
- (e) Gold Canyon shall not become a party to any letter of intent, memorandum of understanding, term sheet, agreement in principle, agreement, arrangement or understanding with any Person subsequent to the date hereof that limits or prohibits Gold Canyon from providing First Mining and its affiliates and Representatives with any information required to be given to them by Gold Canyon under this Section 4.4.
- (f) Gold Canyon shall ensure that its Representatives are aware of the provisions of this Section 4.4, and it shall be responsible for any breach of this Section 4.4 by any such Representatives.

4.5 **Notice by Gold Canyon of Superior Proposal Determination.**

- (a) Notwithstanding Section 4.4 Gold Canyon may accept, approve, recommend or enter into any agreement, understanding or arrangement in respect of an Acquisition Proposal if, and only if:

- (i) Gold Canyon shall have complied with all of its other obligations under Section 4.4;
- (ii) the Gold Canyon Board has determined in good faith after consultation with outside legal counsel and its financial advisors that the Acquisition Proposal is a Superior Proposal;
- (iii) the Gold Canyon Meeting has not occurred;
- (iv) Gold Canyon has provided First Mining with:
 - (A) a copy of the Superior Proposal document and any other documents representing the Superior Proposal;
 - (B) written notice advising First Mining of the determination of the Gold Canyon Board that the Acquisition Proposal is a Superior Proposal and that the Gold Canyon Board has resolved, subject only to compliance with this Section 4.5 and termination of this Agreement, to accept, approve, recommend or enter into an agreement in respect of such Superior Proposal, specifying the terms and conditions of such Superior Proposal and identifying the Person making such Superior Proposal; and
 - (C) written notice from the Gold Canyon Board regarding the value or range of values in financial terms that the Gold Canyon Board has, in consultation with its financial advisors, determined should be ascribed to any non-cash consideration offered under the Superior Proposal;
- (v) five full Business Days shall have elapsed from the date First Mining received the documentation referred to in Section 4.5(a)(iv) (the “**Match Period**”); and
- (vi) Gold Canyon has previously or concurrently will have:
 - (A) paid to First Mining the Termination Payment, if any, payable under Section 6.3; and
 - (B) terminated this Agreement pursuant to Section 6.2.
- (b) Any information provided by Gold Canyon to First Mining pursuant to this Section 4.5 or pursuant to Section 4.4 shall be subject to the provisions of the Confidentiality Agreement.
- (c) During the Match Period, Gold Canyon agrees that First Mining shall have the right, but not the obligation, to offer to amend the terms of this Agreement and Gold Canyon shall co-operate with First Mining with respect thereto, including negotiating in good faith with First Mining during the Match Period. The Gold

Canyon Board will review in good faith any offer by First Mining to amend the terms of this Agreement in order to determine, in consultation with its financial advisors and outside legal counsel, whether First Mining's offer upon acceptance by Gold Canyon would result in such Acquisition Proposal ceasing to be a Superior Proposal. Gold Canyon agrees that, subject to its disclosure obligations under applicable Securities Laws, the fact of the making of, and each of the terms of, any such proposed amendments shall be kept strictly confidential and shall not be disclosed to any Person (including without limitation, the Person having made the Superior Proposal), other than Gold Canyon's Representatives, without First Mining's prior written consent. If the Gold Canyon Board determines that such Acquisition Proposal would cease to be a Superior Proposal as a result of the amendments proposed by First Mining, Gold Canyon will forthwith so advise First Mining and will promptly thereafter accept the offer by First Mining to amend the terms of this Agreement and the Arrangement and the Parties agree to take such actions and execute such documents as are necessary to give effect to the foregoing. Gold Canyon will, within two Business Days of entering into such amendment, reaffirm its recommendation of the Arrangement and issue a press release to that effect. If the Gold Canyon Board continues to believe, in good faith and after consultation with financial advisors and outside legal counsel, that such Acquisition Proposal remains a Superior Proposal and therefore rejects First Mining's amended proposal, Gold Canyon may terminate this Agreement pursuant to Section 6.2(a)(iv)(A); provided, however, that Gold Canyon must concurrently therewith pay to First Mining the Termination Payment, if any, payable to First Mining under Section 6.3 and must prior to or concurrently with such termination enter into a binding agreement, understanding or arrangement with respect to such Acquisition Proposal. Gold Canyon acknowledges and agrees that payment of the Termination Payment, if any, payable under Section 6.3 is a condition to valid termination of this Agreement under Section 6.2(a)(iv)(A) and this Section 4.5.

- (d) The Gold Canyon Board shall reaffirm its recommendation of the Arrangement by press release: (i) promptly after any Acquisition Proposal (which is determined not to be a Superior Proposal) is publicly announced or made; (ii) promptly after the Gold Canyon Board determines that a proposed amendment to the provisions of this Agreement would result in the Acquisition Proposal not being a Superior Proposal; or (iii) as soon as practicable after receipt of any reasonable request from First Mining to do so. First Mining and its legal advisors shall be given a reasonable opportunity to review and comment on the form and content of any such press release and Gold Canyon shall incorporate all reasonable comments made by First Mining and its legal advisors. Such press release shall state that the Gold Canyon Board has determined that such Acquisition Proposal is not a Superior Proposal.
- (e) If, less than six Business Days before the Gold Canyon Meeting, Gold Canyon has provided First Mining with a notice under Section 4.5(a)(iv), an Acquisition Proposal has been publicly disclosed or announced and the Match Period has not elapsed, then, subject to applicable Laws, at First Mining's request, Gold Canyon

will postpone or adjourn the Gold Canyon Meeting to a date acceptable to First Mining and Gold Canyon, acting reasonably, which shall not be less than six Business Days and not more than 12 Business Days after the scheduled date of the Gold Canyon Meeting and shall, in the event that First Mining and Gold Canyon amend the terms of this Agreement pursuant to this Section 4.5, ensure that the details of such amended Agreement are communicated to the Gold Canyon Shareholders and the Gold Canyon Warrantholders at or prior to the resumption of the adjourned Gold Canyon Meeting.

- (f) Gold Canyon acknowledges and agrees that each successive modification to any material terms or conditions of any Acquisition Proposal or that results in an increase in or modification of the consideration (or value of such consideration) to be received by Gold Canyon or the Gold Canyon Shareholders or which otherwise results in the Gold Canyon Board determining that such Acquisition Proposal is a Superior Proposal shall constitute a new Acquisition Proposal for purposes of the requirement under Section 4.5(a)(v) to initiate an additional five Business Day Match Period.
- (g) Nothing contained in this Section 4.5 shall prohibit the Gold Canyon Board from:
 - (i) responding through a directors' circular or otherwise as required by Law to an Acquisition Proposal that it determines is not a Superior Proposal, provided that Gold Canyon shall provide First Mining and its outside legal counsel with a reasonable opportunity to review the form and content of such circular or other disclosure and provided that such circular or other disclosure recommends that Gold Canyon Shareholders reject such Acquisition Proposal; or
 - (ii) calling and/or holding a meeting of Gold Canyon Shareholders requisitioned by Gold Canyon Shareholders in accordance with the Business Corporations Act or taking any other action with respect to an Acquisition Proposal to the extent ordered or otherwise mandated by a court of competent jurisdiction in accordance with Law and provided that any information circular or other document required in connection with such meeting recommends that Gold Canyon Shareholders vote against any proposed resolution in favour of or necessary to complete such Acquisition Proposal.

4.6 **First Mining Non-Solicitation.**

- (a) Subject to Section 4.7, from the date of this Agreement until the earlier of the Effective Time or the time at which this Agreement is terminated in accordance with its terms, First Mining shall not, and shall cause its Representatives to not, directly or indirectly:
 - (i) make, initiate, solicit, encourage or otherwise facilitate (including by way of furnishing information or according access to information or any site

visit) any inquiries or proposals or offers that constitute an Acquisition Proposal or that could reasonably be expected to lead to an Acquisition Proposal;

- (ii) participate in any discussions or negotiations with, furnish information to, or otherwise cooperate in any way with, any Person (other than Gold Canyon and its affiliates) regarding an Acquisition Proposal or that could reasonably be expected to lead to an Acquisition Proposal; or
- (iii) accept, enter into, or propose publicly to accept or enter into, any letter of intent, memorandum of understanding, term sheet, agreement in principle, agreement, arrangement or understanding related to any Acquisition Proposal (except as permitted by Section 4.7).

Notwithstanding anything to the contrary contained in this Section 4.6, in the event that First Mining receives a bona fide written Acquisition Proposal from any Person after the date hereof and prior to the Effective Date that was not solicited by First Mining and that did not otherwise result from a breach of this Section 4.6, and subject to First Mining's compliance with Section 4.6(d), First Mining and its Representatives may (i) contact such Person solely to clarify the terms and conditions of such Acquisition Proposal, (ii) furnish information with respect to it to such Person pursuant to an Acceptable Confidentiality Agreement, provided that First Mining provides a copy of such Acceptable Confidentiality Agreement to Gold Canyon promptly upon its execution, and (iii) participate in any discussions or negotiations regarding such Acquisition Proposal; provided, however, that, prior to taking any action described in clauses (ii) or (iii) above, the First Mining Board determines in good faith, after consultation with its financial advisors and outside legal counsel, that such Acquisition Proposal would be reasonably likely, if consummated in accordance with its terms, to be a Superior Proposal and failure to take such action would be inconsistent with its fiduciary duties under applicable Law.

- (b) First Mining shall, and shall cause its Representatives to, immediately cease and cause to be terminated any solicitation, encouragement, discussion or negotiation with any Person (other than Gold Canyon and its Representatives) conducted heretofore by First Mining or any of its Representatives with respect to, or which may reasonably be expected to lead to, an Acquisition Proposal. To the extent it has not already done so, First Mining shall discontinue or deny access to all parties other than Gold Canyon and its Representatives and PC Gold and its Representatives to any and all data rooms which may have been opened. First Mining shall immediately request the return of all confidential non-public information provided to any third parties (other than Gold Canyon and its Representatives) who have entered into a confidentiality agreement with First Mining relating to a potential Acquisition Proposal, shall use all reasonable efforts to ensure that such requests are honoured and shall immediately advise Gold Canyon orally and in writing of any responses or action (actual or threatened) by

any recipient of such request which could hinder, prevent, delay or otherwise adversely affect the completion of the Arrangement.

- (c) First Mining shall:
- (i) not release any Persons from, or terminate, amend, modify, waive or fail to enforce on a timely basis any obligation of any other Person under any confidentiality or standstill agreement or amend any such agreement or other conditions included in any agreement between First Mining and a third party entered into prior to the date hereof;
 - (ii) promptly and diligently enforce all standstill, non-disclosure, non-disturbance, non-solicitation and similar covenants of any other Person in any letter of intent, memorandum of understanding, term sheet, agreement in principle, agreement, arrangement or understanding that it has entered into prior to the date hereof or enters into after the date hereof; and
 - (iii) not accept or enter into any letter of intent, memorandum of understanding, term sheet, agreement in principle, agreement, arrangement or understanding requiring First Mining to abandon, terminate or fail to consummate the Arrangement or providing for the payment of any break, termination or other fees or expenses to any Person proposing an Acquisition Proposal in the event that First Mining completes the transactions contemplated hereby or any other transaction with Gold Canyon or any of its affiliates.
- (d) First Mining shall promptly (and, in any event, within 24 hours of receipt) notify Gold Canyon, at first orally and then in writing, of any Acquisition Proposal (whether or not in writing) and any enquiry that may reasonably be expected to lead to an Acquisition Proposal, or any amendments to the foregoing, or any request for non-public information relating to First Mining in connection with an Acquisition Proposal or for access to the properties, books or records of First Mining by any Person that informs First Mining that it is considering making, or has made, a proposal that constitutes, or may reasonably be expected to lead to an Acquisition Proposal. Such notice shall include a description of the material terms and conditions of any proposal and the identity of the Person making such proposal, enquiry or contact, and a copy of any written form of Acquisition Proposal and any other documents representing such Acquisition Proposal. First Mining shall:
- (i) keep Gold Canyon fully informed of the status including any change to the material terms of any such Acquisition Proposal or enquiry;
 - (ii) provide to Gold Canyon as soon as practicable after receipt or delivery thereof with copies of all correspondence and other written material sent or provided to First Mining from any Person in connection with any

Acquisition Proposal or sent or provided by First Mining to any Person in connection with any Acquisition Proposal; and

- (iii) provide to Gold Canyon as soon as practicable such other information concerning the Acquisition Proposal as Gold Canyon may reasonably request.
- (e) First Mining shall not become a party to any letter of intent, memorandum of understanding, term sheet, agreement in principle, agreement, arrangement or understanding with any Person subsequent to the date hereof that limits or prohibits First Mining from providing Gold Canyon and its affiliates and Representatives with any other information required to be given to them by First Mining under this Section 4.6.
- (f) First Mining shall ensure that its Representatives are aware of the provisions of this Section 4.6, and it shall be responsible for any breach of this Section 4.6 by any such Representatives.

4.7 Notice by First Mining of Superior Proposal Determination.

- (a) Notwithstanding Section 4.6, First Mining may accept, approve, recommend or enter into any agreement, understanding or arrangement in respect of an Acquisition Proposal if, and only if:
 - (i) First Mining shall have complied with all of its other obligations under Section 4.6;
 - (ii) the First Mining Board has determined in good faith after consultation with outside legal counsel and its financial advisors that the Acquisition Proposal is a Superior Proposal;
 - (iii) First Mining has provided Gold Canyon with written notice advising Gold Canyon of the determination of the First Mining Board that the Acquisition Proposal is a Superior Proposal and that the First Mining Board has resolved, subject only to compliance with this Section 4.7 and termination of this Agreement, to accept, approve, recommend or enter into an agreement in respect of such Superior Proposal, specifying the terms and conditions of such Superior Proposal and identifying the Person making such Superior Proposal; and
 - (iv) First Mining has previously or concurrently will have:
 - (A) paid to Gold Canyon the Termination Payment, if any, payable under Section 6.3; and
 - (B) terminated this Agreement pursuant to Section 6.2.

- (b) Any information provided by First Mining to Gold Canyon pursuant to this Section 4.7 or pursuant to Section 4.6 shall be subject to the provisions of the Confidentiality Agreement.

4.8 **Access to Information.**

- (a) Subject to the terms of the Confidentiality Agreement and applicable Laws, upon reasonable notice, Gold Canyon shall afford First Mining's Representatives access, during normal business hours in the Pre-Effective Date Period to such properties, books, contracts and records and other documents, information or data relating to Gold Canyon and the Gold Canyon Retained Subsidiaries which First Mining or its Representatives deem necessary or advisable to review in making an examination of Gold Canyon and the Gold Canyon Retained Subsidiaries and the Business, as well as to its management personnel, and, during such period, Gold Canyon shall furnish promptly to First Mining all information concerning Gold Canyon and the Gold Canyon Retained Subsidiaries and their respective Business, properties and personnel as First Mining or its Representatives may reasonably request.
- (b) Subject to the terms of the Confidentiality Agreement and applicable Laws, upon reasonable notice, First Mining shall afford Gold Canyon's Representatives access, during normal business hours in the Pre-Effective Date Period to such of First Mining's management personnel as First Mining may determine, acting reasonably, and, during such period, First Mining shall furnish promptly to Gold Canyon all contracts, records, documents and information respecting material changes in First Mining's business, properties and personnel as Gold Canyon may reasonably request.

4.9 **Covenant Regarding Representations and Warranties.** Each of Gold Canyon and First Mining covenants that it will use commercially reasonable efforts to ensure that the representations and warranties given by it and contained in Article 3 are true and correct on and as at the Effective Date (except as affected by transactions contemplated or permitted by this Agreement or otherwise consented to by the other Party) or if not true, do not have a Material Adverse Effect on such Party.

4.10 **Indemnification, Insurance and Mutual Releases.**

- (a) First Mining hereby covenants and agrees that, unless prohibited by applicable Laws, all rights to indemnification or exculpation in favour of the current and former directors and officers of Gold Canyon and any Gold Canyon Subsidiary provided in the current articles or by-laws (or the equivalent) of Gold Canyon or any Gold Canyon Subsidiary, or in any agreement to the extent disclosed in Schedule 4.10 to the Gold Canyon Disclosure Letter, and any directors' and officers' insurance now existing in favour of the directors or officers of Gold Canyon and any Gold Canyon Subsidiary shall survive the completion of the Arrangement (or be replaced with substantially equivalent coverage from another provider of at least equivalent standing to the current provider) and shall continue

in full force and effect (either directly or via run-off insurance or insurance provided by an alternative provider of at least equivalent standing to the current provider) for a period of not less than six years from the Effective Date and First Mining undertakes to ensure that this covenant shall remain binding upon its successors and assigns. First Mining acknowledges that Gold Canyon may purchase run-off directors' and officers' liability insurance, at a cost not exceeding 200% of Gold Canyon's current annual aggregate premium for directors' and officers' liability policies currently maintained by Gold Canyon, providing coverage for a period of up to six years from the Effective Date with respect to claims arising from or related to facts or events which occur on or prior to the Effective Date.

- (b) Gold Canyon shall act as agent and trustee of the benefits of the foregoing for its directors and officers and those of the Gold Canyon Subsidiaries for the purpose of this Section 4.10 and this Section 4.10 shall survive the execution and delivery of this Agreement and the completion of the Arrangement and shall be enforceable against First Mining by the Persons described in Section 4.10(a) hereof.
- (c) First Mining acknowledges and agrees that Gold Canyon may enter into indemnification agreements with each director and officer of Gold Canyon and each of the Gold Canyon Subsidiaries prior to the Effective Date, such agreements to be in a form acceptable to First Mining, acting reasonably. First Mining agrees that from and after the Effective Date it will cause Gold Canyon to honour all rights to indemnification or exculpation in such agreements in favour of present and former officers and directors of Gold Canyon and acknowledges that such rights will survive the Effective Date and will continue in full force and effect for a period of not less than six years from the Effective Date.
- (d) First Mining and Gold Canyon shall use commercially reasonable efforts to enter into a mutual release on or before the Effective Date with each director and officer of Gold Canyon and each of the Gold Canyon Subsidiaries, such release to be effective as at the Effective Time and in a form acceptable to First Mining, acting reasonably.

- (c) there shall not be in force any order or decree restraining or enjoining the consummation of the transactions contemplated by this Agreement and there shall be no proceeding (other than an appeal made in connection with the Arrangement), of a judicial or administrative nature or otherwise, in progress or threatened that relates to or results from the transactions contemplated by this Agreement that would, if successful, result in an order or ruling that would preclude completion of the transactions contemplated by this Agreement in accordance with the terms hereof or would otherwise be inconsistent with the Regulatory Approvals which have been obtained;
- (d) this Agreement shall not have been terminated pursuant to Article 6;
- (e) the TSX-V shall have, if required, conditionally accepted notice for filing of all transactions of Gold Canyon contemplated herein or necessary to complete the Arrangement (which for avoidance of doubt, does not include conditional acceptance of the listing of SpinCo Shares and the SpinCo Shares issuable upon exercise of the SpinCo Warrants), subject only to compliance with the customary conditions of the TSX-V;
- (f) the TSX-V shall have, if required, conditionally accepted notice for filing of all transactions of First Mining contemplated herein or necessary to complete the Arrangement (which for avoidance of doubt, does not include conditional acceptance of the listing of SpinCo Shares and the SpinCo Shares issuable upon exercise of the SpinCo Warrants), subject only to compliance with the customary conditions of the TSX-V;
- (g) the Consideration Shares and the First Mining Shares issuable upon exercise of the Replacement Warrants and Replacement Options from time to time, shall have been authorized for listing on the TSX-V, subject to official notice of issuance;
- (h) the issuance of the Consideration Shares, the SpinCo Shares, the SpinCo Warrants, the Replacement Warrants and the Replacement Options will be

- (i) all other consents, waivers, permits, orders and approvals of any Governmental Entity, and the expiry of any waiting periods, in connection with, or required to permit the consummation of the Arrangement and the other transactions contemplated herein, the failure of which to obtain or the non-expiry of which would constitute a criminal offense, or would have a Material Adverse Effect on First Mining or Gold Canyon shall have been obtained or received on terms that will not have a Material Adverse Effect on First Mining and/or Gold Canyon.

The foregoing conditions are for the mutual benefit of the Parties to this Agreement and may be waived by mutual consent of First Mining, Gold Canyon and SpinCo in writing at any time.

5.2 Additional Conditions Precedent to the Obligations of First Mining. The obligations of First Mining to complete the transactions contemplated by this Agreement shall also be subject to the satisfaction, on or before the Effective Date, of each of the following conditions precedent (each of which is for the exclusive benefit of First Mining and may be waived by First Mining):

- (a) all covenants and agreements of Gold Canyon and SpinCo under this Agreement to be performed or observed on or before the Effective Date shall have been duly performed and observed by Gold Canyon and SpinCo in all material respects and First Mining shall have received a certificate of Gold Canyon addressed to First Mining and dated the Effective Date, signed on behalf of Gold Canyon by two directors or senior executive officers of Gold Canyon, confirming the same as at the Effective Date;
- (b) the representations and warranties made by Gold Canyon in this Agreement that are qualified by the expression “Material Adverse Change” or “Material Adverse Effect” shall be true and correct as of the date of this Agreement and as of the Effective Date as if made on and as of such date (except to the extent such representations and warranties speak as of a specified date which is earlier than the date of this Agreement, in which event such representations and warranties shall be true and correct in all respects as of such earlier specified date, or except as affected by transactions contemplated or permitted by this Agreement or otherwise consented to by First Mining), and all other representations and warranties made by Gold Canyon in this Agreement shall be true and correct in all

respects as of the date of this Agreement and as of the Effective Date as if made on and as of such date (except to the extent such representations and warranties speak as of a specified date which is earlier than the date of this Agreement, in which event such representations and warranties shall be true and correct in all respects as of such earlier specified date, or except as affected by transactions contemplated or permitted by this Agreement or otherwise consented to by First Mining), in either case, except where any failures or breaches of representations and warranties would not either, individually or in the aggregate, have a Material Adverse Effect on Gold Canyon, *provided, however*, that no representation or warranty made by Gold Canyon hereunder shall be deemed not to be true and correct if the facts or circumstances that make such representation or warranty untrue or incorrect are disclosed or referred to in the Gold Canyon Disclosure Letter, or provided for or stated to be exceptions under this Agreement, and Gold Canyon shall have provided to First Mining a certificate of two officers thereof certifying such accuracy or lack of Material Adverse Effect on the Effective Date;

- (c) from the date of this Agreement until the Effective Date, there shall not have occurred, and neither Gold Canyon nor a Gold Canyon Retained Subsidiary shall have incurred or suffered, any one or more facts, circumstances, changes, effects, events or occurrences that, either individually, or in the aggregate have, or could reasonably be expected to have, a Material Adverse Effect on Gold Canyon;
- (d) the Gold Canyon Board and the board of directors of SpinCo shall have adopted all necessary resolutions, and all other necessary corporate action shall have been taken by Gold Canyon and SpinCo, to permit the consummation of the Arrangement and the issue of the SpinCo Shares and the SpinCo Warrants;
- (e) holders of more than 5% of the issued and outstanding Gold Canyon Common Shares shall not have exercised the Dissent Rights in respect of the Arrangement;
- (f) there shall not be pending or threatened any suit, action or proceeding by any Governmental Entity, in each case that has a reasonable likelihood of success:
 - (i) seeking to restrain or prohibit the consummation of the Plan of Arrangement or any of the transactions contemplated by this Agreement or seeking to obtain from any of the Parties any damages that are material in relation to Gold Canyon;
 - (ii) seeking to prohibit or materially limit the ownership or operation by First Mining or any of the First Mining Material Subsidiaries of any material portion of the business or assets of Gold Canyon or any Gold Canyon Subsidiary or to compel First Mining or any of the First Mining Material Subsidiaries to dispose of or hold separate any material portion of the business or assets of Gold Canyon or any Gold Canyon Subsidiary;
 - (iii) seeking to impose limitations on the ability of First Mining to acquire or hold or exercise full rights of ownership of any Gold Canyon Common

Shares, including the right to vote the Gold Canyon Common Shares on all matters properly presented to the shareholders of Gold Canyon;

- (iv) seeking to prohibit First Mining or any of the First Mining Material Subsidiaries from effectively controlling in any material respect the business or operations of Gold Canyon or any Gold Canyon Subsidiary; or

- (j) Gold Canyon shall have provided to First Mining, on or before the Effective Date, written resignations effective as of the Effective Time, from all directors and officers of Gold Canyon and such directors and officers of the Gold Canyon Subsidiaries as First Mining may request; and
- (k) SpinCo shall have agreed to take-over and assume all of the rights and obligations of Gold Canyon under the agreements between Gold Canyon and JOGMEC.

First Mining may not rely on the failure to satisfy any of the above conditions precedent as a basis for non-compliance by it with its obligations under this Agreement if the condition precedent would have been satisfied but for a material default by First Mining in complying with its obligations hereunder.

5.3 Additional Conditions Precedent to the Obligations of Gold Canyon and SpinCo. The obligations of Gold Canyon and SpinCo to complete the transactions contemplated by this Agreement shall also be subject to the satisfaction, on or before the Effective Date, of each of the following conditions precedent (each of which is for the exclusive benefit of Gold Canyon and may be waived by Gold Canyon and SpinCo):

- (a) all covenants and agreements of First Mining under this Agreement to be performed or observed on or before the Effective Date shall have been duly performed by First Mining in all material respects and Gold Canyon shall have received a certificate of First Mining addressed to Gold Canyon and dated the Effective Date, signed on behalf of First Mining by two senior executive officers of First Mining confirming the same as at the Effective Date;
- (b) the representations and warranties made by First Mining in this Agreement that are qualified by the expression “Material Adverse Change” or “Material Adverse Effect” shall be true and correct as of the date of this Agreement and as of the Effective Date as if made on and as of such date (except to the extent such representations and warranties speak as of a specified date which is earlier than the date of this Agreement, in which event such representations and warranties shall be true and correct in all respects as of such earlier specified date, or except as affected by transactions contemplated or permitted by this Agreement or otherwise consented to by Gold Canyon), and all other representations and warranties made by First Mining in this Agreement shall be true and correct in all respects as of the date of this Agreement and as of the Effective Date as if made on and as of such date (except to the extent such representations and warranties speak as of a specified date which is earlier than the date of this Agreement, in which event such representations and warranties shall be true and correct in all respects as of such earlier specified date, or except as affected by transactions contemplated or permitted by this Agreement or otherwise consented to by Gold Canyon), in either case, except where any failures or breaches of representations or warranties would not either, individually or in the aggregate, have a Material Adverse Effect on First Mining, *provided, however*, that no representation or warranty made by First Mining hereunder shall be deemed not to be true and correct if the facts or circumstances that make such representation or warranty untrue or incorrect are disclosed or referred to in the First Mining Disclosure Letter, or provided for or stated to be exceptions under this Agreement, and First Mining shall have provided to First Mining a certificate of two officers thereof certifying such accuracy or lack of Material Adverse Effect on the Effective Date;
- (c) from the date of this Agreement until the Effective Date, there shall not have occurred, and neither First Mining nor a First Mining Subsidiary shall have incurred or suffered, any one or more facts, circumstances, changes, effects, events or occurrences that, either individually, or in the aggregate have, or could reasonably be expected to have, a Material Adverse Effect on First Mining;
- (d) the board of directors of First Mining shall have adopted all necessary resolutions, and all other necessary corporate action shall have been taken by First Mining to permit the consummation of the Arrangement and the issue of the Consideration Shares, the Replacement Warrants and the Replacement Options and the First Mining Shares issuable upon the exercise from time to time of Replacement Warrants and Replacement Options; and

- (e) First Mining will have delivered to Gold Canyon a written conditional acceptance of the TSX-V for the listing of the the Consideration Shares and the First Mining Shares issuable upon the exercise from time to time of Replacement Warrants and Replacement Options.

Gold Canyon may not rely on the failure to satisfy any of the above conditions precedent as a basis for non-compliance by Gold Canyon with its obligations under this Agreement if the condition precedent would have been satisfied but for a material default by Gold Canyon in complying with its obligations hereunder.

5.4 **Notice and Cure Provisions.** Each Party will give prompt notice to the other of the occurrence, or failure to occur, at any time from the date hereof until the Effective Date, of any event or state of facts which occurrence or failure would, or would be reasonably likely to:

- (a) cause any of the representations or warranties of such Party contained herein to be untrue or inaccurate in any material respect between the date hereof and the Effective Date;
- (b) result in the failure to comply with or satisfy any covenant or agreement to be complied with or satisfied by such Party hereunder prior to the Effective Date; or
- (c) result in the failure to satisfy any of the conditions precedent in favour of the other Party hereto contained in Section 5.1, 5.2 and 5.3, as the case may be.

Subject as herein provided, a Party may elect not to complete the transactions contemplated hereby pursuant to the conditions precedent contained in Sections 5.1, 5.2 and 5.3 in favour of such Party, or exercise any termination right arising therefrom, if forthwith, and in any event prior to the Effective Date, such Party has delivered a written notice to the other specifying in reasonable detail all breaches of covenants, representations and warranties or other matters which the Party delivering such notice is asserting as the basis for the non-fulfillment of the applicable condition precedent or the exercise of the termination right, as the case may be. If any such notice is delivered and the Party receiving such notice is proceeding diligently to cure such matter, if such matter is susceptible to being cured, the Party delivering such notice may not terminate this Agreement until the earlier of the Outside Date and the expiration of a period of ten Business Days from such notice. If such notice has been delivered prior to the date of the Gold Canyon Meeting, such meeting shall be postponed until the expiry of such period. If such notice has been delivered prior to the making of the application for the Final Order, such application shall be postponed until the expiry of such period. For greater certainty, in the event that such matter is cured within the time period referred to herein, this Agreement may not be terminated as a result of such matter.

5.5 **Satisfaction of Conditions.** The conditions precedent set out in Sections 5.1, 5.2 and 5.3 shall be conclusively deemed to have been satisfied, waived or released when, with the approval of First Mining and Gold Canyon, the Arrangement is completed.

ARTICLE 6 AMENDMENT AND TERMINATION

6.1 **Amendment.** This Agreement may, at any time and from time to time before or after the holding of the Gold Canyon Meeting but not later than the Effective Date, be amended by mutual written agreement of the Parties hereto provided, however, that any such change, waiver or modification does not invalidate any required approval of the Gold Canyon Shareholders and the Gold Canyon Warrantholders to the Arrangement.

6.2 **Termination.**

- (a) This Agreement may, at any time before or after the holding of the Gold Canyon Meeting but not later than the Effective Date:
 - (i) be terminated by the mutual agreement of Gold Canyon and First Mining;
 - (ii) be terminated by either Gold Canyon or First Mining, if:
 - (A) the Gold Canyon Meeting is held and the Arrangement Resolution is not approved by the Gold Canyon Shareholders in accordance with applicable Laws and the Interim Order;
 - (B) there shall be passed any Law that makes consummation of the transactions contemplated by this Agreement illegal or otherwise prohibited or if any Governmental Entity shall have issued any injunction, order, decree or ruling enjoining First Mining or Gold Canyon from consummating the transactions contemplated by this Agreement and such injunction, order, decree or ruling shall become final and non-appealable;
 - (C) subject to Section 5.4, the other Party is in default of a covenant or obligation hereunder such that the conditions contained in Section 5.2(a) or 5.3(a), as applicable, would be incapable of satisfaction, provided the Party seeking to terminate this Agreement is not then in breach of this Agreement so as to cause any condition in favour of all Parties or in favour of the other Party not to be satisfied;
 - (D) subject to Section 5.4, any representation or warranty of the other Party under this Agreement is untrue or incorrect and shall have become untrue or incorrect such that the condition contained in Section 5.2(b) or 5.3(b), as applicable, would be incapable of satisfaction, provided that the Party seeking to terminate this Agreement is not then in breach of this Agreement so as to cause any condition in favour of both Parties or in favour of the other Party not to be satisfied; or
 - (E) the Effective Time does not occur on or prior to the Outside Date, provided that a Party may not terminate this Agreement pursuant to

this Section 6.2(a)(ii)(E) if the failure of the Effective Time to so occur has been a principal cause of, or is a result of, a breach by such Party of any of its representations or warranties or the failure of such Party to perform any of its covenants or agreements under this Agreement;

(iii) be terminated by First Mining:

- (A) if, through no fault of First Mining, the Arrangement shall not have been submitted for the approval of the Gold Canyon Shareholders on or before the Meeting Deadline in the manner provided for in Article 2 and in the Interim Order;
- (B) if Gold Canyon shall have effected a Change of Recommendation;
- (C) in order to accept, approve, recommend or enter into any agreement, understanding or arrangement with respect to a Superior Proposal, subject to compliance with Section 4.6 and Section 4.7 and the payment of the Termination Payment required to be paid pursuant to Section 6.3(b);
- (D) if Gold Canyon breaches any of the provisions of Section 4.4 or Section 4.5; or

(iv) be terminated by Gold Canyon:

- (A) in order to accept, approve, recommend or enter into any agreement, understanding or arrangement with respect to a Superior Proposal, subject to compliance with Section 4.4 and Section 4.5 and the payment of the Termination Payment required to be paid pursuant to Section 6.3(a); or
- (B) if First Mining breaches any of the provisions of Section 4.6 or Section 4.7.

(b) If this Agreement is terminated in accordance with the foregoing provisions of this Section 6.2, no Party shall have any further liability to perform its obligations hereunder, except as provided for in Section 6.3, which shall survive the termination of this Agreement or as otherwise contemplated hereby, and provided that, subject to Section 6.5, neither the termination of this Agreement nor anything contained in this Section 6.2(b) shall relieve any Party from any liability for any breach by it of this Agreement, including from any inaccuracy in its representations and warranties and any non-performance by it of its covenants made herein.

6.3 **Termination Payment.**

- (a) If a Gold Canyon Termination Payment Event occurs then Gold Canyon shall, at the applicable time specified by Section 6.3(e), pay to First Mining by wire transfer the Termination Payment in immediately available funds to an account designated by First Mining.
- (b) If a First Mining Termination Payment Event occurs then First Mining shall, at the applicable time specified by Section 6.3(e), pay to Gold Canyon by wire transfer the Termination Payment in immediately available funds to an account designated by Gold Canyon.
- (c) **“Gold Canyon Termination Payment Event”** means if:
 - (i) Gold Canyon shall have terminated this Agreement pursuant to Section 6.2(a)(iv)(A);
 - (ii) First Mining shall have terminated this Agreement pursuant to Section 6.2(a)(iii)(B); or
 - (iii) either Gold Canyon or First Mining shall have terminated this Agreement pursuant to Section 6.2(a)(ii)(A) or Section 6.2(a)(ii)(E), or First Mining shall have terminated this Agreement pursuant to Section 6.2(a)(iii)(A) or Section 6.2(a)(iii)(D), where with respect to any of the foregoing circumstances: (A) an Acquisition Proposal is publicly announced or made to Gold Canyon or the Gold Canyon Shareholders and is not publicly withdrawn prior to the earlier of the date of the Gold Canyon Meeting and the date of such termination; and (B) an Acquisition Proposal with respect to Gold Canyon or the Gold Canyon Shareholders is consummated within 12 months of such termination;
- (d) **“First Mining Termination Fee Event”** means if:
 - (i) First Mining shall have terminated this Agreement pursuant to Section 6.2(a)(iii)(C); or
 - (ii) Gold Canyon shall have terminated this Agreement pursuant to Section 6.2(a)(iv)(B) where (A) an Acquisition Proposal is publicly announced or made to First Mining or the First Mining Shareholders and is not publicly withdrawn prior to the date of such termination; and (B) an Acquisition Proposal with respect to First Mining or the First Mining Shareholders is consummated within 12 months of such termination.
- (e) The Termination Payment shall be due and payable by the applicable Party:
 - (i) in the case of a termination specified in clause (c)(i) or (d)(i), prior to or concurrent with the termination of this Agreement;

- (ii) in the case of a termination specified in clause (c)(ii), within three Business Days after written notice of termination by First Mining; or
 - (iii) in the case of a termination specified in clause (c)(iii) or (d)(ii), prior to or concurrent with the consummation of an Acquisition Proposal.
- (f) For greater certainty, no Party shall be obligated to make more than one payment pursuant to this Section 6.3.
- (g) In the event that Gold Canyon is required to pay the Termination Payment pursuant to Section 6.3(c)(iii) or First Mining is required to pay the Termination Payment pursuant to Section 6.3(d)(ii) in circumstances where it has previously paid the expense reimbursement fee set out in Section 6.3(h) or 6.3(i), as applicable, then the Termination Fee will be reduced by the amount of such expense reimbursement fee.
- (h) If (i) First Mining shall terminate this Agreement pursuant to Section 6.2(a)(ii)(D) or Section 6.2(a)(iii)(A) provided that First Mining is not in default of a covenant or obligation hereunder so as to cause any condition in favour of both Parties or in favour of Gold Canyon not to be satisfied, or (ii) either Gold Canyon or First Mining shall terminate this Agreement pursuant to Section 6.2(a)(ii)(A), then Gold Canyon shall pay to First Mining an expense reimbursement fee in an amount equal to its reasonable expenses actually incurred in connection with the Arrangement to a maximum of \$200,000 within five Business Days after delivery of evidence, reasonably acceptable to First Mining, of such expenses.
- (i) If Gold Canyon shall terminate this Agreement pursuant to Section 6.2(a)(ii)(D) provided that Gold Canyon is not in default of a covenant or obligation hereunder so as to cause any condition in favour of both Parties or in favour of First Mining not to be satisfied, then First Mining shall pay to Gold Canyon an expense reimbursement fee in an amount equal to its reasonable expenses actually incurred in connection with the Arrangement to a maximum of \$200,000 within five Business Days after delivery of evidence, reasonably acceptable to Gold Canyon, of such expenses.

6.4 **Liquidated Damages.** Gold Canyon and First Mining acknowledge that the damages set forth in this Article 6 are a genuine pre-estimate of the damages the other Party will suffer or incur as a result of the event giving rise to those damages and are not penalties. Each of the Parties irrevocably waives any right it may have to raise as a defence in any proceedings that any such damages are excessive, punitive or abusive.

6.5 **Remedies.** Subject to Section 6.6, the Parties hereto acknowledge and agree that an award of money damages would be inadequate for any breach of this Agreement by any Party or its Representatives and any such breach would cause the non-breaching Party irreparable harm. Accordingly, the Parties hereto agree that, in the event of any breach or threatened breach of this Agreement by one of the Parties, the non-breaching Party will also be entitled, without the requirement of posting a bond or other security, to equitable relief, including injunctive relief and

specific performance. Such remedies will not be the exclusive remedies for any breach of this Agreement but will be in addition to all other remedies available at law or equity to the Parties.

6.6 Effects of Termination Payment or Expense Reimbursement. For greater certainty, the Parties agree that the payment of the amount pursuant to Section 6.3 is the sole monetary remedy as a result of the occurrence of any of the events referred to in Section 6.3. Subject to the immediately preceding sentence, nothing in this Agreement shall preclude a Party from seeking damages in respect of losses incurred or suffered by such Party as a result of any breach of this Agreement by the other Party, seeking injunctive relief to restrain any breach or threatened breach of the covenants or agreements set forth in this Agreement or the Confidentiality Agreement or otherwise, or seeking specific performance of any of such covenants or agreements, without the necessity of posting bond or security in connection therewith.

ARTICLE 7 SPIN-OUT TRANSACTION

7.1 Covenants Regarding SpinCo. Gold Canyon unconditionally and irrevocably guarantees, in favour of First Mining, and covenants and agrees to be jointly and severally liable with SpinCo for the due and punctual performance of each and every obligation, covenant and agreement of SpinCo arising under this Agreement, the Arrangement, any agreements entered into by SpinCo to be performed by SpinCo prior to the Effective Date in connection with, ancillary to or to effect any transaction contemplated by this Agreement or the Arrangement and any amount of any judgment or award made against SpinCo for the benefit of First Mining. Gold Canyon shall, prior to the Effective Date, cause SpinCo to comply with all of SpinCo's obligations under or relating to the Arrangement and the transactions contemplated by this Agreement. Without limiting the generality of the foregoing, Gold Canyon shall, and shall cause SpinCo to:

- (a) apply for and use commercially reasonable efforts to obtain all consents and approvals required from any Governmental Entity or any other Person in order to consummate the Spin-Out Transaction pursuant to the Plan of Arrangement and, in doing so, keep First Mining reasonably informed as to the status of the proceedings related to obtaining such consents and approvals, including providing First Mining with copies of all related applications and notifications, in draft form in order for First Mining to provide its comments thereon, which shall be given due and reasonable consideration; and
- (b) use commercially reasonable efforts to ensure that the Section 3(a)(10) Exemption is available for the issuance of the SpinCo Shares and the SpinCo Warrants to be issued pursuant to the Plan of Arrangement and, in that regard, use its commercially reasonable efforts to comply, or assist Gold Canyon and First Mining in complying, with the provisions of Section 2.6.

7.2 SpinCo Indemnity. From the Effective Time, SpinCo hereby agrees to indemnify and save harmless First Mining, Gold Canyon and their subsidiaries, their affiliates, directors, officers, partners, employees, advisors, shareholders and agents (each an "**Indemnified**

Party”) from all losses suffered or incurred by an Indemnified Party as a result of or arising directly or indirectly out of or in connection with the Spin-Out Liabilities.

7.3 **SpinCo Indemnified Claims.** If any claim, proceeding, liability (including a liability for Taxes) or other matter resulting from the occurrence of any of the events contemplated by the Spin-Out Transaction (an “**Indemnified Claim**”) is made against an Indemnified Party by a third party for which the Indemnified Party may be entitled to indemnification, the Indemnified Party shall give notice (an “**Indemnity Notice**”) to SpinCo specifying the particulars of such Indemnified Claim within 20 days after it receives notification of the Indemnified Claim. SpinCo shall have the right to participate in any negotiations or proceedings with respect to any such Indemnified Claim. An Indemnified Party shall not settle or compromise any such Indemnified Claim without the prior written consent of SpinCo, unless SpinCo has not, within 20 Business Days after the receipt by SpinCo of the Indemnity Notice, given notice to the Indemnified Party that it wishes to dispute such Indemnified Claim. If SpinCo does give such a notice, it shall have the right to assume the defence of such Indemnified Claim and to defend such Indemnified Claim in the name of the Indemnified Party. An Indemnified Party shall provide to SpinCo all files, books, records and other information in their possession or control which may be relevant to the defence of such Indemnified Claim. If SpinCo fails after giving such notice, diligently and reasonably to defend such Indemnified Claim throughout the period such Indemnified Claim exists, its right to defend the Indemnified Claim shall terminate and the Indemnified Party may assume the defence of such Indemnified Claim. In such event, the Indemnified Party may assume the defence of such Indemnified Claim and may compromise or settle such Indemnified Claim without the consent of SpinCo.

7.4 **Treatment of Confidential Information.** SpinCo covenants and agrees that it shall, and shall cause its subsidiaries to, treat all exploration information, data, reports and studies including all geological, geophysical and geochemical information and data (including all drill, sample and assay results and all maps) and all technical reports, feasibility studies and other similar reports and studies concerning the Gold Canyon Material Properties in the same way SpinCo treats its own confidential information and shall use all commercially reasonable efforts to keep all such information confidential and shall not make or keep copies of such information or disclose any such information to anyone other than First Mining or First Mining’s Representatives without First Mining’s prior written consent unless in the opinion of outside legal counsel it is required to do so by Law, except that the foregoing shall not apply to information that: (i) at the time of its disclosure is generally available in the public domain; or (ii) enters the public domain and becomes generally available at any time after disclosure other than through a breach of the terms hereof by (A) SpinCo, (B) any of its subsidiaries or (C) any of SpinCo’s Representatives; or (iii) consists of general geological, geophysical, geochemical, metallurgical or operational concepts, models or principles.

7.5 **Survival.** If the Effective Date occurs, Sections 7.2 to 7.4 shall survive the termination of this Agreement and shall terminate on the date that is two years after the Effective Date.

or at such other address of which any party may, from time to time, advise the other parties by notice in writing given in accordance with the foregoing. The date of receipt of any such notice shall be deemed to be the date of delivery or telecopying thereof.

8.2 **Assignment.** Gold Canyon agrees that First Mining may assign all or any part of its rights under this Agreement to a wholly-owned direct or indirect subsidiary of First Mining, provided that First Mining shall continue to be liable jointly and severally with such subsidiary for all obligations hereunder. Subject to the foregoing, neither this Agreement nor any of the rights, interests or obligations hereunder may be assigned by any Party without the prior written consent of the other Party.

8.3 **Binding Effect.** This Agreement and the Arrangement shall be binding upon and shall enure to the benefit of the Parties hereto and their respective successors.

8.4 **Time of Essence.** Time is of the essence of this Agreement.

8.5 **Waiver and Modification.** Each of the Parties may waive or consent to the modification of, in whole or in part, any inaccuracy of any representation or warranty made to them hereunder or in any document to be delivered pursuant hereto and may waive or consent to the modification of any of the covenants herein contained for their respective benefit or waiver or consent to the modification of any of the obligations of the other Party hereto. Any waiver or consent to the modification of any of the provisions of this Agreement, to be effective, must be in writing executed by the Party granting such waiver or consent.

8.6 **Third Party Beneficiaries.** Except as provided in Section 4.10 which, without limiting its terms, is intended as stipulations for the benefit of the third parties mentioned in such provisions (such third parties referred to in this Section 8.6 as the “**Covered Persons**”) and except for the rights of the Gold Canyon Shareholders to receive the Consideration following the Effective Time pursuant to the Arrangement, the Parties intend that this Agreement will not

benefit or create any right or cause of action in favour of any Person, other than the Parties and that no Person, other than the Parties, shall be entitled to rely on the provisions of this Agreement in any action, suit, proceeding, hearing or other forum. Despite the foregoing, First Mining acknowledges to each of the Covered Persons their direct rights against it under Section 4.10 of this Agreement, which are intended for the benefit of, and shall be enforceable by, each Covered Person, his or her heirs and his or her legal representatives, and for such purpose, Gold Canyon confirms that it is acting as trustee on their behalf, and agrees to enforce such provisions on their behalf.

8.7 **Severability.** If any provision of this Agreement is determined by any court of competent jurisdiction to be illegal or unenforceable, that provision will be severed from this Agreement and the remaining provisions will continue in full force and effect so long as the economic or legal substance of the transactions contemplated herein is not affected in any material manner or would prevent or significantly impede or materially delay the completion of the Arrangement.

be deemed at all times after the Effective Time to represent only the right to receive upon such surrender (i) the certificates representing First Mining Shares and SpinCo Shares as contemplated by this Section 4.1, and (ii) any dividends or distributions with a record date after the Effective Time theretofore paid or payable with respect to First Mining Shares and SpinCo Shares as contemplated by Section 4.2.

4.2 **Distributions with Respect to Unsurrendered Certificates.** No dividends or other distributions declared or made after the Effective Time with respect to First Mining Shares and SpinCo Shares with a record date after the Effective Time shall be paid to the holder of any unsurrendered certificate which immediately prior to the Effective Time represented outstanding Gold Canyon Common Shares that were exchanged pursuant to Section 2.3(d)(i), unless and until the holder of record of such certificate shall surrender such certificate in accordance with Section 4.1. Subject to applicable law, at the time of such surrender of any such certificate (or in the case of clause (ii) below, at the appropriate payment date), there shall be paid to the holder of record of the certificates formerly representing whole Gold Canyon Common Shares, without interest, (i) the amount of dividends or other distributions with a record date after the Effective Time theretofore paid with respect to such whole First Mining Share or SpinCo Share and (ii) on the appropriate payment date, the amount of dividends or other distributions with a record date after the Effective Time but prior to surrender and a payment date subsequent to surrender payable with respect to such whole First Mining Share or SpinCo Share.

4.3 **Lost Certificates.** In the event any certificate which immediately prior to the Effective Time represented one or more outstanding Gold Canyon Common Shares that were exchanged pursuant to Section 2.3(d)(i) shall have been lost, stolen or destroyed, upon the making of an affidavit of that fact by the Person claiming such certificate to be lost, stolen or destroyed, the Depositary will issue in exchange for such lost, stolen or destroyed certificate, one or more certificates representing one or more First Mining Shares and SpinCo Shares (and any dividends or distributions with respect thereto) deliverable in accordance with such holder's Letter of Transmittal. When authorizing such payment in exchange for any lost, stolen or destroyed certificate, the Person to whom certificates representing First Mining Shares and SpinCo Shares are to be issued shall, as a condition precedent to the issuance thereof, give a bond satisfactory to First Mining, SpinCo and the Depositary in such sum as they may direct or otherwise indemnify First Mining, SpinCo and the Depositary in a manner satisfactory to each of them against any claim that may be made against them with respect to the certificate alleged to have been lost, stolen or destroyed.

4.4 **Extinction of Rights.** Any certificate which immediately prior to the Effective Time represented outstanding Gold Canyon Common Shares that were exchanged pursuant to Section 2.3(d)(i) and not deposited, with all other instruments required by Section 4.1 on or prior to the third anniversary of the Effective Date shall cease to represent a claim or interest of any kind or nature as a shareholder of First Mining or SpinCo. On such date, the First Mining Shares and SpinCo Shares to which the former registered holder of the certificate referred to in the preceding sentence was ultimately entitled shall be deemed to have been surrendered to First Mining or SpinCo, respectively, together with all entitlements to dividends, distributions and interest thereon held for such former registered holder. None of First Mining, SpinCo, Gold Canyon or the Depositary shall be liable to any person in respect of any First Mining Shares or

SpinCo Shares (or dividends, distributions and interest in respect thereof) delivered to a public official pursuant to any applicable abandoned property, escheat or similar law.

4.5 **Withholding and Sale Rights.** Each of First Mining, SpinCo and the Depositary shall be entitled to deduct and withhold from (i) any First Mining Shares, SpinCo Shares or other consideration otherwise issuable or payable pursuant to this Plan of Arrangement to any holder of Gold Canyon Common Shares, or (ii) any dividend or consideration otherwise payable to any holder of Gold Canyon Common Shares, First Mining Shares or SpinCo Shares such amounts as First Mining, SpinCo or the Depositary, respectively, is required to deduct and withhold with respect to such issuance or payment, as the case may be, under the ITA, the United States Internal Revenue Code of 1986 or any provision of provincial, state, local or foreign tax law, in each case as amended. To the extent that the amount so required to be deducted or withheld from the First Mining Shares, SpinCo Shares, dividends or consideration otherwise issuable or payable to a holder exceeds the cash portion of the consideration otherwise payable to such holder, each of First Mining, SpinCo and the Depositary is hereby authorized to sell or otherwise dispose of, at such times and at such prices as it determines, in its sole discretion, such portion of the First Mining Shares or SpinCo Shares otherwise issuable or payable to such holder as is necessary to provide sufficient funds to First Mining, SpinCo or the Depositary, as the case may be, to enable it to comply with such deduction or withholding requirement, and shall notify the holder thereof and remit to such holder any unapplied balance of the net proceeds of such sale or disposition (after deducting applicable sale commissions and any other reasonable expenses relating thereto) in lieu of the First Mining Shares, SpinCo Shares or other consideration so sold or disposed of. To the extent that amounts are so withheld or First Mining Shares or SpinCo Shares or other consideration are so sold or disposed of, such withheld amounts, or shares or other consideration so sold or disposed of, shall be treated for all purposes as having been paid to the holder of the shares in respect of which such deduction, withholding, sale or disposition was made, provided that such withheld amounts, or the net proceeds of such sale or disposition, as the case may be, are actually remitted to the appropriate taxing authority. None of First Mining, SpinCo or the Depositary shall be obligated to seek or obtain a minimum price for any of the First Mining Shares, SpinCo Shares or other consideration sold or disposed of by it hereunder, nor shall any of them be liable for any loss arising out of any such sale or disposition.

ARTICLE 5 AMENDMENTS

5.1 This Plan of Arrangement may be amended, modified and/or supplemented at any time and from time to time prior to the Effective Date, provided that each such amendment, modification and/ or supplement must be (i) set out in writing, (ii) approved by First Mining and Gold Canyon (on its own behalf and on behalf of SpinCo), (iii) filed with the Court and, if made following the Meeting, approved by the Court, and (iv) communicated to holders of Gold Canyon Securities if and as required by the Court.

5.2 Any amendment, modification or supplement to this Plan of Arrangement may be proposed by Gold Canyon at any time prior to the Meeting (provided that First Mining shall have consented thereto) with or without any other prior notice or communication, and if so proposed and accepted by the Persons voting at the Meeting (other than as may be required under the Interim Order), shall become part of this Plan of Arrangement for all purposes.

5.3 Any amendment, modification or supplement to this Plan of Arrangement that is approved by the Court following the Meeting shall be effective only if (i) it is consented to by each of Gold Canyon (on its own behalf and on behalf of SpinCo) and First Mining, and (ii) if required by the Court, it is consented to by the Gold Canyon Shareholders and the Gold Canyon Warrantholders voting in the manner directed by the Court.

5.4 Any amendment, modification or supplement to this Plan of Arrangement may be made following the Effective Date unilaterally by First Mining, provided that it concerns a matter which, in the reasonable opinion of First Mining, is of an administrative nature required to better give effect to the implementation of this Plan of Arrangement and is not adverse to the financial or economic interests of any holder of Gold Canyon Securities.

5.5 This Plan of Arrangement may be withdrawn prior to the occurrence of any of the events in Section 2.3 in accordance with the terms of the Arrangement Agreement.
