Dear Sirs/Mesdames:

**Re: Irving Resources Inc.
National Instrument 43-101 – *Standards of Disclosure for Mineral Projects* (the
“Policy”) – Voluntary Filing of Technical Report**

We advise that the report entitled *Independent Technical Report on the Omu Property, Hokkaido, Japan* dated November 6, 2018 (the “**Technical Report**”), filed today under our profile on SEDAR, has not been filed in response to a requirement under the Policy but rather has been filed on a voluntary basis to supplement our continuous disclosure record.

Yours truly,

Irving Resources Inc.
