Attention: Penny Green
President & Director

Dear Sirs:

Re: Glance Technologies Inc. – Rights Offering of a Minimum of 5,000,000 Units and a Maximum of 10,795,054 Units

Mackie Research Capital Corporation (the “**Soliciting Dealer**”) understands that Glance Technologies Inc. (the “**Corporation**”) proposes to issue 64,770,329 transferable rights (“**Rights**”) to the holders of its common shares (“**Common Shares**”) of record as at the close of business on March 29, 2017 (the “**Record Date**”) entitling the holders thereof to subscribe for and purchase units (“**Units**”) of the Corporation. Holders of Common Shares will receive one Right for each Common Share held on the Record Date. Six (6) Rights and the payment of the exercise price of \$0.20 per Unit entitles the holder to purchase one Unit of the Corporation. Each Unit will be comprised of one Common Share and one common share purchase warrant (“**Warrant**”) of the Corporation. Each Warrant will entitle the holder to subscribe for and purchase one additional Common Share for a period expiring on the 24 month anniversary of the Closing Date, at an exercise price of \$0.23 per Common Share during the period expiring on the 6 month anniversary of the Closing Date and at an exercise price of \$0.25 thereafter.

The Soliciting Dealer further understands that the Corporation desires to distribute on the exercise of the Rights a minimum of 5,000,000 Units for aggregate gross proceeds of \$1,000,000 (the “**Minimum Offering**”) and up to a maximum of 10,795,054 Units for aggregate gross proceeds of \$2,159,010 (the “**Maximum Offering**”).

In addition, the Soliciting Dealer has agreed to a limited stand-by commitment whereby it shall purchase up to but not exceeding \$1,000,000 worth of Units (the “**Stand-by Guarantee**”) to ensure that the Minimum Offering is attained. For example, if the Corporation has received subscriptions for \$600,000 of Units by the Rights Expiry Date, then the Soliciting Dealer shall be obligated to purchase \$400,000 of Units under the Stand-by Guarantee in order to complete the Minimum Offering.

Upon and subject to the terms and conditions contained herein, the Soliciting Dealer agrees to act, and the Corporation appoints the Soliciting Dealer, as the sole and exclusive soliciting dealer of the Corporation to solicit the exercise of Rights in the Eligible Jurisdictions, provided that the Soliciting Dealer shall be obligated only to use its commercially reasonable efforts to solicit the exercise of the Rights in the Eligible Jurisdictions and shall be under no obligation to purchase Units as principal except as contemplated by the Stand-by Guarantee.

The Soliciting Dealer shall also have the right, but not the obligation, to purchase (the “**Top-up Right**”) such number of Units that is equal to the number of Units for which the Corporation has not received subscriptions by the close of business on the Expiry Date (the “**Offering Shortfall**”). The Top-up Right may be exercised by the Soliciting Dealer, in its sole discretion in whole, or in part, or not at all, within two business days following receipt of notice of the Offering Shortfall from the Corporation. For example, if the Offering Shortfall is \$200,000 (i.e. as at the Rights Expiry Date the Corporation has received subscriptions for Units that is \$200,000 less than the Maximum Offering) then the Corporation shall provide notice of the Offering Shortfall to the Soliciting Dealer whom may elect to purchase up to \$200,000 of Units under the Top-up Right. For greater certainty, the Soliciting Dealer shall not be obligated to purchase any Units under the Top-up Right.

The Soliciting Dealer will have the exclusive authority to appoint other registered dealers (or other dealers duly qualified in their respective jurisdictions) as Selling Firms (as defined hereinafter) to assist in the distribution contemplated hereby. The Soliciting Dealer shall have the right to determine the remuneration payable by the Soliciting Dealer to Selling Firms appointed by it provided that the fees or remuneration payable to such other Selling Firms shall be solely for the account of the Soliciting Dealer.

In consideration of the agreement of the Soliciting Dealer to solicit the exercise of Rights and of the services rendered and to be rendered by the Soliciting Dealer in connection therewith, including (i) assisting in the preparation of the Notice and Circular and the other documents relating to the distribution of the Rights and the Units, (ii) forming and managing selling or other groups for the distribution of the Rights and the Units, and (iii) effecting the solicitation of the exercise of Rights, directly and through other registered dealers and brokers, the Corporation agrees to pay the Corporate Finance Fee, the Soliciting Dealer’s Fee and issue the Soliciting Dealer’s Option to the Soliciting Dealer as provided herein.

proceeds to the Corporation or to any affiliated entity, joint venture partner or other person or entity, to finance any investments in, or make any payments to, any country or person targeted by any of the sanctions of the United States;

- (cc) except as disclosed in the Public Record, the Corporation does not owe any amount to, nor has the Corporation any present loans to, or borrowed any amount from or is otherwise indebted to, any officer, director, employee or securityholder of any of them or any person not dealing at “arm’s length” (as such term is defined in the *Income Tax Act* (Canada)) with any of them except for usual employee reimbursements and compensation paid or other advances of funds in the ordinary and normal course of the business of the Corporation. Except employee or consulting arrangements made in the ordinary and normal course of business, the Corporation is not a party to any contract, agreement or understanding with any officer, director, employee or securityholder of any of them or any other person not dealing at arm’s length with the Corporation. Except as described in the Public Record, no officer, director, employee or securityholder of the Corporation has any cause of action or other claim whatsoever against, or owes any amount to, the Corporation except for claims in the ordinary and normal course of the business of the Corporation such as for accrued vacation pay or other amounts or matters which would not be material to the Corporation; and

9. Closing

9.1 The closing shall take place at the Closing Time at the offices of Miller Thomson LLP in Vancouver, British Columbia, or at such other time and place as may be agreed to in writing by the Corporation and the Soliciting Dealer. At the Closing Time, provided the Minimum Subscription is obtained, the Corporation shall deliver to the Soliciting Dealer (i) a certified cheque or bank draft representing the balance of the Corporate Finance Fee and the Soliciting Dealer’s Fee; (ii) a certified cheque or bank draft representing the reasonable fees and disbursements of counsel to the Soliciting Dealer, subject to the limitations set forth in Section 14.2; and (iii) a certificate representing the Soliciting Dealer’s Option registered in the name of the Soliciting Dealer.

9.2 The Corporation may not reject any proposed Subscriber for Units made in compliance with the terms of the Offering, unless the number of Units subscribed for exceeds the Maximum Offering to be sold under this Agreement, (in which case subscriptions shall, in consultation with the Soliciting Dealer, be rejected or reduced) or if the acceptance thereof would not be in compliance with Securities Laws or would be contrary to the provisions hereof.

10. Conditions Precedent

10.1 The following are conditions precedent to the obligation of the Soliciting Dealer hereunder which conditions the Corporation covenants to exercise its best efforts to have fulfilled at or prior to the Closing Time and which conditions may be waived in writing in whole or in part by the Soliciting Dealer at any time. If any of the conditions are not met, the Soliciting Dealer may terminate its obligations under this Agreement without prejudice to any other remedies it may have. At the Closing Time:

- (a) the Soliciting Dealer shall have received a certificate of the Corporation, dated the Closing Date, signed on behalf of the Corporation by its Chief Executive Officer and Chief Financial Officer or such other senior officers satisfactory to the Soliciting Dealer, certifying that:
- (i) the Corporation has complied with and satisfied all covenants, terms and conditions of this Agreement on its part to be complied with or satisfied at or prior to the Closing Time;
 - (ii) the representations and warranties of the Corporation contained herein are true and correct as of the Closing Time with the same force and effect as if made at and as of the Closing Time;
 - (iii) no event of a nature referred to in Section 11.1(a), (b) or (c) has occurred since the date of this agreement or to the knowledge of such officers, is pending, contemplated or threatened;
 - (iv) the Corporation has made and/or obtained, on or prior to the Closing Time, all necessary filings, approvals, consents and acceptances of applicable regulatory authorities and under any applicable agreement or document to which the Corporation is a party or by which it is bound in respect of the execution and delivery of this Agreement, the Custodial Agreement, the Warrant Indenture, the agreement pertaining to the Soliciting Dealer's Option and the consummation of the other transactions contemplated herein and therein; and
 - (v) there has been no material adverse change (actual, anticipated, contemplated or threatened (of which such officers are aware), whether financial or otherwise) to such date in its business, affairs, operations, assets, liabilities (contingent or otherwise), capital or prospects of the Corporation from that disclosed in the Circular;
- and the Soliciting Dealer shall have no knowledge to the contrary;
- (b) the Corporation shall have provided to the Soliciting Dealer evidence that the Rights, the Underlying Shares and the Warrants (subject to meeting the Exchange's minimum listing requirements) have been accepted for listing, as applicable, and will be posted for trading on the Exchange within one day of the Closing Date;
- (c) the Soliciting Dealer shall have received a legal opinion of the Corporation's counsel, addressed to the Soliciting Dealer and the Soliciting Dealer's counsel, in form and substance satisfactory to the Soliciting Dealer and its counsel, acting reasonably, with respect to such matters as the Soliciting Dealer may reasonably request relating to the Offering including, without limitation, that:
- (i) the Corporation has been incorporated and is subsisting under the laws of the jurisdiction of its incorporation and has all requisite corporate power and capacity to carry on its business as now conducted by it and to own its properties and assets and is qualified to carry on business under the

laws of each jurisdiction in which the nature of its business carried on by it in such jurisdiction makes such qualification necessary;

- (ii) the Corporation has full corporate power and capacity to issue the Rights, Warrants, Soliciting Dealer's Option and Underlying Shares and the distribution of such securities has been duly approved and authorized;
- (iii) the Underlying Shares will be, when the Rights, Warrants and Soliciting Dealer's Option are exercised in accordance with their respective terms, fully paid and non-assessable Common Shares in the capital of the Corporation;
- (iv) the Underlying Shares have been conditionally approved for listing on the Exchange;
- (v) the Corporation has full corporate power and capacity to enter into this Agreement, the Warrant Indenture, the Custodial Agreement and an agreement pertaining to the Soliciting Dealer's Option, and to perform its obligations set out herein and therein, and this Agreement, the Warrant Indenture, the Custodial Agreement and an agreement pertaining to the Soliciting Dealer's Option have been duly authorized, executed and delivered by the Corporation and constitute legal, valid and binding obligations of the Corporation enforceable against the Corporation in accordance with their respective terms subject to the usual qualifications including laws relating to creditors' rights generally and except that rights to indemnity and contribution may be limited by applicable law;
- (vi) the execution and delivery of this Agreement, the Warrant Indenture, the Custodial Agreement and an agreement pertaining to the Soliciting Dealer's Option and the fulfilment of the terms hereof and thereof by the Corporation, and the performance of and compliance with the terms of this Agreement, the Warrant Indenture, the Custodial Agreement and an agreement pertaining to the Soliciting Dealer's Option by the Corporation do not and will not result in a breach of, or constitute a default under, and do not and will not create a state of facts which, after notice or lapse of time or both, will result in a breach of or constitute a default under, any applicable laws or any term or provision of the articles and by-laws or resolutions of the directors and shareholders of the Corporation of which such counsel is aware, or any indenture, contract, agreement (written or oral), instrument, lease or other document to which the Corporation is a party or by which it is bound on the Closing Date, of which such counsel is aware, which might reasonably be expected to materially adversely affect the business, operations, capital or condition (financial or otherwise) of the Corporation or its assets;
- (vii) the form and terms of the definitive certificates representing the Rights, the Common Shares, the Warrants and the Soliciting Dealer's Option have been approved and adopted by the directors of the Corporation and comply with all legal requirements relating thereto;

- (viii) all Securities Laws of the Eligible Jurisdictions and all corporate and other laws applicable to the Corporation in connection with the creation, offering, issuance and sale of the Rights, the Underlying Shares, the Warrants and the Soliciting Dealer's Option have been complied with, assuming distribution by registrants who comply with the relevant provisions of Securities Laws in the Eligible Jurisdictions;

and additionally, relating to:

- (ix) the authorized and issued capital of the Corporation; and
- (x) the distribution of the Rights, the Underlying Shares, the Warrants and the Soliciting Dealer's Option;

and as to all other legal matters, including compliance with the Securities Laws, in any way connected with the creation, issuance, sale and delivery of the Rights, Warrants, Soliciting Dealer's Option and Underlying Shares as the Soliciting Dealer's counsel may reasonably request.

It is understood that the Corporation's counsel may rely on the opinions of local counsel acceptable to them and on certificates of officers of the Corporation as to relevant matters of fact. It is further understood that the Soliciting Dealer's counsel may rely on the opinion of the Corporation's counsel as to matters which specifically relate to the Corporation and Offering, including the creation, offering, issuance and sale of the Rights, Warrants, Soliciting Dealer's Option and Underlying Shares.

11. Termination

11.1 In addition to any other remedies which may be available to the Soliciting Dealer, the Soliciting Dealer shall be entitled, at its option, to terminate and cancel its obligations under this Agreement, without any liability on its part, if prior to the Closing Time:

- (a) any order to cease or suspend trading in any securities of the Corporation, or prohibiting or restricting the distribution of the Units or the Soliciting Dealer's Option is made, or proceedings are announced or commenced for the making of any such order, by any Securities Commission or similar regulatory authority, and has not been rescinded, revoked or withdrawn;
- (b) any inquiry, action, suit, investigation (formal or informal) or other proceeding is commenced, threatened or announced or any order is issued under or pursuant to any law or there is any change of law or the interpretation or administration thereof, which, in the reasonable opinion of the Soliciting Dealer, operates or could operate to prevent or restrict trading in or distribution of the Units (or any securities comprising the Units) or any of them;
- (c) the Corporation shall be in breach of, default under or non-compliance with any material representation, warranty, covenant, term or condition of this Agreement;
- (d) there should develop, occur or come into effect or existence any event, action, state, condition or major financial occurrence of national or international

consequence or any action by government, law, regulation, inquiry or other occurrence of any nature whatsoever which, in its reasonable opinion, materially adversely affects or could materially adversely affect the financial markets or the business, operations or affairs of the Corporation taken as a whole;

- (e) the state of financial markets is such that, in its reasonable opinion, the distribution of the Units should not proceed; or
- (f) the Soliciting Dealer is not satisfied with the results of any due diligence investigations and examinations with respect to the Corporation conducted by or on behalf of the Soliciting Dealer.

Any such termination shall be effected by giving written notice to the Corporation at any time prior to the Closing Time. In the event of a termination by the Soliciting Dealer pursuant to this Section 11.1, there shall be no further liability on the part of the Soliciting Dealer or the Corporation except in respect of the payment of such of the expenses referred to in Article 14 payable by the Corporation as shall previously have been incurred and any liability of the Corporation to the Soliciting Dealer which may have arisen or may thereafter arise under Article 13.

12. Conditions

12.1 All terms and conditions of this Agreement shall be construed as conditions, and any breach of or failure to comply in any material respect with any of such terms or conditions which are for the benefit of the Soliciting Dealer shall entitle the Soliciting Dealer to terminate its obligations to solicit the exercise of the Rights by giving notice in writing to that effect to the Corporation at or prior to the Closing Time. The Soliciting Dealer may waive in whole or in part or extend the time for compliance with any of such terms and conditions without prejudice to its rights in respect of any other of such terms and conditions or any other or subsequent breach or non-compliance, provided that to be binding on the Soliciting Dealer any such waiver or extension must be in writing.

13. Indemnity

13.1 The Corporation agrees to indemnify and hold harmless the Soliciting Dealer, its subsidiaries and affiliates and its directors, officers, employees, partners, agents, each other person, if any, controlling the Soliciting Dealer, or any of its subsidiaries, affiliates and each shareholder of the Soliciting Dealer (collectively, the "Indemnified Parties" and individually, an "Indemnified Party"), from and against any and all losses, expenses, claims (including securityholder actions, derivative or otherwise), actions, damages and liabilities (other than losses of profits or opportunities or consequential or punitive damages), joint or solidary, including without limitation the aggregate amount paid in settlement with the Corporation's consent (such consent not to be unreasonably withheld) of any actions, suits, proceedings, investigations or claims and the reasonable fees, disbursements, taxes and expenses of their counsel (collectively, the "Losses") that may be suffered by, imposed upon or asserted against an Indemnified Party as a result of, in respect of, connected with or arising out of any action, suit, proceeding, investigation or claim that may be made or threatened by any person or in enforcing this indemnity (collectively the "Claims"), which an Indemnified Party may incur, insofar as the Claims relate to, are caused by, result from, arise out of or are based upon, directly or indirectly, the matters referred to in this Agreement. The Corporation agrees to waive any right the Corporation may have of first requiring an Indemnified Party to proceed against or

enforce any other right, power, remedy or security or claim payment from any other person before claiming under this indemnity. This indemnity is not available to any Indemnified Party to the extent any Losses suffered by the Corporation are determined by a court of competent jurisdiction in a final judgment that has become non-appealable to have resulted primarily from such Indemnified Party's breach of agreement, gross negligence, fraud or willful misconduct. In the event and to the extent that a court of competent jurisdiction in final judgment that has become non-appealable determines that an Indemnified Party was grossly negligent, fraudulent or guilty of willful misconduct in connection with a Claim in respect of which the Corporation has advanced funds to the Indemnified Party pursuant to this indemnity, such Indemnified Party will reimburse such funds to the Corporation and thereafter this indemnity will not apply to such Indemnified Party in respect of such Claim. No admission of liability and no settlement, compromise or termination of any Claim will be made without the Corporation's consent and the consent of the Indemnified Parties affected, such consents not to be unreasonably withheld; provided, however, that no consent of an Indemnified Party will be required if the Corporation has acknowledged in writing that the Indemnified Parties are entitled to be indemnified in respect of such Claim and such settlement, compromise, consent or termination includes an unconditional release of each Indemnified Party from any liabilities arising out of such Claim without any admission of negligence, misconduct, liability or responsibility by or on behalf of any Indemnified Party.

13.2 Promptly after receiving notice of a Claim against the Soliciting Dealer or any other Indemnified Party or receipt of notice of the commencement of any investigation which is based, directly or indirectly, upon any matter in respect of which indemnification may be sought from the Corporation, the Soliciting Dealer or any such other Indemnified Party will notify the Corporation in writing of the particulars thereof, provided that the omission so to notify the Corporation shall not relieve the Corporation of any liability which the Corporation may have to the Soliciting Dealer or any other Indemnified Party except and only to the extent that any such delay in or failure to give notice as herein required prejudices the defense of such Claim or results in any material increase in the liability which the Corporation has under this indemnity. The Corporation shall conduct and control, through counsel of its own choosing (which counsel shall be promptly employed and reasonably satisfactory to the Soliciting Dealer) and at its own expense, the settlement or defense of the Claim. If the Corporation undertakes, conducts and controls the settlement or defense of the Claim, the relevant Indemnified Parties shall have the right to participate in the settlement or defense of the Claim.

13.3 The Corporation also agrees to reimburse an Indemnified Party for the time spent by their personnel in connection with any Claim at their normal per diem rates. An Indemnified Party may retain counsel to separately represent them in the defense of a Claim, which shall be at the expense of the Indemnified Party unless (i) the Corporation does not promptly assume the defense of the Claim in a reasonable period of time after receiving actual notice of the Claim, (ii) the Corporation agrees in writing to separate representation or (iii) an Indemnified Party is advised by counsel that there is an actual or potential conflict in the Corporation's and the Indemnified Party's interests or additional defenses are available to the Indemnified Party which makes representation by the same counsel inappropriate.

13.4 If for any reason the foregoing indemnity is unavailable (other than in accordance with the terms hereof) to the Soliciting Dealer or any other Indemnified Party or insufficient to hold the Soliciting Dealer and any other Indemnified Party harmless in respect of a Claim, the Corporation shall contribute to the amount paid or payable by the Soliciting Dealer or any other Indemnified Party as a result of such Claim in such proportion as is appropriate to reflect the relative benefits received by the Corporation on the one hand and the Soliciting Dealer or any

other Indemnified Party on the other hand, or if such allocation is determined by a court of competent jurisdiction to be unavailable, the Corporation shall contribute to such amount paid by any such Indemnified Party in such proportion as is appropriate to reflect both the relative fault of the Corporation, the Soliciting Dealer or any other Indemnified Party as well as any relevant equitable considerations; provided that the Corporation shall in any event contribute to the amount paid or payable by the Soliciting Dealer or any other Indemnified Party as a result of such Claim any excess of such amount over the amount of the fees received by an Indemnified Party under this Agreement.

13.5 The Soliciting Dealer hereby accepts on behalf of the other Indemnified Parties the Corporation's covenants under this indemnity with respect to those persons and the Soliciting Dealer agrees to act as agent and representative on behalf of such persons in connection with the enforcement of same.

13.6 The obligations of the Corporation hereunder are in addition to any liabilities which the Corporation may otherwise have to the Soliciting Dealer or any other Indemnified Party. All obligations and liabilities hereunder of each entity included in the definition of the Corporation shall be joint and several and as a principal and not as a surety.

14. Commission, Fees and Expenses

14.1 In consideration for its services hereunder, the Corporation agrees to pay to the Soliciting Dealer:

- (a) a corporate finance fee of \$30,000, plus applicable taxes (the "**Corporate Finance Fee**"), all of which Corporate Finance Fee shall be payable to the Soliciting Dealer at the Closing Time;
- (b) a cash commission (the "**Soliciting Dealer's Fee**") equal to 10% of the aggregate gross proceeds raised under the Offering, such fee shall be payable to the Soliciting Dealer at the Closing Time; and
- (c) the Corporation shall issue the Soliciting Dealer's Option to the Soliciting Dealer at the Closing Time.

For greater certainty, in the event the transaction contemplated by this Agreement is not completed for any reason whatsoever, no further fees or securities shall be payable or issuable to the Soliciting Dealer.

14.2 If the transactions contemplated by this Agreement are completed, all expenses of or incidental to the issue and offering of the Units shall be borne by the Corporation, including, subject to the provisions hereof, the Soliciting Dealer's out-of-pocket expenses, the reasonable fees (not to exceed \$50,000 exclusive of tax) and disbursements of counsel for the Soliciting Dealer and applicable taxes thereon, expenses payable in connection with the distribution of the Rights, the Units and the Soliciting Dealer's Option in the Eligible Jurisdictions, the fees and expenses of counsel for the Corporation, the costs relating to road show meetings and presentations, listing fees, and all costs incurred in connection with the preparation, printing and delivery of the Circular.

14.3 If the transactions contemplated by this Agreement are not completed for any reason whatsoever other than a breach of this Agreement by the Soliciting Dealer, all such expenses of

or incidental to the issue of the Rights and the distribution of the Units shall be borne by the Corporation, including, without limitation, the foregoing listed expenses.
