GLANCE NAMED IN TOP 25 UP & COMERS IN THE BRANHAM300 ANNUAL LIST OF TOP TECHNOLOGY COMPANIES IN CANADA

May 31, 2017 – Vancouver, B.C. – Glance Technologies Inc. (CSE:GET.CN), (OTCQB:GLNNF), (CSE:GET.WT), (FKT:GJT) is proud to announce its placing as one of the Top 25 Up and Comers on Branham300's annual list of top technology companies in Canada. The Branham300 is one of the most widely referenced and comprehensive listing of top publically traded and privately held organizations operating in the Canadian Information and Communication Technology (ICT) industry.

"Glance is honored to be part of the top 25 most promising tech companies across Canada making an impact through their early successes, creativity, and innovation," says Glance CEO Desmond Griffin, "It is inspiring to be recognized for our efforts disrupting payments and rewards in the restaurant and retail sectors."

"I am again impressed by the performance of Canada's technology community. The sector has set another revenue record, as measured by our Top 250 ranking of Canadian companies, and the younger companies that comprise our Top 25 Up and Comer list show great promise and will help build our innovation economy." said Wayne Gudbranson, CEO of Branham Group, "The companies that comprise the Branham300 have a lot of reasons to be proud."

As Glance expands and scales up its innovative technology for settling bills, tracking expenses, and providing loyalty programs, it is motivated by this latest award to continue to revolutionize the restaurant & retail industries. With recent announcements of zero fraud history, mobile order capabilities, remote payment applications, and new ventures in social media marketing services, events, and retail payments, Glance is continuing its rise in adoption by merchants and trajectory as a recognized mobile payment solution in North American markets.
