BTV to Feature Glance in a Weekend Segment Exploring Blockchain Companies

Feb 8, 2018 – Vancouver, B.C. – Glance Technologies Inc. (CSE: GET:CN / CSE:GET.WT / OTCQB: GLNNF / FKT: GJT) announced today that the Company will be featured in a BTV special segment on Blockchain opportunities to air Saturday, February 10 and Sunday Feb 11, 2018.

Over the weekend BTV will feature Glance, where they will meet management and discuss Glance's leading consumer-based blockchain solutions and mobile pay apps, as well Glance Coin, its planned rewards-based cryptocurrency. Through Glance Coin, consumers will gain access to a network of merchants who accept the coin and offer member-only rewards that help consumers build a crypto account with every dollar they spend. **See Feature:** <http://www.b-tv.com/glance-technologies-feature-ep-323/>

BTV-Business Television, a weekly investor program, features emerging companies and top analysts across the US and Canada. With Host, Taylor Thoen, BTV goes on location, interviewing key executives and showcasing their business to give investors insight and help them grow their portfolio. BTV is broadcast internationally to millions on TV via BNN, US Biz Network and Air Canada and top financial sites including: Bloomberg, Yahoo Finance, TMX Money, BNN.ca, Reuters, Globe Investor, OTC Markets, The National Post, MarketWatch, Stockhouse.com, etc.

This week's feature will include five blockchain companies including Glance. **See Feature:** <http://www.b-tv.com/glance-technologies-feature-ep-323/>

Forward-Looking Statements

This press release contains forward-looking information or forward-looking statements (collectively "forward- looking information") within the meaning of applicable securities laws. Forward- looking information is typically identified by words such as: "may", "believe", "thinks", "expect", "exploring", "expand", "could", "anticipate", "intend", "estimate", "plan", "pursue", "potentially", "should", "will" and similar expressions, or are those, which, by their nature, refer to future events. These statements, which involve risks and uncertainties, relate to the discussion of Glance's business strategies and its expectations concerning future operations, margins, sales, new products, new licensing arrangements, potential acquisitions, use of proceeds, expenses, profitability, liquidity and capital resources and to analyses and other information that are based on forecasts of future results and estimates of amounts not yet determinable. A complete discussion of such risk factors and their potential effects which may be accessed through the Glance's profile on SEDAR at www.sedar.com. Glance cautions investors that any forward-looking information provided by Glance is not a guarantee of future results or performance, and that actual results may differ materially from those in forward-looking statements. Undue reliance should not be placed on such forward-looking information, as there can be no assurance that the plans, intentions or expectations upon which they are based will occur. In particular, Glance may not be successful in building its planned cryptocurrency or there may not be sufficient support for the cryptocurrency to make it a success.
