"We are extremely humbled and grateful to be recognized by the highly acclaimed Stevie Awards," says Desmond Griffin, CEO of Glance Technologies. "Glance sets the pace for the industry by bringing to the market secure mobile payments, stronger customer relationships, and blockchain-enhanced loyalty rewards. We wish to thank the Stevie Awards for the honour they have paid to our innovative solutions and our world-class team."

Nicknamed the Stevies for the Greek word for "crowned," the awards will be presented to winners at a gala awards banquet at the InterContinental London Park Lane Hotel in London, England on 20 October.

More than 3,900 nominations from organizations of all sizes and in virtually every industry were submitted this year for consideration in a wide range of categories, including Company of the Year, Marketing Campaign of the Year, Best New Product or Service of the Year, Startup of the Year, Corporate Social Responsibility Program of the Year, and Executive of the Year, among others.

Stevie Award winners were determined by the average scores of more than 270 executives worldwide who participated on 12 juries.

"This year's Stevie Award winners in the IBAs are the most distinguished group of winners

we've had yet," said Michael Gallagher, president and founder of the Stevie Awards. "We raised the minimum average score from the judges required to qualify as a Stevie winner, so 2018 winners should be especially proud of their achievements. We look forward to presenting their Stevies to them in London on October 20, and to telling their stories over the coming year through Stevie Awards media."
