

GLANCE TECHNOLOGIES AND BREWHOUND ANNOUNCE NEW PARTNERSHIP FOR HAPPY HOUR PORTAL

August 16, 2018 – Vancouver, B.C. – Glance Technologies Inc. (CSE:GET.CN) (CSE:GET.WT) (OTCQB:GLNNF) (FKT:GJT) and Brewhound Inc. are pleased to jointly announce that they have entered into a cross-licensing and co-branding agreement to integrate brewhound – The Happy Hour App, Vancouver’s premier Happy Hour platform, and the Glance Pay mobile payments solution.

The new partnership will allow for two-way integration between the Glance Pay and brewhound apps, empowering users to seamlessly switch between, and enjoy the advantages of each interface for a faster, easier, more integrated way to enjoy cuisine and entertainment to its fullest.

By combining the strengths of these two successful made-in-Vancouver mobile apps, users of brewhound and Glance Pay get a one-stop-shop for a successful night on the town: a geo-located portal for finding the best Happy Hour deals at more than 650 locations, and a faster, easier, smarter way to settle the bill.

“brewhound and Glance Pay are both based on the idea that great experiences matter. By combining the brewhound platform with Glance Pay’s innovative payment solutions, we can offer a powerful tool to help people enjoy those experiences.” says brewhound’s CEO & Co-Founder Ashiq Ahamed.

Glance Pay users in Vancouver will soon start seeing the best deals and promotions in their area from hundreds of establishments across the city, while users on brewhound will be able to easily identify Glance-partnered locations while browsing for the best Happy Hour deals nearby.

“With all the possibilities and opportunities arising from our new cross-integration and partnership, we at Glance are excited to join forces with brewhound to bring a truly next-level tool to Glance Pay that will enhance the user experience,” says Glance Technologies CEO & Co-Founder Desmond Griffin.

The cross-integration is now live for Glance Pay and brewhound users to explore and can be accessed via the Glance Pay app and on the web at <http://bit.ly/GlanceBrewhound>.

About Glance Technologies Inc.

Glance owns and operates Glance Pay, a streamlined payment system that revolutionizes how smartphone users choose where to shop, order goods and services, make payments, access digital receipts, redeem digital deals, earn great rewards & interact with merchants. Glance offers targeted in-app marketing, geo-targeted digital coupons, customer feedback, in-merchant messaging and custom rewards programs. The Glance Pay mobile payment system consists of proprietary technology, which includes user apps available for free downloads in iOS (Apple) and Android formats, merchant manager apps, a large-scale technology hosting environment with sophisticated anti-fraud technology and lightning-fast payment processing. Glance has also

recently purchased a blockchain solution and is working on a rewards-based cryptocurrency, the whitepaper for which can be found on the company's website.

Forward-Looking Statements

This press release contains forward-looking information or forward-looking statements (collectively "forward-looking information") within the meaning of applicable securities laws. Forward-looking information is typically identified by words such as: "may", "believe", "thinks", "expect", "exploring", "expand", "could", "anticipate", "intend", "estimate", "plan", "pursue", "potentially", "projected", "should", "will" and similar expressions, or are those, which, by their nature, refer to future events. These forward-looking statements, which involve risks and uncertainties, relate to, among other things, the discussion of Glance's business strategies and its expectations concerning future operations (including advancing its technological roadmap), the expectation that Glance will accelerate growth of its Glance Pay network, two-way integration of the Glance Pay and Brewhound App, that users in Vancouver will soon start seeing the best happy hour specials and promotions in their area from hundreds of establishments across the city, that users on the Brewhound App will be able to easily identify Glance-partnered locations while browsing for the best Happy Hour specials nearby, and possibilities and opportunities arising from the new cross-integration and partnership with Brewhound. Although Glance considers these forward-looking statements to be reasonable based on information currently available to it, they may prove to be incorrect, and the forward-looking statements in this release are subject to numerous risks, uncertainties and other factors that may cause future results to

differ materially from those expressed or implied in such forward-looking statements. Such risk factors include, among other things, the risks related to integration of Brewhound into the Glance Pay app, risks related to expansion, and risks related to the business of Glance's licensing partners. The forward-looking information in this press release is also based on certain estimates, forecasts and projections, as well as expectations, beliefs and assumptions, including, among other things, that Glance will be able to achieve its business objectives, that Glance will be able to develop proprietary software to implement its plans, and that Glance will be successful in obtaining and retaining clients and licensees for its software. For additional information with respect to these and other factors and assumptions underlying the forward-looking statements in this press release, see the section entitled "Risk Factors" in the most recent Annual Information Form and Prospectus of Glance, which may be accessed through Glance's profile on SEDAR at www.sedar.com. Glance cautions investors that any forward-looking information provided by Glance is not a guarantee of future results or performance, and that actual results may differ materially from those in forward-looking statements. Undue reliance should not be placed on such forward-looking information, as there can be no assurance that the plans, intentions or expectations upon which they are based will occur.
