# **PanGenomic Health Subsidiary Signs Rental Agreement with Psy Integrated Health, Makes Progress Towards Development of Joint Testing Facility**

VANCOUVER, BC, Feb. 2, 2023 /CNW/ - PanGenomic Health Inc. ("PanGenomic Health" or the "Company") (CSE: NARA), is pleased to announce that, further to the announcement made on January 26, 2023, its subsidiary, MUJN Diagnostics Inc. (formerly named PlantGx Diagnostics Corp.) ("MUJN Diagnostics"), has signed an agreement to lease space at Psy Integrated Health, Inc.'s ("Psy") Empower Health Wellness Centre clinic facility located in Vancouver, BC. This rental agreement represents an important step in the development of a proposed joint diagnostic testing facility with Psy.

"Co-locating a diagnostic testing facility at the Empower Health Wellness Centre is expected to help both MUJN and Psy more effectively understand the needs of clients suffering from brain health challenges", said Vincent Lum, CEO of MUJN Diagnostics and Co-Founder of PanGenomic Health. "We believe the integrated health approach to patient wellness will continue to grow and provide positive outcomes to clients experiencing concerns with mental health."

Patrick Callas, Director of Integrated Health, Psy Integrated Health, added: "We are excited to have MUJN Diagnostics in our wellness centre, and we believe the synergies of working together will result in innovative new ideas for better patient outcomes in alternative healthcare therapies."

The rental agreement will cover an initial term of 6 months, ending August 1, 2023. Further to the Company's news release dated January 26, 2023, MUJN Diagnostics and Psy are continuing to work towards a definitive agreement with respect to their proposed joint venture for the joint development of a brain health targeted biomarker diagnostics service to support clients being treated with ketamine assisted therapy. Additional details are expected to be announced upon the execution of a definitive agreement for the proposed joint venture. No assurances can be made that the parties will successfully negotiate and enter into a definitive agreement, or that the proposed joint venture will proceed in the timeframe currently contemplated or at all.

*This news release includes certain statements that may be deemed "forward-looking statements", including statements respecting the services to be provided by PanGenomic and the consideration to be paid to PanGenomic. The use of any of the words "anticipate", "continue", "estimate", "expect", "may", "will", "would", "project", "should", "believe" and similar expressions are intended to identify forward looking statements. Although PanGenomic believes that the expectations and assumptions on which the forward-looking statements are based are reasonable, undue reliance should not be placed on the forward-looking statements because PanGenomic can give no assurance that they will prove to be correct. In particular, the proposed diagnostic testing facility is not yet operational and there is no assurance that MUJN Diagnostics and Psyi will be able to negotiate satisfactory terms for, and to execute, a definitive agreement for the proposed joint venture, or that MUJN Diagnostics and Psyi will be able to develop the planned trial adjunct service within the timeframes expected, or at all. Since forward-looking statements address future events and conditions, by their very nature they involve inherent risks and uncertainties. These statements speak only as of the date of this News Release. Actual results could differ materially from those currently anticipated due to a number of factors and risks including various risk factors discussed in PanGenomic's disclosure documents which can be found under PanGenomic's profile on [www.sedar.com](http://www.sedar.com).*
