

PanGenomic Health Provides Update on Management Cease Trade Order

Vancouver, British Columbia, Canada, June 25, 2024 – PanGenomic Health Inc. ("PanGenomic Health" or the "Company") (CSE: NARA) provides, further to its news release of June 11, 2024 (the "Third MCTO Update"), an update with respect to the management cease trade order (the "MCTO") dated April 30, 2024 issued by the British Columbia Securities Commission (the "BCSC") in connection with the delay by the Company in filing its audited annual consolidated financial statements for the financial year ended December 31, 2023 (the "Annual Financial Statements") and the related management's discussion and analysis and CEO and CFO certificates for the same period (collectively, with the Annual Financial Statements, the "Annual Filings") before the filing deadline of April 29, 2024 (the "Annual Filing Deadline").

The Company has been working closely with its auditors and expects to file the Annual Filings on or before June 28, 2024.

The Company's inability to make the Annual Filings by the Annual Filing Deadline was due to delays in the Company's ability to pay the outstanding invoices and retainer of its auditors, which invoices and retainer have since been paid.

As a result of the delay in filing the Annual Filings, the Company was unable to file its interim financial statements for the three months ended March 31, 2024 and the related management's discussion and analysis and CEO and CFO certificates (collectively, the "Interim Filings") by the filing deadline for the Interim Filings. The Company expects to file the Interim Filings within 5 business days after the filing of the Annual Filings.

Pursuant to the MCTO, the Chief Executive Officer and Chief Financial Officer of the Company are restricted from trading in the securities of the Company until such time as the Company files the Required Filings and the BCSC revokes the MCTO. The MCTO does not affect the ability of shareholders of the Company to trade their securities.

The Company is providing this updated status report in accordance with National Policy 12-203 - *Management Cease Trade Orders* ("NP 12-203"). Until such time as the Company files the Required Filings and the MCTO has been revoked, the Company will follow the alternative information guidelines set out in NP 12-203 (the "Guidelines"), including the issuance of bi-weekly default status reports in the form of news releases.

Pursuant to the Guidelines, the Company confirms that, as of the date of this news release and except as noted above, (a) there have been no changes to the information contained in the Third MCTO Update that would reasonably be expected to be material to an investor; (b) there have been no failures by the Company to fulfill its stated intentions with respect to satisfying the provisions of the alternative reporting guidelines under NP 12-203; (c) there has not been, nor is there anticipated to be, any specified default subsequent to the default which is the subject of the Third MCTO Update; and (d) there is no other material information concerning the affairs of the Company that has not been generally disclosed.
