

## **PanGenomic Health Announces Proposed Consolidation**

**Vancouver, British Columbia, November 7, 2024** – PanGenomic Health Inc. ("PanGenomic Health" or the "Company") (CSE: NARA) announces that it intends to consolidate all of its issued and outstanding Class A Common Shares (the "Common Shares") on the basis of five (5) pre-Consolidation Common Shares for every one (1) post-Consolidation Common Share (the "Consolidation").

There are currently 31,999,068 Common Shares issued and outstanding prior to completion of the Consolidation. Upon completion of the Consolidation, there are expected to be approximately 6,399,814 Common Shares issued and outstanding, subject to adjustment for fractional Common Shares. No fractional Common Shares will be issued as a result of the Consolidation. Fractional Common Shares equal to or greater than one-half (1/2) will be rounded up to the nearest whole number. Fractional Common Shares of less than one-half (1/2) will be cancelled without any repayment of capital or other compensation.

In accordance with Policy 4 of the CSE, shareholders of the Company holding more than 50% of the outstanding Common Shares as at November 4, 2024 approved the Consolidation by written consent.

The Consolidation is expected to be effected, and the Common Shares are expected to begin trading on a post-consolidation basis, on November 14, 2024. Completion of the Consolidation is subject to approval by the CSE.

The new CUSIP number for the post-Consolidation Common Shares will be 69842E403 and the new ISIN will be CA69842E4031. The Common Shares will continue to trade on the CSE under the symbol "NARA," and the Company's name will not change.

Management of the Company believes that the Consolidation will provide the Company with a share structure that will better attract future capital financing and enhance growth opportunities.

### **About PanGenomic Health**

PanGenomic Health is a precision health company that has developed a self-care digital platform to deliver personalized, evidence-based information about natural treatments. The Company's initial focus is to support mental health. Registered as a British Columbia benefit company, PanGenomic Health's mission is to promote and improve the health and wellness of people and society by providing a technology platform that identifies plant-based solutions tailored to the health profile of each individual.
