

To Alberta and Manitoba securities Commission

Please note that on July 14, 2016 Fabula Explorations Inc. filed it required report of exemption. The profile for Fabula was set up as another filer not as an issuer –

We have been requested to amend the profile and refile the reports.

Please note that the fees were paid on time and submitted with the original filing – project number 02507773.

Should you have any question please contact the writer and filing.
