

# Vapen MJ's VapenClear™ Recognized by Phoenix New Times for Purity and Quality

*VapenClear cartridges contain up to 99.52 % total active cannabinoids*

VANCOUVER, Oct. 3, 2019 /CNW/ - Vapen MJ (OTCQX:VAPNF; CSE:VAPN) ("Vapen MJ") a fully integrated manufacturer and distributor of cannabis THC and hemp cannabinoid products under the Vapen Brand and leverages its core expertise in extraction and marketing. Vapen MJ continues its geographic expansion of wholesale distribution through revenue and profit-sharing joint venture partnerships in multiple states and is proud to announce that its VapenClear has won the Phoenix New Times "Best of Phoenix 2019" for Best Concentrate in the Goods and Services category.

VapenClear was chosen for its outstanding quality and purity, an important differentiator at this time when consumers are searching for brands they can use with confidence. According to New Times, "Cartridges sold by competitors sometimes contain such nonessential ingredients as propylene glycol, vegetable glycerin, polyethylene glycol, or coconut oil. Vapen doesn't resort to using any unnecessary filler material." The review goes on to say, "Lab tests show that these crystal-clear cartridges contain up to 99.52 percent total active cannabinoids."

"We are proud to be recognized by the New Times in their 2019 Best of Phoenix Goods and Services category for our VapenClear products, and for their recognition that we offer quality, clean and solvent-free concentrates made from 100% isolated cannabinoids free of additives," commented Thai Nguyen, Founder and Chief Executive Officer of Vapen MJ. "The Vapen MJ brand represents safety, quality and purity. We do not sell or manufacture products that contain nicotine or Vitamin E acetate. Our compelling brand story is a cornerstone to our growth strategy."
