## About LD Micro

LD Micro was founded in 2006 with the sole purpose of being an independent resource in the microcap space. What started out as a newsletter highlighting unique companies has transformed into several influential events annually (Invitational, Summit and Main Event). In 2015, LD Micro launched [ldmicro.com](http://ldmicro.com) as a portal to provide exclusive intraday information on the entire sector, including the first pure microcap index (LDMi), which covers stocks in North America with market capitalizations between \$50 million to \$300 million.
