Carrara Files Amended and Restated Financial Statements

Vancouver, British Columbia, March 14, 2017: Carrara Exploration Corp. (the "Company" or "Carrara") (CSE: CAA) announces it has filed amended and restated financial statements (the "Amended Financial Statements") for the six month period ended January 31, 2017 and January 31, 2016 (collectively, the "Financial Period"), to correct the errors identified below.

In connection with a review of the Company's interim financial statements for the Financial Period (the "Financial Statements") previously filed on February 21, 2017, certain inaccuracies were discovered in the Financial Statements. In particular, it was determined that the Financial Statements incorrectly provided information for the three month period ended January 31, 2017 and January 31, 2016 when they should have contained information for the six month period ended January 31, 2017 and January 31, 2016. In addition, the Financial Statements referred to the October 31, 2016 period as being "Audited", which was incorrect, as were the corresponding dollar amounts relating to the Company's assets, liabilities and shareholders' equity.

The Financial Statements have been amended and restated to reflect the correct information, and the changes to the Financial Statements are shown in the table below:
