Doug Unwin CEO and President of the Company stated “We are very excited to have received this letter from Ministry of Energy, Mines and Low Carbon Innovation to allow Geologica to conduct an IP survey at Topley. We acknowledge the assistance and the consent of the Lake Babine Nation for the issuance of the waiver. Analysis of our geochemical data and historic data as well as data from previous trenching indicates that mineralization may extend to the west where we have acquired additional property.”

The letter states “Due to the nature of the proposed work, you are exempt under subsection 10 (2) of the Mines Act from the requirement to hold a Mines Act for the IP survey program described in your Notice of Work application, and as shown on the maps in your Notice of Work, for the exemption period from August 16, 2024, to August 16, 2025.
