

Kuya Silver Announces Closing of Financing and Provides Corporate Update

Vancouver, BC, December 21, 2022 – Kuya Silver Corporation (CSE: KUYA) (OTCQB: KUYAF) (Frankfurt: 6MR1) (the “**Company**” or “**Kuya Silver**”) is pleased to announce that it has closed the final tranche (the “**Final Tranche**”) of its offering of flow-through units (each a “**FT Unit**”) and non-flow-through units (each a “**Unit**”) for gross proceeds of CAD\$1,966,568 (the “**Offering**”). The Company issued 1,369,926 Units and 2,300,000 FT Units in the Final Tranche for proceeds of CAD\$1,739,068 and 529,070 Units for proceeds of CAD\$227,500 in the first tranche.

Each Unit consisted of one (1) common share in the capital of the Company (each a “**Common Share**”) and one (1) non-transferable Common Share purchase warrant (each, a “**Warrant**”). Each Warrant entitles the holder to purchase one (1) Common Share at CAD\$0.70 until December 21, 2025. Each FT Unit consisted of one (1) common share in the capital of the Company that qualifies as a “flow-through share” for the purposes of the Income Tax Act (Canada) (each, a “**FT Common Share**”) and one half of one (1/2) non-transferable Common Share purchase warrant (each whole warrant, a “**FT Offering Warrant**”). Each FT Offering Warrant entitles the holder to purchase one (1) Common Share at CAD\$0.70 until December 21, 2025.

In connection with the Final Tranche, the Company paid finder’s fees of CAD\$99,711.18, equal to 6% of the total proceeds raised by eligible finders, and issued 209,421 finder warrants (each, a “**Finder Warrant**”), equal to 6% of the number of Units and FT Units sold by eligible finders. The Finder Warrants are exercisable at \$0.70 until December 21, 2025.

The Final Tranche constituted a “related party transaction” as defined in Multilateral Instrument 61-101 – Protection of Minority Securityholders in Special Transactions (“**MI 61-101**”), as Maura Lendon, Director, acquired 13,000 Units. Ms. Lendon now holds 60,322 Common Shares or 0.10%. The Company is relying on the exemptions from the valuation and minority shareholder approval requirements of MI 61-101 contained in sections 5.5(a) and 5.7(1)(a) of MI 61-101, as the fair market value of the participation in the Final Tranche by the insider does not exceed 25% of the market capitalization of the Company, as determined in accordance with MI 61-101. The Company did not file a material change report in respect of the related party transaction at least 21 days before the closing of the Final Tranche, which the Company deems reasonable in the circumstances in order to complete the Final Tranche in an expeditious manner.

The gross proceeds from the offering of FT Units will be used for expenditures that qualify as Canadian Exploration Expenses, within the meaning of the Income Tax Act (Canada), to carry out exploration programs on the Company’s Canadian properties. The Company intends to use the net proceeds from the offering of Units for general working capital purposes.

All securities issued in connection with the Final Tranche, including securities issuable on exercise thereof, will be subject to a hold period expiring April 22, 2023, in accordance with the rules and policies of the

Canadian Securities Exchange and applicable Canadian securities laws, except for those issued to investors in foreign jurisdictions.
