/NOT FOR DISTRIBUTION TO US NEWSWIRE SERVICES OR FOR DISSEMINATION IN THE UNITED STATES/

Toronto, ON, December 11, 2023 – Kuya Silver Corporation (CSE: KUYA) (OTCQB: KUYAF) (Frankfurt: 6MR1) (the "**Company**" or "**Kuya Silver**") announces it has closed the first tranche ("**First Tranche**") of a non-brokered private placement (the "**Offering**") pursuant to the listed issuer financing exemption under Part 5A of National Instrument 45-106 - *Prospectus Exemptions* (the "**LIFE Exemption**"), by issuing 10,349,000 units (each, a "**Unit**") at a price of \$0.25 per Unit for aggregate gross proceeds of \$2,587,250. The Company filed a Form 45-106F19 offering document (the "**Offering Document**") on November 9, 2023 related to the Offering, which may be accessed under Kuya Silver's profile at www.sedarplus.ca and on the Company's website <https://www.kuyasilver.com>.

Pursuant to the Offering, each Unit consisted of one common share in the capital of the Company (each, a "**Common Share**") and one Common Share purchase warrant (each, a "**Warrant**"). Each Warrant entitles the holder thereof to acquire one additional Common Share at an exercise price of CAD\$0.37 per Common Share for a period of 24 months from the date of issuance. The Warrants are subject to accelerated expiration whereby if the closing trading price of the Common Shares on the Canadian Securities Exchange (the "**Exchange**"), or such other stock exchange where the majority of the trading volume occurs, for any period of 15 consecutive trading days equals or exceeds CAD\$0.50, the Company may, upon issuing a press release (the "**Acceleration Notice**"), accelerate the expiry date of the Warrants to the date that is 15 days following the date of the Acceleration Notice. If the Warrants are not exercised by the accelerated expiry date, the Warrants will expire and be of no further force or effect.

The Units issued in the Offering are not subject to any statutory hold period under applicable Canadian securities laws, subject to limitations prescribed by the LIFE Exemption.

In connection with the First Tranche, the Company paid fees to qualified parties (each, a "**Finder**") in accordance with the policies of the Exchange, being a cash commission of \$104,985, which was 6.0% on total proceeds received from subscribers introduced to the Company by each Finder and issued 419,940 in non-transferable Common Share purchase warrants (each, a "**Finder's Warrant**"), which was 6.0% of the total Units issued to subscribers introduced to the Company by each Finder. Each Finder's Warrant issued under the First Tranche entitles the holder thereof to acquire one Common Share at an exercise price of CAD\$0.25 per Common Share for a period of 24 months from the date of issuance. Securities issued to Finders are subject to a statutory hold period expiring April 9, 2024 in accordance with applicable Canadian securities laws.

The Company intends to use the net proceeds from the Offering for development expenses for the Company's Bethania project, the exploration program for the Company's Silver Kings project, and general working capital purposes, as more specifically detailed in the Offering Document.

The securities issued pursuant to the Offering have not, nor will they be registered under the United States Securities Act of 1933, as amended, and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. persons in the absence of U.S. registration or an applicable exemption from the U.S. registration requirements. This press release shall not constitute an offer to sell or the solicitation of an offer to buy nor shall there be any sale of the securities in the United States or in any other jurisdiction in which such offer, solicitation or sale would be unlawful.
