

Canadian Lenders Association's 2022 Leaders in Lending Awards Shortlists Marble and CEO Karim Nanji as Finalists

Vancouver, British Columbia--(Newsfile Corp. - April 4, 2022) - **Marble Financial Inc. (CSE: MRBL) (OTC Pink: MRBLF) (FSE: 2V0) ("Marble" or the "Company")**, an AI-driven financial technology company, is pleased to announce that the Company and CEO Karim Nanji have received a nomination for the 'Consumer Lender of the Year' and 'Executive of the Year' award, respectively, from the Canadian Lenders Association's ("CLA") 2022 Leaders in Lending Awards.

CLA represents over 230 businesses in the Canadian lending space and looks to advance the growth of this industry. The annual CLA Leaders in Lending Awards is a prestigious event that nominates the most innovative solution providers, top company executives and notable thought leaders in the industry.¹

Marble Financial has been announced as a finalist for the CLA Awards twice in recent years, and 2022 represents the third year that the Company has been shortlisted for this distinguished event, which is a testament to the Company's inroads in the FinTech development of a platform and products to help the underbanked consumers access more affordable credit, along with offering alternative lenders unique consumer credit data in near real-time to better adjudicate credit transactions with their customers.

Nominees will be evaluated based on three criteria:²

- i. Emerging lending technology solutions or business models that executives helped to advance
- ii. Specific innovative lending strategy or idea conceptualized and/or launched
- iii. Business results or positive outcomes, or expected results, following a successful implementation of the innovative strategy or concept

"It's an honor to have been shortlisted for the prestigious CLA Leaders in Lending Awards along with some of the biggest names in the Canadian FinTech industry," said Karim Nanji, CEO of Marble Financial. "Since 2016, we have embarked on a journey to bring forward innovative products and services to millions of unbanked and underbanked Canadians. Fast forward to today, we continued to scale our operations, most notably, the delivery of our cutting-edge B2B offerings, namely Marble Connect and Inverite Verification and as a result, our MyMarble platform has registered over 30,000 members to date. Karim added, "I am humbled to have received a nomination for the 'Executive of the Year' award and I would like to sincerely thank everyone at Marble for being supportive of my vision for the company. It's a privilege to be working alongside a world-class team that have similar ambitious goals."
