

Marble Financial Affiliate Partner Program Resonates with Industry

Vancouver, BC. May 4, 2023 - Marble Financial Inc. (CSE: MRBL; OTC: MRBLF; FSE:2V0) ("Marble" or the "Company"), an AI-driven financial technology company, is pleased to announce that Company's Affiliate Partner Program has grown to 167 Affiliate Partners, an increase of 30% YoY.

Each of our Affiliate Partners receive a unique link to Marble's proprietary financial wellness platform, MyMarble so that their customers can access our unique products on the platform to assist them in accessing their personal financial data whereby our proprietary products provide these customers with their unique playbook in teaching them how to use their data to become credit-worthy again. Using Marble's predictive Machine Learning ("ML") engine, it directs them with a step-by-step approach to acquire the appreciating assets they need and deserve.

Our mandate at Marble is to rehabilitate our Partners customers into credit worthy participants in Canada's credit economy.

MCTO Update:

Further to the company's news release of April 25, 2023, announcing a delay in the filing of its audited annual financial statements for the year ended December 31, 2022, the company reports that the BCSC has issued a management cease trade order on Wednesday, May 5, 2023, as requested by the Company. At this time, the Company's auditors expect the audit process to be completed and the Annual Filings to be filed on or before May 31, 2023, as a further update to the earlier new release.

About Marble Financial Inc. (CSE: MRBL; OTC: MRBLF; FSE:2V0):

Marble is a leading provider of software-as-a-service (SaaS) solutions that empower businesses to acquire and use real-time financial data to better transact with consumers. Along with enabling smarter marketing ROI for partners seeking increased conversion rates to those consumers that require further monitoring, predictive financial recommendations, and guidance to rehabilitate them to transact in the future. Utilizing Marble's proprietary and proven artificial intelligence data-driven technology platforms, Inverite, Accumulate.ai and MyMarble, businesses and consumers are empowered in real-time, access to a 360 financial profile that includes credit and banking data. Marble leverages machine learning, artificial intelligence, predictive financial recommendations, risk scores and open-banking strategies to put the power of financial data into the hands of businesses and consumers, promoting more robust relationships and higher intent toward future engagements.
