MANAGEMENT PROXY CIRCULAR

May 10, 2019

In this document, “you” and “your” refer to the holders (“Shareholders”) of common shares in the capital of the Corporation (“Common Shares”). “We”, “us”, “our”, the “Corporation” and “Sunniva” refer to Sunniva Inc. Unless otherwise indicated, the information in this document is presented as at May 10, 2019.

This Management Proxy Circular (the “Circular”) is for the annual general and special meeting (the “Meeting”) of Shareholders at 1200 Waterfront Centre, 200 Burrard Street, Vancouver, B.C., V7X 1T2, on June 12, 2019, at 8:00 a.m. (Pacific Time), and at any adjournment thereof, for the purposes set forth in the attached Notice of Annual General and Special Meeting of Shareholders (the “Notice of Meeting”). All references to currency herein are to Canadian dollars, unless otherwise specified.

No person has been authorized to give any information or make any representation in connection with the matters set out in the Notice of Meeting other than those contained in this Circular and, if given or made, any such information or representation must not be relied upon as having been authorized.

GENERAL PROXY MATTERS

Solicitation of Proxies

The Circular is furnished in connection with the solicitation of proxies by and on behalf of management of the Corporation. The solicitation of proxies will be primarily by mail, but proxies may be solicited personally or by telephone by directors, officers and regular employees of the Corporation. The Corporation will bear all costs of this solicitation. We have arranged for intermediaries (an “Intermediary”) to forward the meeting materials to beneficial owners of the Common Shares held of record by those Intermediaries and we may reimburse the Intermediaries for their reasonable fees and disbursements in that regard.

Appointment of Proxyholders

The individuals named in the accompanying form of proxy (the “Proxy”) are directors and/or officers of the Corporation. **If you are a Shareholder entitled to vote at the Meeting, you have the right to appoint a person or company other than either of the persons designated in the Proxy, who need not be a Shareholder, to attend and act for you on your behalf at the Meeting. You may do so either by inserting the name of that other person in the blank space provided in the Proxy or by completing and delivering another suitable form of proxy.**

Registered Shareholders

Registered Shareholders may wish to vote by Proxy whether or not they are able to attend the Meeting in person. Registered Shareholders may choose one of the following procedures to submit their Proxy:

- complete, date and sign the Proxy and return it to the Corporation’s transfer agent, Odyssey Trust Company. (“Odyssey”), by fax within North America at 1- 800-517-4553, by email to proxy@odysseytrust.com, or by mail to Proxy Department, Stock Exchange Tower, 350 - 300 5th Avenue SW Calgary, Alberta T2P 3C4;
- or log on to Odyssey’s website at, <http://odysseytrust.com/Transfer-Agent/login>. Registered Shareholders must follow the instructions provided on the website and refer to the enclosed proxy form for the holder’s account number and the proxy access number.

In either case you must ensure the Proxy is received at least 48 hours (excluding Saturdays, Sundays and statutory holidays) before the Meeting or any adjournment thereof. Failure to complete or deposit a Proxy properly may result in its invalidation. Please note that in order to vote your Common Shares in person at the Meeting, you must attend the Meeting and register with the Scrutineer before the Meeting. If you have already submitted a Proxy, but choose to change your method of voting and attend the Meeting to vote, then you should register with the Scrutineer before the Meeting and inform them that your previously submitted Proxy is revoked and that you personally will vote your Common Shares at the Meeting.

Beneficial Shareholders

The following information is of significant importance to Shareholders who do not hold Common Shares in their own name (non-registered Shareholders). Beneficial Shareholders should note the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered Shareholders (those whose names appear on the records of the Corporation as the registered holders of Common Shares) or as set out in the following disclosure.

Only registered Shareholders or duly appointed proxyholders are permitted to vote at the Meeting. Most Shareholders of the Corporation are “non-registered” Shareholders because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust company through which they purchased the Common Shares. More particularly, a person is not a registered Shareholder in respect of Common Shares which are held on behalf of that person (the “**beneficial holder**”) but which are registered either: (a) in the name of an Intermediary that the beneficial holder deals with in respect of the Common Shares (Intermediaries include, among others, banks, trust companies, securities dealers or brokers and trustees or administrators of self-administered RRSPs, RRIFs, RESPs and similar plans); or (b) in the name of a clearing agency of which the Intermediary is a participant. In Canada, the vast majority of such shares are registered under the name of CDS & Co. (the registration for the Canadian Depository for Securities, which company acts as nominee for many Canadian brokerage firms).

There are two kinds of beneficial holders: Objecting Beneficial Owners (“**OBOs**”) object to their name being made known to the issuers of securities which they own; and Non-Objecting Beneficial Owners (“**NOBOs**”) who do not object to the issuers of the securities they own knowing who they are. The Corporation is taking advantage of the provisions of National Instrument 54-101 - *Communication with Beneficial Owners of Securities of a Reporting Issuer* that permit the Corporation to deliver Meeting materials directly to its NOBOs and indirectly through Intermediaries to the OBOs. As a result, NOBOs can expect to receive a scannable voting instruction form (“**VIF**”) from our transfer agent, Odyssey. The VIF is to be completed and returned to Odyssey as set out in the instructions provided on the VIF. Odyssey will tabulate the results of the VIFs received from NOBOs and will provide appropriate instructions at the Meeting with respect to the Common Shares represented by the VIFs they receive.

These Meeting materials are being sent to both registered and beneficial holders of securities of the Corporation. If you are a beneficial holder, and the Corporation or its agent has sent these materials directly to you, your name, address and information about your holdings of securities were obtained in accordance with applicable securities regulatory requirements from the Intermediary holding securities on your behalf.

By choosing to send these Meeting materials to you directly, the Corporation (and not the Intermediary holding securities on your behalf) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your VIF as specified in the request for voting instructions that was sent to you.

The Intermediaries (or their service companies) are responsible for forwarding the Meeting materials to each OBO, unless the OBO has waived the right to receive them. The Corporation does not intend to pay for an Intermediary to deliver Meeting materials to OBOs. Accordingly, OBOs will not receive the Meeting materials unless their Intermediary assumes the cost of delivery. Beneficial holders who are OBOs should follow the instructions of their Intermediary carefully to ensure that their Common Shares are voted at the Meeting.

Intermediaries often use service companies to forward the Meeting materials to beneficial holders. Generally, beneficial holders who have not waived the right to receive Meeting materials will either:

- be given a VIF which is not signed by the Intermediary and which, when properly completed and signed by the beneficial holder and returned to the Intermediary or its service company, will constitute voting instructions, which the Intermediary must follow. Typically, the VIF will consist of a one-page pre-printed form. Sometimes, instead of the one-page pre-printed form, the VIF will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for the Proxy to validly constitute a VIF, the beneficial holder must remove the label from the instructions and affix it to the Proxy, properly complete and sign the Proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company; or
- be given a Proxy which has already been signed by the Intermediary (typically by a facsimile, stamped signature), which is restricted as to the number of Common Shares beneficially owned by the beneficial holder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the Proxy, this Proxy is not required to be signed by the beneficial holder when submitting the Proxy. In this case, a beneficial holder who wishes to submit a Proxy should properly complete the Proxy and deposit it with Odyssey by fax within North America at 1- 800-517-4553, by email to proxy@odysseytrust.com, or by mail to Proxy Department, Stock Exchange Tower, 350 - 300 5th Avenue SW Calgary, Alberta T2P 3C4 no later than 48 hours (excluding Saturdays, Sundays and holidays) before the time of holding the Meeting or adjournment thereof.

In either case, the purpose of these procedures is to permit beneficial holders to direct the voting of their Common Shares. Should a beneficial holder who receives either a VIF or a Proxy wish to attend the Meeting and vote in person (or have another person attend and vote on behalf of the beneficial holder), the beneficial holder should strike out the names of the persons named in the Proxy and insert the beneficial holder's (or such other person's) name in the blank space provided or, in the case of a VIF, follow the directions indicated on the form. In either case, beneficial holders should carefully follow the instructions of their Intermediaries and their service companies, including those regarding when and where the VIF or the Proxy is to be delivered.

All references to Shareholders in the Meeting materials are to registered Shareholders unless specifically stated otherwise.

Notice to Shareholders in the United States

This solicitation of proxies involves an issuer with its registered corporate office located in Canada, the securities of which are listed on a Canadian stock exchange, and therefore this solicitation of proxies is being effected in accordance with the corporate laws of Canada and the securities laws of the Provinces of Canada. The proxy solicitation rules under the *United States Securities Exchange Act of 1934*, as amended, are not applicable to the Corporation or this solicitation, and this solicitation has been prepared in accordance with the disclosure requirements of the securities laws of the Provinces and Territories of Canada. Shareholders should be aware that disclosure requirements under the securities laws of the Provinces and Territories of Canada differ from the disclosure requirements under United States securities laws.

Revocation of Proxies

In addition to revocation in any other manner permitted by law, a registered Shareholder who has given a Proxy may revoke it by executing a Proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the registered Shareholder or the registered Shareholder's authorized attorney in writing, or, if the registered Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the Proxy bearing a later date to Odyssey, or to the Corporation's office at 1200 Waterfront Centre, 200 Burrard Street, PO Box 48600 Vancouver, British Columbia V7X 1T2, Attn: Warren Learmonth, at any time up to and including the last business day that precedes the day of the Meeting or, if the Meeting is adjourned, the last business day that precedes any reconvening thereof, or to the chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law, or personally attending the Meeting and voting the registered Shareholder's Common Shares.

A revocation of a Proxy will not affect a matter on which a vote is taken before the revocation.

Voting of Proxies and Exercise of Discretion by Proxy Holders

Common Shares represented by Proxy at the Meeting will be voted by the proxyholder on a show of hands, except where the proxyholder has conflicting instructions from more than one Shareholder, in which case such proxyholder will not be entitled to vote on a show of hands. In addition, Common Shares represented by Proxies will be voted on any ballot properly brought at the Meeting. In either case, where a choice with respect to any matter to be acted upon has been specified in the Proxy, the Common Shares will be voted or withheld from voting in accordance with the specification so made. **If a choice is not so specified with respect to any such matter, and the persons named in the enclosed Proxy or VIF have been appointed as proxyholder, the Common Shares represented by such Proxy will be voted “for” each matter for which no choice has been specified by the Shareholder.**

The enclosed Proxy or VIF, when properly completed and delivered and not revoked, confers discretionary authority upon the person appointed as proxyholder thereunder to vote with respect to amendments of matters identified in the Notice of Meeting, and with respect to other matters which may properly come before the Meeting. If any such amendments or variations are proposed to the matters described in the Notice of Meeting or if any other matters properly come before the Meeting, the proxyholder may vote the Common Shares as he or she considers best. The Board of Directors of the Corporation (the “**Board**”) is not aware of any amendments to the matters to be presented for action at the Meeting or of any other matters to be presented for action at the Meeting.

Record Date

The directors of the Corporation have fixed May 8, 2019 as the record date for the purposes of determining Shareholders entitled to receive notice of the Meeting and to vote thereat (the “**Record Date**”). Accordingly, Shareholders of record as at the close of business on the Record Date will be entitled to attend and vote at the Meeting and any adjournment thereof.

Every Shareholder of record at the close of business on the Record Date who personally attends the Meeting will be entitled to vote at the Meeting or any adjournment(s) thereof, except to the extent that:

- (a) such Shareholder has transferred the ownership of any of his or her Common Shares after the Record Date in compliance with all applicable legal requirements; and
- (b) the transferee of those Common Shares produces properly endorsed share certificates, or otherwise establishes that he or she owns the Common Shares and demands, not later than ten days before the Meeting, that his or her name be included in the list of Shareholders entitled to vote at the Meeting, in which case the transferee is entitled to vote those Common Shares at the Meeting.

Voting Shares and Principal Holders

As of the Record Date, 38,782,910 Common Shares were issued and outstanding. Each Shareholder has one vote for each Common Share held at the close of business on the Record Date. The Corporation’s By-laws (the “**By-laws**”) do not provide for cumulative voting. Quorum for the Meeting is one or more Shareholders representing, in person or by proxy, not less than 25% of the outstanding Common Shares. To the knowledge of the directors and officers of the Corporation, the only persons or companies who beneficially own, directly or indirectly, or exercise control or direction over Common Shares carrying more than 10% of the voting rights attached to all shares of the Corporation entitled to vote at the Meeting are:

Shareholder Name	Number of Common Shares ⁽¹⁾	Percentage of Common Shares
Leith Pedersen	4,678,251	12.06%

Note:

- (1) This information is not within the knowledge of the management of the Corporation and has been extracted from insider reports filed by Leith Pedersen and available through the Internet at *www.sedi.ca* as of the Record Date.

Unless otherwise indicated below, to be effective, all resolutions to be passed at the Meeting must be passed by a simple majority of the votes cast by Shareholders who vote on such resolutions.

INTEREST OF CERTAIN PERSONS OR COMPANIES IN MATTERS TO BE ACTED UPON

No director or executive officer of the Corporation, nor any person who has held such a position at any time since the beginning of the last completed financial year of the Corporation, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of the foregoing persons, has any material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting other than the election of directors, appointment of auditors and the amendment and restatement of the 2018 Stock Option Plan (as defined below).

BUSINESS OF THE MEETING

Receive the Financial Statements

A copy of the audited financial statements for the financial year ended December 31, 2018 (the “**Financial Statements**”) and the accompanying management’s discussion and analysis are being sent, as of the date of this Circular, to each director of the Corporation and each registered Shareholder entitled to receive notice of the Meeting. The Financial Statements will be placed before Shareholders at the Meeting. Receipt at the Meeting of the Financial Statements will not constitute approval or disapproval of any matters referred to therein.

Number of Directors

At the Meeting, it is proposed to fix the number of directors elected to six (6) directors to hold office until the next annual general meeting or until their successors are duly elected or appointed. This requires the approval of the Shareholders by an ordinary resolution, which approval will be sought at the Meeting.

The Board recommends that Shareholders vote “for” the fixing of the number of directors of the Corporation at six (6).

Unless contrary instructions are indicated on the Proxy or the VIF, the persons designated in the Proxy or VIF intend to vote “for” fixing the number of directors of the Corporation at six (6).

Election of Directors

The number of directors of the Corporation to be elected at the annual meeting of the Corporation has been determined by the Board to be six (6) directors. There are presently seven (7) directors of the Corporation: Dr. Anthony F. Holler, Leith Pedersen, Ian Webb, Norm Mayr, Michael Barker, Luke Stanton and Todd Patrick. The term of office of each current director expires at the Meeting. The six (6) nominees named below will be presented for election as directors of the Corporation at the Meeting as management’s nominees. Each director of the Corporation elected at the Meeting will hold office until the close of the next annual meeting of the Corporation unless he or she ceases to hold office prior to such time.

The Board recommends that Shareholders vote “for” the approval of appointment of the nominee directors.

Unless contrary instructions are indicated on the Proxy or the VIF, the persons designated in the Proxy or VIF intend to vote “for” the appointment of nominee directors for the ensuing year.

At the Meeting, the Shareholders will be asked to consider and, if deemed advisable, approve the following resolutions with respect to the 2019 Amended and Restated Stock Option Plan:

EXECUTIVE COMPENSATION

Introduction

The following discussion describes the significant elements of our executive compensation program, with emphasis on the process for determining compensation payable to the Corporation’s CEO and CFO and, other than the CEO and the CFO, the Corporation’s three most highly-compensated executive officers, or the three most highly compensated

individuals acting in a similar capacity (collectively, the “**Named Executive Officers**” or “**NEOs**”). The NEOs for the year ended December 31, 2018 were:

- Dr. Anthony F. Holler, Chairman and CEO
- David Negus, Chief Financial Officer
- Leith Pedersen, President and Chief Strategy Officer
- Duncan Gordon, Chief Operating Officer
- Mark Kimmins, President, Natural Health Services Ltd. (“**NHS**”), a subsidiary of the Corporation
- R. Michael Steele, former Chief Financial Officer and Executive Vice President Finance
- Daniel Vass, former President, NHS and former director of the Corporation

On January 3, 2018, David Negus replaced R. Michael Steele as CFO of the Corporation. R. Michael Steele left the Corporation effective January 31, 2018.

On December 8, 2018, Daniel Vass resigned as the President of NHS and a director of the Corporation. Dr. Mark Kimmins was appointed Interim President of NHS. Subsequent to year end, Dr. Kimmins was appointed President of NHS.

Overview

The Board on its own or through the CC makes decisions regarding all forms of compensation, including salaries, bonuses and equity incentive compensation for the CEO and the CFO, as well as approves corporate goals and objectives relevant to their compensation. The CC makes decisions in conjunction with feedback from the CEO and the CFO regarding the performance of the Corporation’s other executive officers. Finally, the CC, in tandem with the CEO and the CFO, also administers employee incentive compensation, including the 2018 Stock Option Plan.

Compensation Discussion and Analysis

Compensation Objectives

The Corporation’s compensation practices are designed to retain, motivate and reward our executive officers for their performance and contribution to the Corporation’s long-term success. The Board seeks to compensate executive officers by combining short-term and long-term cash and equity incentives. It also seeks to reward the achievement of corporate and individual performance objectives and to align executive officers’ incentives with the Corporation’s performance. The Corporation seeks to tie individual goals to the area of the senior executive officer’s primary responsibility. These goals may include the achievement of specific financial or business development goals. Corporation performance goals are based on the Corporation’s financial performance during the applicable financial year.

In order to achieve our growth objectives, attracting and retaining the right team members is critical. A key part of this is a well-thought out compensation plan that attracts high performers and compensates them for continued achievements. Many of the Corporation’s team members are currently participating in the 2018 Stock Option Plan, driving retention and ownership. Communicating clear and concrete criteria and process for merit-based increases and bonuses will also motivate the entire team to achieve individual and corporate goals.

The Board has considered the implications of the risks associated with the Corporation’s compensation policies and practices. The Board does not provide specific monitoring and oversight of compensation policies and practices, but does review, consider and adjust these matters annually. The Corporation does not use any specific practices to identify and

mitigate compensation policies that could encourage a NEO or individual at a principal business unit or division to take inappropriate or excessive risks. These matters are dealt with on a case-by-case basis. The Corporation currently believes that none of its policies encourage its NEOs to take such risks. The Corporation has not identified any risks arising from its compensation policies and practices that are reasonably likely to have a material adverse effect on the Corporation.

NEO's and directors may not purchase financial instruments designed to hedge or offset a decrease in market value of securities granted as compensation or held by the director or NEO.

Elements of Compensation Program

Our executive compensation consists primarily of three elements: (i) base salary; (ii) annual bonuses; and (iii) long term equity incentives.

(i) Base Salary

Base salaries for executive officers (including Named Executive Officers) are established based on the scope of their responsibilities and their prior relevant experience, taking into account compensation paid by other companies in the industry for similar positions and the overall market demand for such executive officers at the time of hire. The Corporation does not actively benchmark its compensation to other companies, but has reviewed the public disclosure available for other comparable cannabis companies to assist in determining the competitiveness of base salary, bonuses, benefits and stock options paid to the executive officers of the Corporation. An executive officer's base salary is determined by reviewing the executive officer's other compensation to ensure that the executive officer's total compensation is in line with the Corporation's overall compensation philosophy. Base salaries are reviewed annually and may be increased for merit reasons, based on the executive officer's success in meeting or exceeding individual objectives and/or for market competitiveness. Additionally, base salaries can be adjusted as warranted throughout the year to reflect promotions or other changes in the scope or breadth of an executive officer's role or responsibilities, as well as for market competitiveness. Base salaries are fixed compensation and not subject to uncertainty or share price performance, which therefore does not encourage executive officers to focus exclusively on share price performance to the detriment of other critical business metrics.

(ii) Bonus Plans

Our compensation program includes eligibility for annual incentive cash bonuses. The range of potential bonuses is based on a percentage of base salary and is reviewed annually. Executive officer bonuses include corporate and financial performance targets, as well as personal performance objectives that are determined by the Board upon recommendations by the CC, which may include the implementation of new strategic initiatives, the development of innovations, teambuilding, the ability to manage the costs of the business and other factors. The mix between corporate and financial performance targets and personal performance objectives and the resulting bonus entitlements vary for each executive officer. The executive officers receive target bonus payments, subject to the Board's discretion after considering all relevant factors.

Target bonus levels for the Corporation's NEOs were as follows:

- Dr. Anthony F. Holler \$175,000 per annum
- David Negus \$97,500 per annum
- Leith Pedersen \$75,000 per annum
- Duncan Gordon \$75,000 per annum
- R. Michael Steele \$75,000 per annum
- Daniel Vass \$75,000 per annum
- Dr. Mark Kimmins \$48,600 per quarter

(iii) Long Term Equity Incentives

The Corporation currently has in place the 2018 Stock Option Plan, discussed in further detail below. Stock options may be awarded to align individual performance with the long-term performance of the Corporation and/or for recruitment and retention purposes. Furthermore, the Corporation believes that the 2018 Stock Option Plan provides added incentive for executive officers to sustainably enhance shareholder value.

As of the date of the Circular, the Corporation currently has 4,518,125 options outstanding under the 2018 Stock Option Plan. The 2018 Stock Option Plan allows for the grant of incentive stock options to the Corporation's directors, officers and Service Providers (as defined in the 2018 Stock Option Plan). The Board is responsible for administering the 2018 Stock Option Plan, and the CC makes recommendations to the Board in respect of matters relating to the 2018 Stock Option Plan.

Unless otherwise determined by the Board, options granted under the 2018 Stock Option Plan generally vest in 16 equal tranches on each of the subsequent three-month anniversaries of the grant date until all such options have vested. The options expire on the date which is 10 years after the grant date. The 2018 Stock Option Plan also provides that, unless otherwise determined by the Board, if the optionee ceases to be a director, officer or Service Provider of the Corporation, their options terminate within a period of time after the optionee actually ceases to be a director, officer or Service Provider of the Corporation. The exercise price for options granted under the 2018 Stock Option Plan shall be the Market Price (as defined in 2018 Stock Option Plan) of the Common Shares on the grant date. Under the 2018 Stock Option Plan, in the event of a Change of Control Transaction (as defined in the 2018 Stock Option Plan), unvested options shall be accelerated under a Change of Control Transaction.

The 2018 Stock Option Plan provides that if options granted under the 2018 Stock Option Plan would otherwise expire during a trading black-out period or within 10 business days following the end of such period, the expiry date of such options are extended to the tenth business day following the end of the black-out period. Options granted under the 2018 Stock Option Plan are not transferable, subject to limited exceptions. The Board has overall authority for interpreting, applying, amending and terminating the 2018 Stock Option Plan.

For executive officers, previous grants are taken into account when considering new grants to determine aggregate performance-based option grants in subsequent years. The CC awarded non-executive directors with an initial grant of 100,000 stock options per director, with an annual grant of 25,000 stock options per year, without consideration of prior grants.

Employee Agreements, Termination and Change of Control Benefits

Each of the Named Executive Officers has entered into an employment agreement with the Corporation or a subsidiary. Those employment agreements include provisions regarding base salary, eligibility for annual bonuses, enrolment in benefits and participation in the 2018 Stock Option Plan, among other things.

In connection with their employment agreements, each Named Executive Officer entered into a non-disclosure and confidentiality agreement (the “**NDA**”). The NDA requires that all information, such as trade secrets, data or other proprietary information relating to products, procedures or formulas, that is disclosed to the NEO through the course of his or her employment is considered “confidential information” that is the exclusive right and property of the Corporation. Upon the termination of employment, the NDA provides that each NEO is prohibited for a specified period of time from developing, manufacturing and marketing products or engaging in consulting services which are competitive to the Corporation’s business.

Each of the NEO contracts includes a termination provision that includes a severance obligation on the part of the Corporation for termination without cause, death or disability of the NEO, or resulting from a change of control. Under the contracts, a change of control is triggered by one of:

- (a) the purchase or acquisition of any voting shares of the Corporation or securities convertible into voting shares of the Corporation (“**Convertible Securities**”) by a person which results in the person beneficially owning, or exercising control or direction over, voting shares of the Corporation or Convertible Securities such that, assuming only the conversion of Convertible Securities beneficially owned or over which control or direction is exercised by the person, the person would beneficially own, or exercise control or direction over, voting shares of the Corporation carrying the right to cast more than 50% of the votes attaching to all voting shares, but excluding any issue or sale of voting shares of the Corporation to an investment dealer or group of investment dealers as underwriters or agents for distribution to the public either by way of prospectus or private placement;
- (b) the approval by the Shareholders of an amalgamation, arrangement, merger or other consolidation or combination of the Corporation with another entity which requires approval of the Shareholders pursuant to its statute of incorporation and pursuant to which the Shareholders immediately thereafter do not own shares of the successor or continuing entity, which would entitle them to cast more than 50% of the votes

attaching to all shares in the capital of the successor or continuing corporation, which may be cast to elect directors of that corporation;

- (c) the election at a meeting of the Shareholders of that number of persons which would represent a majority of the Board, as directors of the Corporation who are not included in the slate for election as directors proposed to the Shareholders by the Corporation;
- (d) approval by the Shareholders of the liquidation, dissolution or winding-up of the Corporation;
- (e) approval by the Shareholders of the sale, lease or other disposition of all or substantially all of the assets of the Corporation;
- (f) the completion of any transaction or the first of a series of transactions which would have the same or similar effect as any transaction or series of transactions referred to in subsections (a)-(e) referred to above; or
- (g) a determination by the Board that there has been a change, whether by way of a change in the holding of the voting shares of the Corporation, in the ownership of the Corporation assets or by any other means, as a result of which any person or group of persons acting jointly or in concert is in a position to exercise effective control of the Corporation.

The Corporation considers such provisions mitigating considerations in the event of a hostile takeover bid to acquire the Corporation.

For each of the NEOs, in the event that they are terminated without cause, the individual is entitled to 12 months salary, plus one-month salary for each consecutive year the executive has been employed by the Corporation plus any accrued but unpaid bonus, to a maximum including the initial 12 months, of 18 months payment, net of applicable deductions and remittances.

In the case of death or incapacity of the NEO, the executive is entitled to payment equal to the lesser of the number of months that the executive has been employed by the Corporation and six months salary plus any accrued but unpaid bonus.

In the event of a change of control (outlined above) if either the NEO is not offered continued employment, or the NEO chooses to terminate the employment agreement, each NEO is entitled to a sum equivalent to 24 months annual salary, plus an additional 4% of annual salary in lieu of benefits, and any annual bonus that is earned and payable as at the effective date of the executive's termination from the Corporation.

CORPORATE GOVERNANCE

Board of Directors

Overview

The Board is responsible for supervising the management of our business and affairs. The Board has adopted a formal mandate setting out its stewardship responsibilities, including its responsibilities for the appointment of management, management of the Board, strategic and business planning, monitoring of financial performance, financial reporting, risk management and oversight of the Corporation's policies and procedures, communications and reporting and compliance.

The Board is currently comprised of seven (7) directors: Dr. Anthony F. Holler, Leith Pedersen, Ian Webb, Norm Mayr, Michael Barker, Luke Stanton and Todd R. Patrick.

The Board has established the Audit Committee, the CGNC and the CC (collectively, the "**Committees**") and has approved charters for each of the Committees, which are described below. The Board has delegated to the applicable committee those duties and responsibilities set out in each Committee's charter. The mandate of the Board, as well as the charters of the Committees, set out in writing the responsibilities of each group.

Independence

As of the date of this Circular, the Board is comprised of seven (7) directors, three (3) of whom are independent. Under National Instrument 52-110 – *Audit Committees* ("**NI 52-110**"), an independent director is one who is free from any direct or indirect relationship which could, in the view of the Board, be reasonably expected to interfere with a director's exercise of independent judgment. The Board has determined that Dr. Anthony F. Holler and Leith Pedersen as executive officers of the Corporation or its subsidiaries, are not considered independent. Further, due to their business interests in connection with the Corporation, each of Michael Barker and Luke Stanton are not considered independent. Each of Ian Webb, Norm Mayr and Todd R. Patrick are considered independent.

In addition to chairing all Board meetings, the Chairman of the Board's role is to, in consultation with the Lead Director facilitate and chair discussions among the Corporation's independent directors, facilitate communication between the independent directors and management, and, if and when necessary, act as a spokesperson on behalf of the Board in dealing with the press and members of the public. The Chair's responsibilities and duties are described in detail in a position description developed by the Board. Dr. Anthony F. Holler, the Chairman of the Board, is not independent as he is an executive officer of the Corporation.

The Board has appointed Todd R. Patrick as the Lead Director. The Lead Director's role is to ensure that the Board functions independent of management and to act as the principal liaison between the independent directors and the CEO. The responsibilities of the Lead Director include calling and presiding as chair over meetings of independent directors, reviewing and making recommendations with respect to the agenda for all of the meetings of the full Board, and providing the leadership necessary to provide greater assurance that the Board operates and functions independent of management and that Board functions are effectively carried out.

The Audit Committee, CGNC and CC are comprised entirely of independent directors: Ian Webb, Norm Mayr, and Todd R. Patrick. In addition, where potential conflicts arise during a director's tenure on the Board, such conflicts are expected to be immediately disclosed to the Board.

The Corporation has taken steps to ensure that adequate structures and processes are in place to permit the Board to function independently of management. The Board holds regularly scheduled meetings as well as ad hoc meetings from time to time. In the course of meetings of the Board or the Committees, the independent directors hold in camera sessions at which neither non-independent directors nor officers of the Corporation are in attendance.

The Board has approved a written position description for the Chairman of the Board and Lead Director.

Orientation and Continuing Education

New directors of the Corporation will participate in an initial information session on the Corporation in the presence of its senior executive officers to learn about, among other things, the business of the Corporation, its financial situation and its strategic planning. In addition, new directors will be furnished with appropriate documentation, providing them with information about, among other matters, the corporate governance practices of the Corporation, the structure of the Board and the Committees, the Corporation's history, its commercial activities, its corporate organization, the charters of

the Board and the Committees, the By-laws, the Corporation's Code of Business Conduct and Ethics (the "Code") and other relevant corporate policies.

The Corporation will support all directors who wish to attend continuing education programs and intends to facilitate such continuing education of its directors where appropriate, including, from time to time, by hosting brief information sessions during Board meetings by invited external advisors. In addition, management will periodically make presentations to the directors on various topics, trends and issues related to the Corporation's activities during meetings of the Board or the Committees, which will be intended to help the directors to constantly improve their knowledge about the Corporation and its business.

Code of Conduct

The Board has adopted the Code which applies to directors, officers and employees of the Corporation and its subsidiaries. The objective of the Code is to provide guidelines for enhancing our reputation for honesty, integrity and the faithful performance of undertakings and obligations. The Code addresses conflicts of interest, use of company assets, inventions, use of company email and internet services, disclosure, corporate opportunities, confidentiality, fair dealing and compliance with laws. As part of our Code, any person subject to the Code is required to avoid any activity, interest (financial or otherwise) or relationship that would create or appear to create a conflict of interest.

Our directors are responsible for monitoring compliance with the Code, for regularly assessing its adequacy, for interpreting the Code in any particular situation and for approving changes to the Code from time to time.

Directors and executive officers are required by applicable law and our corporate governance practices and policies to promptly disclose any potential conflict of interest that may arise. If a director or executive officer has a material interest in an agreement or transaction, applicable law and principles of sound corporate governance require them to declare the interest in writing or by requesting to have it entered in the minutes of meetings of directors or of meetings of Committees, and where required by applicable law, to abstain from voting with respect to such agreement or transaction.

A copy of the Code is available for review under our profile on the SEDAR website at www.sedar.com.

The Corporation has also adopted an Insider Trading Policy, a Disclosure Policy and a Whistleblower Policy, which complement the obligations of the directors, officers and employees under the Code.

Committees of the Board

Audit Committee

The Corporation is relying on the exemption in section 6.1 of NI 52-110 in order to provide the disclosure required under Form 52-110F2.

The Audit Committee consists of three (3) directors, all of whom are independent. They are also all financially literate in accordance with NI 52-110. The members of the Audit Committee are Norm Mayr (Chair), Ian Webb and Todd R. Patrick.

For the purposes of NI 52-110, an individual is financially literate if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the issuer's financial statements. All members of the Audit Committee have experience reviewing financial statements and dealing with related accounting and auditing issues. The education and experience of each member of the Audit Committee relevant to the performance of his duties as a member of the Audit Committee can be found under the heading "Election of Directors".

The Board has adopted a written mandate for the Audit Committee (the "Audit Committee Mandate"). The Audit Committee Mandate states that the Audit Committee is to assist the Board in fulfilling its financial oversight obligations, including the responsibility to: (1) review the timely compliance by the Corporation with all legal and regulatory

requirements for audit and related financial functions of the Corporation; (2) identify and monitor the management of the principal risks that could impact the financial reporting of the Corporation; (3) deal with all complaints regarding accounting, internal accounting controls and auditing matters; (4) monitor the integrity of our financial reporting process and our internal accounting controls regarding financial reporting and accounting compliance; (5) to oversee the qualifications and independence of our external auditor; (6) oversee the work of our financial management and external auditor; and (7) provide an open avenue of communication between the external auditors, the Board and management.

Under its mandate, the Audit Committee is required to pre-approve all audit and non-audit services to be performed by the external auditors in relation to us, together with approval of the engagement letter for all non-audit services and estimated fees thereof. The pre-approval process for non-audit services will also involve a consideration of the potential impact of such services on the independence of the external auditors.

Corporate Governance and Nominating Committee

The Board has appointed the CGNC comprising of three (3) independent directors. The members of the CGNC are Ian Webb (Chair), Norm Mayr and Todd R. Patrick.

Pursuant to the charter of the CGNC, its mandate is to assist the Corporation's directors in carrying out the Board's oversight responsibility for (i) reviewing the contingency plan for management succession, (ii) ensuring appropriate skill sets are maintained by the Board and (iii) assessing the effectiveness of the individual directors in compliance with all applicable securities laws and regulations and exchange requirements.

The CGNC is responsible for overseeing and assessing the functioning of the Board, the Committees and individual directors, and for the development, recommendation to the Board, implementation and assessment of effective corporate governance principles. The CGNC is also responsible for identifying candidates for directorship and recommending that the Board select qualified director candidates for election to the Board. There is no formal assessment process. Rather, the CGNC is responsible for determining the appropriate assessment process.

The process by which the Board identifies new candidates for board nomination is set out in the CGNC Mandate.

Compensation Committee

The Board has appointed the CC comprising of three (3) independent directors. The members of the CC are Todd R. Patrick (Chair), Ian Webb and Norm Mayr.

Pursuant to the charter of the CC, its mandate is to assist the Corporation's directors in carrying out the Board's oversight responsibility for (i) overseeing the Corporation's human resources and compensation policies and processes, and (ii) demonstrating to Shareholders that the compensation of the directors who are also employees of the Corporation is recommended by directors who have no personal interest in the outcome of decisions of the CC and who will have due regard to the interests of all of the Shareholders.

The primary responsibilities of the CC with respect to compensation are to make recommendations to the Board in respect of: (1) compensation policies and guidelines; (2) management incentive and perquisite plans and any non-standard remuneration plans; (3) senior management, executive and officer compensation; (4) employee-employer relations; (5) Board compensation matters; and (6) executive compensation disclosure. In carrying out these responsibilities, the CC will evaluate the performance of the Corporation's CEO and all other senior executives in consideration of the respective performance goals and objectives for each such individual and recommend to the Board the amount of regular and incentive compensation to be paid to the Corporation's CEO and all other senior executives; review and recommend to the Board the Corporation's CEO's performance evaluations and recommendations for compensation of our officers and key employees (other than our senior executives); review our compensation philosophy and make recommendations for changes, where appropriate; review and make recommendations to the Board with respect to incentive based compensation plans and equity based plans (including stock option plans); review and recommend to the Board the aggregate bonus pools to be made available under the Corporation's incentive compensation plans for senior management, executives and officers; prepare or review the report on executive compensation and compensation discussion and analysis required to be included in the Corporation's continuous disclosure documentation;

and review and make periodic recommendations to the Board regarding the compensation of the Board. More information on the process by which compensation for the Corporation's directors and officers is determined as set forth under the headings "*Executive Compensation*" and "*Director Compensation*".

Ian Webb and Todd R. Patrick have direct experience relevant to executive compensation responsibilities and serve on the Compensation Committee of CRH.

Assessments

As described above, the CGNC is responsible for overseeing and assessing the functioning of the Board and the Committees. The CGNC must annually review and evaluate and make recommendations to the Board with regard to the size, composition and role of the Board and the Committees (including the type of committees to be established) and the methods and processes by which the Board, the Committees and individual directors fulfill their duties and responsibilities, including the methods and processes for evaluating Board, the Committees and individual director effectiveness.

Term Limits

The Corporation has not adopted term limits for directors of the Corporation. The Board believes that the need to have experienced directors who are familiar with the business of the Corporation must be balanced with the need for renewal, fresh perspectives and a healthy skepticism when assessing management and its recommendations. In addition, as mentioned above the Board undertakes an assessment process that evaluates its effectiveness.

While term limits can help ensure the Board gains fresh perspective, imposing this restriction means the Board would lose the contributions of longer serving directors who have developed a deeper knowledge and understanding of the Corporation over time. The Board believes that term limits have the disadvantage of losing the contribution of directors who have been able to develop, over a period of time, increasing insight into the Corporation and its operations and thereby provide an increasing contribution to the Board as a whole.

INDEBTEDNESS OF DIRECTORS AND OFFICERS

To the knowledge of management of the Corporation, no executive officer or director, no former executive officer, director of the Corporation or any of its subsidiaries, no proposed nominee for election as a director of the Corporation, and no associate of any of the foregoing is currently, or was at any time during the financial year ended December 31, 2018, indebted to the Corporation or to any of its subsidiaries or to another entity where the indebtedness is, or was at any time during the financial year ended December 31, 2018, the subject of a guarantee, support agreement, letter of credit or other similar arrangement or understanding provided by the Corporation or any of its subsidiaries or affiliates.

- The Corporation entered into a five-year lease agreement for an industrial/warehouse/office facility in Goleta, California. The lease term commenced March 1, 2016 and monthly payments of rent and estimated lessor's operating costs are US\$30,000 per month in the first year with base rent increasing by 3% per annum. The base rent under the Build to Suit Lease is based on the budget for the Sunniva California Campus (currently estimated at USD\$95 million) and is calculated based on 17.2% of the project costs as determined under the terms of the Build to Suit Lease. The Build to Suit Lease is for an initial 15-year term with three five-year extensions. Mr. Barker’s interest in the transaction is expected to be approximately 10%. SPCL has an outstanding promissory note in the amount of US\$1,711,195 which it advanced to CPL to pay for capital costs for the Sunniva California Campus. The note accrues interest at 10%.
- Luke Stanton, a director of the Corporation, is the Founder and Executive Chairman of Frontera Law Group, which provides legal services to the Corporation’s US subsidiaries and as such has an interest in transactions considered or conducted by the Corporation. 4.1 Manner of Exercise for Vested Options. Subject to the vesting and other terms of this Plan and the Option Agreement governing any specific Options, an Option may be exercisable by the Optionee delivering to the Company a notice specifying the number of Shares in respect of which the Option is exercised together with payment in full of the Option Price for each such Share. Upon the Company's receipt of such notice and payment there will be a binding contract for the issue of the Option Shares in respect of which the Option is exercised, upon and subject to the provisions of the Plan. In the Company's discretion, the Company may offer to the Optionee the opportunity to exercise the Options on a cashless basis on arrangements satisfactory to the Company.

4.2 General Rule. Subject to section 4.3 of this Plan and any vesting rules applicable to a particular Option, an Option may be exercised to purchase any number of Shares up to the number of Unissued Option Shares underlying such Option at any time after the Grant Date up to 5:00 p.m. PST on the Expiry Date by complying with the requirements of section 4.1. - (b) Death. Notwithstanding subsection 4.3(a) of this Plan, if the Optionee ceases to be a director, officer or Service Provider of the Company and any of its subsidiaries due to death or Disability or, in the case of an Optionee that is a company, the death or Disability of the person who provides management or consulting services to the Company or to any entity controlled by the Company, each Option held by the Optionee shall be exercisable in respect of that number of Option Shares that have vested

pursuant to the terms of the Option Agreement governing such Option at any time up to but not after the earlier of the Expiry Date of that Option and the date which is 12 months after the date of death or Disability; and

 - (ii) ceases to be a director, officer or Service Provider of the Company and any of its subsidiaries by order of any securities commission, recognized stock exchange, or any regulatory body having jurisdiction to so order; or
 - (iii) ceases to be eligible to hold office as a director of the Company and any of its subsidiaries under the provisions of the applicable corporate statute,

each Option held by the Optionee shall be exercisable in respect of that number of Option Shares that have vested pursuant to the terms of the Option Agreement governing such Option at any time up to but not after the earlier of the Expiry Date of that Option and the date on which the Optionee actually ceases to be a director, officer or Service Provider.

4.4 Exclusion From Severance Allowance, Retirement Allowance or Termination Settlement. If the Optionee, or, in the case of an Option granted to an Optionee who falls under the definition of Service Provider set out in section 2 of this Plan, the Optionee's employer, retires, resigns or is terminated from employment or engagement with the Company and any of its subsidiaries, the loss of the right to purchase Shares pursuant to section 4 of this Plan shall not give rise to any right to damages and shall not be included in the calculation of nor form any part of any severance allowance, retiring allowance or termination settlement of any kind whatever in respect of such Optionee.

4.5 Amendment of Options by the Board. Notwithstanding subsections 4.3(a) and 4.3(c) of this Plan and in addition to section 5 below, the Board reserves the right to amend the terms of an Option granted to any Optionee, or, in the case of an Option granted to an Optionee who falls under the definition of Service Provider set out in section 2 of this Plan, the Optionee's employer, if such party resigns or is terminated from employment or engagement with the Company and any of its subsidiaries or such other circumstances as the Board sees fit. The Board shall be entitled, but in no way obligated, to amend the number of Option Shares which an Optionee may purchase under an Option, the Expiry Date of an Optionee's Option and the Option Price.

4.6 Amendment of Options of Insiders by the Board. Notwithstanding sections 4.5, 5.1, 5.2 and 5.3 and subject to section 8 of this Plan, the Board will not amend the terms of any option held by an Insider without first receiving any requisite shareholder or other regulatory approvals in accordance with the requirements of the Exchange, if applicable.

5. AMENDMENT PROCEDURE

5.1 Amendment Procedure

The Company retains the right to amend or terminate the terms and conditions of the Plan or Option Agreement, as applicable, by resolution of the Board (the "Amendment Procedure"). Any amendment to the Plan shall take effect only

with respect to Options granted after the effective date of such amendment, provided that it may apply to any outstanding Options with the mutual consent of the Company and the Optionees to whom such Options have been granted. Without limiting the generality of the foregoing, the Board may use the Amendment Procedure without seeking shareholder approval when:

- (a) altering, extending or accelerating the terms and conditions of vesting of any Options;
- (b) accelerating the Expiry Date of Options;
- (c) amending the definitions contained within the Plan;
- (d) amending or modifying the mechanics of exercise of Options as set forth in section 4, provided however, payment in full of the Option Price for the Shares shall not be so amended or modified;
- (e) effecting amendments of a “housekeeping” or ministerial nature including, without limiting the generality of the foregoing, any amendment for the purpose of curing any ambiguity, error, inconsistency or omission in or from the Plan or any Option Agreement;
- (f) effecting amendments necessary to comply with the provisions of applicable laws (including, without limitation, the rules, regulations and policies of the Exchange);
- (g) effecting amendments respecting the administration of the Plan;
- (h) effecting amendments necessary to suspend or terminate the Plan; and
- (i) any other amendment, whether fundamental or otherwise, not requiring shareholder approval under applicable law (including, without limitation, the rules, regulations, and policies of the Exchange).

5.2 Shareholder Approval

If the Shares are listed on an Exchange and the rules and policies of such Exchange so require, shareholder approval will be required for the following types of amendments:

- (a) amendments that increase the number of Shares issuable under the Plan, except such increases by operation of section 6 of the Plan;
- (b) any reduction in the Option Price of an Option if the Optionee is not an Insider at the time of the proposed amendment; and
- (c) amendments required to be approved by shareholders under applicable law (including, without limitation, pursuant to the rules, regulations and policies of the Exchange).

5.3 Disinterested Shareholder Approval

If the Shares are listed on an Exchange and the rules and policies of such Exchange so require, Disinterested Shareholder Approval will be required for the following types of amendments:

- (a) amendments to the Plan that could result at any time in the number of Shares reserved for issuance under the Plan to Insiders exceeding 10% of the outstanding issue;
- (b) any reduction in the Option Price of an Option if the Optionee is an Insider at the time of the proposed amendment; and
- (c) any other amendments requiring Disinterested Shareholder Approval under applicable law (including, without limitation, pursuant to the rules, regulations and policies of the Exchange).

6. ADJUSTMENT OF OPTION PRICE AND NUMBER OF OPTION SHARES

6.1 Share Reorganization. Whenever the Company issues Shares to all or substantially all holders of Shares by way of a stock dividend or other distribution, or subdivides all outstanding Shares into a greater number of Shares, or combines or consolidates all outstanding Shares into a lesser number of Shares (each of such events being herein called a “Share Reorganization”) then effective immediately after the record date for such dividend or other distribution or the effective date of such subdivision, combination or consolidation, for each Option:

- (a) the Option Price will be adjusted to a price per Share which is the product of:
 - (i) the Option Price in effect immediately before that effective date or record date; and
 - (ii) a fraction the numerator of which is the total number of Shares outstanding on that effective date or record date before giving effect to the Share Reorganization, and the denominator of which is the total number of Shares that are or would be outstanding immediately after such effective date or record date after giving effect to the Share Reorganization; and
- (b) the number of Unissued Option Shares will be adjusted by multiplying (i) the number of Unissued Option Shares immediately before such effective date or record date by (ii) a fraction which is the reciprocal of the fraction described in subsection (a)(ii).

6.2 Special Distribution. Subject to the prior approval of the Exchange, whenever the Company issues by way of a dividend or otherwise distributes to all or substantially all holders of Shares:

- (a) shares of the Company, other than the Shares;
- (b) evidences of indebtedness;
- (c) any cash or other assets, excluding cash dividends (other than cash dividends which the Board has determined to be outside the normal course); or
- (d) rights, options or warrants,

then to the extent that such dividend or distribution does not constitute a Share Reorganization (any of such non-excluded events being herein called a “Special Distribution”), and effective immediately after the record date at which holders of Shares are determined for purposes of the Special Distribution, for each Option the Option Price will be reduced, and the number of Unissued Option Shares will be correspondingly increased, by such amount, if any, as is determined by the Board in its sole and unfettered discretion to be appropriate in order to properly reflect any diminution in value of the Shares as a result of such Special Distribution.

6.3 Corporate Organization. Whenever there is:

- (a) a reclassification of outstanding Shares, a change of Shares into other shares or securities, or any other capital reorganization of the Company, other than as described in sections 6.1 or 6.2 of this Plan;
- (b) a consolidation, merger or amalgamation of the Company with or into another corporation resulting in a reclassification of outstanding Shares into other shares or securities or a change of Shares into other shares or securities; or
- (c) a transaction whereby all or substantially all of the Company’s undertaking and assets become the property of another corporation;

(any such event being herein called a “Corporate Reorganization”) the Optionee will have an option to purchase (at the times, for the consideration, and subject to the terms and conditions set out in the Plan) and will accept on the exercise of such option, in lieu of the Unissued Option Shares which he would otherwise have been entitled to purchase, the kind and amount of shares or other securities or property that he would have been entitled to receive as a result of the Corporate Reorganization if, on the effective date thereof, he had been the holder of all Unissued Option Shares.

6.4 No Fractional Shares. No fractional Shares shall be issued upon the exercise of the Options and accordingly, if as a result of a Share Reorganization or Corporate Reorganization, an Optionee would become entitled to a fractional Share, such Optionee shall have the right to purchase only the next lowest whole number of Shares and no payment or other adjustment will be made with the fractional interest so disregarded. Additionally, no lots of Shares in an amount less than 500 Shares shall be issued upon the exercise of the Option unless such amount of Shares represents the balance left to be exercised under the Option.

6.5 Option Exchange in Lieu of Adjustments. In the event that any adjustment to the terms of any outstanding Option under this Article 6 would result in the deduction otherwise available under section 110(1)(d) of the *Income Tax Act* (Canada) becoming unavailable then, in lieu of making any such adjustment, immediately prior to the exercise of such outstanding Option, such outstanding Option will be exchanged for a new Option in a manner which:

- (a) provides the Optionee, upon exercise, with the same direct economic benefit he or she would have realized had the required adjustment been made; and
- (b) complies in all respects with the option exchange rules contained in section 7(1.4) of the *Income Tax Act* (Canada).

7. SIGNIFICANT EVENTS AFFECTING THE COMPANY

7.1 Change of Control Transactions

- (a) In the event of a Change of Control Transaction described under subsections (a) or (c) of the definition of “Change of Control Transaction”, the following rules shall apply:

- (i) all vested Options held by an Optionee as of the completion date will be exercisable by the Optionee until the time immediately prior to the completion of such Change of Control Transaction;
 - (ii) the vesting provisions governing all unvested Options held by an Optionee as of the completion date shall be accelerated and such Options will be Conditionally Exercisable by the Optionee for a period beginning on the date which is 21 days prior to the anticipated closing date of the Change of Control Transaction described above and ending immediately prior to the completion of such Change of Control Transaction. Option Shares issuable pursuant to Conditionally Exercisable Options will be issued immediately prior to the closing of the Change of Control Transaction; and
 - (iii) notwithstanding any other provisions hereof or the terms of any outstanding Options, all Options not exercised in accordance with the terms of this Plan (including this section 7.1(a)) shall become null and void upon completion of the Change of Control Transaction described above.
- (b) In the event of a Change of Control Transaction described under subsections (b), (d), (e) or (f) of the definition of “Change of Control Transaction”, all Options shall immediately vest and become exercisable.
 - (c) For the purposes of this section 7 of the Plan, “Conditionally Exercisable” means that Options may be conditionally exercised with completion of such exercise and issuance of the applicable Option Shares being subject to completion of a Change of Control Transaction. In the event such Change of Control Transaction is not completed within 90 days of the proposed completion date for such transaction, the Optionee will be refunded the Option Price paid to exercise such Optionee’s Options (if any), such Options will be deemed to have remained outstanding throughout the conditional exercise process, and the purported exercise of such Options will be null and void *ab initio*.

8. **MISCELLANEOUS**

8.1 **Form of Notice.** A notice given to the Company shall be in writing, signed by the Optionee and delivered to the Secretary of the Company.

8.2 **Right to Employment.** Neither this Plan nor any of the provisions hereof shall affect in any way the Optionee’s right to continued employment with the Company or its subsidiaries or the Company’s right to terminate such employment.

8.3 **Amendment and Waiver.** Subject to pre-clearance with the Exchange and any other prior regulatory or shareholder approval required under the policies of the Exchange or applicable law, the Company may from time to time amend any provisions of the Plan, but no such amendment can impair any of the rights of any Optionee under any Option then outstanding without such Optionee’s written consent.

8.4 **No Assignment.** No Optionee may assign any of his rights under the Plan.

8.5 **Conflict.** In the event of any conflict between the provisions of this Plan and an Option Agreement, the provisions of this Plan shall govern.

8.6 **Time of Essence.** Time is of the essence of this Plan and of each Option Agreement. No extension of time will be deemed to be or to operate as a waiver of the essentiality of time.

8.7 Entire Agreement. This Plan and the Option Agreement sets out the entire agreement between the Company and the Optionees relative to an Option and supersedes all prior agreements, undertakings and understandings, whether oral or written.
