

The Green Organic Dutchman Receives Organic Certification From Internationally Recognized Ecocert Canada

NOT FOR DISTRIBUTION IN THE UNITED STATES OR OVER UNITED STATES NEWS WIRE SERVICES

TORONTO, May 18, 2018 -- The Green Organic Dutchman Holdings Ltd. (the “**Company**” or “**TGOD**”) (TSX:TGOD) is pleased to announce that on May 9, 2018 its facility based in Ancaster, Ontario received organic certification from Ecocert Canada, an internationally recognized world-leading organization in organic certification.

“This is another step in TGOD’s planned expansion to be the world’s largest branded organic cannabis company. Consumers world-wide are interested in quality products and TGOD will continue to strive to provide the highest quality organic product that complements the natural product preferences of today’s consumer,” said Mr. Robert Anderson, Co-Chairman and CEO.

Ecocert Canada provides inspection and certification for sustainable development and works to maintain rigorous respect of organic standards on products, systems and services. The certification process includes validation of inputs, production methods and preparation procedures according to Canadian organic product regulation. Organic certification aims to guarantee the organic integrity of products throughout the entire production chain.

“TGOD is committed to producing only premium quality organic cannabis products, free from any synthetic nutrients, pesticides or herbicides. We are proud to have met the rigorous standards for organic certification by Ecocert Canada and are excited to offer consumers an organic product range that is held to the highest standards,” stated Mr. David Bernard-Perron, Vice President, Growing Operations.

On Behalf of the Board of Directors,
