Attention: Robert Anderson, Chief Executive Officer and Co-Chairman

Dear Sirs:

Canaccord Genuity Corp. (“**Canaccord**”), as sole bookrunner, together with PI Financial Corp. (“**PI**” and together with Canaccord, the “**Co-Lead Underwriters**”) and Mackie Research Capital Corporation (collectively, the “**Underwriters**” and individually, an “**Underwriter**”) understand that The Green Organic Dutchman Holdings Ltd. (the “**Company**”) proposes to issue and sell to the Underwriters on a private placement basis an aggregate of 3,910,000 special warrants of the Company (the “**Special Warrants**”) at a price per Special Warrant of \$6.40 (the “**Special Warrant Offering Price**”) for aggregate gross proceeds to the Company of \$25,024,000 (the “**Offering**”). Subject to the terms and conditions set out in this Agreement (as defined below), the Underwriters hereby severally and not jointly, in the respective percentages set forth in paragraph 16, agree to purchase the Special Warrants and, by its acceptance hereof, the Company agrees to issue and sell to the Underwriters, the Special Warrants at the Closing Time (as defined below) at the Special Warrant Offering Price per Special Warrant for an aggregate purchase price of \$25,024,000.

It is understood that the Underwriters intend to arrange for qualified substituted purchasers (the “**Substituted Purchasers**”) in the Qualifying Jurisdictions (as defined below) to purchase the Special Warrants, in which case, the Company will sell such Special Warrants to such Substituted Purchasers on the date hereof and upon completion and settlement of such sales the Underwriters’ rights and obligations to purchase Special Warrants pursuant to the Offering will be proportionately reduced. Canaccord will determine, on behalf of itself and the other Underwriters, in its sole discretion, the breakdown of allocations of the Special Warrants among subscribers.

Each Special Warrant will entitle the holder thereof to receive, upon voluntary exercise prior to or deemed exercise on the Automatic Exercise Date (as defined below) and without payment of additional consideration, one unit (each a “**Unit**”) consisting of one common share in the capital of the Company (each, a “**Unit Share**”) and one half of one common share purchase warrant (each whole warrant, a “**Unit Warrant**”) with each Unit Warrant having an exercise price of \$9.50 per common share (each, a “**Warrant Share**”) with a term of 36 months from the Closing Date (as defined below).

Each Special Warrant not previously exercised will be automatically exercised, without payment of additional consideration, into one Unit on the earlier of (the “**Automatic Exercise Date**”): (i) the date which is four months and a day following the Closing Date; and (ii) the third Business Day (as defined below) after the Qualification Date (as defined below). Notwithstanding the foregoing, in the event a receipt for the Preliminary Prospectus (as defined below) has not been issued within 10 Business Days following the Closing Date, each unexercised Special Warrant will thereafter entitle the holder to receive upon the exercise thereof, at no additional consideration, 1.05 Units in the capital of the Company (instead of one Unit in the capital of the Company) (the additional 0.05 Units in the capital of the Company are collectively referred to herein as the “**Penalty Units**”); provided, however, that any fractional entitlement to Penalty Units will be rounded down to the nearest whole Penalty Unit. The “**Qualification Date**” means the date on which a receipt for the Final Prospectus (as defined below) is issued by the Ontario Securities Commission, as principal regulator, on its own behalf and on behalf of each of the other relevant securities regulators in the Qualifying Jurisdictions (as defined below).

The Special Warrants will be duly and validly created and issued pursuant to, and governed by, a special warrant indenture (the “**Special Warrant Indenture**”) to be entered into on the Closing Date between the Company and Computershare Trust Company of Canada (the “**Special Warrant Agent**”) in its capacity as special warrant agent thereunder. The description of the Special Warrants herein is a summary only and is subject to the specific attributes

and detailed provisions of the Special Warrants to be set forth in the Special Warrant Indenture. In the case of any inconsistency between the description of the Special Warrants in this Agreement and their terms and conditions as set forth in the Special Warrant Indenture, the provisions of the Special Warrant Indenture will govern.

In consideration of the services to be rendered by the Underwriters in connection with the sale and purchase of Special Warrants under the Offering and all other services related thereto, the Company will pay to the Underwriters the Commission and issue to the Underwriters the Underwriters' Special Warrants (as defined below) in accordance with the provisions of paragraph 2.4.

Sales of the Special Warrants may be made to Substituted Purchasers (outside of the United States) pursuant to exemptions from the prospectus and registration requirements of applicable securities laws of each of the Provinces of Canada.

The Underwriters are entitled to appoint, at their sole expense, other registered dealers acceptable to the Company (the "**Selling Firms**") as agents to assist in the Offering and the Underwriters may determine the remuneration payable to such Selling Firms, such remuneration to be the sole responsibility of the Underwriters.

The Offering is conditional upon and subject to the additional terms and conditions set forth below.

The Company also covenants to use its commercially reasonable efforts to secure the cooperation of the Company's professional advisors (including its legal advisors and auditors) and the officers and directors to participate in any due diligence conference calls required by the Underwriters, and the Company consents to the use and the disclosure of information obtained during the course of the due diligence investigation where such disclosure is required by Applicable Laws.

- (i) the Underwriters will have received favourable legal opinions addressed to the Purchasers and the Underwriters, in form and substance satisfactory to Canaccord and its legal counsel, dated the Closing Date from local counsel to the Company as to the incorporation, capacity, ownership, subsistence and authorized and issued capital of the Subsidiaries, and such other legal matters reasonably requested by the Underwriters;

- (k) the Company will have fulfilled to the satisfaction of the Underwriters all covenants set forth in paragraph 4 that are required to be satisfied by it on or prior to the Closing Time; and
- (l) the Underwriters will not have terminated their obligations under this Agreement pursuant to paragraph 11.

11. Rights of Termination.

- (a) All terms and conditions set out in this Agreement will be construed as conditions and any material breach or failure by the Company to comply with any such conditions in favour of the Underwriters will entitle the Underwriters (or any one of them) to terminate and cancel, without any liability on the part of the Underwriter, all of its obligations under this Agreement and the obligations of any Purchaser to purchase the Special Warrants, by notice in writing to that effect delivered to the Company prior to or at the Closing Time. The Company will use commercially reasonable efforts to cause all conditions in this Agreement over which it has control to be

satisfied. It is understood that Canaccord may waive in whole or in part, or extend the time for compliance with, any of such terms and conditions without prejudice to their rights in respect of any subsequent breach or non-compliance; provided, however, that to be binding on an Underwriter, any such waiver or extension must be in writing and signed by such Underwriter.

- (b) In addition to any other remedies which may be available to the Underwriters in respect of any default, act or failure to act, non-compliance with the terms of this Agreement by the Company, each of the Underwriters will be entitled, at its sole option, to terminate and cancel, without any liability on the part of the Underwriter, all of its obligations under this Agreement and the obligations of any Purchaser to purchase the Special Warrants, by notice in writing to that effect delivered to the Company prior to or at the Closing Time if:
- (i) there will be any material change in the affairs of the Company or its Subsidiaries, or there should be discovered any previously undisclosed material fact (other than facts relating solely to an Underwriter) which, in either case, in the reasonable opinion of the Underwriters (or any of them), has or could reasonably be expected to have a significant adverse effect on the market price or value or marketability of the Common Shares, the Special Warrants or any other securities of the Company;
 - (ii) any order, inquiry, action, suit, investigation or other proceeding whether formal or informal (including matters of regulatory transgression or unlawful conduct) is instituted, announced or threatened or made by any federal, provincial, state, municipal or other governmental department, commission, board, bureau, agency, or instrumentality including, without limitation, the TSX or any securities regulatory authority against the Company or its Subsidiaries or any of their respective officers, directors or principal shareholders or any law or regulation is enacted or changed which in the opinion of the Underwriters (or any of them), acting reasonably, could operate to prevent or materially restrict the trading or value of the Common Shares, the Special Warrants or any other securities of the Company or materially and adversely affects or will materially and adversely affect the market price or value of the Common Shares, the Special Warrants or any other securities of the Company;
 - (iii) there should develop, occur or come into effect or existence any event, action, state, accident, condition, terrorist event or major financial occurrence of national or international consequence or any law or regulation which in the opinion of the Underwriters (or any one of them) seriously adversely affects or involves or may seriously adversely affect or involve the Canadian financial markets or the business, operations or affairs of the Company and its Subsidiaries taken as a whole or the market price or value of the Special Warrants, Common Shares or other securities of the Company; or
 - (iv) the Underwriters (or any of them) determine that the Company is in breach of a material term, condition or covenant of this Agreement or any material representation or warranty given by the Company in this Agreement is or becomes false.
- (c) The rights of termination contained in paragraph 11 may be exercised by each of the Underwriters and are in addition to any other rights or remedies the Underwriters may have in respect of any default, act or failure to act or non-compliance by the Company in respect of any of the matters contemplated by this Agreement or otherwise. In the event of any such termination, there will be no further liability on the part of the Underwriters to the Company or on the part of the Company to the Underwriters except in respect of any liability or obligation which may have arisen or arises after such termination under paragraphs 1, 2.4, 9, 12 or 13, which paragraphs will survive the termination of this Agreement. A notice of termination given by one Underwriter as contemplated by paragraph 11 will not be binding upon the other Underwriters.

- (d) The Underwriters will use commercially reasonable efforts to give the notice to the Company as contemplated by paragraph 11 of the occurrence of any of the events or circumstances referred to therein, provided that neither the giving nor the failure to give such notice will in any way affect the Underwriters' entitlement to exercise their rights contained in paragraph 11 at any time through to the Closing Time.

12. Survival of Representations and Warranties. The representations, warranties, covenants and indemnities of the Company and the Underwriters contained in this Agreement will survive the Closing.

13. Indemnity.

- (a) The Company hereby agrees to indemnify and save harmless to the maximum extent permitted by law, the Underwriters, their affiliates and their respective directors, officers, employees, partners, agents, advisors and shareholders (collectively, the "**Indemnified Parties**" and individually, an "Indemnified Party") from and against any and all losses, claims, actions, suits, proceedings, investigations, damages, liabilities or expenses of whatsoever nature or kind (excluding loss of profits), whether joint or several, including the aggregate amount paid in reasonable settlement of any actions, suits, proceedings, investigations or claims, and the fees, disbursements and taxes of their counsel in connection with any action, suit, proceeding, investigation or claim that may be made or threatened against any Indemnified Party or in enforcing this indemnity (each a "**Claim**" and, collectively, the "**Claims**") to which an Indemnified Party may become subject or otherwise involved in any capacity insofar as the Claim relates to, is caused by, results from, arises out of or is based upon, directly or indirectly, this Agreement whether performed before or after the execution of this Agreement by the Company, including, without limitation, in any way caused by, or arising directly or indirectly from, or in consequence of:

- (i) any misrepresentation (as such term is defined in the Securities Act (British Columbia)) or alleged misrepresentation contained in this Agreement, the Preliminary Prospectus or the Final Prospectus, or any amendments thereto, filed in connection with the sale of Special Warrants pursuant to the Offering;
- (ii) any information or statement (except any information or statement relating solely to the Underwriters) contained in the Preliminary Prospectus or the Final Prospectus or any certificate of the Company delivered under or pursuant to this Agreement which at the time and in light of the circumstances under which it was made contains or is alleged to contain a misrepresentation;
- (iii) any omission or alleged omission to state, in the Preliminary Prospectus or the Final Prospectus or any certificate of the Company delivered under or pursuant to this Agreement, any fact (except facts relating solely to the Underwriters), whether material or not, required to be stated in such document or necessary to make any statement in such document not misleading in light of the circumstances under which it was made; or
- (iv) the non-compliance or alleged non-compliance by the Company with any requirements of the Securities Act (British Columbia) or other applicable securities laws and regulations in connection with the Offering,

and to reimburse each Indemnified Party forthwith, upon demand, for any legal or other expenses reasonably incurred by such Indemnified Party in connection with any Claim.

- (b) If and to the extent that a court of competent jurisdiction, in a final non-appealable judgment in a proceeding in which an Indemnified Party is named as a party, determines that a Claim was caused by or resulted from an Indemnified Party's material breach of this Agreement, breach of applicable laws, gross negligence or fraudulent act, this indemnity shall cease to apply to such Indemnified Party in respect of such Claim and such Indemnified Party shall reimburse any funds advanced by the Company to the Indemnified Party pursuant to this indemnity in respect of such

Claim. The Company agrees to waive any right the Company might have of first requiring the Indemnified Party to proceed against or enforce any other right, power, remedy or security or claim payment from any other person before claiming under this indemnity.

- (c) If any Claim is brought against an Indemnified Party or an Indemnified Party has received notice of the commencement of any investigation in respect of which indemnity may be sought against the Company, the Indemnified Party will give the Company prompt written notice of any such Claim of which the Indemnified Party has knowledge and the Company will undertake the investigation and defence thereof on behalf of the Indemnified Party, including the prompt employment of counsel acceptable to the Indemnified Parties affected and the payment of all expenses. Failure by the Indemnified Party to so notify shall not relieve the Company of its obligation of indemnification hereunder.
- (d) No admission of liability and no settlement, compromise or termination of any Claim, or investigation shall be made without the consent of the Company and the consent of the Indemnified Parties affected, such consents not to be unreasonably withheld or delayed. Notwithstanding that the Company will undertake the investigation and defence of any Claim, the Indemnified Parties will have the right to employ one separate counsel in each applicable jurisdiction with respect to such Claim and participate in the defence thereof, but the fees and expenses of such counsel will be at the expense of the Indemnified Parties unless:
 - (i) employment of such counsel has been authorized in writing by the Company;
 - (ii) the Company has not assumed the defence of the action within a reasonable period of time after receiving notice of the claim;
 - (iii) the named parties to any such claim include the Company, and any of the Indemnified Parties, and the Indemnified Parties shall have been advised by counsel to the Indemnified Parties that there may be a conflict of interest between the Company and any Indemnified Party; or
 - (iv) there are one or more defences available to the Indemnified Parties which are different from or in addition to those available to the Company, as the case may be; in which case such fees and expenses of such counsel to the Indemnified Parties will be for the account of the Company. The rights accorded to the Indemnified Parties hereunder shall be in addition to any rights the Indemnified Parties may have at common law or otherwise.
- (e) Without limiting the generality of the foregoing, this Indemnity shall apply to all reasonable expenses (including legal expenses), losses, claims and liabilities that the Underwriters may incur as a result of any action, suit, proceeding or claim that may be threatened or brought against the Company.
- (f) If for any reason the foregoing indemnification is unavailable (other than in accordance with the terms hereof) to the Indemnified Parties (or any of them) or insufficient to hold them harmless, the Company agrees to contribute to the amount paid or payable by the Indemnified Parties as a result of such Claims in such proportion as is appropriate to reflect not only the relative benefits received by the Company on the one hand and the Indemnified Parties on the other, but also the relative fault of the parties and other equitable considerations which may be relevant. Notwithstanding the foregoing, the Company will in any event contribute to the amount paid or payable by the Indemnified Parties as a result of such Claim any amount in excess of the fees actually received by the Indemnified Parties hereunder.
- (g) The Company hereby constitutes Canaccord as trustee for each of the other Indemnified Parties of the covenants of the Company under this indemnity with respect to such persons and Canaccord agrees to accept such trust and to hold and enforce such covenants on behalf of such persons.

- (h) The Company agrees that, in any event, no Indemnified Party shall have any liability (either direct or indirect, in contract or tort or otherwise) to the Company, or any person asserting claims on their behalf or in right for or in connection with this Agreement, except to the extent that any losses, expenses, claims, actions, damages or liabilities incurred by the Company are determined by a court of competent jurisdiction in a final judgment (in a proceeding in which an Indemnified Party is named as a party) that has become non-appealable to have resulted from a material breach of this Agreement, breach of applicable laws, gross negligence or fraudulent act of such Indemnified Party.
- (i) The Company agrees to reimburse each of the Underwriters monthly for the time spent by such Underwriters' personnel in connection with any Claim at their reasonable per diem rates. The Company also agrees that if any action, suit, proceeding or claim shall be brought against, or an investigation commenced in respect of the Company and any of the Underwriters and personnel of such Underwriters shall be required to participate or respond in respect of or in connection with this Agreement, each such Underwriter shall have the right to employ its own counsel in connection therewith and the Company will reimburse such Underwriter monthly for the time spent by its personnel in connection therewith at their reasonable per diem rates together with such disbursements and reasonable out-of-pocket expenses as may be incurred, including fees and disbursements of such Underwriter's counsel.
- (j) The indemnity and contribution obligations of the Company shall be in addition to any liability which the Company may otherwise have to the Indemnified Parties, shall extend upon the same terms and conditions to the Indemnified Parties and shall be binding upon and enure to the benefit of any successors, assigns, heirs and personal representatives of the Company, and any Indemnified Party. The foregoing provisions shall survive the completion of professional services rendered under this Agreement or any termination of the authorization given by this Agreement.

14. Advertisements. The Company acknowledges that the Underwriters will have the right, at their own expense, to place such advertisement or advertisements or press releases relating to and following the completion of the sale of the Special Warrants contemplated herein as the Underwriters may consider desirable or appropriate and as may be permitted by Applicable Law. The Company and the Underwriters each agree that it will not make or publish any advertisement or press release in any media whatsoever relating to, or otherwise publicizing, the Offering so as to result in any exemption from the prospectus and registration requirements of applicable Securities Laws being unavailable in respect of the sale of the Special Warrants and issuance of Underlying Securities to prospective purchasers. Subject to compliance with Applicable Law, any press release or advertisement of the Company relating to the Offering will be provided in advance to the Underwriters and the Company will use its commercially reasonable efforts to agree to the form and substance thereof with the Underwriters prior to the release thereof.

16. Underwriters' Obligations.

- (a) The Underwriters' obligations under this agreement, including their applicable obligations to purchase the Special Warrants are several and not joint nor joint and several in that each of the Underwriters will be obligated to purchase only the percentage of the total number of Special Warrants set forth opposite their names in paragraph 16(b).

PI Financial Corp.	47.5%
Mackie Research Capital Corporation	5.0%
<hr/>

- (c) If any Underwriter (a “**Refusing Underwriter**”) will not complete the purchase and sale of its applicable percentage of the aggregate amount of the Special Warrants at the Closing Time for any reason, the other Underwriters (the “**Continuing Underwriters**”) will have the right, but will not be obligated, to purchase all, but not less than all, of the Special Warrants which would otherwise have been purchased by the Refusing Underwriter on a pro rata basis according to the number of Special Warrants to have been acquired by the Continuing Underwriters hereunder or on such other basis as the Continuing Underwriters may agree. If, with respect to such Special Warrants, the Continuing Underwriter(s) elects not to exercise such rights to assume the entire obligations of the Refusing Underwriter, then the Company will have the right to terminate its obligations hereunder without liability except in respect of its obligations under paragraphs 1, 2.4, 12 or 13 in respect of the Continuing Underwriter(s) only. Nothing in this paragraph 16 will oblige the Company to sell to the Underwriters less than all of the Special Warrants or will relieve an Underwriter in default hereunder from liability to the Company.

17. General.

17.1 Time of the Essence. Time will, in all respects, be of the essence hereof.

17.2 Headings. The headings contained herein are for convenience only and will not affect the meaning or interpretation hereof.

17.3 Entire Agreement. This Agreement and the other agreements and documents referred to herein constitute the only agreement between the parties with respect to the subject matter hereof and will supersede any and all prior negotiations and understandings between the parties hereto with respect to the transactions contemplated in this Agreement. This Agreement may be amended or modified in any respect by written instrument only.

17.4 Conflict. The Company acknowledges that the Underwriters and their affiliates carry on a range of businesses, including providing stockbroking, investment advisory, research, investment management and custodial services to clients and trading in financial products as agent or principal. It is possible that the Underwriters and other entities in their respective groups that carry on those businesses may hold long or short positions in securities of companies or other entities, which are or may be involved in the transactions contemplated in this Agreement and effect transactions in those securities for their own account or for the account of their respective clients. The Company agrees that these divisions and entities may hold such positions and effect such transactions without regard to the Company’s interests under this Agreement.

17.5 No Fiduciary Duty. The Company hereby acknowledges that: (a) the purchase and sale of the Special Warrants pursuant to this Agreement is an arm’s-length commercial transaction between the Company, on the one hand, and the Underwriters and any affiliate through which they may be acting to effect sales, on the other hand; (b) such Underwriters are acting as principal and not as an agent or fiduciary of the Company; and (c) the Company’s engagement of the Underwriters in connection with the Offering and the process leading up to the Offering is as independent contractors and not in any other capacity. Furthermore, the Company agrees that it is

solely responsible for making its own judgments in connection with the Offering (irrespective of whether any of such Underwriters has advised or is currently advising the Company on related or other matters). The Company agrees that it will not claim that such Underwriters have rendered advisory services of any nature or respect, or owe an agency, fiduciary or similar duty to the Company in connection with such transaction or the process leading thereto.

17.6 Underwriters' Authority. All steps which must or may be taken by the Underwriters in connection with this Agreement, with the exception of the matters relating to: (a) termination or waiver contemplated by paragraph 11; (b) indemnification or contribution contemplated by paragraph 13; or (c) the Underwriters' obligations contemplated by paragraph 16, may be taken by Canaccord on behalf of the Underwriters and Canaccord will have authority to bind the Underwriters, and the execution of this Agreement by the Company will constitute the Company's authority for accepting notification of any such steps from, and for delivering the definitive documents constituting the Special Warrants to Canaccord. Nothing in this Agreement is intended to create any relationship in the nature of a partnership, or joint venture among the Underwriters.

17.7 Severability. The invalidity or unenforceability of any particular provision of this Agreement will not affect or limit the validity or enforceability of the remaining provisions of this Agreement.

17.8 Successors and Assigns. The terms and provisions of this Agreement will be binding upon and enure to the benefit of the Company, the Underwriters and the Purchasers and their respective successors and permitted assigns; provided, however, that, except as provided herein, this Agreement will not be assignable by the Company without the prior written consent of the Underwriters, or by any Underwriter without the prior written consent of the Company.

17.9 Further Assurances. Each of the parties hereto will do or cause to be done all such acts and things and will execute or cause to be executed all such documents, agreements and other instruments as may reasonably be necessary or desirable for the purpose of carrying out the provisions and intent of this Agreement.

17.10 Effective Date. This Agreement is intended to and will take effect as of the date first set forth above, notwithstanding its actual date of execution or delivery.

17.11 Counterparts and Facsimile Execution. This Agreement may be executed in any number of counterparts, which taken together will form one and the same agreement. This Agreement may be executed by one or more of the parties by facsimile transmitted signature or by e-mail in PDF format and all parties agree that the reproduction of signature by way of facsimile or by e-mail in PDF format will be treated as though such reproductions were executed originals.

17.12 Governing Law. This Agreement will be governed by and construed in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein and the parties hereto attorn to the non-exclusive jurisdiction of the courts of such Province in connection with all matters arising hereunder.
